**Item 1.01. Entry into a Material Definitive Agreement.**

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On October 1, 2010, TeleTech Holdings, Inc. (the Company) entered into an amended credit agreement (the Credit Agreement) with a syndicate of lenders led by KeyBank National Association, Wells Fargo Bank, National Association, Bank of America, N.A., BBVA Compass, and JPMorgan Chase Bank, N.A. (collectively the Lenders). The Credit Agreement amends and restates in its entirety the Company's prior Amended and Restated Credit Agreement dated as of September 28, 2006, as amended.

The Credit Agreement provides for a secured revolving credit facility that matures on September 30, 2015 with an initial maximum aggregate commitment of \$350.0 million, including a \$35.0 million sub-limit for letters of credit and a swingline loan sub-limit of \$25.0 million. The Credit Agreement also provides for a sub-limit for loans or letters of credit in foreign currencies of 50% of the total commitment amount. The Company may increase the maximum aggregate commitment under the Credit Agreement to \$500.0 million if certain conditions are satisfied, including that the Company is not in default under the Credit Agreement at the time of the increase and that the Company obtains the commitment of the lenders participating in the increase.

Loans under the Credit Agreement are designated at the Company's election as:

- base rate loans,
  
- Eurodollar loans, or
  
- alternate currency loans.

Base rate loans bear interest at a rate equal to the greatest of (i) KeyBank National Association's prime rate, (ii) the federal funds effective rate plus 0.5% or (iii) the one month London Interbank Offered Rate plus 1.25%, in each case plus a margin as set forth below. Eurodollar loans bear interest at a rate equal to the rate obtained by dividing (i) the rate in the London interbank market for dollar deposits in immediately available funds with a maturity comparable to the term of the Eurodollar loan by (ii) 1.00 minus the percentage prescribed by the Board of Governors of the Federal Reserve System for determining the maximum reserve requirement for a member bank in respect of Eurocurrency liabilities, plus a margin as set forth below. Alternate currency loans bear interest at a rate equal to the rate obtained by dividing (i) the rate in the London interbank market for deposits in the applicable currency in immediately available funds with a maturity comparable to the term of the alternate currency loan by (ii) 1.00 minus the percentage prescribed by the Board of Governors of the Federal Reserve System for determining the maximum reserve requirement for a member bank in respect of Eurocurrency liabilities, plus a margin as set forth below.

The applicable margins until March 31, 2011, are 0.00% for base rate loans or swingline loans and 1.25% for Eurodollar loans or alternate currency loans. Thereafter the borrowing margins are determined by reference to the Company's leverage ratio, as set forth in the table below:

<b>Leverage Ratio</b>	<b>Applicable Margin for Base Rate Loans or Swingline Loans</b>	<b>Applicable Margin for Eurodollar Loans or Alternate Currency Loans</b>
≥3.00 to 1.00	1.00%	2.75%
≥2.00 to 1.00 but <3.00 to 1.00	0.50%	2.25%
≥1.00 to 1.00 but <2.00 to 1.00	0.00%	1.75%
<1.00 to 1.00	0.00%	1.25%

## Edgar Filing: TELETECH HOLDINGS INC - Form 8-K

Letter of credit fees are 0.125% of the stated amount of the letter of credit on the date of issuance, renewal or amendment, plus an annual fee equal to the borrowing margin for Eurodollar loans multiplied by the stated amount of the letter of credit. Facility fees are payable to the Lenders in an amount equal to the unused portion of the credit facility multiplied by a commitment fee equal to 0.25% until March 31, 2011 and thereafter as determined by reference to the Company's leverage ratio, as set forth in the table below:

<b>Leverage Ratio</b>	<b>Commitment Fee Rate</b>
≥3.00 to 1.00	0.40%
≥2.00 to 1.00 but <3.00 to 1.00	0.35%
≥1.00 to 1.00 but <2.00 to 1.00	0.30%
<1.00 to 1.00	0.25%

Indebtedness under the Credit Agreement is guaranteed by certain of the Company's present and future domestic subsidiaries. The Company's foreign subsidiaries may guarantee borrowing of foreign borrowers under the Credit Agreement. Indebtedness under the Credit Agreement and the related guarantees are secured by security interests (subject to permitted liens) in the accounts receivable and cash of the Company and certain of its domestic subsidiaries and may be secured by tangible assets of the Company and such domestic subsidiaries if borrowings by foreign subsidiaries exceed \$50.0 million and the leverage ratio is greater than 2.50 to 1.00. The Company will also pledge 65% of the voting stock and 100% of the non-voting stock of certain of the Company's material foreign subsidiaries and may pledge 65% of the voting stock and 100% of the non-voting stock of the Company's other foreign subsidiaries.

The Credit Agreement contains customary affirmative and negative covenants and financial covenants. These covenants include, but are not limited to, the following, in each case subject to exceptions set forth in the Credit Agreement:

- incurring additional indebtedness, including guarantees of indebtedness;
- creating, incurring, assuming or permitting to exist liens on property and assets;
- making loans and investments and entering into certain types of mergers, consolidations and acquisitions;
- paying, redeeming or repurchasing debt, or amending or modifying the terms of certain material debt or certain other agreements;
- entering into certain affiliate transactions; and
- entering into agreements that would restrict the ability of the Company's subsidiaries to pay dividends and make distributions.

Edgar Filing: TELETECH HOLDINGS INC - Form 8-K

In addition, the Company is obligated to maintain the following:

- a leverage ratio of not greater than 3.5 to 1.0;
- a senior leverage ratio of not greater than 3.0 to 1.0;

- a minimum interest coverage ratio of not less than 2.5 to 1.0; and
- cash, cash equivalents and availability under the Credit Agreement sufficient to pay contingent obligations incurred in connection with acquisitions which may become payable within 12 months.

For the purposes of the Credit Agreement, the senior leverage ratio is the ratio of (i) indebtedness for borrowed money, obligations for bonds, debentures, notes or similar instruments, guaranties, obligations under any conditional sale or other title retention agreements, all capitalized lease, synthetic lease (other than for aircraft up to an aggregate of \$10.0 million) and asset securitization obligations, obligations with respect to letters of credit, obligations for the deferred purchase price of capital assets minus indebtedness that has been subordinated in favor of obligations under the Credit Agreement to (ii) the consolidated EBITDA of the Company over the most recently completed four quarters.

The Credit Agreement also contains various information and reporting requirements as well as customary events of default, including without limitation events of default based on payment obligations, material inaccuracies of representations and warranties, covenant defaults, cross defaults to certain other debt, certain ERISA events, change in control, monetary judgments and insolvency proceedings.

The foregoing summary of the Credit Agreement is not complete, and is qualified in its entirety by reference to the full text of the Credit Agreement, which is filed as Exhibit 10.1 hereto and incorporated herein by reference.
