PROPOSAL BY THE BOARD OF DIRECTORS TO THE EXTRAORDINARY GENERAL MEETING OF STOCKHOLDERS TO BE HELD ON DECEMBER 22, 2010.

Dear Stockholders:

The Board of Directors of Companhia Energética de Minas Gerais (Cemig),

Whereas:

1) **Cemig**, in accordance with its strategic guidelines and its Long-term Strategic Plan, seeks to expand its market of operation beyond the State of Minas Gerais, and began investing in companies outside Brazil in 2005, through construction and operation of the Charrúa-Nueva Temuco Transmission Line, in Chile, with the constitution of Transchile Charrúa Transmisión S.A.;

2) in 2006, **Cemig** took its first stockholding interest in **Light S.A.**, where, with its position consolidated in 2009, it is part of the controlling stockholding block, confirming its function as a holding company;

3) In 2009, **Cemig** established its new Vision for the Future, namely:

To be, in 2020, one of the two largest electricity groups in Brazil by market capitalization, with a significant presence in the Americas, and world leader in sustainability in the sector.

Table of Contents

4) in 2009, Cemig Geração e Transmissão S.A. (**Cemig GT**), a wholly-owned subsidiary of Cemig, acquired shares **Terna** Participações S.A., which has stockholding interests in five other electricity transmission concession holders;

5) in 2009, it was proposed to redesign **Cemig** 's organizational structure to be consistent with certain of the initiatives and principles of the Cemig Aware Efficient Management and Operational Efficiency Program, with the intention that the new model should lead to greater specialization of the corporate functions and of support in line with best practices and enable greater speed in taking of decisions;

6) in 2009, to promote and develop synergies in the gas and oil business, **Cemig** created its Gas Division, the activities of which were previously managed by the Chief New Business Development Officer;

7) also in 2009, a new Cemig Governance and Corporate Management Model was developed, among other objectives, to foster strategic alignment between companies of the Cemig Group, to structure alternatives to enable strengthening of the business vision in the management of equity interests, and to optimize the process of orientation of vote and management of stockholding interests;

8) the challenges of growth result in a more complex operational model, requiring new forms of management to ensure efficiency and efficacy, providing at the same time unification of practice, compartmentalization of synergy and speed in business decisions;

9) redefinition of the attributions of the areas responsible for financial management, management of holdings and operational management will make possible the following:

- strengthening of the structure of the Company 's control area, ensuring focus on demanding meeting of targets and results in the wholly-owned subsidiaries and holdings, and consolidating the results of the Cemig Group;

- identification and capture of synergies from the various assets, improving the Cemig Group 's growth potential;

10) this redefinition of attributions will also make possible increases in results from future acquisitions of assets, since the party responsible for finding and acquisition will also be the party responsible for management and delivery of the forecast results;

11) there is a need for the company to restructure its legal department so as to enable it to participate more robustly in, and make a more robust contribution to, the Cemig Group, and intercommunicate more effectively with the public administration and regulatory bodies;

12) there is an opportunity for grammatical improvement of the text;

13) Cemig Geração e Transmissão S.A. (**Cemig GT**) and Cemig Distribuição S.A. (**Cemig D**) are wholly-owned subsidiaries of Companhia Energética de Minas Gerais (**Cemig**) and will hold Extraordinary General Meetings of Stockholders to change their Bylaws on the same date as Cemig makes changes to its Bylaws.

14) Clause 21, §4, sub-clause g of Cemig's Bylaws states as follows:

Clause 21

§4 The following decisions shall require a vote by the Executive Board: ...

g) approval, upon proposal by the Chief Executive Officer, jointly with the Chief Officer for Finance, Investor Relations and Control of Holdings, of the statements of vote in the General Meetings of the wholly-owned and other subsidiaries, affiliated companies and in the consortia in which the Company participates, except in the case of the wholly-owned subsidiaries Cemig Distribuição S.A. and Cemig Geração e Transmissão S.A., for which the competency to decide on these matters shall be that of the General Meeting of Stockholders, and the decision must obey the provisions of these Bylaws, the decisions of the Board of Directors, the Long-term Strategic Plan and the multi-year Strategic Implement Plan.

15) under the Share Purchase Agreement signed on December 30, 2009 between **Cemig** and Fundo de Investimento em Participações PCP (**FIP PCP**), with Equatorial Energia S.A. (**Equatorial**) as consenting party, Cemig or a company in which Cemig holds a minimum equity interest of 20%, will acquire 55.41% of the voting and total stock held by **FIP PCP** in **Redentor** Energia S.A., a company listed on the *Novo Mercado* of the BM&FBovespa, which holds 100% of **Rio Minas** Energia Participações S.A. (**RME**), which in turn holds 13.03% of the shares of **Light** S.A., signing of this contract having been authorized by the Board of Directors by CRCA 080/2009, of December 30, 2009;

16) the minority stockholders of Redentor Energia S.A. (44.59% of the registered capital) will have the right to sell its shares to the Purchaser for the same amount paid for the shares that are in the controlling stockholding group, through a Public Offering for Acquisition of Shares (**OPA**), in the terms of Article 254-A of Law 6404/76;

Table of Contents

17) in view of the financial obligations involved in the acquisitions, the analyses made by the Company indicated that, as the best alternative, the acquisitions should be made in partnership with a financial partner, which would acquire part of the shares and receive, in consideration, an option to sell those shares to Cemig with a minimum guaranteed remuneration. This financial partner would be an Equity Investment Fund (FIP), whose unit holders would be financial institutions interested in participating in projects of low performance risk, already being operated by a company with proven operational excellence, and in earning an attractive return;

18) the alternative of acquisition of assets in partnership with an FIP was recently used by Cemig in the acquisition of Terna Participações S.A., which showed itself to be an attractive investment opportunity for the market and, for Cemig, an efficient instrument of partnership with the private sector;

19) on February 25, 2010, through CRCA 004/2010, the Board of Directors of Cemig decided to authorize the partnership of Cemig with BTG Alpha Participações Ltda. (**BTG Alpha**), and, subsequently, with its successor, Fundo de Investimento em Participações Redentor (**FIP Redentor**), for acquisition of the equity interest owned by **FIP PCP** in **Light S.A.**, through the company named Parati S.A. Participações em Ativos de Energia Elétrica (**SPE Parati**).

20) on March 24, 2010, **Cemig** signed a Share Purchase Agreement with Enlighted Partners Venture Capital (**Enlighted**), a limited liability company, established in Delaware, USA, granting an Option to Sell 100% of the rights of participation in **Luce Investment Fund**, which holds 75% of the units of Luce Brasil Fundo de Investimento em Participações (**FIP Luce**), which, in turn, is the indirect owner of 13.03% (thirteen point zero three per cent) of the registered capital of **Light S.A.** This Put Option could be exercised between October 1 and 6, 2010. Signing of this contract was authorized by the Board of Directors through CRCA 007/2010, of March 19, 2010.

21) as to the remaining 25% of the equity interest of FIP Luce, this percentage is held by Fundação de Seguridade Social Braslight (**Braslight**), and, with Enlighted exercising the Put Option, Braslight will have the right to exercise joint sale of the totality of its holding, as specified in a Unit Holders Agreement existing in FIP Luce;

22) on October 6, 2010, Enlighted exercised the said Put Option and, consequently, Braslight also stated its position on the exercise of its right of joint sale, so that Cemig or a third party indicated by it will have to acquire 100% of the units of FIP Luce, which will represent the acquisition of a further 13.03% of the registered and voting capital of Light S.A.;

23) Cemig intends to assign all the rights and obligations specified in the contracts referred to above to **SPE Parati**, so as to permit continuation of its policy of expansion through other acquisitions, maintaining its indebtedness capacity, as well as also allowing maintenance of the debts contracted by Light S.A., since that company would not become a company subject to state control and neither would it be subject to the rules governing containment of credit to the public sector;

24) the objects of SPE Parati will be to acquire the shares that represent up to 26.06% of equity participation in the voting and total capital of Light S.A., held, indirectly, by the FIP PCP and by Enlighted;

25) FIP Redentor has as its unit holders Banco Santander (Brasil) S.A. (**Santander**), Banco Votorantim S.A. (**Votorantim**), BB Banco de Investimento S.A. (**Banco do Brasil**) and Banco BTG Pactual S.A. (**BTG Pactual**), the latter being the administrator of the fund;

26) paying-up by FIP Redentor and by Cemig of their respective holdings in the registered capital of SPE Parati will take place exclusively in Brazilian currency and will be in such a way as results in final ownership by Cemig of up to 25%, and by FIP Redentor of at least 75%, of the total registered capital of SPE Parati, distributed as follows: (i) Common shares: up to 50% held by Cemig and 50% or more held by FIP Redentor; and (ii) Preferred shares: 100% held by FIP Redentor;

27) the estimated disbursement necessary for finalization of the operation, including for settlement of the Public Offering of Shares of Redentor Energia S.A., proportional to the equity holdings of the respective stockholders in SPE Parati will be, in currency of November 30, 2010, R\$ 377,249,884.86 (three hundred seventy seven million, two hundred forty nine thousand, eight hundred eighty four Reais and eighty six centavos) by Cemig and R\$ 1,131,749,654.59 (one billion, one hundred thirty one million, seven hundred forty nine thousand, six hundred fifty four Reais and fifty nine centavos) by FIP Redentor;

28) a part of the negotiation agreed is that Cemig shall grant an irrevocable option, exclusively to FIP Redentor (and not to any of its unit holders) (the Put Option), under which FIP Redentor will have the right, at the end of the 60th month from the date of subscription of the shares in SPE Parati (the Exercise Date), to sell the totality of the shares belonging to FIP Redentor (the Acquisition Shares) and Cemig shall have the obligation to buy them, or to indicate a third party which shall buy them, on payment of the exercise price (the Exercise Price), equivalent to the amount paid at the time of paying-up of the shares, plus expenses (all expenses that are provenly incurred by FIP Redentor and/or

Table of Contents

by the Administrator of FIP Redentor, for its constitution and after its constitution, including expenses of auditing, and management and administration fees), less such dividends and Interest on Equity as are received in the period (in the case of Interest on Equity, the amount received shall be multiplied by 0.5721 for the purposes of calculation), all updated by the average rate for Interbank Certificates of Deposit published by Cetip (the Custody and Settlement Chamber) (the CDI Rate) plus a rate of 0.9% per year, *pro rata tempore*, from the date of its actual disbursement/payment to the Exercise Date of the Put Option;

29) a further item of the negotiation agreed is that, in the event of the Exercise Price being higher than the amount paid-up by FIP Redentor at the time of the subscription of the shares of SPE Parati, an adjustment factor of $(1/(1 - 0.4279) - 1)$ shall be applied to the difference, to be added to the Exercise Price;

30) the Put Option shall be exercised by FIP Redentor, upon written notice to Cemig of its intention to exercise the Put Option, given with minimum prior notice of 240 (two hundred and forty) days prior to the last day of the sixtieth month counted from the first injection of capital by FIP Redentor in SPE Parati (the Exercise Date);

31) if Cemig wishes to indicate a third party to acquire the shares of SPE Parati, (i) such indication must be made by written notice to FIP Redentor and to the Unit Holders, given at least 210 (two hundred and ten) calendar days prior to the Exercise Date, and (ii) Cemig shall continue to have joint liability with this third party, for the acquisition of the Acquisition Shares;

32) if the Put Option is exercised, the payment of the Exercise Amount and the transfer of the shares owned by SPE Parati are conditional upon prior approval of the transaction by the National Electricity Agency, Aneel;

33) grant of the Put Option is in line with the Long-term Strategic Plan, which specifies growth of Cemig in all the market segments in which it operates, signaling a positive outlook for the Company's cash position, with the possibility, also, of increase of the value of dividends distributed, within the policy established by its Bylaws;

34) Official Statement CCGPGF 240/2010 of the Corporate Governance Committee of Minas Gerais State makes provisions governing the material stated above;

35) under Clause 1, Paragraph 1, of the Bylaws of Companhia Energética de Minas Gerais - Cemig it is a competency of the Board of Directors of Cemig to authorize acquisition of interests in the capital of other companies;

36) It is the competency of the Extraordinary General Meeting of Stockholders to authorize the granting by the Company of the Put Option, in view of the provisions of Article 256 of Law 6404/76;

now proposes to you the following:

A to change the Bylaws, as follows:

1- Change in the drafting of the Paragraph Two of Clause 1 to the following, to standardize the expression wholly-owned subsidiaries :

Clause 1º

Continuing with the business of the meeting, the stockholder and Chief Officer Luiz Fernando Rolla stated that the company had received, from the CVM (the Brazilian Securities Commission) Official Letter No. CVM/SEP/GEA-3/1211/10, of December 21, 2010, which requested that a copy of it should be distributed to the stockholders present, in relation to a request for a postponement/interruption of this General Meeting of Stockholders, which had been filed with the CVM by Tempo Capital Principal Fundo de Investimento de Ações due to item C on the agenda.

That Official Letter gave notice of the decision by the Council of the CVM to postpone this General Meeting of Stockholders, and its recognition that the matter contained in item C of the agenda, due to its complexity, requires a longer period of time for stockholders to become aware of it and analyze it. Cemig will arrange the publication of a convocation announcement, giving notice of the postponement and stating the date for holding of a new General Meeting of Stockholders, with a minimum of 30 days prior notice, as from the date on which the documents and information relating to the matter to be decided have been put at stockholders disposal.

In the same Official Letter, the Council of the CVM explicitly states that the request for postponement and the extension of the period are related to item C of the agenda. In view of this, the Chairman then proposed alteration of the Proposal under discussion, in such a way as to maintain its items A and B and to exclude its item C, which would be discussed later, and this proposal was approved unanimously. The stockholder The State of Minas Gerais then took the floor and proposed that the changes in the Bylaws that had been approved should be implemented as from January 3, 2011. The proposal by the representative of the stockholder of the State of Minas Gerais was submitted to debate and, subsequently, to the vote, and approved unanimously.

The meeting being opened to the floor, the representative of the stockholder The State of Minas Gerais took the floor and, in the name of the General Attorney's Office and the majority stockholder, thanked and complimented the management and employees of Cemig for the Company's success and fame, not only in Brazil but in the rest of the world. The stockholder and CEO of Cemig, Djalma Bastos de Moraes, pointed out that Sony is one of the major energy groups in Brazil, which has resulted also from the support of the stockholder The State of Minas Gerais. Finally he thanked the stockholders, the other Chief Officers, members of the Board of Directors and employees. Mr. George Washington Tenório Marcelino then took the floor, and thanked the Company for the distinguished treatment that all stockholders receive from Cemig. The meeting remaining open to the floor, since no one else wished to make any statement, the chairman ordered the session suspended for the time necessary to prepare the minutes.

The session being reopened, the chairman, after submitting these said minutes to debate and vote, and their being approved and signed, declared the meeting closed.

For the record I, Anamaria Pugedo Frade Barros, Secretary, wrote these minutes and signed them jointly with those present.

The Board Members elected declared in advance that they are not subject to any prohibition on exercise of commercial activity, that they do not occupy any post in a company which could be considered to be a competitor of the Company, and that they do not have nor represent any interest conflicting with that of Cemig, and assumed a solemn undertaking to become aware of, obey and comply with the principles, ethical values and rules established by the Code of Ethical Conduct of Government Workers and Senior Administration of the State of Minas Gerais.

MARKET ANNOUNCEMENT

Details of Collective Employment Agreement for 2010-2011

CEMIG (*Companhia Energética de Minas Gerais*), a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid, hereby, in accordance with Article 12 of CVM Instruction 358 of January 3, 2002, and its own commitment to best corporate governance practices, informs the public as follows:

The **Collective Employment Agreement** (ACT) for 2010-11 between Cemig and all the Union Entities that represent its employees was signed in December 2010.

The Salary Agreement included:

- An **increase in salaries**, varying in accordance with the salary level, between 6.50% and 7.55%.
- **Shares in Profits and Results** (*Participação nos Lucros e Resultados*) (**PLR**), in relation to the results for 2010, in the amount of approximately R\$ 260 million, under a Specific Collective Agreement for 2009-10, signed in 2009, and an Amendment to that Instrument signed in 2010.

Edgar Filing: ENERGY CO OF MINAS GERAIS - Form 6-K

The Specific Collective Agreement on PLR for 2009-10 included an amount as advance against the share of profits for the business year of 2010, in the amount of R\$ 60 million, which was distributed in March of 2010, as described and specified in Cemig's Market Announcement of November 27, 2009. Hence the PLR recorded in the accounts for the business year 2010 is the sum of (a) the amounts agreed in the Amendment to the Specific Agreement for PLR signed in 2010 and (b) the additional amount referred to above, which relates to the amount negotiated in a collective agreement in the year 2009.

Since in the first nine months of 2010 the amount of R\$ 132 million was posted for Profit Shares Under The Bylaws, which included the additional amount negotiated in 2009, the estimated amount to be posted for the fourth quarter of 2010 is approximately R\$ 190 million.

Cemig reaffirms its commitment to invest in its human capital, through training and skill acquisition to keep its employees fully and appropriately prepared and qualified for the challenges of the corporation's growth, and through a policy that incentivizes performance focused on operational efficiency, allied to high standards of technology.
