**ITEM 7.01 REGULATION FD DISCLOSURE.**

**Notice of Assertion of Right to Defense Costs and Indemnification Relating To Acciard and Altimas Litigation.**

On January 20, 2011, Tigrent Inc. (the "Company") announced that it and its subsidiaries, Tigrent Group Inc. and Tigrent Learning Inc. (collectively, the "Tigrent Subsidiaries"), had entered into a Mediation Settlement Agreement that settled all claims against the Company and the Tigrent Subsidiaries arising in the two litigation cases pending in the United States District Court for the Middle District of Florida captioned *Glenn Acciard, et al. versus Russell Whitney, et al.* (originally filed in March 2007 in the Circuit Court for Lee County, Florida) and *Thomas L. Altimas, et al. versus Russell Whitney, et al.* (originally filed in September 2009) (collectively, the "Gulfstream Litigation"). The Mediation Settlement Agreement also settled the claims arising in such cases against Russell A. Whitney for which the Company could have had continuing obligations to advance defense costs and indemnify Mr. Whitney. Other claims against Mr. Whitney and the other defendants who are unrelated to the Company, including Gulfstream Development Group and other companies affiliated with Mr. Whitney, remain unsettled and pending.

On January 25, 2011, Mr. Whitney notified the Company that he believes that the Company has a continuing obligation to advance defense costs and provide indemnification to him with respect to claims still pending against him in the Gulfstream Litigation, notwithstanding the Mediation Settlement Agreement, and that Mr. Whitney may choose to assert a claim against the Company with respect to such defense costs and indemnification. The Company believes that Mr. Whitney's position is without merit.
