**Item 1.01 Entry into a Material Definitive Agreement.**

On January 23, 2012, Semtech Corporation ( *Semtech* ) and its indirect wholly-owned subsidiary Semtech Canada Inc. ( *Semtech Canada* ) entered into an arrangement agreement (the *Agreement* ) with Gennum Corporation ( *Gennum* ), a corporation incorporated under the *Business Corporations Act* (Ontario) (the *OBCA* ) pursuant to which Semtech Canada will acquire all of the issued and outstanding common shares of Gennum (the *Arrangement* ) and Gennum will become an indirect wholly-owned subsidiary of Semtech. The Arrangement will be effected by way of a court-approved plan of arrangement under Section 182 of the OBCA on the terms and subject to the conditions set out in the plan of arrangement substantially in the form attached to the Agreement.

Under the terms of the Agreement, holders of Gennum common shares (the *Shareholders* ) will receive CDN\$13.55 in cash (the *Consideration* ) for each share held. In addition, holders of options outstanding immediately prior to the effective time of the Arrangement (the *Effective Time* ) will receive a cash payment equal to the amount by which the Consideration exceeds the exercise price per share of such option for each option held, and holders of deferred share units outstanding immediately prior to the Effective Time will receive a cash payment in an amount equal to the Consideration for each unit held. Semtech expects to finance the aggregate Consideration of approximately CDN\$500 million (approximately US\$494 million based on the exchange rate on January 20, 2012 of CDN\$0.9868 to US\$1.00) through a combination of cash on hand and new bank financing, and has received a financing commitment of up to US\$400 million from Jefferies Finance LLC.

Completion of the Arrangement and the transactions contemplated by the Agreement is subject to, among other things, the approval of at least 66 2/3% of votes cast by the Shareholders present in person or represented by proxy at a special meeting of Shareholders to be held to consider the Arrangement (the *Meeting* ). The Meeting is expected to be held in mid-March 2012, with the closing of the proposed transaction to occur as soon as practicable thereafter. The Arrangement is not subject to any regulatory approvals, other than the Ontario Superior Court of Justice approval required under the OBCA.

The Agreement contains customary representations, warranties and covenants including, among other things, a non-solicitation covenant that restricts Gennum's ability to solicit alternative acquisition proposals from third parties. In addition, in the Agreement the Board of Directors of Gennum represents and warrants that it has determined that the Consideration to be received by the Shareholders is fair and that the Arrangement is in the best interests of Gennum, and has resolved (subject to its ability to change its recommendation in limited circumstances) to recommend that Shareholders vote in favor of the Arrangement at the Meeting.

The Agreement also provides for customary termination provisions. Gennum has agreed to pay Semtech a termination fee of CDN\$19.35 million in certain circumstances, including if (i) the Agreement is terminated by Semtech because the Board of Directors of Gennum changes its recommendation in favor of the Arrangement prior to the Meeting; (ii) the Agreement is terminated by Gennum because the Board of Directors of Gennum, in accordance with the procedures set forth in the Agreement, authorizes Gennum to enter into an agreement with respect to a

Superior Proposal (as defined in the Agreement); or (iii) a bona fide Acquisition Proposal (as defined in the Agreement) is publicly announced prior to the Meeting by a party other than Semtech or its affiliates, the Agreement is terminated and, within 12 months following the termination of the Agreement, Gennum consummates an Acquisition Proposal or enters into a definitive agreement with respect to an Acquisition Proposal which is subsequently consummated.

The foregoing is a summary description of the Agreement and the Arrangement only, and does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement.
