-

Item 2.02. Results of Operations and Financial Condition.

On July 24, 2013, AmerisourceBergen Corporation (the Company) issued a news release announcing its earnings for the fiscal quarter ended June 30, 2013, and announcing its corresponding earnings conference call.

In its news release, the Company included certain non-U.S. Generally Accepted Accounting Principles (non-GAAP) financial measures. The non-GAAP financial measures are only presented for the fiscal quarter and nine months ended June 30, 2013, as no adjustments have been made to prior fiscal year GAAP results. The adjustments made to the fiscal year 2013 periods relate to amounts associated with the Company's LIFO expense and the warrant expense. Management considers GAAP financial measures as well as the presented non-GAAP financial measures in its evaluation of the Company's operating performance. Therefore, the Company believes that its presentation of non-GAAP financial measures provides useful supplementary information to, and facilitates additional analysis by, investors. Reconciliations of these non-GAAP financial measures to the most directly comparable measures as reported in accordance with GAAP are attached to the news release attached as Exhibit 99.1 to this report, and should be viewed in addition to, and not in lieu of, financial measures calculated in accordance with GAAP.

A copy of the news release is furnished as Exhibit 99.1 to this report and is incorporated herein by reference.

Item 7.01. Regulation FD Disclosure.

In the news release issued on July 24, 2013, the Company narrowed the range of its expectations for fiscal year 2013 adjusted diluted earnings per share from continuing operations to the range of \$3.06 to \$3.11 from its previous range of \$3.04 to \$3.14. Key assumptions supporting the 2013 adjusted diluted earnings per share from continuing operations range are: revenue growth in the 11 percent to 13 percent range; operating income decline in the 3 percent to 5 percent range; an operating margin decline in the range of 24 to 29 basis points; and free cash flow in the range of \$100 million to \$200 million, which includes capital expenditures of approximately \$240 million. The Company also announced that it repurchased \$401 million in shares through June 30, 2013, in line with its expectations for the full fiscal year.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits

The following exhibit is filed as part of this report:

99.1 News Release, dated July 24, 2013, of AmerisourceBergen Corporation, regarding the Company's earnings for the fiscal quarter ended June 30, 2013.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
