Item 1.01 Entry into a Material Definitive Agreement.

Merger Agreement

Plains All American Pipeline, L.P., a Delaware limited partnership (PAA), has entered into an Agreement and Plan of Merger dated as of October 21, 2013 (the Merger Agreement), by and among PAA, PAA Acquisition Company LLC, a Delaware limited liability company and wholly-owned subsidiary of PAA (MergerCo), PAA Natural Gas Storage, L.P., a Delaware limited partnership (PNG), and PNGS GP LLC, a Delaware limited liability company and the general partner of PNG (PNG GP).

The conflicts committee of the board of directors of PNG GP (the PNG Conflicts Committee) approved the Merger Agreement and the Merger Transactions (defined below) and determined that the Merger Agreement and the Merger Transactions are fair and reasonable to PNG and the holders of PNG common units (as defined below) unaffiliated with PAA. The PNG Conflicts Committee has caused PNG GP to approve the Merger Agreement and the Merger Transactions and directed that the Merger Agreement and the Merger Transactions be submitted to the unitholders of PNG at a special meeting of the unitholders for approval. The PNG Conflicts Committee recommended that the unitholders of PNG vote in favor of the proposal to approve the Merger Agreement and the Merger Transactions at the special meeting of the unitholders.

PAA owns 100% of the membership interests in PNG GP, approximately 46% of PNG's 61.2 million outstanding common units (PNG common units) and all of the series A subordinated units and series B subordinated units (PNG subordinated units) representing limited partner interests in PNG. Pursuant to the Merger Agreement, MergerCo will merge with and into PNG at the effective time of the merger, with PNG surviving (the Merger), such that following the Merger, PNG GP will remain a wholly-owned subsidiary of PAA and the sole general partner of PNG, and PAA will be the sole limited partner of PNG. Except for the PNG common units owned by PAA, all PNG common units outstanding as of the effective time of the Merger will be cancelled and converted into the right to receive 0.445 common units representing limited partnership interests of PAA (PAA common units) per PNG common unit. The transaction is expected to result in approximately 14.7 million additional common units being issued by PAA. In connection with the closing of the Merger, the owners of PAA's general partner have agreed to reduce their incentive distribution rights under PAA's agreement of limited partnership by \$12 million in each of 2014 and 2015, \$10 million in 2016 and \$5 million per year thereafter. All of the PNG common units and PNG subordinated units owned by PAA will be unchanged and remain issued and outstanding, representing limited partnership interests of the surviving entity, and no consideration will be delivered in respect thereof. Incentive distribution rights of PNG, which are owned by PNG GP, will also be unchanged and remain outstanding as incentive distribution rights of the surviving entity, and no consideration will be delivered in respect thereof. No fractional PAA common units will be issued in the Merger. Holders of PNG common units, other than PAA, will receive cash in lieu of receiving any fractional PAA common unit to which any holder of PNG common units would otherwise have been entitled in an amount equal to such fractional interest multiplied by the average of the closing price of PAA common units for the ten consecutive NYSE full trading days ending at the closing of the last NYSE full trading day immediately preceding the day the merger closes. The parties anticipate that the Merger will close in the latter half of the fourth quarter of 2013, pending the satisfaction of certain customary conditions thereto, and that the previously announced quarterly distribution of \$0.3575 per PNG common unit payable to holders of record of such units on November 1, 2013 will be paid on November 14, 2013 as scheduled.

The Merger Agreement contains customary representations, warranties, covenants and agreements by each of the parties. Completion of the Merger is conditioned upon, among other things: (1) approval of the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger (the Merger Transactions), by the affirmative vote of holders, as of the record date of the special meeting of PNG's unitholders (including PAA), of a majority of the outstanding PNG common units, voting as a class, and a majority of the outstanding PNG subordinated units, voting as a class; (2) all required filings, consents, approvals, permits and authorizations in connection with the Merger having been made or obtained; (3) the absence of legal injunctions or impediments prohibiting the Merger Transactions; (4) the effectiveness of a registration statement on Form S-4 with respect to the issuance of PAA common units in the Merger; and (5) approval of the listing on the New York Stock Exchange, subject to official notice of issuance, of the PAA common units to be issued in the Merger.

Pursuant to the Merger Agreement, PAA has agreed to vote the PNG common units and the PNG subordinated units owned beneficially or of record by it or any of its subsidiaries in favor of the Merger Agreement and the Merger Transactions, including the 28,155,526 PNG common units currently held by PAA and the 25,434,351 PNG subordinated units currently held by PAA, which units represent approximately 46% of the outstanding PNG common units and 100% of the outstanding PNG subordinated units.

The Merger Agreement contains provisions granting both PNG and PAA the right to terminate the Merger Agreement for certain reasons, including, among others, if: (1) the Merger is not completed on or before April 30, 2014; (2) any governmental authority has issued a final and nonappealable statute, rule, order, decree or regulation enjoining or prohibiting consummation of the Merger; (3) under certain conditions, there has been a material breach of any of the representations, warranties, covenants or agreements set forth in the Merger Agreement by a party to the Merger Agreement which is not cured within 30 days following receipt by the breaching party of written notice from the non-breaching party; (4) PNG does not obtain the requisite unitholder approval of the Merger Agreement and the Merger Transactions; or (5) either the PNG GP board of directors or the PNG Conflicts Committee, in accordance with the Merger Agreement, changes its recommendation to the unitholders of PNG with respect to approving the Merger Agreement and the Merger Transactions or publicly proposes to approve, adopt or recommend another proposal or offer from a third party relating to the acquisition of PNG (a PNG Change in Recommendation).

All costs and expenses incurred in connection with the Merger Agreement and the Merger Transactions will be paid by the party incurring such costs and expenses, except that if the Merger Agreement is terminated due to a PNG Change in Recommendation PNG will pay the expenses incurred by PAA, and if the Merger Agreement is terminated due to a material breach, the breaching party will pay the expenses incurred by the non-breaching party, in each case not to exceed \$5 million.
