**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard;  
Transfer of Listing.**

As previously reported by The Middleby Corporation (the Company ), on September 17, 2015, Sabin C. Streeter resigned from the board of directors of the Company.

On September 25, 2015, the Company received written notice (the Notice ) from the Listing Qualifications department of the Nasdaq Stock Market that, due to Mr. Streeter's resignation, the Company does not presently comply with Nasdaq's audit committee requirements as set forth in Listing Rule 5605. Among other things, Listing Rule 5605 requires listed issuers such as the Company to maintain an audit committee consisting of no fewer than three (3) independent directors. Mr. Streeter had been one of three (3) independent directors on the Company's audit committee at the time of his resignation.

In the Notice, Nasdaq's Listing Qualifications department further stated that, consistent with Listing Rule 5605(c)(4), Nasdaq will provide the Company a cure period in order to regain compliance with the audit committee membership requirement as follows: (i) until the earlier of the Company's next annual shareholders' meeting or September 19, 2016, or (ii) if the next annual shareholders' meeting is held before March 15, 2016, then the Company must evidence compliance by no later than March 15, 2016.

The Company is in the process of considering candidates for appointment to the Company's audit committee, but has not come to a final decision on a replacement for Mr. Streeter at this time. Once such a decision has been made, the appropriate independent director(s) will be appointed to the Company's audit committee in full compliance with Listing Rule 5605. The Company expects to regain full compliance with Listing Rule 5605 before the expiration of the cure period noted in the Notice.
