Quorum

In accordance with our Articles of Incorporation (as amended, our Articles of Incorporation), the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total voting power of all classes of our voting stock taken together shall constitute a quorum for the transaction of business at the Annual Meeting. Vote Required

Vote Required to Elect Directors (Proposal 1). The affirmative vote of a plurality of the total votes cast for directors at the Annual Meeting is necessary to elect a director. No cumulative voting is permitted. The seven nominees receiving the highest number of votes cast for the nominee will be elected.

Vote Required to Ratify the Independent Registered Public Accounting Firm (Proposal 2). The affirmative vote of a majority of the voting power represented at the Annual Meeting is necessary to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2016. The total number of votes cast for the proposal will be counted for purposes of determining whether sufficient votes have been cast to approve the proposal.

However, abstentions will not be counted as against or for the election of directors. Broker nonvotes will not be considered in determining the election of directors, the ratification of the appointment of KPMG LLP as our independent registered public accounting firm or the approval of the proposal to amend our Articles of Incorporation.

CORPORATE GOVERNANCE

Board of Directors Information

Our Board of Directors held four meetings in 2015 and took action by unanimous written consent five times during 2015. During 2015, each of our directors attended at least 75% of the aggregate of: (i) the total number of meetings of the Board held during the period in which he was a director and from which he was not recused; and (ii) the total number of meetings held by all committees of the Board on which he served. In addition, our nonemployee directors held four executive sessions in 2015.

Directors are elected annually and serve until their successors are duly elected and qualified or their earlier resignation or removal. Officers serve at the discretion of the Board.

We are a controlled company within the meaning of the NASDAQ Marketplace Rules because more than 50% of our voting power is held by Charles W. Ergen, our Chairman. Mr. Ergen currently beneficially owns equity securities representing approximately 51.6% of the total voting power. See *Equity Security Ownership and Related Matters* below. Therefore, we are not subject to the NASDAQ listing requirements that would otherwise require us to have: (i) a Board of Directors comprised of a majority of independent directors; (ii) compensation of our executive officers determined by a majority of the independent directors or a compensation committee composed solely of independent directors; (iii) a compensation committee charter which provides the compensation committee with the authority and funding to retain compensation consultants and other advisors, and/or (iv) director nominees selected, or recommended for the Board's selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors.

Committee Information

The Corporation has created an Executive Compensation Committee (the *Compensation Committee*), an Audit Committee and a Nominating Committee, all of which are composed entirely of independent directors. The function and authority of each of the committees of our Board of Directors are described below. The charters of our Compensation, Audit and Nominating Committees are available free of charge on our website at <http://www.echostar.com>.

Compensation Committee. The Compensation Committee operates under a Compensation Committee Charter adopted by the Board. The principal functions of the Compensation Committee are, to the extent the Board deems necessary or appropriate, to: (i) make and approve all option grants and other issuances of EchoStar's equity securities to EchoStar's executive officers and Board members other than nonemployee directors; (ii) approve all other option grants and issuances of EchoStar's equity securities, and recommend that the full Board make and approve such grants and issuances; (iii) establish in writing all performance goals for performance-based compensation, which together with other compensation to senior executive officers could exceed \$1 million annually, other than standard stock incentive plan options that may be paid to EchoStar's executive officers, and certify the achievement of such goals prior to payment; and (iv) set the compensation of our Chairman, Mr. Ergen.

The Compensation Committee held five meetings and took action by unanimous written consent on three occasions during 2015. The current members of the Compensation Committee are Mr. Ortoff, Mr. Schroeder and Mr. Federico, with Mr. Ortoff serving as Chairman of the Compensation Committee. The Board has determined that each member of the Compensation Committee meets the independence requirements of NASDAQ and SEC rules and regulations. A report of the Compensation Committee is set forth below on page 20 of this Proxy Statement.

Audit Committee. Our Board has established a standing Audit Committee in accordance with NASDAQ rules and Section 10A of the Securities Exchange Act of 1934 (as amended, the Exchange Act) and related SEC rules and regulations. The Audit Committee operates under an Audit Committee Charter adopted by the Board. The principal functions of the Audit Committee are to: (i) select the independent registered public accounting firm and set their compensation; (ii) select the internal auditor; (iii) review and approve management s plan for engaging our independent registered public accounting firm during the year to perform non-audit services and consider what effect these services will have on the independence of our independent registered public accounting firm; (iv) review our annual financial statements and other financial reports that require approval by the Board; (v) oversee the integrity of our financial statements, our systems of disclosure and internal controls, and our compliance with legal and regulatory requirements; (vi) review the scope of our independent registered public accounting firm s audit plans and the results of their audits; and (vii) evaluate the performance of our internal audit function and the independent registered public accounting firm.

The Audit Committee held five meetings and took no action by unanimous written consent during 2015. The current members of the Audit Committee are Mr. Ortoff, Mr. Schroeder and Mr. Federico, with Mr. Schroeder serving as Chairman of the Audit Committee. The Board has determined that each member of our Audit Committee meets the independence requirements of NASDAQ and SEC rules and regulations. The Board has also determined that each member of our Audit Committee is financially literate and that

Table of Contents

Mr. Ortolf qualifies as our audit committee financial expert as defined by applicable SEC rules and regulations. A report of the Audit Committee is set forth below on page 37 of this Proxy Statement.

Nominating Committee. The Nominating Committee operates under a Nominating Committee Charter adopted by the Board. The principal function of the Nominating Committee is to recommend independent director nominees for selection by the Board. The Nominating Committee held two meetings and took no action by written consent during 2015. The current members of the Nominating Committee are Mr. Ortolf, Mr. Schroeder and Mr. Federico, with Mr. Federico serving as Chairman of the Nominating Committee. The Board has determined that each member of the Nominating Committee meets the independence requirements of NASDAQ and SEC rules and regulations.

Board Criteria and Board Selection Process

The Nominating Committee considers candidates suggested by its members, other directors, senior management and shareholders, as appropriate. No search firms or other advisors were retained to identify prospective nominees during the past fiscal year. In considering whether to recommend a prospective nominee for selection by the Board, the Nominating Committee considers the entirety of the prospective nominee's credentials, including but not limited to the following diverse factors: (i) their reputation and character; (ii) their ability and willingness to devote sufficient time to Board duties; (iii) their educational background; (iv) their business and professional achievements, experience and industry background; (v) their independence from management under listing standards and the Corporation's governance guidelines; and (vi) the needs of the Board and the Corporation. The Nominating Committee does not assign specific weights to any particular criteria and no particular criterion is necessarily applicable to all prospective nominees. However, the Corporation believes that the backgrounds and qualifications of the directors, considered as a group, should provide a diverse mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. The Nominating Committee recommends, if necessary, measures to be taken so that the Board reflects the appropriate balance of experience, knowledge and abilities required for the Board as a whole and contains at least the minimum number of independent directors required by applicable laws and regulations.

The Nominating Committee has not adopted a written policy with respect to the consideration of candidates proposed by shareholders or with respect to nominating anyone to our Board other than nonemployee directors. A shareholder who wishes to recommend a prospective nominee for the Board should notify the Corporation's Secretary or any member of the Nominating Committee in writing, in accordance with the process described in Shareholder Communications below, with whatever supporting material the shareholder considers appropriate. It is the practice of the Nominating Committee to consider whether to nominate any person nominated by a shareholder pursuant to the provisions of the Corporation's bylaws relating to shareholder nominations.

Board Leadership Structure

The Board currently separates the role of Chairman of the Board from the role of Chief Executive Officer with Mr. Charles W. Ergen serving as Chairman and Mr. Michael T. Dugan serving as Chief Executive Officer and President of the Corporation. Mr. Dugan is responsible for the day-to-day management of the Corporation and Mr. Ergen primarily identifies strategic priorities and leads the discussion and execution of strategy for the Corporation. We believe this leadership structure is appropriate for the Corporation and in the best interest of our shareholders because, among other reasons, separating the Chairman and Chief Executive Officer roles allows us to efficiently develop and implement corporate strategy that is consistent with the Board's oversight role, while facilitating strong day-to-day executive leadership. Among other

things, separation of these roles allows our Chief Executive Officer and other members of senior management to focus on our day-to-day business, while at the same time the Board is able to take advantage of the unique blend of leadership, experience and knowledge of our industry and business that Mr. Ergen brings to the role of Chairman in providing guidance to, and oversight of, management.

The Board's Role in Risk Oversight

The Board has ultimate responsibility for oversight of the Corporation's risk management processes. The Board discharges this oversight responsibility through regular reports received from, and discussions with, senior management on areas of material risk exposure to the Corporation. These reports and Board discussions include, among other things, operational, financial, legal and regulatory, and strategic risks. Additionally, the Corporation's risk management processes are intended to identify, manage and control risks so that they are appropriate considering the Corporation's scope, operations and business objectives. The Board (or the appropriate committee in the case of risks in areas for which responsibility has been delegated to a particular committee) engages with the appropriate members of senior management to enable its members to understand and provide input to, and oversight of, our risk identification, risk management and risk mitigation strategies. The Audit Committee meets regularly in executive session without management present to, among other things, discuss the Corporation's risk management culture and processes. As part of its charter, our Audit Committee is responsible for discussing the Corporation's policies with respect to risk assessment and risk management, and reviewing contingent liabilities and risks that may be material to the Corporation. When a committee receives a report from a member of management regarding areas of risk, the chairman of the relevant committee is expected to report on the discussion to the

Table of Contents

Board to the extent necessary or appropriate. This enables the Board to coordinate risk oversight, particularly with respect to interrelated or cumulative risks that may involve multiple areas for which more than one committee has responsibility. The Board or applicable committee also has authority to engage external advisors as necessary. A discussion of our risk assessment of compensation programs and practices is described in Risk Assessment in the Compensation Discussion and Analysis section below on page 19 of this Proxy Statement.

Other Information about Our Board of Directors

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is comprised solely of independent directors. The current Compensation Committee members are Mr. Ortolfo, Mr. Schroeder and Mr. Federico. None of these individuals was an officer or employee of EchoStar or DISH Network Corporation or its subsidiaries at any time during the 2015 fiscal year. During the 2015 fiscal year, no executive officer of EchoStar served on: (i) the compensation committee of another entity, one of whose executive officers served on our Compensation Committee, (ii) the board of directors of another entity, one of whose executive officers served on our Compensation Committee, or (iii) the compensation committee of another entity, one of whose executive officers served on our Board of Directors.

Annual Meeting Attendance

Although we do not have a policy with regard to Board members attendance at our annual meetings of shareholders, all of our directors are encouraged to attend such meetings. Six of our seven directors were in attendance at our 2015 annual meeting. We expect that all of our nominees for election to the Board of Directors will attend our 2016 Annual Meeting.

(1) Except as otherwise noted below, the address of each such person is 100 Inverness Terrace East, Englewood, Colorado 80112. As of the close of business on the Record Date, there were 45,638,102 Class A Shares outstanding; 47,687,039 Class B Shares outstanding; and 6,290,499 Preferred Tracking Shares outstanding. Class B Shares are

convertible into Class A Shares on a one-for-one basis at any time.

(2) Describes the ownership percentage of each class of shares beneficially owned by such beneficial owner. For the Class A Shares, the calculation assumes the conversion only of the Class B Shares beneficially owned by such person into Class A Shares and after giving effect to the exercise of options and vesting of restricted stock units held by such person that are either currently exercisable or vested or may become exercisable or may vest within 60 days of the Record Date. Preferred Tracking Shares are not included in the calculations for ownership percentage of the Class A Shares or the Class B Shares.

(3) Describes the total voting power held by each beneficial owner taking into account all classes of shares beneficially owned by such beneficial owner, assuming no conversion of the Class B Shares and after giving effect to the exercise of options and vesting of restricted stock units held by such person that are either currently exercisable or vested or may become exercisable or vest within 60 days of the Record Date. Each Class B Share is entitled to ten votes per share and each Preferred Tracking Share is entitled to one-tenth (1/10th) of one vote.

(4) Mr. Ergen's beneficial ownership includes: (i) 700,678 Class A Shares beneficially owned directly by Mr. Ergen; (ii) 3,705 Class A Shares beneficially owned indirectly by Mr. Ergen in the DISH Network 401(k) Employee Savings Plan (the DISH 401(k) Plan); (iii) 1,220,000 Class A Shares subject to employee stock options that are either currently exercisable or may

Table of Contents

become exercisable within 60 days of the Record Date; (iv) 47 Class A Shares beneficially owned by Mr. Ergen's spouse, Cantey M. Ergen; (v) 201 Class A Shares beneficially owned indirectly by Mrs. Ergen in the DISH 401(k) Plan; (vi) 6,122 Class A Shares beneficially owned by Mr. Ergen as custodian for one of Mr. Ergen's children; (vii) 6,122 Class A Shares beneficially owned by one of Mr. Ergen's children; (viii) 5,400 Class A Shares beneficially owned by a charitable foundation for which Mr. Ergen is an officer and for which he shares investment control and voting power with Mrs. Ergen; (ix) 26,804,038 Class A Shares issuable upon conversion of Mr. Ergen's Class B Shares, and (x) the Preferred Tracking Shares. Mr. Ergen's beneficial ownership of Class A Shares excludes the shares owned by the Trusts (as defined below) as described in footnote 5. Because each Class B Share is convertible on a one-for-one basis into a Class A Share, assuming conversion of all shares of outstanding Class B Shares into Class A Shares, the percentage of Class A Shares that Mr. Ergen may be deemed to beneficially own would be approximately 30.4%.

(5) The address of Mr. William R. Gouger is 5701 S. Santa Fe Drive, Littleton, Colorado 80123. Mr. Gouger's beneficial ownership includes: (i) 28 Class A Shares owned directly by Mr. Gouger; (ii) 1,450 Class A Shares held by Mr. Gouger in the DISH 401(k) Plan; and (iii) 1,640 Class A Shares and 20,883,001 Class A Shares issuable upon conversion of Class B Shares held by certain grantor retained annuity trusts (GRATs) and other trusts established by Mr. Ergen for the benefit of his family of which Mr. Gouger is trustee (collectively, the Trusts), including: (A) 9,000,000 Class A Shares issuable upon conversion of Class B Shares currently held by the Ergen Three-Year 2015 SATS GRAT dated November 30, 2015; (B) 7,074,796 Class A Shares issuable upon conversion of Class B Shares currently held by the Ergen Three-Year 2014 SATS GRAT dated May 30, 2014; and (C) 4,808,205 Class A Shares issuable upon conversion of Class B Shares. Because each Class B Share is convertible on a one-for-one basis into a Class A Share, assuming conversion of all shares of outstanding Class B Shares into Class A Shares, the percentage of Class A Shares that Mr. Gouger may be deemed to beneficially own would be approximately 22.4%.

(6) The address of Putnam Investments, LLC (d/b/a Putnam Investments) is One Post Office Square, Boston, Massachusetts 02109. Of the Class A Shares beneficially owned, Putnam Investments does not have sole voting power as to any Class A Shares beneficially owned by it and it has sole dispositive power as to 13,800,931 Class A Shares beneficially owned by it. The foregoing information is based solely upon a Schedule 13G/A filed by Putnam Investments with the SEC on February 16, 2016.

(7) The address of Vanguard Group, Inc. is 100 Vanguard Blvd., Malvern, Pennsylvania 19355. Of the Class A Shares beneficially owned, Vanguard Group, Inc. has sole voting power as to 32,170 Class A Shares beneficially owned by it and sole dispositive power as to 2,907,590 Class A Shares beneficially owned by it. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and holders of more than 10% of our common stock to file reports with the SEC regarding their ownership and changes in ownership of our equity securities. We believe that during 2015, our directors, executive officers and 10% shareholders complied with all Section 16(a) filing requirements, with the exception of the inadvertent late reporting by Mr. Mark W. Jackson of an acquisition of Class A Shares under the Company's Employee Innovator Recognition Program. In making these statements, we have relied upon examination of copies of Forms 3, 4 and 5 provided to us and the written representations of our directors and officers.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis (CD&A) addresses our compensation objectives and policies for our NEOs, the elements of NEO compensation and the application of those objectives and policies to each element of compensation for our NEOs for fiscal year 2015.

Our NEOs in 2015 were Mr. Michael T. Dugan, Mr. Anders N. Johnson, Mr. Pradman P. Kaul, Mr. Dean A. Manson and Mr. David J. Rayner. All of our NEOs were employed and solely compensated by EchoStar during 2015. With the exception of Mr. Kaul, who entered into an agreement regarding his employment with Hughes prior to our acquisition of all of the outstanding equity of Hughes Communications in 2011 (the Hughes Acquisition), none of our NEOs are party to an employment agreement with us.

Overall Executive Compensation Program Objectives and Policies

Compensation Philosophy

Our executive compensation program was guided by the following key principles in 2015:

- attraction, retention and motivation of executive officers over the long-term;
- recognition of individual performance;
- recognition of the achievement of company-wide and group performance goals, if any; and
- creation of shareholder value by aligning the interests of management and shareholders through equity incentives.

General Compensation Levels

Edgar Filing: EchoStar CORP - Form DEF 14A

The total compensation opportunities, both base salaries and incentives, offered to our NEOs have been designed to ensure that they are competitive with market compensation levels, support our executive recruitment, retention and motivation objectives, reward individual, group and company-wide performance and contribute to our success by aligning the interests of our executive officers and shareholders.

In determining the overall compensation of our NEOs, the Corporation considers the subjective recommendations of our Chairman, Mr. Ergen, and our Chief Executive Officer and President, Mr. Dugan, who may take into account the following factors: (i) information described in

Compilation of Certain Peer Group Data below, including the base salaries and range of the percentage increases in base salaries, for named executive officers of the companies contained in the Peer Group Data (as defined in Compilation of Certain Peer Group Data below), (ii) the executive's performance and contributions and/or considerations of retention, including, without limitation, the executive's success in achieving individual, group and company-wide goals and the extent to which the executive's individual efforts resulted in tangible increases in corporate, division or department success, (iii) whether the performance goals of any short-term or long-term incentive plans were met and the payouts that would become payable upon achievement of those performance goals, (iv) the value of historic and current components of each NEO's compensation, including the base salary and any bonus paid to the NEO in the prior year, (v) the value of equity awards previously granted to the executive, (vi) EchoStar's overall financial and business performance, (vii) the performance of the NEO's business unit, if applicable, (viii) the rate of standard annual merit increases for employees who are performing at a satisfactory level, (ix) the expected compensation to be paid to other senior officers in the applicable year in relation to a particular NEO, (x) whether the NEO was promoted or newly hired in the prior or applicable year, and (xi) equity awards that would normally be granted upon a promotion in accordance with our policies for promotions. This approach to general compensation levels is not formulaic or standard and does not utilize formalized benchmarking, and the weight given to any particular factor in determining a particular NEO's compensation depends on the subjective consideration of all factors described above in the aggregate.

With respect to equity incentive compensation, we generally attempt to ensure that most of our NEOs have appropriate incentives tied to the performance of our Class A Shares. Therefore, we may grant more options to a particular NEO in a given year if a substantial portion of the NEO's equity incentives are vested and the underlying stock is capable of being sold. In addition, if an NEO recently received a substantial amount of equity incentives or is entitled to severance benefits, we may not grant any equity incentives to that particular NEO in a particular year. In granting equity incentive compensation, we also generally take into account whether an NEO has recently been promoted in determining whether to grant equity awards to that individual. We may grant equity awards based on a number of subjective criteria, including an NEO's position and role in our success and whether an NEO made any exceptional contributions to our success.

Table of Contents

Mr. Ergen recommends, the Compensation Committee reviews and discusses and the Board of Directors ultimately approves the base salary compensation of Mr. Dugan, and Messrs. Ergen and Dugan recommend, the Compensation Committee reviews and discusses and the Board of Directors ultimately approves the base salary compensation of our other NEOs. After considering these recommendations and other considerations discussed above, the Board of Directors determines the annual base salary for each NEO. The Compensation Committee also makes and approves grants of options and other equity-based compensation to the NEOs.

Compilation of Certain Peer Group Data

In connection with the approval process for our 2015 executive officer compensation, management prepared a compilation of the compensation components for the named executive officers of companies similar in size and/or industry to EchoStar, as disclosed in their respective publicly-filed proxy statements (the Peer Group Data). The surveyed companies included: Loral Space & Communications, Inc., Cisco Systems, Inc., ViaSat Communications, Inc., Akamai Technologies, Inc., EarthLink Holdings Corp., Frontier Communications Corporation, IDT Corporation, and SBA Communications Corporation. The Peer Group Data, along with other information obtained from media reports or other generally available sources related to executive compensation is used solely as a subjective frame of reference, rather than for benchmarking compensation for the NEOs. We do not utilize a formulaic or standard, formalized benchmarking level or element in setting our executive compensation relative to that of other companies. Generally, we believe our overall executive compensation lags behind most of the companies contained in our Peer Group Data in the areas of short-term incentives and severance packages, and may be competitive over time in equity compensation. If our stock performance substantially outperforms similar companies, our executive compensation could exceed other companies.

Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986 (as amended, the Internal Revenue Code) places a limit on the tax deductibility of compensation in excess of \$1.0 million paid to certain covered employees of a publicly held corporation (generally, the corporation's chief executive officer and its next three most highly compensated executive officers (other than the chief financial officer) in the year that the compensation is paid). This limitation applies to compensation that is not considered performance-based under the Section 162(m) rules. We may structure our compensation programs, where feasible, to minimize or eliminate the impact of the limitations of Section 162(m) of the Internal Revenue Code. However, there is no assurance that any aspect of our compensation program has met or will in the future meet the requirements of Section 162(m) rules to be considered deductible compensation and nondeductible compensation in excess of the application limitation may be paid. In addition, we retain discretion to approve annual, long-term or other compensation arrangements in a manner that does not permit the compensation to qualify for tax deductibility under Section 162(m).

Use of Compensation Consultants

No compensation consultants were retained by the Corporation, the Board of Directors or the Compensation Committee to evaluate or recommend the setting of executive compensation during the past fiscal year.

Implementation of Executive Compensation Program Objectives and Policies

Elements of Executive Compensation

The primary components of our executive compensation program include:

- base salary;
- equity incentive compensation (short-term and/or long-term) in the form of stock options and/or restricted stock units offered under EchoStar's stock incentive plan;
- short-term incentive compensation;
- 401(k) plan; and
- other compensation, including perquisites and personal benefits and post-termination compensation.

Our long and short-term incentive compensation may also include conditional and/or performance-based cash or equity incentive compensation and discretionary bonuses.

The components of our executive compensation program combine to promote the objectives and policies described above. Base salary, 401(k) benefits and other benefits and perquisites provided generally to employees provide a minimum level of compensation for our NEOs. Long-term equity and/or performance-based incentive compensation aligns NEO compensation with the creation of long-term shareholder value and generally promotes retention. Short-term cash or equity incentives reward individual, group or company performance and achievement of shorter-term goals important to the Corporation.

Table of Contents

We have not required that a certain percentage of an executive's compensation be provided in one form versus another. However, our goal is to award compensation that is reasonable in relation to our compensation program and objectives when all elements of potential compensation are considered. Generally, for the reasons discussed in *Equity Incentive Compensation*, we have generally weighted overall compensation towards equity components as opposed to base salaries. Each element of our executive compensation and the rationale for each element are described below.

Base Salary

We have traditionally included salary in our executive compensation package under the belief that it is appropriate that some portion of the compensation paid to our executives be provided in a form that is fixed and liquid occurring over regular intervals. The Board of Directors has traditionally been free to set base salary at any level deemed appropriate, with the Compensation Committee setting the base salary of the Chairman. The Compensation Committee and the Board of Directors typically review base salaries of our NEOs. Any increases or decreases in base salary on a year-over-year basis have usually been dependent on a combination of the factors outlined above in *General Compensation Levels*, with particular emphasis on:

- EchoStar's overall financial and business performance;
- the performance of the NEO's business unit, if applicable;
- the NEO's individual contributions to EchoStar; and
- the rate of standard annual merit increases for employees who are performing at a satisfactory level.

Equity Incentive Compensation

We have operated under the belief that our executive officers generally will be better able to contribute to our long-term success and help build incremental shareholder value if they have a stake in our future success and value. We believe this stake helps retain executives and focuses the executive officers' attention on managing as owners with equity positions and aligns their interests with the interests of our shareholders. Equity awards therefore have generally represented an important component of our compensation program for most of our NEOs. We have attempted to create general incentives with standard stock option grants and conditional or performance-based incentives through awards that may include payouts in cash or equity. Grants of equity incentive compensation have usually been dependent on a combination of the factors outlined above in *General Compensation Levels*.

To aid in our retention of employees, options and restricted stock unit awards granted under our stock incentive plan, including those granted to our NEOs, generally vest at the rate of 20% per year and, in the case of options, have exercise prices not less than the fair market value of our Class A Shares on the date of grant or the last trading day prior to the date of grant (if the date of grant is not a trading day). Certain of our option agreements and restricted stock unit agreements with executive officers have included acceleration of vesting upon a change in control for those executive officers who are terminated by us or the surviving entity, as applicable, for any reason other than for cause during the twenty-four month period following such change in control.

Stock Incentive Plan

We have adopted an employee stock incentive plan, which we refer to as the Amended and Restated 2008 Stock Incentive Plan (the "2008 Stock Incentive Plan"). The purpose of the 2008 Stock Incentive Plan is to provide incentives to attract and retain executive officers and other key employees. The 2008 Stock Incentive Plan is administered by our Compensation Committee and the Compensation Committee retains discretion, subject to plan limits, to modify the terms of outstanding awards and to re-price awards. Awards available to be granted under the 2008 Stock Incentive Plan include: (i) stock options; (ii) stock appreciation rights; (iii) restricted stock and restricted stock units; (iv) performance awards; (v) dividend equivalents; and (vi) other stock-based awards. We generally grant equity awards on the first day of each calendar quarter following the quarter in which the award was approved and have set exercise prices at not less than the fair market value of our Class A Shares on the date of grant or the last trading day prior to the date of grant (if the grant date is not a trading day). As of December 31, 2015, there were (i) outstanding options to purchase 5,822,641 Class A Shares; (ii) 57,328 outstanding restricted stock units; and (iii) 4,318,805 of our Class A Shares remaining available for issuance under the 2008 Stock Incentive Plan. Our option and restricted stock unit awards generally vest at the rate of 20% per year commencing one year from the date of grant. We also grant fully vested stock-based awards under our Employee Innovator Recognition Program, which is available to all of our eligible employees.

Class B Chairman Stock Option Plan

We have adopted a Class B Chairman stock option plan, which we refer to as the 2008 Class B Chairman Stock Option Plan. The purpose of the 2008 Class B Chairman Stock Option Plan is to promote the interests of the Corporation by aiding in the retention of Mr. Ergen, who our Board of Directors believes is crucial to assuring our future success, to offer Mr. Ergen incentives to put forth

Table of Contents

maximum efforts for our future success and to afford Mr. Ergen an opportunity to acquire additional proprietary interests in the Corporation. Mr. Ergen abstained from our Board of Directors' vote regarding the adoption of the 2008 Class B Chairman Stock Option Plan. Awards available to be granted under the 2008 Class B Chairman Stock Option Plan include nonqualified stock options and dividend equivalent rights with respect to our Class B Shares. Up to four million shares of our Class B Shares are available for awards under the 2008 Class B Chairman Stock Option Plan. Only Mr. Ergen is eligible to participate in the 2008 Class B Chairman Stock Option Plan. No awards have been granted under the 2008 Class B Chairman Stock Option Plan.

Employee Stock Purchase Plan

We have adopted an employee stock purchase plan, which we refer to as the ESPP. The purpose of the ESPP is to provide our eligible employees with an opportunity to acquire a proprietary interest in the Corporation through the purchase of our Class A Shares. All full-time employees who are employed by EchoStar for at least one calendar quarter are eligible to participate in the ESPP. Employee stock purchases are made through payroll deductions. Under the terms of the ESPP, employees are not permitted to deduct an amount that would permit such employee to purchase our capital stock under our ESPP in an amount that exceeds \$25,000 in fair market value of capital stock in any one year. The ESPP is intended to qualify under Section 423 of the Internal Revenue Code and thereby provide participating employees with an opportunity to receive certain favorable income tax consequences as to stock purchase rights under the ESPP. Our NEOs participate in the ESPP on the same terms as our other employees.

Short-Term Incentive Compensation

For 2015, we elected not to implement a company-wide short-term incentive program. In the future, we may elect to award short-term incentive compensation that reflects appropriate performance goals for our business. We generally provide a discretionary cash bonus only to the extent that we consider an individual to have made an extraordinary contribution towards EchoStar's performance. One of our NEOs received a one-time short-term cash incentive payment in 2015. In addition, Hughes has in place an annual incentive plan that was established prior to the Hughes Acquisition (the Hughes Annual Incentive Plan). Pursuant to the Hughes Annual Incentive Plan, certain of our NEOs and other officers are eligible to receive, and have received, short-term incentive payments. See Summary Compensation Table below.

401(k) Plan

We have adopted a defined-contribution tax-qualified 401(k) plan for all EchoStar employees, including our executives, to facilitate our employees' ability to save some percentage of their cash compensation for retirement. Our NEOs participate in the 401(k) plan, including corporate contributions, on the same terms as our other employees. New employees become immediately eligible for participation in the 401(k) plan upon the commencement of their employment. Participants in the 401(k) plan are able to contribute up to 75% of their eligible compensation subject to the maximum contribution limit provided by the Internal Revenue Code. Effective October 2015, eligible employees have the option to make after-tax contributions under the 401(k) plan so that they may contribute up to 75% of their compensation on a pre-tax and/or after-tax basis subject to the Internal Revenue Code limits. All employee contributions to the 401(k) plan are immediately vested. The Corporation matches 50 cents on the dollar for the first 6.0% of each employee's salary contributions to the 401(k) plan for a total of 3.0% match on a pre-tax basis up to a maximum of \$7,500 annually. The Corporation match is calculated each pay period there is an employee contribution. In addition, we may make an annual discretionary contribution to the 401(k) plan to be made in cash or our stock. All Corporation contributions under the 401(k) plan

vest at 20.0% per year and are 100.0% vested after an eligible employee has completed five years of employment.

Nonqualified Plan

We have adopted a Nonqualified Plan for the benefit of a select group of officers, including our NEOs, whose benefits under our 401(k) plan are limited by the Internal Revenue Code. Nonqualified Plan participants may elect to contribute up to 16% of their eligible compensation into the plan on a pre-tax basis each payroll period. We do not match any employee contributions in the Nonqualified Plan. Participants are always 100% vested in the contributions they make into the plan. During 2015, all of our NEOs were eligible to participate in the Nonqualified Plan, and Mr. Rayner was the only NEO who contributed to the Nonqualified Plan. See *Nonqualified Deferred Compensation* below.

Perquisites, Personal Benefits, Post-Termination Compensation and Other Compensation

We have traditionally offered certain plans and other benefits to our executive officers on the same terms as other employees. These plans and benefits have included medical, vision, and dental insurance, life insurance, and the ESPP, as well as discounts on our and other companies products and services. Relocation benefits may also be provided, but are individually negotiated when they occur. In some years, we have permitted certain NEOs and their family members and guests to use our corporate aircraft for personal use. No such uses occurred during 2015. We have also paid annual tax preparation costs and provided executive medical benefits and personal liability insurance for certain NEOs.

Table of Contents

We have not traditionally had any plans in place to provide severance benefits to employees. However, certain stock options and restricted stock units have been granted to our executive officers subject to acceleration of vesting upon a change in control for those executive officers who are terminated by us or the surviving entity, as applicable, for any reason other than for cause during the twenty-four month period following such change in control. In addition, certain officers of Hughes, including Mr. Kaul, have severance benefits that were approved by the board of directors of Hughes as part of their employment agreements prior to the Hughes Acquisition. See Potential Payments Upon Termination or Following a Change in Control below.

Shareholder Advisory Vote on Executive Compensation

We provided our shareholders with the opportunity to cast a non-binding advisory vote on executive compensation at the annual meeting of shareholders held in October 2014. Over 96% of the voting power represented at the meeting and entitled to vote on that matter voted to approve, on a non-binding advisory basis, the compensation paid to our named executive officers, as described in the proxy statement for that meeting. The Compensation Committee reviewed these voting results after such meeting, and the Corporation did not change its approach to executive compensation in 2014 or 2015 as a direct result of the vote. In 2011, our shareholders approved, on a non-binding advisory basis, that we should provide our shareholders with the opportunity to cast a non-binding advisory vote on executive compensation at our annual meeting of shareholders at least once every three years. We intend to seek a non-binding shareholder advisory vote on executive compensation once every three years, with the next such vote being at our annual meeting of shareholders in 2017.

2015 Executive Compensation

We generally make decisions with respect to executive compensation for a particular compensation year in the first or second quarter of the applicable year. With respect to the executive compensation of our NEOs, we reviewed total compensation of each NEO and the factors outlined above in General Compensation Levels. As described in General Compensation Levels above, we aim to provide compensation that is competitive with market practice with an emphasis on providing a substantial portion of overall compensation in the form of equity incentives.

Compensation of Our Chief Executive Officer and President

2015 Base Salary. In determining Mr. Dugan's 2015 base salary, Mr. Ergen recommended, the Compensation Committee reviewed and discussed and the Board of Directors determined that Mr. Dugan's existing base compensation was already within the range of market compensation indicated in the Peer Group Data in light of our practices with respect to base salaries and that therefore an increase over Mr. Dugan's 2014 base salary was not necessary.

2015 Cash Bonus. We generally provide a discretionary cash bonus only to the extent that we consider an individual to have made an extraordinary contribution towards EchoStar's performance. No bonus was paid to Mr. Dugan in 2015. See Summary Compensation Table below.

2015 Equity Incentives. With respect to equity incentives, we attempt to ensure that our Chief Executive Officer and President has equity awards at any given time that are significant in relation to his annual cash compensation to ensure that he has appropriate incentives tied to the performance of our Class A Shares. This determination is made by the Compensation Committee primarily on the basis of Mr. Ergen's recommendation. For 2015, Mr. Ergen based his recommendation on, and the Compensation Committee took into account, among other things, the factors described in

General Compensation Levels above, placing primary weight on Mr. Dugan's role in driving the Corporation's overall financial and business performance in 2015, retaining Mr. Dugan's services and the value of equity awards previously granted to Mr. Dugan.

The Compensation Committee determined on April 30, 2015 that Mr. Dugan would receive a grant of 100,000 restricted stock units (RSUs) with a grant date of July 1, 2015. Mr. Dugan's RSUs vested based upon certain quarterly and/or cumulative earnings goals subject to the Compensation Committee's authorization to determine and calculate the achievement of each goal in accordance with the terms of the 2008 Stock Incentive Plan and a restricted stock unit agreement (the Earnings Goals). The Earnings Goals for 2015 were as follows: (i) \$209 million of earnings before interest, taxes, depreciation and amortization (EBITDA) in the second quarter of 2015; (ii) \$218 million of EBITDA in the third quarter of 2015; (iii) \$231 million of EBITDA in the fourth quarter of 2015; or (iv) an aggregate \$658 million of EBITDA in the second through fourth quarters of 2015. The RSUs vested in three tranches with 33,333 of the RSUs vesting on August 6, 2015, 33,333 of the RSUs vesting on November 6, 2015 and 33,334 of the RSUs vesting on February 24, 2016, respectively.

Compensation of Other Named Executive Officers

2015 Base Salary. Base salaries for each of the other NEOs are reviewed and discussed by the Compensation Committee and determined by the Board of Directors primarily based on Mr. Dugan's and Mr. Ergen's recommendations. The Compensation Committee and the Board of Directors place substantial weight on Mr. Ergen's recommendations in light of his role as Chairman and as our controlling shareholder. Messrs. Dugan and Ergen made recommendations with respect to the 2015 base salary of each of the NEOs after considering the factors outlined above in *General Compensation Levels*. Placing primary weight on (a) the NEO's base salary in 2014, (b) the NEO's performance in 2014, and (c) whether, in their subjective view, an increase in base salary was warranted based on such performance or in order to retain the NEO, Messrs. Ergen and Dugan made the following recommendations regarding the base salaries for each of the other NEOs for 2015.

Mr. Johnson Based on Mr. Johnson's performance in 2014 and their subjective determination, Messrs. Ergen and Dugan recommended a base salary increase for Mr. Johnson for 2015.

Mr. Kaul Based on Mr. Kaul's performance in 2014 and their subjective determination, Messrs. Ergen and Dugan recommended a base salary increase for Mr. Kaul for 2015.

Mr. Manson Based on Mr. Manson's performance in 2014 and their subjective determination, Messrs. Ergen and Dugan recommended a base salary increase for Mr. Manson for 2015.

Mr. Rayner Based on Mr. Rayner's performance in 2014 and their subjective determination, Messrs. Ergen and Dugan recommended a base salary increase for Mr. Rayner for 2015.

The Board of Directors accepted Messrs. Ergen's and Dugan's recommendations with respect to the base salaries for each of these NEOs.

2015 Cash Bonus. We generally provide a discretionary cash bonus only to the extent that we consider an individual to have made an extraordinary contribution towards EchoStar's performance. Mr. Johnson received a cash bonus in 2015 based on his extraordinary contributions in support of EchoStar's performance. None of the other NEOs received a discretionary cash bonus in 2015. See *Summary Compensation Table* below.

2015 Non-Equity Incentive Plan Compensation. Pursuant to the Hughes Annual Incentive Plan, certain of our NEOs and other officers are eligible to receive short-term incentive payments. Based upon Hughes' performance in 2014, Mr. Kaul

received a cash bonus in 2015 pursuant to his employment agreement and the Hughes Annual Incentive Plan. Based upon Hughes performance in 2014, Mr. Manson also received a cash bonus in 2015 pursuant to the Hughes Annual Incentive Plan. See Summary Compensation Table below.

2015 Equity Incentives. With respect to equity incentives, we primarily evaluate the position of each NEO to ensure that the NEO has appropriate incentives tied to the performance of our Class A Shares. This determination is made by the Compensation Committee primarily on the basis of Messrs. Ergen's and/or Dugan's subjective recommendations. For 2015, Messrs. Ergen and Dugan based their recommendation on, and the Compensation Committee took into account the factors outlined above in General Compensation Levels, including, among other things, the equity awards necessary to retain our NEOs, the value of existing equity awards for the NEOs and whether each NEO is entitled to severance payments. During 2015, the Compensation Committee granted Mr. Johnson an option to purchase 40,000 Class A Shares; Mr. Manson an option to purchase 50,000 Class A Shares; and Mr. Rayner an option to purchase 65,000 Class A Shares; in each case, to ensure that each NEO had appropriate incentives tied to the performance of our Class A Shares. See Grants of Plan-Based Awards below.

Risk Assessment

We believe that our compensation programs and practices, which consist primarily of fixed cash salary and incentive awards, assist in our efforts to mitigate excessive risk taking by our employees. The Board of Directors annually reviews the cash and equity incentive programs for the Corporation's senior officers, including our executive officers, who are the employees whose actions could expose the Corporation to the most significant business risks. The Board of Directors concluded that certain features of these programs tend to reduce the likelihood of excessive risk taking. These features include a compensation mix that delivers a substantial portion of compensation in the form of long-term equity awards to create incentives to work for the long-term growth of the Corporation; multi-year vesting of equity awards; limited use of short-term incentive awards, thus reducing the incentive to take short-term risks; and the Compensation Committee and Board of Directors' ongoing oversight to ensure the Corporation's compensation programs and practices appropriately balance the interests of employees and stockholders.

Table of Contents

For the foregoing reasons, the Board of Directors believes that the Corporation's compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Corporation.

Compensation Committee Report

The Compensation Committee is appointed by the Board of Directors to discharge certain of the Board of Directors' responsibilities relating to compensation of EchoStar's executive officers.

Based on the review of the Compensation Discussion and Analysis and discussions with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Assumptions used in the calculation of these amounts are included in Note 15 in the Notes to the Corporation's audited financial statements for the fiscal years ended December 31, 2015, 2014 and 2013, respectively, included in the Corporation's Annual Reports on Form 10-K filed with the SEC on

(3) The amounts reported in the Grant Date Fair Value of Stock and Option Awards column reflect the aggregate grant date fair values in accordance with FASB ASC Topic 718. Assumptions used in the calculation of these amounts are included in Note 15 in the Notes to the Corporation's audited financial statements for the fiscal year ended December 31, 2015, included in the Corporation's Annual Report on Form 10-K filed with the SEC on February 24, 2016. These amounts include both performance and non-performance based awards and vested and unvested awards. The grant date fair value for Mr. Dugan's performance-based RSU award is based on the probable outcome of the performance conditions under the award and does not necessarily reflect the amount of compensation actually realized or that may be realized.

(4) Constitutes 100,000 performance-based restricted stock units granted to Mr. Dugan on July 1, 2015 under the terms of our 2008 Stock Incentive Plan and a restricted stock unit agreement. Each restricted stock unit represents the right to receive one share of our Class A Shares upon vesting. The shares underlying the restricted stock units vested in three installments with 33,333 shares vesting on August 6, 2015, 33,333 shares vesting on November 6, 2015 and 33,334 shares vesting on February 24, 2016, respectively.

In connection with the Spin-off, effective January 1, 2008, all DISH Network Corporation stock options and restricted stock units held by DISH Network Corporation employees, including executive officers, were adjusted to reflect the change in the price of DISH Network Corporation common stock that occurred as a result of the Spin-off, and an additional award was granted that related to EchoStar's common stock. Each DISH Network Corporation stock option was converted into two options: (i) an adjusted DISH Network Corporation stock option for the same number of shares as were exercisable under the original DISH Network Corporation stock option with an exercise price equal to the exercise price of the original DISH Network Corporation stock option multiplied by 0.831219; and (ii) a new EchoStar stock option for one-fifth of the number of shares as were exercisable under the original DISH Network Corporation stock option with an exercise price equal to the exercise price of the original DISH Network Corporation stock option multiplied by 0.843907. The information regarding DISH Network Corporation options is based solely on information supplied by DISH Network Corporation to EchoStar.

Potential Payments Upon Termination or Following a Change in Control

As discussed in Compensation Discussion and Analysis above, certain of our option agreements and restricted stock unit agreements given to executive officers include acceleration of vesting upon a change in control for those executive officers that are terminated by us or the surviving entity, as applicable, for any reason other than for cause during the twenty-four month period following such change in control. There are no benefits triggered solely by a change of control or solely because of termination.

Generally a change in control is deemed to occur upon: (i) a transaction or a series of transactions the result of which is that any person (other than Mr. Ergen, our controlling shareholder, or a related party) individually owns more than fifty percent (50%) of the total equity interests of either (a) EchoStar or (b) the surviving entity in any such transaction(s) or a controlling affiliate of such surviving entity in such transaction(s); and (ii) the first day on which a majority of the members of the Board of Directors of EchoStar are not continuing directors.

Table of Contents

Assuming a change in control was to have taken place as of December 31, 2015 and the executives had been terminated by EchoStar or the surviving entity at such date, the estimated benefits that would have been provided to our NEOs are as follows:

Name	Maximum Value of Accelerated Vesting of Options and stock (\$)
Michael T. Dugan	
Anders N. Johnson	315,873
Pradman P. Kaul	
Dean A. Manson	
David J. Rayner	717,093

Mr. Kaul's termination benefits were set by Hughes prior to the Hughes Acquisition. Mr. Kaul does not have any benefits triggered by a change of control of EchoStar.

Pursuant to his employment agreement, if Mr. Kaul's employment is terminated for cause, Mr. Kaul terminates his employment without good reason or provides notice to us of non-renewal of his employment agreement, Mr. Kaul becomes permanently disabled and is terminated by us, or Mr. Kaul dies during the term of his employment agreement, then Mr. Kaul will receive his: (i) earned but unpaid base salary; (ii) earned but unpaid bonus; (iii) accrued but unused paid time off; and (iv) unreimbursed business expenses (subject to company policies) through the date of termination (collectively, the Accrued Amounts). In the event that Mr. Kaul's employment is terminated by us without cause, terminated by him for good reason, or in the event that we provide him with notice of non-renewal of his employment agreement, subject to his execution of a waiver and release of claims in favor of Hughes and its affiliates, Mr. Kaul would receive: (i) the Accrued Amounts; (ii) a lump sum amount equal to three times the sum of (x) and (y), where (x) is Mr. Kaul's annual base salary (in effect on the date of termination) and (y) is 100% of Mr. Kaul's target bonus amount; (iii) cash payments equal to 1.5 times the monthly COBRA premium paid by Mr. Kaul; and (vi) reasonable outplacement benefits.

Assuming Mr. Kaul's employment was terminated under any of the following circumstances as of December 31, 2015, the payments and benefits that would have been provided to Mr. Kaul are as follows:

Circumstance	Cash Severance (\$ (1))	Bonus (\$ (2))	Medical Continuation (\$ (3))	Value of Accelerated Equity and Performance Awards and Nonqualified Plan Accounts (\$)	Outplacement Benefits (\$)
For cause		769,600			
Without cause, for good reason or non-renewal of agreement by us	4,617,600	769,600	24,127		20,000
Without good reason or non-renewal of agreement by executive		769,600			
Disability or death		769,600			

(1) This amount represents three times the sum of (a) Mr. Kaul's annual base salary as in effect on December 31, 2015, plus (b) Mr. Kaul's target bonus amount for 2015 pursuant to his employment agreement and the Hughes Annual

Incentive Plan.

- (2) This amount represents Mr. Kaul's target bonus amount for 2015 pursuant to his employment agreement and the Hughes Annual Incentive Plan.
- (3) This amount represents the amount of Mr. Kaul's payments for 18 months of COBRA coverage times 1.5.

Table of Contents**Equity Compensation Plan Information**

The following table sets forth information regarding outstanding stock options and restricted stock unit awards and the Class A Shares reserved for future issuance under our equity compensation plans, including the 2008 Stock Incentive Plan and the 2008 Director Plan, as of December 31, 2015:

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights (a)	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights (b) (1)	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (excluding securities reflected in column (a)) (c) (2)
Equity compensation plans approved by shareholders	5,950,569	\$ 38.38	4,318,805
Equity compensation plans not approved by shareholders			
Total	5,950,569	\$ 38.38	4,318,805

(1) The calculation of the weighted-average exercise price of outstanding options, warrants and rights excludes restricted stock units that provide for the issuance of shares of common stock upon vesting because these awards do not require payment of an exercise price in order to obtain the underlying shares upon vesting.

(2) The shares available for issuance under the 2008 Class B Chairman Stock Option Plan are not included.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Our Board of Directors has adopted a written policy for the review and approval of transactions involving EchoStar or our subsidiaries, on the one hand, and related parties, such as directors or executive officers and their immediate family members, and DISH Network Corporation and its subsidiaries (collectively, DISH Network), on the other hand. We distribute questionnaires to our officers and directors on a quarterly basis. Our General Counsel directs the appropriate review of all potential related-party transactions and schedules their presentation at meetings of the Audit Committee and the Board of Directors, as applicable. Both the Audit Committee and the Board of Directors must approve these transactions, with all interested parties abstaining from the vote. Once each calendar year, the Audit Committee and the Board of Directors undertake a review of all recurring potential related-party transactions and must approve the continuation of each such transaction, with all interested parties abstaining. In addition, transactions involving DISH Network also are subject to the approval of a committee of non-interlocking directors. Our Board of Directors, however, has delegated authority to approve certain transactions with DISH Network to non-interlocking management which reports such approvals to the Board of Directors.

Related Party Transactions with DISH Network

Following the Spin-off, we and DISH Network have operated as separate publicly-traded companies. However, pursuant to the Satellite and Tracking Stock Transaction described below, DISH Network owns shares of our and one of our subsidiaries preferred tracking stock representing an aggregate 80.0% economic interest in the residential retail satellite broadband business of our Hughes segment. In addition, a substantial majority of the voting power of the shares of both EchoStar and DISH Network Corporation is owned beneficially by Charles W. Ergen, our Chairman, and by certain trusts established by Mr. Ergen for the benefit of his family.

In connection with and following the Spin-off, we and DISH Network have entered into certain agreements pursuant to which we obtain certain products, services and rights from DISH Network; DISH Network obtains certain products, services and rights from us; and we and DISH Network have indemnified each other against certain liabilities arising from our respective businesses. We also may enter into additional agreements with DISH Network in the future. Generally, the amounts DISH Network pays for products and services provided under the agreements are based on our cost plus a fixed margin (unless noted differently below), which varies depending on the nature of the products and services provided.

Broadcast Agreement. Effective January 2012, we and DISH Network entered into a broadcast agreement (the 2012 Broadcast Agreement) pursuant to which we provide certain broadcast services to DISH Network, including teleport services such as transmission and downlinking, channel origination services, and channel management services, for the period from January 2012 through December 2016. The 2012 Broadcast Agreement replaced the broadcast agreement that we entered into with DISH Network in connection with the Spin-off. The fees for the services provided under the 2012 Broadcast Agreement are calculated at either: (a) our cost of providing the relevant service plus a fixed dollar fee, which is subject to certain adjustments; or (b) our cost of providing the relevant service plus a fixed margin, which will depend on the nature of the services provided. DISH Network has the ability to terminate channel origination services and channel management services for any reason and without any liability upon at least 60 days notice to us. If DISH Network terminates the teleport services provided under the 2012 Broadcast Agreement for a reason other than our breach, DISH Network generally is obligated to reimburse us for any direct costs we incur related to any such termination that we cannot reasonably mitigate. We earned revenue of approximately \$237.0 million from DISH Network under this agreement for the year ended December 31, 2015.

Broadcast Agreement for Certain Sports Related Programming. In May 2010, we and DISH Network entered into a broadcast agreement pursuant to which we provide certain broadcast services to DISH Network in connection with its carriage of certain sports related programming. The term of this agreement is ten years. If DISH Network terminates this agreement for a reason other than our breach, DISH Network generally is obligated to reimburse us for any direct costs we incur related to any such termination that we cannot reasonably mitigate. The fees for the broadcast services provided under this agreement depend, among other things, upon the cost to develop and provide such services. We earned revenue of approximately \$1.4 million from DISH Network under this agreement for the year ended December 31, 2015.

DBSD North America Agreement. In March 2012, DISH Network completed its acquisition of 100% of the equity of reorganized DBSD North America, Inc. (DBSD North America). Prior to DISH Network's acquisition of DBSD North America and our completion of the Hughes Acquisition, DBSD North America and HNS entered into an agreement pursuant to which our Hughes segment provides, among other things, hosting, operations and maintenance services of DBSD North America's satellite gateway and associated ground infrastructure. This agreement will expire in February 2017. We earned revenue of approximately \$2.3 million from DBSD North America under this agreement for the year ended December 31, 2015.

DISHOnline.com Services Agreement. Effective January 2010, DISH Network entered into a two-year agreement with us pursuant to which DISH Network receives certain services associated with an online video portal. The fees for the services provided under this services agreement depend, among other things, upon the cost to develop and operate such services. DISH Network has the option to

Table of Contents

renew this agreement for successive one year terms and the agreement may be terminated by DISH Network for any reason upon at least 120 days notice to us. In October 2014, DISH Network exercised its right to renew this agreement for a one-year period ending in December 2015, and in November 2015, DISH Network exercised its right to renew this agreement for an additional one-year period ending in December 2016. We earned revenue of approximately \$6.6 million from DISH Network under this agreement for the year ended December 31, 2015.

DISH Remote Access Services Agreement. Effective February 2010, we entered into an agreement with DISH Network pursuant to which DISH Network receives, among other things, certain remote digital video recorder (DVR) management services. The fees for the services provided under this services agreement depend, among other things, upon the cost to develop and operate such services. This agreement had an initial term of five years with automatic renewal for successive one year terms. This agreement automatically renewed in February 2016 for an additional one-year period until February 2017. The agreement may be terminated by DISH Network for any reason upon at least 120 days notice to us. We earned revenue of approximately \$2.2 million from DISH Network under this agreement for the year ended December 31, 2015.

gTLD Bidding Agreement. In April 2015, we and DISH Network entered into a gTLD Bidding Agreement whereby, among other things: (i) DISH Network obtained rights from us to participate in a generic top level domain (gTLD) auction, assuming all rights and obligations from us related to our application with the Internet Corporation for Assigned Names and Numbers (ICANN) for a particular gTLD; (ii) DISH Network agreed to reimburse us for our ICANN application fee and certain out-of-pocket expenses related to the application and the auction; and (iii) we and DISH Network agreed to split equally the net proceeds obtained by DISH Network as the losing bidder in the auction, less such fee reimbursement and out-of-pocket expenses. In 2015, we received a payment of \$1.5 million from DISH Network under this agreement.

Hughes Broadband Distribution Agreement. Effective October 2012, HNS and dishNET Satellite Broadband L.L.C. (dishNET), a wholly-owned subsidiary of DISH Network, entered into a distribution agreement (the Distribution Agreement) pursuant to which dishNET has the right, but not the obligation, to market, sell and distribute the Hughes satellite internet service (the Hughes service). dishNET pays HNS a monthly per subscriber wholesale service fee for the Hughes service based upon a subscriber s service level, and, beginning in January 2014, based upon certain volume subscription thresholds. The Distribution Agreement also provides that dishNET has the right, but not the obligation, to purchase certain broadband equipment from us to support the sale of the Hughes service. The Distribution Agreement had an initial term of five years with automatic renewal for successive one year terms unless terminated by either party with a written notice at least 180 days before the expiration of the then-current term. In February 2014, HNS and dishNET entered into an amendment to the Distribution Agreement which, among other things, extended the initial term of the Distribution Agreement until March 2024. Upon expiration or termination of the Distribution Agreement, the parties will continue to provide the Hughes service to the then-current dishNET subscribers pursuant to the terms and conditions of the Distribution Agreement. We earned revenue of approximately \$97.0 million from dishNET under this agreement for the year ended December 31, 2015.

Intellectual Property Matters Agreement. We entered into an Intellectual Property Matters Agreement with DISH Network and certain of its subsidiaries in connection with the Spin-off. The Intellectual Property Matters Agreement governs our relationship with DISH Network with respect to patents, trademarks and other intellectual property. The Intellectual Property Matters Agreement will continue in perpetuity. Pursuant to the Intellectual Property Matters Agreement, DISH Network and certain of its subsidiaries irrevocably assigned to us all right, title and interest in certain patents, trademarks and other intellectual property necessary for the operation of our set-top box business. In addition, the agreement permits us to use, in the operation of our set-top box business, certain other intellectual property currently owned or licensed by DISH Network. In addition, DISH Network may not use the EchoStar name as a trademark, except in certain limited circumstances. Similarly, the Intellectual Property Matters Agreement provides that we will not make any use of the name or trademark DISH Network or any other trademark owned by DISH Network, except in certain circumstances. There was no revenue, expenses or payments under this agreement for the year ended December 31, 2015.

Patent Cross-License Agreements. In December 2011, we and DISH Network entered into separate patent cross-license agreements with the same third party whereby: (i) we and such third party licensed our respective patents to each other subject to certain conditions; and (ii) DISH Network and such third party licensed their respective patents to each other subject to certain conditions (each, a Cross-License Agreement). Each Cross-License Agreement covers patents acquired by the respective party prior to January 2017 and aggregate payments under both Cross-License Agreements total less than \$10.0 million. Each Cross-License Agreement also contains an option to extend each Cross-License Agreement to include patents acquired by the respective party prior to January 2022. If both options are exercised, the aggregate additional payments to such third party would total less than \$3.0 million. However, we and DISH Network may elect to extend our respective Cross-License Agreement independently of each other. Since the aggregate payments under both Cross-License Agreements were based on the combined annual revenue of us and DISH Network, we and DISH Network agreed to allocate our respective payments to such third party based on our respective percentage of combined total revenue. There was no revenue, expenses or payments under this agreement for the year ended December 31, 2015.

Table of Contents

PMC. In 2008, PMC filed suit against us, DISH Network and Motorola Inc., in the United States District Court for the Eastern District of Texas, alleging infringement of United States Patent Nos. 5,109,414; 4,965,825; 5,233,654; 5,335,277 and 5,887,243, which relate to satellite signal processing. In May 2015, we, DISH Network and PMC entered into a settlement and release agreement that provided, among other things, for a license by PMC to us and DISH Network for certain patents and patent applications and the dismissal of all of PMC's claims in the action against us and DISH Network with prejudice. In June 2015, the Court dismissed all of PMC's claims in the action against us and DISH Network with prejudice. In June 2015, we and DISH Network agreed that we would contribute a one-time payment of \$5.0 million towards the settlement under the agreements entered into in connection with the Spin-off and the 2012 Receiver Agreement. We incurred expenses of \$5.0 million payable to DISH Network under this agreement for the year ended December 31, 2015.

Product Support Agreement. In connection with the Spin-off, we entered into a product support agreement pursuant to which DISH Network has the right, but not the obligation, to receive product support from us (including certain engineering and technical support services) for all set-top boxes and related accessories that we have previously sold and in the future may sell to DISH Network. The fees for the services provided under the product support agreement are calculated at cost plus a fixed margin, which varies depending on the nature of the services provided. The term of the product support agreement is the economic life of such set-top boxes and related accessories, unless terminated earlier. DISH Network may terminate the product support agreement for any reason upon at least 60 days' notice. In the event of an early termination of this agreement, DISH Network is entitled to a refund of any unearned fees paid to us for the services. We earned revenue of approximately \$57.2 million from DISH Network under this agreement for the year ended December 31, 2015.

Professional Services Agreement. In connection with the Spin-off, we entered into various agreements with DISH Network including a Transition Services Agreement, Satellite Procurement Agreement and Services Agreement, which all expired in January 2010 and were replaced by a Professional Services Agreement. In January 2010, we and DISH Network agreed that we shall continue to have the right, but not the obligation, to receive the following services from DISH Network, among others, certain of which were previously provided under the Transition Services Agreement: information technology, travel and event coordination, internal audit, legal, accounting and tax, benefits administration, program acquisition services and other support services. Additionally, we and DISH Network agreed that DISH Network would continue to have the right, but not the obligation, to engage us to manage the process of procuring new satellite capacity for DISH Network (previously provided under the Satellite Procurement Agreement), receive logistics, procurement and quality assurance services from us (previously provided under the Services Agreement) and other support services. The Professional Services Agreement automatically renewed in January 2016 for an additional one-year period until January 2017 and renews automatically for successive one-year periods thereafter, unless terminated earlier by either party upon at least 60 days' notice. However, either party may terminate the Professional Services Agreement in part with respect to any particular service it receives for any reason upon at least 30 days' notice. We incurred expenses of approximately \$0.3 million payable to DISH Network and earned revenue of approximately \$14.5 million from DISH Network under this agreement for the year ended December 31, 2015.

Real Estate Lease Agreements. We have entered into lease agreements pursuant to which DISH Network leases certain real estate from us. The rent on a per square foot basis for each of the leases is comparable to per square foot rental rates of similar commercial property in the same geographic area at the time of the lease, and DISH Network is responsible for its portion of the taxes, insurance, utilities and maintenance of the premises. The term of each of the leases is set forth below:

Inverness Lease Agreement. The lease for certain space at 90 Inverness Circle East in Englewood, Colorado is for a period ending in December 2016. This agreement can be terminated by either party upon six months' prior notice. Upon such extension, both parties have the right to terminate this agreement upon 30 days' notice. In February 2016, DISH Network provided us notice to terminate this lease effective August 2016. We earned revenue of approximately \$0.9 million from DISH Network under this agreement for the year ended December 31, 2015.

Meridian Lease Agreement. The lease for all of 9601 S. Meridian Blvd. in Englewood, Colorado is for a period ending in December 2016. Santa Fe Lease Agreement. The lease for all of 5701 S. Santa Fe Dr. in Littleton, Colorado is for a period ending in December 2016. This agreement may be extended by mutual consent, in which case this agreement will be converted to a month-to-month lease agreement. Upon extension, both parties have the right to terminate this agreement upon 30 days' notice. We earned revenue of approximately \$2.3 million from DISH Network under this agreement for the year ended December 31, 2015.

Gilbert Lease Agreement. The original lease for certain space at 801 N. DISH Dr. in Gilbert, Arizona was a month to month lease and could be terminated by either party upon 30 days prior notice. The lease agreement is for certain space at 1285 Joe Battle Blvd., El Paso, Texas, was for an initial period ending in August 2015, and provided us with renewal options for four consecutive three year terms. Effective August 2015, we exercised our first renewal option for a period ending in August 2018. We incurred expenses of approximately \$0.2 million payable to DISH Network under this agreement for the year ended December 31, 2015.

Receiver Agreement. Effective January 2012, we and DISH Network entered into a receiver agreement (the 2012 Receiver Agreement), pursuant to which DISH Network has the right, but not the obligation, to purchase digital set-top boxes, related accessories, and other equipment from us for the period from January 2012 to December 2014. The 2012 Receiver Agreement replaced the receiver agreement we entered into with DISH Network in connection with the Spin-off. The 2012 Receiver Agreement allows DISH Network to purchase digital set-top boxes, related accessories, and other equipment from us either: (i) at cost (decreasing as we reduce costs and increasing as costs increase) plus a dollar mark-up which will depend upon the cost of the product subject to a collar on our mark-up; or (ii) at cost plus a fixed margin, which will depend on the nature of the equipment purchased. Under the 2012 Receiver Agreement, our margins will be increased if we are able to reduce the costs of our digital set-top boxes and our margins will be reduced if these costs increase. We provide DISH Network with standard manufacturer warranties for the goods sold under the 2012 Receiver Agreement. Additionally, the 2012 Receiver Agreement includes an indemnification provision, whereby the parties indemnify each other for certain intellectual property matters. DISH Network is able to terminate the 2012 Receiver Agreement for any reason upon at least 60 days notice to us. We are able to terminate the 2012 Receiver Agreement if certain entities acquire DISH Network. DISH Network has an option, but not the obligation, to extend the 2012 Receiver Agreement for one additional year upon 180 days notice prior to the end of the term. In May 2014, we received DISH Network's notice to extend the 2012 Receiver

Agreement for one year through December 2015, and in November 2015, we amended the 2012 Receiver Agreement with DISH Network to extend the term of the 2012 Receiver Agreement for one year through December 2016. We earned revenue of approximately \$752.4 million from DISH Network under this agreement for the year ended December 31, 2015.

Remanufactured Receiver and Services Agreement. In connection with the Spin-off, we entered into a remanufactured receiver and services agreement with DISH Network pursuant to which we have the right, but not the obligation, to purchase remanufactured receivers and related components from DISH Network at cost plus a fixed margin, which varies depending on the nature of the equipment purchased. In November 2014, we and DISH Network extended this agreement for a one-year period ending in December 2015, and in November 2015, we and DISH Network extended this agreement for a one-year period ending in December 2016. We may terminate the remanufactured receiver and services agreement for any reason upon at least 60 days' notice to DISH Network. DISH Network may also terminate this agreement if certain entities acquire DISH Network. We incurred expenses of approximately \$0.7 million payable to DISH Network under this agreement for the year ended December 31, 2015.

RUS Implementation Agreement. In September 2010, DISH Broadband L.L.C. (DISH Broadband), DISH Network's indirect, wholly-owned subsidiary, was selected by the Rural Utilities Service (RUS) of the United States Department of Agriculture to receive up to approximately \$14.1 million in broadband stimulus grant funds (the Grant Funds). Effective November 2011, HNS and DISH Broadband entered into a RUS Implementation Agreement (the RUS Agreement) pursuant to which HNS provided certain portions of the equipment and broadband service used to implement DISH Broadband's RUS program. While the RUS Agreement expired in June 2013 when the Grant Funds were exhausted, HNS is required to continue providing services to DISH Broadband's customers activated prior to the expiration of the RUS Agreement in accordance with the terms and conditions of the RUS Agreement. We recognized revenue of approximately \$1.1 million previously received from DISH Broadband under this agreement for the year ended December 31, 2015.

Satellite Services Provided to DISH Network. Since the Spin-off, we have entered into certain satellite service agreements pursuant to which DISH Network receives satellite services on certain satellites owned or leased by us. The fees for the services provided under these satellite service agreements depend, among other things, upon the orbital location of the applicable satellite, the number of transponders that are providing services on the applicable satellite, and the length of the service arrangements. The terms of each service arrangement is set forth below:

EchoStar I, EchoStar VII, EchoStar X, EchoStar XI and EchoStar XIV. As part of the Satellite and Tracking Stock Transaction described below, in March 2014, we began providing certain satellite services to DISH Network on the EchoStar I, EchoStar VII, EchoStar X, EchoStar XI and EchoStar XIV satellites. The term of each satellite services agreement generally terminates upon the earlier of: (i) the end of life of the satellite; (ii) the date the satellite fails; or (iii) a certain date, which depends upon, among other things, the estimated useful life of the satellite. DISH Network generally has the option to renew each satellite service agreement on a year-to-year basis through the end of the respective satellite's life. There can be no assurance that any options to renew such agreements will be exercised. DISH Network elected not to renew the satellite services agreement relative to the EchoStar I satellite. The agreement for the EchoStar I satellite expired pursuant to its terms effective November 2015. In December 2015, DISH Network renewed the satellite services agreement relative to the EchoStar VII satellite for one year to June 2017. We earned revenue of approximately \$29.9 million, \$42.8 million, \$20.4 million, \$38.8 million, and \$42.8 million from DISH Network for each of the EchoStar I, EchoStar VII, EchoStar X, EchoStar XI and EchoStar XIV satellites, respectively, under these agreements for the year ended December 31, 2015.

EchoStar VIII. In May 2013, DISH Network began receiving satellite services from us on the EchoStar VIII satellite as an in-orbit spare. Effective March 2014, this satellite services arrangement converted to a month-to-month service agreement with both parties having the right to terminate upon 30 days' notice. The agreement terminated in accordance with its terms effective November 2015. We earned revenue of approximately \$44.2 million from DISH Network under this agreement for the year ended December 31, 2015.

EchoStar IX. Effective January 2008, DISH Network began receiving satellite services from us on the EchoStar IX satellite. Subject to availability, DISH Network generally has the right to continue to receive satellite services from us on the EchoStar IX satellite on a month-to-month basis. We earned revenue of approximately \$7.2 million from DISH Network under this agreement for the year ended December 31, 2015.

EchoStar XII. DISH Network receives satellite services from us on the EchoStar XII satellite. The term of the satellite services agreement terminates upon the earlier of: (i) the end of life of the satellite; (ii) the date the satellite fails or the date the transponder(s) on which the service was being provided under the agreement fails; or (iii) September 2017. DISH Network generally has the option to renew the agreement on a year-to-year basis through the end of the satellite's life. There can be no assurance that any options to renew this agreement will be exercised. We earned revenue of approximately \$11.9 million from DISH Network under this agreement for the year ended December 31, 2015.

EchoStar XVI. In December 2009, we entered into an initial ten-year transponder service agreement with DISH Network, pursuant to which DISH Network has received satellite services from us on the EchoStar XVI satellite since January 2013. Effective December 2012, we and DISH Network amended the transponder service agreement to, among other things, change the initial term to generally expire upon the earlier of: (i) the end-of-life or replacement of the satellite; (ii) the date the satellite fails; (iii) the date the transponder(s) on which service is being provided under the agreement fails; or (iv) four years following the actual service commencement date. Prior to expiration of the initial term, we, upon certain conditions, and DISH Network have the option to renew for an additional six-year period. If either we or DISH Network exercise our respective six-year renewal options, DISH Network has the option to renew for an additional five-year period prior to expiration of the then-current term. There can be no assurance that any option to renew this agreement will be exercised. In the event that we or DISH Network does not exercise the six-year renewal option or DISH Network does not exercise the five-year renewal option, DISH Network has the option to purchase the EchoStar XVI satellite for a certain price. If DISH Network does not elect to purchase the EchoStar XVI satellite at that time, we may sell the EchoStar XVI satellite to a third party and DISH Network is required to pay us a certain amount in the event we are not able to sell the EchoStar XVI satellite for more than a certain amount. We earned revenue of approximately \$73.2 million from DISH Network under this agreement for the year ended December 31, 2015.

Nimiq 5 Agreement. In September 2009, we entered into a fifteen-year satellite service agreement with Telesat Canada (Telesat) to receive service on all 32 DBS transponders on the Nimiq 5 satellite at the 72.7 degree west longitude orbital location (the Telesat Transponder Agreement). In September 2009, we also entered into a satellite service agreement (the DISH Nimiq 5 Agreement) with DISH Network, pursuant to which DISH Network receives satellite services from us on all 32 of the DBS transponders covered by the Telesat Transponder Agreement. Under the terms of the DISH Nimiq 5 Agreement, DISH Network makes certain monthly payments to us that commenced in September 2009, when the Nimiq 5 satellite was placed into service, and continue through the service term. Unless earlier terminated under the terms and conditions of the DISH Nimiq 5 Agreement, the service term will expire ten years following the date the Nimiq 5 satellite was placed into service. Upon

Table of Contents

expiration of the initial term, DISH Network has the option to renew the DISH Nimiq 5 Agreement on a year-to-year basis through the end of life of the Nimiq 5 satellite. Upon in-orbit failure or end of life of the Nimiq 5 satellite, and in certain other circumstances, DISH Network has certain rights to receive service from us on a replacement satellite. There can be no assurance that any options to renew the DISH Nimiq 5 Agreement will be exercised or that DISH Network will exercise its option to receive service on a replacement satellite. We earned revenue of approximately \$78.9 million from DISH Network under this agreement for the year ended December 31, 2015.

QuetzSat-1 Agreement. In November 2008, we entered into a ten-year satellite service agreement with SES Latin America, which provides, among other things, for the provision by SES Latin America to us of service on 32 DBS transponders on the QuetzSat-1 satellite. Concurrently, in 2008, we entered into a transponder service agreement with DISH Network, pursuant to which DISH Network receives satellite services on 24 of the DBS transponders on the QuetzSat-1 satellite. The QuetzSat-1 satellite was launched in September 2011 and was placed into service during November 2011 at the 67.1 degree west longitude orbital location. In the interim, we provided DISH Network with alternate capacity at the 77 degree west longitude orbital location. In February 2013, we and DISH Network entered into an agreement pursuant to which we receive certain satellite services from DISH Network on five DBS transponders on the QuetzSat-1 satellite. In January 2013, the QuetzSat-1 satellite was moved to the 77 degree west longitude orbital location and DISH Network commenced commercial operations at such location in February 2013. Under the terms of our contractual arrangements with DISH Network, we began to provide service to DISH Network on the QuetzSat-1 satellite in February 2013 and will continue to provide service through the remainder of the service term. Unless extended or earlier terminated under the terms and conditions of our agreement with DISH Network for the QuetzSat-1 satellite, the initial service term will expire in November 2021. Upon expiration of the initial service term, DISH Network has the option to renew the agreement for the QuetzSat-1 satellite on a year-to-year basis through the end of life of the QuetzSat-1 satellite. Upon an in-orbit failure or end of life of the QuetzSat-1 satellite, and in certain other circumstances, DISH Network has certain rights to receive service from us on a replacement satellite. There can be no assurance that any options to renew this agreement will be exercised or that DISH Network will exercise its option to receive service on a replacement satellite. We earned revenue of approximately \$30.2 million from DISH Network under this agreement for the year ended December 31, 2015.

103 Degree Orbital Location/SES-3. In May 2012, we entered into a spectrum development agreement (the 103 Spectrum Development Agreement) with Ciel Satellite Holdings Inc. (Ciel) to develop certain spectrum rights at the 103 degree west longitude orbital location (the 103 Spectrum Rights). In June 2013, we and DISH Network entered into a spectrum development agreement (the DISH 103 Spectrum Development Agreement) pursuant to which DISH Network may use and develop the 103 Spectrum Rights. Unless earlier terminated under the terms and conditions of the DISH 103 Spectrum Development Agreement, the term generally will continue for the duration of the 103 Spectrum Rights. In connection with the 103 Spectrum Development Agreement, in May 2012, we also entered into a ten-year service agreement with Ciel pursuant to which we receive certain satellite services from Ciel on the SES-3 satellite at the 103 degree orbital location. In June 2013, we and DISH Network entered into an agreement pursuant to which DISH Network receives certain satellite services from us commencing in June 2013 on the SES-3 satellite (the DISH 103 Service Agreement). Under the terms of the DISH 103 Service Agreement, DISH Network makes certain monthly payments to us through the service term. Unless earlier terminated under the terms and conditions of the DISH 103 Service Agreement, the initial service term will expire on the earlier of: (i) the date the SES-3 satellite fails; (ii) the date the transponder(s) on which service was being provided under the agreement fails; or (iii) ten years following the service commencement date. Upon in-orbit failure or end of life of the SES-3 satellite, and in certain other circumstances, DISH Network has certain rights to receive service from us on a replacement satellite. There can

be no assurance that DISH Network will exercise its option to receive service on a replacement satellite. We earned revenue of approximately \$1.3 million from DISH Network under this agreement for the year ended December 31, 2015.

Satellite Services Received from DISH Network - EchoStar XV. We entered into a satellite services agreement pursuant to which we received satellite services from DISH Network on the EchoStar XV satellite owned by DISH Network. In May 2013, we began receiving satellite services from DISH Network on the EchoStar XV satellite and relocated the satellite to the 45 degree west longitude orbital location for testing pursuant to our Brazilian authorization. Effective March 2014, this satellite services agreement converted to a month-to-month service agreement with both parties having the right to terminate this agreement upon 30 days' notice. In October 2015, we provided DISH Network a notice to terminate this agreement effective in November 2015, and the agreement was terminated according to its terms in November 2015. The fees for the services provided under this satellite services agreement depended, among other things, upon the orbital location, the number of transponders providing services and the length of the service term. We incurred expenses of approximately \$44.2 million payable to DISH Network under this agreement for the year ended December 31, 2015.

Satellite and Tracking Stock Transaction. In February 2014, we entered into agreements with DISH Network to implement a transaction pursuant to which, among other things: (i) in March 2014, EchoStar and Hughes Satellite Systems Corporation, a then wholly-owned subsidiary of EchoStar, issued Preferred Tracking Shares to DISH Network in exchange for five satellites owned by DISH Network (EchoStar I, EchoStar VII, EchoStar X, EchoStar XI and EchoStar XIV) (including assumption of related in-orbit incentive obligations) and approximately \$11.4 million in cash; and (ii) in March 2014, DISH Network began receiving certain

Table of Contents

satellite services on these five satellites from us (collectively, the *Satellite and Tracking Stock Transaction*). See the *Satellite Services Provided to DISH Network* discussion above for the revenue we earned from DISH Network for the year ended December 31, 2015 on these satellites.

Set-Top Box Application Development Agreement. In November 2012, we and DISH Network entered into a set-top box application development agreement (the *Application Development Agreement*) pursuant to which we provide DISH Network with certain services relating to the development of web-based applications for set-top boxes for the period ending in February 2016. The *Application Development Agreement* automatically renewed in February 2016 for a one-year period ending in February 2017, and renews automatically for successive one-year periods thereafter, unless terminated earlier by us or DISH Network at any time upon at least 90 days notice. The fees for services provided under the *Application Development Agreement* are calculated at our cost of providing the relevant service plus a fixed margin, which will depend on the nature of the services provided. We earned revenue of approximately \$8.1 million from DISH Network under this agreement for the year ended December 31, 2015.

SlingService Services Agreement. Effective February 2010, we entered into an agreement with DISH Network pursuant to which DISH Network receives certain services related to placeshifting. The fees for the services provided under this services agreement depend, among other things, upon the cost to develop and operate such services. This agreement had an initial term of five years with automatic renewal for successive one year terms. This agreement automatically renewed in February 2016 for an additional one-year period until February 2017. The agreement may be terminated by DISH Network for any reason upon at least 120 days notice to us. We earned revenue of approximately \$5.7 million from DISH Network under this agreement for the year ended December 31, 2015.

Sling Trademark License Agreement. In December 2014, DISH Digital Holding L.L.C. (now known as Sling TV Holding L.L.C. (*Sling TV Holding*)) entered into an agreement with Sling Media, Inc., our subsidiary, pursuant to which Sling TV Holding has the right, for a fixed fee, to use certain trademarks, domain names and other intellectual property related to the *Sling* trademark through December 2016. We earned revenue of approximately \$1.0 million from Sling TV Holding under this agreement for the year ended December 31, 2015.

Sling TV Holding (formerly DISH Digital Holding L.L.C.). Effective July 2012, we and DISH Network formed Sling TV Holding, which was owned two-thirds by DISH Network and one-third by us. Sling TV Holding was formed to develop and commercialize certain advanced technologies. At that time, we, DISH Network and Sling TV Holding entered into the following agreements with respect to Sling TV Holding: (i) a contribution agreement pursuant to which we and DISH Network contributed certain assets in exchange for our respective ownership interests in Sling TV Holding; (ii) a limited liability company operating agreement (*Operating Agreement*), which provides for the governance of Sling TV Holding; and (iii) a commercial agreement (*Commercial Agreement*) pursuant to which, among other things, Sling TV Holding had: (a) certain rights and corresponding obligations with respect to its business; and (b) the right, but not the obligation, to receive certain services from us and DISH Network, respectively. Effective August 2014, we and Sling TV Holding entered into an exchange agreement (*Exchange Agreement*) pursuant to which, among other things, Sling TV Holding distributed certain assets to us and we reduced our interest in Sling TV Holding to a 10.0% non-voting interest. As a result, DISH Network has a 90.0% equity interest and a

100% voting interest in Sling TV Holding. In addition, we, DISH Network and Sling TV Holding amended and restated the Operating Agreement, primarily to reflect the changes implemented by the Exchange Agreement. Finally, we, DISH Network and Sling TV Holding amended and restated the Commercial Agreement, pursuant to which, among other things, Sling TV Holding: (1) continues to have certain rights and corresponding obligations with respect to its business; (2) continues to have the right, but not the obligation, to receive certain services from us and DISH Network; and (3) has a license from us to use certain of the assets distributed to us as part of the Exchange Agreement. We earned revenue of approximately \$53.1 million from Sling TV Holding under the Commercial Agreement for the year ended December 31, 2015.

Tax Sharing Agreement. In connection with the Spin-off, we entered into a tax sharing agreement with DISH Network which governs our respective rights, responsibilities and obligations after the Spin-off with respect to taxes for the periods ending on or before the Spin-off. Generally, all pre-Spin-off taxes, including any taxes that are incurred as a result of restructuring activities undertaken to implement the Spin-off, are borne by DISH Network, and DISH Network will indemnify us for such taxes. However, DISH Network is not liable for and will not indemnify us for any taxes that are incurred as a result of the Spin-off or certain related transactions failing to qualify as tax-free distributions pursuant to any provision of Section 355 or Section 361 of the Internal Revenue Code, because of: (i) a direct or indirect acquisition of any of our stock, stock options or assets; (ii) any action that we take or fail to take; or (iii) any action that we take that is inconsistent with the information and representations furnished to the IRS in connection with the request for the private letter ruling, or to counsel in connection with any opinion being delivered by counsel with respect to the Spin-off or certain related transactions. In such case, we will be solely liable for, and will indemnify DISH Network for, any resulting taxes, as well as any losses, claims and expenses. The tax sharing agreement will only terminate after the later of the full period of all applicable statutes of limitations, including extensions, or once all rights and obligations are fully effectuated or performed.

In light of the tax sharing agreement, among other things, and in connection with our consolidated federal income tax returns for certain tax years prior to and for the year of the Spin-off, in September 2013, we and DISH Network agreed upon a supplemental

Table of Contents

allocation of the tax benefits arising from certain tax items resolved in the course of the IRS's examination of our consolidated tax returns. Prior to the agreement with DISH Network, the federal tax benefits of \$83.2 million were reflected as a deferred tax asset for depreciation and amortization, which was netted in our noncurrent deferred tax liabilities. The agreement requires DISH Network to pay us \$83.2 million of the federal tax benefit it receives at such time as we would have otherwise been able to realize such tax benefit, which we currently estimate would be after 2016. Accordingly, we recorded a noncurrent receivable from DISH Network for \$83.2 million in Other receivable DISH Network and a corresponding increase in our net noncurrent deferred tax liabilities to reflect the effects of this agreement in September 2013. In addition, in September 2013, we and DISH Network agreed upon a tax sharing arrangement for filing certain combined state income tax returns and a method of allocating the respective tax liabilities between us and DISH Network for such combined returns, through the taxable period ending on December 31, 2017. Under this tax sharing arrangement, our allocated state tax liability payable to DISH Network for the year ended December 31, 2015 was \$0.4 million.

We and DISH Network file combined income tax returns in certain states. In 2015, we earned and recognized a tax benefit for certain state income tax credits that we would be unable to utilize currently if we had filed separately from DISH Network. DISH Network expects to utilize these tax credits to reduce its state income tax payable. Consistent with accounting principles that apply to transfers of assets between entities under common control, we recorded a charge of \$3.0 million in additional paid-in capital for the year ended December 31, 2015, representing the amount that we estimate is more likely than not to be realized by DISH Network as a result of its utilization of the tax credits that we earned. We expect to increase additional paid-in capital upon receipt of any consideration paid to us by DISH Network in exchange for these tax credits.

TerreStar Agreement. In March, 2012, DISH Network completed its acquisition of substantially all the assets of TerreStar Networks Inc. (TerreStar). Prior to DISH Network's acquisition of substantially all the assets of TerreStar and our completion of the Hughes Acquisition, TerreStar and HNS entered into various agreements pursuant to which our Hughes segment provides, among other things, hosting, operations and maintenance services for TerreStar's satellite gateway and associated ground infrastructure. These agreements generally may be terminated by DISH Network at any time for convenience. We earned revenue of approximately \$4.6 million from DISH Network under these agreements for the year ended December 31, 2015.

TiVo. In April 2011, we and DISH Network entered into a settlement agreement with TiVo, Inc. (TiVo). The settlement resolved all pending litigation between us and DISH Network, on the one hand, and TiVo, on the other hand, including litigation relating to alleged patent infringement involving certain DISH Network DVRs. Under the settlement agreement, all pending litigation was dismissed with prejudice and all injunctions that permanently restrain, enjoin or compel any action by us or DISH Network were dissolved. We and DISH Network are jointly responsible for making payments to TiVo in the aggregate amount of \$500.0 million, including an initial payment of \$300.0 million and the remaining \$200.0 million in six equal annual installments between 2012 and 2017. Pursuant to the terms and conditions of the agreements entered into in connection with the Spin-off, DISH Network made the initial payment to TiVo in May 2011, except for the contribution from us totaling approximately \$10.0 million, representing an allocation of liability relating to our sales of DVR-enabled receivers to an international customer. Subsequent payments are allocated between us and DISH Network based on historical sales of certain licensed products, with EchoStar being responsible for 5% of each annual payment. We incurred no expenses payable to DISH Network under this agreement for the year ended December 31, 2015, but we made a payment of approximately \$1.7 million to TiVo with respect to the TiVo settlement agreement in 2015.

TT&C Agreement. Effective January 2012, we entered into a telemetry, tracking and control (TT&C) agreement pursuant to which we provide TT&C services to DISH Network and its subsidiaries for a period ending in December 2016 (the 2012 TT&C Agreement). The 2012 TT&C Agreement replaced the TT&C agreement we entered into with DISH Network in connection with the Spin-off. The fees for services provided under the 2012 TT&C Agreement are calculated at either: (i) a fixed fee or (ii) cost plus a fixed margin, which will vary depending on the nature of the services provided. DISH Network is able to terminate the 2012 TT&C Agreement for any reason upon 60 days notice. In connection with the Satellite and Tracking Stock Transaction, in February 2014, we amended the TT&C Agreement to cease the provision of TT&C services to DISH Network for the EchoStar I, EchoStar VII, EchoStar X, EchoStar XI and EchoStar XIV satellites. Effective March 2014, we provide TT&C services for the D-1 and EchoStar XV satellites; however, for the period that we received satellite services on the EchoStar XV satellite from DISH Network, we waived the fees for the TT&C services on the EchoStar XV satellite. We earned revenue of approximately \$1.6 million from DISH Network under this agreement for the year ended December 31, 2015.

XiP Encryption Agreement. In July 2012, we entered into an encryption agreement with DISH Network for our whole-home HD DVR line of set-top boxes (the XiP Encryption Agreement) pursuant to which we provide certain security measures on our whole-home HD DVR line of set-top boxes to encrypt the content delivered to the set-top box via a smart card and secure the content between set-top boxes. The XiP Encryption Agreement s term ends on the same day as the 2012 Receiver Agreement and therefore was automatically extended until December 2016 when we and DISH Network extended the 2012 Receiver Agreement in November 2015. We and DISH Network each have the right to terminate the XiP Encryption Agreement for any reason upon at least 180 days notice and 30 days notice, respectively. The fees for the services provided under the XiP Encryption Agreement are calculated on a monthly basis based on the number of receivers utilizing such security measures each month. We earned no revenue

from DISH Network under this agreement for the year ended December 31, 2015.

Related Party Transactions with Hughes Systique Corporation (Hughes Systique)

We own 44.0%, and Mr. Pradman Kaul, the President of Hughes Communications and a member of our board of directors, and his brother, who is the CEO and President of Hughes Systique, in the aggregate, own approximately 25.8%, on an undiluted basis, of Hughes Systique's outstanding shares as of December 31, 2015. Furthermore, Mr. Pradman Kaul serves on the board of directors of Hughes Systique. Hughes Systique is a variable interest entity and we are considered the primary beneficiary of Hughes Systique due to, among other factors, our ability to direct the activities that most significantly impact the economic performance of Hughes Systique. As a result, we consolidate Hughes Systique's financial statements in our consolidated financial statements.

We contract with Hughes Systique for software development services. We incurred expenses of approximately \$13.9 million payable to Hughes Systique for the year ended December 31, 2015.

In 2008, Hughes Communications agreed to make available to Hughes Systique a term loan facility of up to \$1.5 million, and it funded an initial \$0.5 million to Hughes Systique pursuant to the term loan facility. In 2009, Hughes Communications funded the remaining \$1.0 million of its \$1.5 million commitment under the term loan facility. The initial interest rate on the outstanding loans was 6%, payable annually, and the accrued and unpaid interest is added to the principal amount outstanding under the loan facility in certain circumstances. The loans are convertible into shares of Hughes Systique upon non-payment or an event of default. In May 2014, we amended the term loan facility to increase the interest rate from 6% to 8%, payable annually, to reflect then-current market conditions and extend the maturity date of the loans to May 1, 2015, and in April 2015, we extended the maturity date of the loans to May 1, 2016 on the same terms. In 2015, the largest aggregate principal amount outstanding under the loan facility was \$2.2 million, Hughes Systique repaid \$1.5 million of the outstanding principal of the loan facility, and Hughes Systique paid \$0.1 million in interest. As of December 31, 2015, the principal outstanding amount of the loan facility was \$0.7 million.

Report of the Audit Committee

The role of the Audit Committee is to assist the Board of Directors in its oversight of EchoStar's financial reporting process, as is more fully described in our charter. EchoStar's management is responsible for its financial reporting process, including its system of internal controls, and for the preparation and presentation of its consolidated financial statements in accordance with generally accepted accounting principles. EchoStar's independent registered public accounting firm is responsible for auditing those financial statements and expressing an opinion as to their conformity with generally accepted accounting principles. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not and may not be employees of EchoStar, and we may not represent ourselves to be, or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on representations by EchoStar's management that its financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States. We have also relied on representations of EchoStar's independent registered public accounting firm included in their report on its financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with EchoStar's management and independent registered public accounting firm do not assure that EchoStar's financial statements are presented in accordance with generally accepted accounting principles, that the audit of EchoStar's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), or that EchoStar's independent registered public accounting firm is in fact independent.

In the performance of our oversight function, we reviewed and discussed with EchoStar's management its audited financial statements for the fiscal year ended December 31, 2015. We also discussed these audited financial statements with EchoStar's independent registered public accounting firm. Our discussions with the independent registered public accounting firm included matters required to be discussed pursuant to the rules adopted by the PCAOB. We also discussed with them their independence and any relationship that might affect their objectivity or independence. In connection with these discussions, we received and reviewed the written disclosures and the letter from KPMG LLP required by applicable requirements of the PCAOB. Finally, we have considered whether the non-audit services provided by the independent registered public accounting firm are compatible with maintaining their independence.

Based on the reviews and discussions referred to above, we are not aware of any relationship between the independent registered public accounting firm and EchoStar that affects the objectivity or independence of the independent registered public accounting firm. Based on these discussions and our review discussed above, we recommended to the Board of Directors that its audited financial statements for fiscal year 2015 be included in EchoStar's Annual Report on Form 10-K for the year ended December 31, 2015 for filing with the Securities and Exchange Commission.

Respectfully submitted,

The Audit Committee

PROPOSAL 3 AMENDMENT OF OUR ARTICLES OF INCORPORATION

The Corporation is incorporated under the laws of the State of Nevada pursuant to Chapter 78 of the Nevada Revised Statutes (NRS). On February 12, 2016, the Board approved, subject to shareholder approval, an amendment to our Articles of Incorporation, which generally designates Nevada as the exclusive forum for certain legal actions, as further discussed below (the Proposed Amendment).

Our Board of Directors is seeking approval of the Proposed Amendment, which would add a new Article XIII to our Articles of Incorporation to provide generally that, to the fullest extent permitted by law, and unless the Corporation consents in writing to the selection of an alternative forum, the Eighth Judicial District Court of Clark County, Nevada, shall be the sole and exclusive forum for any or all actions, suits or proceedings, whether civil, administrative or investigative or that asserts any claim or counterclaim (each, an Action): (1) brought in the name or right of the Corporation or on its behalf; (2) asserting a claim for breach of any fiduciary duty owed by any director, officer, employee or agent of the Corporation to the Corporation or the Corporation's stockholders; (3) arising or asserting a claim arising pursuant to any provision of NRS Chapters 78 or 92A or any provision of the Articles of Incorporation or Bylaws of the Corporation; (4) to interpret, apply, enforce or determine the validity of the Articles of Incorporation or Bylaws of the Corporation; or (5) asserting a claim governed by the internal affairs doctrine. In the event that the Eighth Judicial District Court of Clark County, Nevada does not have jurisdiction over any such Action, then any other state district court located in the State of Nevada shall be the sole and exclusive forum for such Action. In the event that no state district court in the State of Nevada has jurisdiction over any such Action, then a federal court located within the State of Nevada shall be the sole and exclusive forum for such Action.

The Board of Directors believes that Nevada courts are best suited to address disputes involving such matters given that the Corporation is incorporated in Nevada and the Nevada courts have more experience and expertise in dealing with complex corporate issues related to Nevada law. By adopting an exclusive forum provision, the Corporation seeks to assure the application of a relatively familiar body of law and level of judicial expertise and to promote efficiency and cost savings in the resolution of any such claims. By ensuring that the types of claims specified in the Proposed Amendment (Covered Claims) are brought in a Nevada court, the Corporation and its shareholders would, among other things, avoid costly and duplicative litigation, the risk that Nevada law would be misapplied by a court in another jurisdiction and the risk of inconsistent outcomes when two similar cases proceed in different courts. At the same time, the Board of Directors believes, among other things, that the Corporation should retain the ability to consent to an alternative forum on a case-by-case basis where the Corporation determines that its interests and those of its shareholders would best be served by permitting a Covered Claim to proceed in a forum other than the Nevada courts. For these reasons, among others, the Board of Directors believes that generally providing for Nevada as the exclusive forum for the Covered Claims is advisable to, and in the best interests of, the Corporation, including its shareholders.

The Board of Directors understands that the Proposed Amendment may limit a shareholder's ability to bring certain claims, including claims against our directors, officers or employees, in a judicial forum that the shareholder finds favorable and therefore the Proposed Amendment may discourage lawsuits with respect to such claims. Although some plaintiffs might prefer to litigate matters in various other forums because another court may be more convenient for them or more favorable for their claims, among other reasons, the Board of Directors believes that the Proposed Amendment would provide substantial benefits to the Corporation as a whole, including its shareholders, as discussed above, that outweigh these concerns.

The description in this Proxy Statement of the Proposed Amendment is qualified in its entirety by reference to, and should be read in conjunction with, the full text of the Proposed Amendment, which is included in the Form of Certificate of Amendment attached to this Proxy Statement as Appendix A. If the Proposed Amendment is approved by shareholders, the Corporation intends to file a certificate of amendment to its Articles of Incorporation with the Nevada Secretary of State.

The Board of Directors unanimously recommends a vote FOR approval of Proposal 3.

Charles W. Ergen, our Chairman, currently beneficially owns equity securities representing approximately 51.6% of our total voting power. Please see "Equity Security Ownership and Related Matters" above. Mr. Ergen has indicated his intention to vote in favor of Proposal 3. Accordingly, approval of Proposal 3 is assured notwithstanding a contrary vote by any or all shareholders other than Mr. Ergen.
