-

Item 1.01

Entry into a Material Definitive Agreement

On October 5, 2016, Arbor Realty Trust, Inc., a Maryland corporation (the **Company**) completed the issuance and sale of \$75.0 million aggregate principal amount of its 6.50% Convertible Senior Notes due 2019 (the **Notes**) pursuant to an underwriting agreement (the **Underwriting Agreement**) by and among the Company, Arbor Realty Limited Partnership, a Delaware limited partnership, and J.P. Morgan Securities LLC, as representative of the several underwriters named therein (the **Underwriters**), whereby the Company agreed to sell to the Underwriters and the Underwriters agreed to purchase from the Company, subject to and upon the terms and conditions set forth in the Underwriting Agreement, the Notes. In addition, the Company granted the Underwriters the right to purchase, exercisable within a 30-day period, up to an additional \$11.25 million aggregate principal amount of the Notes solely to cover over-allotments.

The Notes will be senior unsecured obligations of the Company, bear interest at a rate equal to 6.50% per year, payable semiannually in arrears on April 1 and October 1 of each year, beginning on April 1, 2017 and will mature on October 1, 2019 (the **Maturity Date**), unless earlier converted or repurchased. The Company will not have the right to redeem the Notes prior to maturity and no sinking fund is provided for the Notes. The Notes will be convertible prior to July 1, 2019 upon the satisfaction of certain conditions and at any time on or after July 1, 2019 until the business day preceding the Maturity Date. The Company may settle conversions in cash, shares of the Company's common stock or a combination thereof, at the Company's election.

The conversion rate will initially equal 119.3033 shares of common stock per \$1,000 principal amount of Notes, which is equivalent to an initial conversion price of approximately \$8.38 per share of common stock, representing an approximate 10% conversion premium based on the closing price of the Company's common stock of \$7.62 per share on September 29, 2016. The conversion rate will be subject to adjustment upon the occurrence of certain specified events. In addition, following certain corporate events that occur prior to the Maturity Date, the Company will increase the conversion rate for a holder who elects to convert its Notes in connection with such a corporate event in certain circumstances.

If the Company undergoes a fundamental change (as defined in the Supplemental Indenture), holders may require the Company to repurchase for cash all or any portion of their Notes at a fundamental change repurchase price equal to 100% of the principal amount of the Notes to be repurchased, *plus* accrued and unpaid interest to, but excluding, the fundamental change repurchase date.

The net proceeds to the Company from the sale of the Notes, after deducting the underwriters' discounts and commissions and estimated offering expenses, are expected to be approximately \$71.8 million (or approximately \$82.6 million if the Underwriters' over-allotment option is exercised in full). The Company intends to use the net proceeds of the offering of the Notes to make investments relating to its business and for general corporate purposes.

The Notes were issued under the base indenture, dated as of May 12, 2014, between the Company and U.S. Bank National Association, as trustee (the **Trustee**), as supplemented by a second supplemental indenture (the **Supplemental Indenture**), dated as of October 5, 2016, between the Company and the Trustee with respect to the Notes.

The offer and sale of the Notes were registered with the Securities and Exchange Commission (the **Commission**) pursuant to a registration statement on Form S-3 (File No. 333-212554) under the Securities Act of 1933, as amended (the **Securities Act**). The material terms of the Notes are described in a prospectus supplement filed by the Company with the Commission on September 30, 2016 pursuant to Rule 424(b)(5) under

the Securities Act.

Copies of the Underwriting Agreement, the Supplemental Indenture and the form of the Notes are attached hereto as Exhibit 1.1, Exhibit 4.1 and Exhibit 4.2, respectively, and are incorporated herein by reference. The foregoing summaries do not purport to be complete and are qualified in their entirety by reference to the Underwriting Agreement, the Supplemental Indenture and the form of the Notes. The legal opinions of Skadden, Arps, Slate, Meagher & Flom LLP and Venable LLP relating to the legality of the Notes are attached as Exhibit 5.1 and Exhibit 5.2, respectively, to this Current Report on Form 8-K.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 is incorporated herein by reference into this Item 2.03.

Item 9.01 Financial Statements and Exhibits
