**Item 8.01 Other Events.**

On May 24, 2007, AtheroGenics implemented a restructuring plan that reduced its workforce by approximately 50% to 67 employees. This action was designed to streamline company operations and is the first step of its new strategic plan, focused on advancing development of its novel drug candidate, AGI-1067. The company expects to announce the full plan on May 31, 2007.
