Item 2. Identity and Background.

(a) through (f). This statement is being filed by Aries Ventures Inc., a Nevada corporation ("Aries"). Aries is an investment and holding company with its office and principal place of business at 28720 Canwood Street, Suite 207,

## Edgar Filing: AQUENTIUM INC - Form SC 13D

Agoura Hills, California 91301.

During the past five years, neither Aries Ventures Inc., nor any of its officers or directors, has been (1) convicted in any criminal proceedings, or (2) was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws, as a result of a civil proceeding of a judicial or administrative body of competent jurisdiction.

---

### Item 3. Source and Amount of Funds or Other Consideration.

The securities were acquired pursuant to a Share Agreement dated February 19, 2002. No part of the purchase price for the securities was or will be represented by funds or other consideration borrowed or otherwise obtained for the purpose of acquiring, holding, trading or voting the securities.

Effective February 19, 2002, Aries agreed to settle all outstanding debts and claims that it had against WaterPur International, Inc., a Delaware corporation, now known as Aquentium, Inc. ("Aquentium"), by exchanging 7,900,004 shares of Aquentium preferred stock for 1,000,000 shares of Aquentium common stock and warrants to purchase 250,000 shares of Aquentium common stock exercisable for a period of three years at \$1.00 per share. Aries received anti-dilution protection with respect to the common stock, which is calculated separately on December 31, 2002 and 2003, as long as Aries continues to own such shares, and if the aggregate market value of Aquentium's common stock and the common stock of any Aquentium spin-offs owned by Aries is less than \$12,000,000. If the aggregate market value of the 1,000,000 shares of Aquentium common stock received by Aries, combined with the aggregate market value of any common stock received by Aries through one or more spin-off transactions that Aquentium may conduct, is less than \$12,000,000, then Aries will be entitled to receive without the payment of any additional consideration, a sufficient number of newly-issued common shares of Aquentium such that Aries will own 10% of the outstanding shares of Aquentium common stock.

In conjunction with this settlement, the acquisitions previously effected by WaterPur International, Inc. on May 10, 1999 were rescinded, and WaterPur International, Inc. acquired Aquentium, Inc., an investment and holding company incorporated in the state of Nevada, in a reverse merger transaction and changed its name to "Aquentium, Inc."

---

### Item 4. Purpose of Transaction.

Aries acquired its securities in Aquentium as an investment. Aries has no representation in the management or Board of Directors of Aquentium. Aries has no current plans to acquire any additional securities of Aquentium. Aries will periodically evaluate Aquentium's business and prospects, and based upon future developments (including, without limitation, the performance of Aquentium's common shares in the market, the working capital requirements of Aries, and the alternative uses of Aries' funds, as well as the performance of the securities markets and economic conditions in general), Aries may, from time to time, dispose of all or a portion of such shares held by it, or cease selling such shares. Any sales may be in the open market or pursuant to privately-negotiated transactions or otherwise.

Except as otherwise described herein, Aries has not formulated any plans or proposals which relate to or would result in any matter required to be disclosed in response to parts (a) through (j) of Item 4.

---

### Item 5. Interest in Securities of the Issuer.

## Edgar Filing: AQUENTIUM INC - Form SC 13D

(a) As of January 30, 2003, Aries beneficially owned 1,250,000 shares of common stock of Aquentium (including 250,000 shares represented by immediately exercisable common stock purchase warrants), which constitutes 17.4% of Aquentium's 6,936,763 shares of common stock outstanding on such date, as calculated pursuant to the rules and regulations of the Securities and Exchange Commission. This calculation was made pursuant to information contained on page 24 of Aquentium's Annual Report on Form 10-KSB for the fiscal year ended September 30, 2002, as filed with the Securities and Exchange Commission

(b) Aries has sole power to vote or direct the vote of, and sole power to dispose or to direct the disposition of, of the 1,250,000 shares of Aquentium owned by it.

(c) All of the securities reported on this Schedule 13D were acquired pursuant to the Share Agreement dated February 19, 2002. Aries has not effect any transactions in the securities of Aquentium between February 19, 2002 and the date of filing of this Schedule 13D with the Securities and Exchange Commission.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

There are no contracts, arrangements, understandings or relationships (legal or otherwise) between Aries and any person with respect to the securities of Aquentium, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or losses, or the giving or withholding of proxies.

Pursuant to Paragraph 4 of the Share Agreement dated February 19, 2002, the agreed-upon restrictions with respect to the ability of Aries to sell its shares of common stock of Aquentium expired on December 31, 2002.
