ITEM 5. OTHER EVENTS

Intercallnet, Inc. (the "Company") has determined that it will restate its financial results to correct certain material accounting errors. The errors involve the overstatement of property and equipment and intangible assets.

After the Company's Chief Financial Officer initially discovered certain errors, the Company began an internal review of all of its accounting for property and equipment and intangible assets. Based on the internal review, the Company's Chief Financial Officer uncovered certain payments and disbursements during the time period of May 2000 through October 2000, which were improperly recorded as property and equipment and intangible assets. This time period during the calendar year 2000 was prior to the Company becoming an SEC registrant. As a result of these findings, the Company notified its auditing firm, its majority shareholder, and sought legal counsel. On September 3, 2002, the Company's Chief Financial Officer met with the Company's auditing firm to review the documentation resulting from the internal review, and the auditors concurred with the Company's decision to restate all affected financial statements.

## Edgar Filing: INTERCALLNET INC - Form 8-K

The Company is continuing its investigation and the subsequent revision of the financial statements is anticipated to take several weeks. Revised financial statements will be issued upon the completion of the investigation. The Company intends to restate its financial statements for the fiscal year ended June 30, 2001, and for the initial period from July 30, 1999 (date of incorporation) through June 30, 2000, and for all interim quarterly periods affected.
