Item 4. Purpose of Transaction.

Item 4 is amended and restated in its entirety as follows:

The Reporting Persons purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon various factors, including overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase of additional Shares desirable, the Reporting Persons may or may not endeavor to increase their position in the Issuer through, among other things, the purchase of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable. The Reporting Persons, if they so elect, may

SCHEDULE 13D

from time to time engage in transactions for the purpose of hedging some or all of their positions in the Shares.

On November 10, 2006, Edward Bramson, a principal of Sherborne Investors (Sherborne), met with John Weston, Chairman of the Board of Directors of the Issuer, to discuss, among other things, the possibility of adding representatives of the Reporting Persons to the Issuer's Board of Directors. At the meeting, Mr. Bramson indicated that, as the Reporting Persons collectively have recently become the Company's largest shareholders, Sherborne believes it would be appropriate to add representatives of the Reporting Persons to the Issuer's Board. After discussion, Mr. Weston agreed to discuss Sherborne's proposals with other members of the Board. On November 14, 2006, the parties met to discuss this matter further, but to date have been unable to reach agreement concerning Sherborne's representation on the Issuer's Board of Directors.

The Reporting Persons intend to review their investments in the Issuer on a continuing basis and depending on various factors the Reporting Persons may deem relevant to their investment decision, including, without limitation, the Issuer's financial position and strategic direction, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may decide to sell some or all of their Shares, or to continue to hold their existing position in the Shares for investment.

In addition, depending upon the factors mentioned above and other factors the Reporting Persons may deem relevant, the Reporting Persons may in the future take such other actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, engaging in further discussions with management and/or members of the Board of Directors of the Issuer concerning the business, operations and strategic direction of the Issuer, communicating with other shareholders of the Issuer, requisitioning an extraordinary general meeting of the Issuer pursuant to which Sherborne could seek representation on the Issuer's Board of Directors, or changing their intention with respect to any and all matters referred to in this Item 4.

Except as set forth herein or such as would occur upon completion of any of the actions discussed above, no Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.
