Item 8.01 Other Events.

On December 18, 2018, NETGEAR issued a press release announcing that it had determined the final distribution ratio relating to its previously announced distribution (the “Distribution”) of 62,500,000 shares of common stock of Arlo Technologies, Inc. (“Arlo”) owned by NETGEAR. The Distribution is expected to be made as of 5:00 p.m., New York City time, on December 31, 2018 to NETGEAR stockholders of record as of the close of business on December 17, 2018 (the “Record Date”). After the completion of the Distribution, NETGEAR will no longer own any shares of Arlo common stock. A copy of the press release announcing the final distribution ratio is attached hereto as Exhibit 99.1 and incorporated herein by reference.

The Distribution will take place in the form of a pro rata common stock dividend to each NETGEAR stockholder of record on the Record Date. As of the Record Date, NETGEAR had 31,560,939 shares of common stock outstanding. Accordingly, based on such number, NETGEAR stockholders will receive 1.980295 shares of Arlo common stock for every share of NETGEAR common stock held as of the Record Date. The final distribution ratio was calculated by dividing the 62,500,000 shares of Arlo common stock to be distributed by the number of shares of NETGEAR common stock currently outstanding as of the Record Date. No fractional shares of Arlo common stock will be distributed. Instead, NETGEAR stockholders will receive cash in lieu of any fraction of a share of Arlo common stock that they otherwise would have received.

In connection with the Distribution, on December 18, 2018, NETGEAR mailed an information statement (the “Information Statement”) to its stockholders as of the Record Date. The Information Statement contains a description of Arlo, the terms of the Distribution and certain U.S. federal income tax consequences of the Distribution. The Information Statement is attached as Exhibit 99.2 to this Current Report on Form 8-K.
