PROXY STATEMENT
dated December 15, 2003

FOR ANNUAL MEETING OF SHAREHOLDERS
to be held Thursday, January 22, 2004

This Proxy Statement is furnished by the Board of Directors (the "Board") of Concord Camera Corp. (the "Company" or "Concord") in connection with the solicitation of proxies to be voted at the Annual Meeting of Shareholders of the Company which will be held at the Westin Diplomat Resort & Spa, 3555 South Ocean Drive, Hollywood, Florida 33019 on January 22, 2004, at 10:00 a.m., local time, and all adjournments thereof (the "Annual Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting.

The Board has fixed the close of business on December 8, 2003 as the record date for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting or any adjournments thereof. As of that date, there were issued and outstanding 28,413,110 shares of common stock, no par value (the "Common Stock"), the Company's only class of voting securities outstanding. Each share of Common Stock entitles the holder thereof to one vote. The presence, in person or by proxy, of holders of a majority of all the outstanding Common Stock constitutes a quorum at the Annual Meeting. Shares of Common Stock represented by proxies that reflect abstentions and "broker non-votes" (i.e., Common Stock represented at the Annual Meeting by proxies held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have the discretionary voting power on a particular matter) will be counted for the purpose of determining the existence of a quorum at the Annual Meeting, but will not be counted as a vote cast for the purpose of determining the number of votes required to approve a proposal.

Any shareholder giving a proxy will have the right to revoke it at any time prior to the time it is voted. A proxy may be revoked by: (i) written notice to the Company, Attention: Secretary; (ii) execution of a subsequent proxy; or (iii) attendance and voting in person at the Annual Meeting. Attendance at the Annual Meeting will not automatically revoke the proxy. All shares of Common Stock represented by effective proxies will be voted at the Annual Meeting or at any adjournment thereof. Unless otherwise specified in the proxy (and except for

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

"broker non-votes" described above), shares of Common Stock represented by proxies will be voted: (i) FOR the election of management's nominees for directors; (ii) FOR the ratification of the appointment of Ernst & Young LLP as independent auditors of the Company for the fiscal year ending July 3, 2004 ("Fiscal 2004"); and (iii) in the discretion of the proxy holders with respect to such other matters as may come before the Annual Meeting.

All information in this Proxy Statement gives effect to a two-for-one stock split effective on April 14, 2000 to shareholders of record on March 27, 2000.

The Company's executive offices are located at 4000 Hollywood Boulevard, Presidential Circle - 6th Floor, North Tower, Hollywood, Florida 33021. Mailing to shareholders of this Proxy Statement, the accompanying form of proxy, and the Company's Annual Report to Shareholders for the fiscal year ended June 28, 2003 ("Fiscal 2003"), will commence on or about December 17, 2003.

PROPOSAL ONE:

ELECTION OF DIRECTORS

Nominees for Election of Directors

Pursuant to Article III of the Company's By-laws, as amended, the Board has fixed the number of directors constituting the entire Board at five. All five directors are to be elected at the Annual Meeting, each to hold office until the next annual meeting of shareholders and until his successor is duly elected and qualified. In voting for directors, each shareholder is entitled to cast one vote for each share of Common Stock held of record, either in favor of or against the election of each nominee, or to abstain from voting on any or all nominees. Although management does not anticipate that any nominee will be unable or unwilling to serve as director, in the event of such an occurrence, proxies may be voted in the discretion of the persons named in the proxy for a substitute designated by the Board, unless the Board decides to reduce the number of directors constituting the Board. The election of directors requires the affirmative vote of a plurality of the votes cast by the holders of shares of Common Stock present or represented and entitled to vote at the Annual Meeting. The Board recommends a vote FOR each of the nominees. It is intended that proxies that do not withhold the authority to vote for the nominees will be voted FOR each of the nominees.

The following sets forth information with respect to each nominee for director, all of whom are currently serving as directors of the Company. The information has been furnished to the Company by the individuals named.

The Board met nine times during Fiscal 2003. In Fiscal 2003, all directors

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

attended 75% or more of the Board meetings and meetings of the committees on which they served. The Board has an Audit Committee, a Compensation and Stock Option Committee, an Executive Committee, a Director Affairs Committee and a Marketing and Product Development Committee.

The Audit Committee, which is a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), has the following members: Ronald S. Cooper (Chairman), Morris H. Gindi and William J. The Audit Committee's role includes discussing with management the Company's processes to manage financial risk and for compliance with significant applicable legal, ethical and regulatory requirements. The Audit Committee is responsible for the appointment, compensation, retention and oversight of the independent auditor engaged to prepare or issue audit reports on the Company's financial statements or to perform other audit, review or attest services for the Company. The Audit Committee relies on the expertise and knowledge of management, the internal auditor, and the independent auditor in carrying out its oversight responsibilities. The specific responsibilities in carrying out the Audit Committee's oversight role are delineated in the Audit Committee Charter, which is included as Appendix A to this Proxy Statement. See the "Audit Committee Report" below. The Audit Committee met eleven times in Fiscal 2003.

The Compensation and Stock Option Committee, consisting of William J. O'Neill, Jr. (Chairman) and Ronald S. Cooper, reviews, approves and makes recommendations to the Board regarding executive compensation. See the "Compensation Committee Report on Executive Compensation" below. The Compensation and Stock Option Committee met nine times in Fiscal 2003.

The Director Affairs Committee, consisting of Ira B. Lampert (Chairman) and J. David Hakman, recommends to the Board those persons who, in the opinion of the members of the Director Affairs Committee, should be invited to stand for election to the Board as management nominees at any and all ensuing meetings of the shareholders of the Company. The Director Affairs Committee also reviews, evaluates and recommends changes to the Company's corporate governance practices. The Director Affairs Committee held five meetings in Fiscal 2003. Shareholder suggestions of one or more nominees for election to the Board may be sent in writing to the Director Affairs Committee, Attention: Chairman, c/o Concord Camera Corp., Presidential Circle - 6th Floor, North Tower, 4000 Hollywood Boulevard, Hollywood, Florida 33021.

The Board does not have a standing Nominating Committee, as defined in SEC Release No. 33-8340, as nominees for election to the Board are selected by a majority of the independent directors on the Board.

Director Compensation

During Fiscal 2003, each non-employee member of the Board was paid the following: (i) an annual fee of \$12,000 for serving on the Board, which fee, having been voluntarily reduced from \$15,000 to \$12,000 effective as of the beginning of Fiscal 2002, was increased back to \$15,000 effective as of January 1, 2003; (ii) a \$2,500 annual fee for each Board committee on which he served (\$3,500 for serving as Chairman); and (iii) \$1,000 for each Board or committee meeting attended.

In addition, pursuant to the formula award provisions of the Company's 1993

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

Incentive Plan, as amended, prior to January 20, 2003, each non-employee director automatically received the following options to purchase shares of the Common Stock. Upon appointment to the Board, each non-employee director received: (i) an option to purchase up to 40,000 shares, vesting as to 8,000 shares on the following January 1 and on each January 1 thereafter (provided that, if a director fails to attend at least 75% of the Board meetings in any calendar year, then the options that would have vested on the next January 1 are forfeited); and (ii) an immediately exercisable option to purchase 13,000 shares. On each anniversary of his appointment, each non-employee director received another immediately exercisable option to purchase 13,000 shares. All of the foregoing options have an exercise price equal to the closing price of the Common Stock on the date of grant and expire on the earlier of: (i) five years from the grant date; or (ii) one year after the recipient ceases to be a member of the Board. On January 20, 2003, the 1993 Incentive Plan was amended to remove the provisions regarding formula awards to non-employee directors and, in lieu of the anniversary grant that would have been received in 2003, each non-employee director was granted an option to purchase 26,000 shares of Common Stock at an exercise price of \$5.52 per share. The foregoing options were immediately exercisable as to 13,000 shares and will vest as to the remaining 13,000 shares on January 20, 2004 provided the director continues to serve on the Board.

Effective July 31, 2003, the Company amended the outstanding options held by William J. Lloyd, who was a member of the Board until such time, to permit such options to be exercised until their stated expiration date, and to permit the continued vesting through January 2005 of 12,000 shares subject to one such option, in light of the valuable years of advice and service that had been provided during Mr. Lloyd's tenure as a member of the Board. The foregoing amendments did not apply to the installment of 13,000 shares that would have vested on January 20, 2004 under the grant made to him on January 20, 2003, which installment was forfeited.

Executive Employment Contracts, Termination of Employment and Change in Control Arrangements

The following is a summary of the employment agreements between the Company and each of the executive officers named in the above Summary Compensation Table. The employment agreements provide for each named executive to serve in the respective capacities indicated in the Summary Compensation Table.

The employment agreement for Ira B. Lampert (the "Lampert Agreement") has a four-year term that automatically extends each day, by one day, until one party notifies the other that the term should not be further extended. The term of the employment agreements for Keith L. Lampert and Urs W. Stampfli expire on January 1, 2006, unless renewed by mutual agreement of the parties, and may be terminated by the Company on thirty (30) days' notice at any time or by the executive after January 1, 2006. The term of the employment agreement for Brian F. King expires on January 1, 2004, unless renewed by mutual agreement of the parties, and may be terminated on thirty (30) days' notice by the Company at any time or by the executive after January 1, 2004. The term of Richard M. Finkbeiner's employment agreement automatically renews from year-to-year, and may be terminated by either party on sixty (60) days' notice.

The employment agreements provide that the Company will pay Ira B. Lampert, Brian F. King, Keith L. Lampert and Richard M. Finkbeiner annual base salaries of \$900,000, \$450,000, \$350,000 and \$262,500, respectively, effective as of January 1, 2003, and an annual base salary of \$250,000 to Urs W. Stampfli effective as of July 1, 2003.

In connection with Keith L. Lampert's promotion to Chief Operating Officer, the Board also granted him an option to purchase 100,000 shares of the Company's Common Stock at \$5.18 per share (the closing price on the grant date of November 11, 2002) with vesting in equal installments over three years from the grant date, approved a relocation package, and authorized a one-time grant, effective as of January 1, 2003, of \$100,000 in fully vested deferred compensation as an inducement for his repatriation to the United States. Mr. Lampert was also

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

provided with housing at the Company's expense while he was on overseas assignment and tax equalization in accordance with the Company's Executive Management Tax Equalization Policy.

Pursuant to the employment agreement for Mr. Finkbeiner, he was also provided with a relocation package and a one-time grant of \$100,000 in deferred compensation (described below under "Supplemental Executive Retirement Plans for Named Executive Officers").

The Lampert Agreement provides that if his employment with the Company is terminated by reason of death or disability, Mr. Lampert, or his legal representative, would be entitled to receive, in addition to accrued compensation (including, without limitation, any earned but unpaid bonus or long-term incentive awards, any amount of base salary accrued or earned but unpaid, any deferred compensation earned but unpaid, any accrued but unused vacation pay and unreimbursed business expenses (the "Accrued Amounts")), his base salary for the scheduled balance of the term (payable in the case of death in a lump sum), a prorated bonus for the year in which the death or disability occurred, and any other or additional benefits owed to the executive under the then applicable employee benefit plans or policies of the Company, subject in the case of disability to offset against the base salary payment by the amount of any disability benefits provided to him by the Company or under any disability insurance provided by or paid for by the Company.

The Lampert Agreement entitles Ira B. Lampert to participate generally in all pension, retirement, insurance, savings, welfare and other employee benefit plans and arrangements and fringe benefits and perquisites maintained by the Company from time to time for senior executives of a comparable level. In addition to any life insurance provided pursuant to one of the Company's plans, Mr. Lampert is also provided with term life insurance, for such beneficiaries as are designated by Mr. Lampert, of \$5 million face value, and long-term disability coverage with a \$600,000 annual benefit payable in the event that Mr. Lampert's employment with the Company is terminated due to his disability (the "Additional Life and Disability Insurance"). In addition, the Company may purchase key man life insurance on the life of Mr. Lampert, which may be used to satisfy the Company's obligations under the Lampert Agreement in the event of Mr. Lampert's death. The Company currently maintains \$5 million in key man life insurance on the life of Mr. Lampert.

9

If Mr. Lampert's employment is terminated by the Company without cause or if there is a constructive termination without cause, Mr. Lampert would be entitled to receive the Accrued Amounts, his base salary and continuation of his benefits (or the economic equivalent of such benefits), the Additional Life and Disability Insurance and certain perquisites for the scheduled balance of the term and for an additional twelve months thereafter, and a prorated bonus for the year in which the termination occurred. If such termination followed a change of control of the Company, Mr. Lampert would be entitled to receive the salary continuation benefit as a lump sum payment without any discount and, subject to limited exceptions, any benefits, including options, in which he is not at such time fully vested would become fully vested and any options would remain exercisable for the full stated term of the option. If the automatic extensions of the term of the Lampert Agreement are discontinued at the request of the Company and Mr. Lampert's employment is terminated upon expiration of the term, Mr. Lampert would be entitled to receive the Accrued Amounts, his base salary and continuation of his benefits (or the economic equivalent of such benefits), the Additional Life and Disability Insurance and certain perquisites for twelve months after the end of the term, and a prorated bonus for the year

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

in which the termination occurred. In addition, if the severance payments to Mr. Lampert under the Lampert Agreement follow a change in control and, together with other amounts paid to Mr. Lampert, exceed certain threshold amounts and are determined to constitute a parachute payment (as defined in Section 280G(b)(2) of the Internal Revenue Code), Mr. Lampert is to receive an additional amount to cover the federal excise tax with respect thereto on a "grossed up" basis. If Ira B. Lampert is terminated for cause, or he voluntarily resigns, he will only receive the Accrued Amounts and benefits provided in benefit plans.

Under the employment agreements for Brian F. King, Keith L. Lampert and Urs W. Stampfli, if the Company terminates the executive's employment at any time without cause, or if the executive terminates his employment after the stated term of his employment agreement, the executive will be entitled to severance payments equal to one year of the executive's then base salary plus his automobile allowance, payable in installments in accordance with the normal payroll schedule. Under Mr. Finkbeiner's employment agreement, if the Company terminates his employment without cause, Mr. Finkbeiner will be entitled to severance payments equal to twelve months' of his then base salary. The employment agreement for Keith L. Lampert also provides that if his employment were to be terminated by the Company without cause, or upon a change of control, the stock option for 100,000 shares granted to Mr. Lampert on November 11, 2002 would automatically become exercisable in full.

The employment agreements of all of the executives named in the Summary Compensation Table prohibit them from competing with the Company for one year following the termination of their employment with the Company; however, if Ira B. Lampert's employment is terminated without cause, the duration of his non-compete covenants would extend throughout the period in which his base salary and other benefits are continued if such period exceeds twelve months.

Supplemental Executive Retirement Plans for Named Executive Officers

Pursuant to the Lampert Agreement, the Company adopted a supplemental executive retirement plan and agreement (a "SERP") for the benefit of Ira B. Lampert (the "Lampert SERP"). A specified amount, currently \$500,000, is credited to the Lampert SERP account each year. These yearly credits are 100% vested and not subject to forfeiture.

Effective as of April 19, 2000, in connection with a one-time grant of deferred compensation to certain executive officers, the Company adopted certain SERPs, including those with respect to deferred compensation in the following amounts for the following named executive officers (the "Executive SERPs"): (i) Brian F. King, \$750,000; (ii) Keith L. Lampert, \$450,000; and (iii) Urs W. Stampfli, \$110,000. The amounts in the Executive SERP accounts vested in three equal annual installments beginning January 1, 2001. The Company simultaneously approved a one-time grant of deferred compensation to Ira B. Lampert in the amount of \$1,549,999 with the same vesting schedule as under the Executive SERPs, and the Lampert SERP was amended to include appropriate terms to govern this one-time grant of deferred compensation.

In connection with a one-time grant of \$100,000 in deferred compensation to Richard M. Finkbeiner as of July 22, 2002, the Company adopted a SERP for the benefit of Mr. Finkbeiner. The amounts in these SERP accounts vest, so long as Mr. Finkbeiner continues to be employed by the Company, in four equal annual installments beginning July 22, 2003. However, if the Company terminates Mr. Finkbeiner's employment without cause, half of each year's installment will immediately become vested.

Each time the Company credits an executive's account under a SERP agreement, the Company simultaneously contributes an equal amount to a trust established for the purpose of accumulating funds to satisfy the obligations incurred by the Company pursuant to the SERP.

Deferred Long Term Compensation

On August 6, 2003, all of the executive officers named in the Summary Compensation Table were awarded the following amounts of contingent deferred compensation, which is not yet earned or vested, under the Company's Amended and Restated 2002 Long-Term Cash Incentive Plan (the "LTCIP") with respect to the Fiscal 2002-2003 performance period (the "Deferred LTCIP Awards"): (i) Ira B. Lampert, \$670,474; (ii) Brian F. King, \$335,237; (iii) Keith L. Lampert, \$389,629; (iv) Urs W. Stampfli, \$274,021; and (v) Richard M. Finkbeiner, \$224,722. The Deferred LTCIP Awards to Brian F. King, Keith L. Lampert, Urs W. Stampfli and Richard M. Finkbeiner vest, so long as the executive continues to be employed by the Company, in three equal annual installments on August 6, 2004, 2005 and 2006, or immediately upon: (i) a change of control of the Company; or (ii) the executive's death or disability. The Deferred LTCIP Award granted to Ira B. Lampert has substantially the same terms and conditions as the other Deferred LTCIP Awards, however, in addition to the events that will accelerate the vesting of the other Deferred LTCIP Awards, it provides for immediate vesting in the event of termination without cause, a constructive termination of employment without cause, or the non-renewal of his employment contract. The Lampert SERP, the Executive SERPs and the Finkbeiner SERP are all being amended to include appropriate terms to govern the Deferred LTCIP Awards. Once the relevant SERPs have been amended, the Company will contribute the foregoing amounts to trusts established for the purpose of holding funds to satisfy the Company's obligations under the Deferred LTCIP Awards.

Compensation Committee Report on Executive Compensation

The Compensation and Stock Option Committee of the Board (hereinafter, the "Committee") is comprised of two independent directors. The Committee seeks to ensure that the Company's compensation policies are designed and implemented to promote the goal of enhancing long-term shareholder value. The Committee believes that the key to achieving this goal is to attract, retain and motivate qualified and experienced executive officers and employees. The Committee therefore favors forms of compensation that encourage and reward long-term service to the Company, and enable those who succeed in building shareholder value to share in the value they have helped to create. As such, the Committee believes that critical components of compensation for executives are: (i) the award of stock options at the time the executive joins the Company and periodically thereafter; (ii) the payment of annual cash incentive compensation based upon the attainment by the Company of a specified return on equity set by the Board each fiscal year; and (iii) the payment of compensation based upon the attainment by the Company of specified long-term performance-based goals. The Committee continues to evaluate the critical components of executive compensation from time to time through the utilization of outside compensation consultants. The Committee believes that providing executives with opportunities to acquire significant stakes in the Company's growth and prosperity through the grant of stock options and other incentive awards will enable the Company to attract and retain qualified and experienced executive officers.

Executive Officers. Pursuant to the Company's By-laws, compensation of the Chief Executive Officer ("CEO") and any executive officer or employee having a familial relationship to the CEO is determined by a majority of the Company's independent directors (based on the Committee's recommendation) or by the Committee. The compensation of all other executive officers is determined by the Committee.

In determining the appropriate level of compensation for the executive officers

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

named in the "Summary Compensation Table," outside compensation consultants were engaged to obtain information and advice about competitive levels of compensation and particular compensation techniques used by public companies of comparable size (i.e., with comparable annual sales volume, results of operations, earnings per share, return on equity, market capitalization and/or assets) and survey data. After completing an internal recommendation and approval process involving the CEO and other executive officers, many factors are taken into consideration in determining an executive's compensation including: individual performance; the Company's financial performance; the compensation of executives at corporations of comparable size and operations; years of service to the Company; the executive's responsibilities; the amount of time and travel required by the position; and the desire to encourage the long-term commitment of the executive. With respect to new executives, the results of any arms-length negotiations between the Company and such executive are also taken into consideration.

11

Executive officers may also participate in an annual incentive compensation plan ("AICP") pool equal to a percentage of the Company's earnings before interest, taxes, depreciation and amortization ("EBITDA") or after-tax net income, provided that the Company's return on shareholders' equity is not less than a percentage established by the Board for each fiscal year (unless this requirement is otherwise waived by the Board). In addition, certain executive officers were eligible to participate in the Company's Amended and Restated 2002 Long-Term Cash Incentive Plan (the "LTCIP") with respect to the Fiscal 2002-2003 performance period.

In order to further the Company's interest in retaining the services of certain of its executive officers, and in order to provide additional long-term incentive to such executives, in August 2003 cash incentive awards to such executives under the AICP were approved, as were awards under the LTCIP. The preponderance of the LTCIP awards were in the form of contingent deferred compensation. See "Executive Compensation - Executive Employment Agreements, Termination of Employment and Change in Control Arrangements." In addition, as part of the compensation package of each executive, the CEO may recommend, and the Committee considers, the grant of stock options to one or more executives based on the above factors.

Chief Executive Officer. In determining the appropriate level of compensation for the CEO, the Committee engaged the services of outside compensation consultants to obtain information and advice about competitive levels of compensation and particular compensation techniques used by public companies of comparable size (i.e., with comparable annual sales volume, results of operations, earnings per share, return on equity, market capitalization and/or assets) and survey data. As discussed in greater detail elsewhere in this Proxy Statement, the annual salary of Ira B. Lampert was restored effective as of January 1, 2003 to its previous level and, in August 2003, he was awarded incentive awards in the form of cash and contingent deferred compensation under the AICP and LTCIP. See "Executive Compensation." Pursuant to the Committee's recommendation, the independent directors of the Board approved the CEO's compensation based on criteria such as: (i) the complex international structure and operations of the Company, which are equivalent to those of much larger international corporations; (ii) the parity of CEO pay with other executive officers of the Company and executive officers to be hired in the future; (iii) the Company's financial performance in meeting and exceeding certain targets and benchmarks; and (iv) the extensive worldwide travel and time requirements that the CEO position entails. These actions were taken in order to provide additional incentive to Mr. Lampert to continue to exert his utmost efforts in

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

contributing to the Company's success and prosperity, thereby benefiting the Company and its shareholders.

- (1) Mr. Lampert had voluntarily agreed to a reduction in his base salary from \$900,000 to \$800,000 per annum effective as of July 1, 2001. Effective as of January 1, 2003, his base salary was restored to its prior level of \$900,000 per annum.

Audit Committee Report

The members of the Audit Committee of the Board (the "Audit Committee") are Messrs. Cooper, Gindi and O'Neill. The primary purpose of the Audit Committee is to assist the Board in its general oversight of the Company's accounting and financial reporting processes. The Audit Committee's functions are more fully described in its charter, which the Board has adopted and is included as Appendix A to this Proxy Statement. The Audit Committee reviews and reassesses the adequacy of its charter on an annual basis. The Board annually reviews the Nasdaq listing standards' definition of independence for audit committee members and has determined that each member of the Audit Committee meets that standard.

Management is responsible for the preparation, presentation, and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. The Company's independent auditor, Ernst & Young LLP, is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

In conjunction with its activities during the Company's 2003 fiscal year, the Audit Committee reviewed and discussed the Company's quarterly unaudited and annual audited financial statements with management of the Company and its independent auditor. The members of the Audit Committee discussed the quarterly agreed upon procedures and annual audit procedures performed by the independent auditor in connection with the quarterly unaudited and annual audited financial statements with management of the Company and its independent auditor. The members of the Audit Committee also discussed with the Company's independent auditor the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380), as amended by Statement of Auditing Standards No. 90. In addition, the Audit Committee received from the Company's independent auditor the written disclosures and the letter required by Independence Standards Board No. 1, and discussed with the independent auditor the independent auditor's independence. Based on the foregoing reviews and

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

discussions, the Audit Committee recommended to the Board that the annual audited financial statements be included in the Company's Annual Report on Form 10-K for Fiscal 2003 for filing with the SEC.

The Audit Committee has considered whether providing the non-audit services performed by its independent auditor is compatible with maintaining that firm's independence.

Lampert were outstanding). Of that total, 697,410 shares and options to purchase 391,656 shares of Common Stock were purchased under the Management Equity Provisions ("MEP") of the Company's 1993 Incentive Plan and are subject to the terms of an Amended and Restated Voting Agreement, dated February 28, 1997, as amended (the "Voting Agreement") pursuant to which MEP shares are voted in accordance with the will of the holders of a majority of the shares governed by the Voting Agreement. Section 16(a) of the Exchange Act requires our directors, executive officers and ten percent (10%) shareholders ("Reporting Persons") to file initial reports of ownership and reports of changes in ownership of the Common Stock and any other

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

equity securities of the Company with the SEC. Reporting Persons are required to furnish us with copies of all Section 16(a) reports they file. Based on a review of the copies of the reports furnished to us and written representations from our directors and executive officers that no other reports were required, with respect to Fiscal 2003 we believe that the Reporting Persons timely complied with all Section 16(a) filing requirements applicable to them, except that Keith Lampert filed a late Form 4 for the stock option granted to him on November 11, 2002.

Certain Relationships and Related Transactions

Consulting Arrangements with Directors

A corporation controlled by J. David Hakman provided consulting services to us from 1997 to July 2002 pursuant to an engagement agreement entered into on September 25, 1997, as later amended and supplemented (the "Hakman Agreement"). Pursuant to the Hakman Agreement, the Company granted a warrant to purchase up to 260,000 shares of Common Stock at an exercise price of \$2.25 per share to a corporation controlled by Mr. Hakman. In October 2000, the corporation exercised the warrant as to all 113,000 shares that had vested up until that time. On September 25, 2002, the corporation exercised the warrant as to another 77,000 shares that were vested and exercisable at that time. The warrant never vested as to the remaining 70,000 shares and expired on September 25, 2002.

From May 1, 2002 through June 15, 2003, William J. Lloyd, who was a member of our Board at the time, provided us with consulting services related to the technological aspects of cameras and other products. As compensation for these consulting services, the Company paid a corporation controlled by Mr. Lloyd a retainer of \$5,000 per month. The Company accepted Mr. Lloyd's resignation from our Board effective as of July 31, 2003, and the consulting relationship was terminated as of June 15, 2003, in order to avoid any conflicts of interest that could result from a new executive position that had been accepted by Mr. Lloyd with another company.

Transactions under the Management Equity Provisions of the 1993 Incentive Plan

On August 23, 1995, the Compensation Committee of the Board approved stock purchase awards under the Management Equity Provisions ("MEP") of the Company's 1993 Incentive Plan pursuant to which 1,000,000 shares of Common Stock were made available for purchase by senior management of the Company at a price per share equal to \$2.6875 per share (the closing price of the Common Stock on August 23, 1995, adjusted for the two-for-one stock split effective on April 14, 2000) pursuant to binding commitments to be made by such persons by August 31, 1995. The Company received commitments for the purchase of 888,000 shares (the "Purchased Shares"). Each purchaser was also granted the right to receive a contingent restricted stock award covering a number of shares equal to the number of shares he had purchased based upon attainment of increases in shareholder value in accordance with the plan. If issued, such contingent restricted shares were to vest over a three-year period and were subject to forfeiture prior to vesting under certain conditions.

In November 1995, members of the Company's senior management entered into purchase agreements (the "Purchase Agreements") for the Purchased Shares. Pursuant to the Purchase Agreements, each purchaser executed a full recourse note for the purchase price of such shares (each a "Note"; collectively, the "Notes") and pledged the Purchased Shares as security for the payment of the Note. The Notes bore interest at an annual rate of 6%. Concurrently with the

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

execution of their respective Purchase Agreements and Notes, each purchaser entered into a Voting Agreement pursuant to which each purchaser agreed to vote all of his Purchased Shares and contingent restricted stock in accordance with the determination of the holders of a majority of all of the Purchased Shares and contingent restricted stock held by the purchasers. To effect the foregoing, each of the purchasers delivered an irrevocable proxy to Ira B. Lampert.

Pursuant to Amendments to each of the Purchase Agreements dated February 28, 1997 (the "Amendments"), the Company was relieved of its obligation to issue any contingent restricted stock. Instead, each participating member of the Company's senior management received, as of December 22, 1996, options to purchase that number of shares of Common Stock (the "Option Shares") equal to the number of Purchased Shares purchased by such person, at an exercise price of \$0.9063 per share. The options vested as to 20% of the Option Shares covered thereby as of December 22, 1996, and the balance of the shares covered thereby began vesting December 31, 1996 in equal monthly installments over a four-year period during the term of employment or consultancy. The unvested portion became vested on August 19, 1998 when the average closing price of the Common Stock was at least \$2.50 (after adjustment for the stock split effective on April 14, 2000) for 90 consecutive trading days. Concurrently with the Amendments, the Voting Agreement and the irrevocable proxies were amended and restated to include the Option Shares and delete any mention of the contingent restricted stock.

In April 1999, the Board approved a conditional release program whereby the Company agreed to forgive a portion of the indebtedness represented by each Note and concurrently release a proportionate number of Purchased Shares held by the Company as security for payment of the Notes. The debt forgiveness and share release program (the "Release Program") began on May 1, 1999 and continued on January 1 each year through January 1, 2003. The total principal sum subject to forgiveness under the Release Program was \$2,386,500, together with interest owed under the Notes. The debt forgiveness was conditioned upon the person's continued employment with the Company. If a person ceased to be an employee or consultant of the Company prior to full forgiveness of the debt, the principal balance of the Note would have become immediately due and payable, including any amounts scheduled to be forgiven at a future date.

17

As contemplated by the MEP, subsequent to 1995 certain Purchased Shares and the related options were transferred to other eligible members of the Company's senior management upon their execution of the required agreements and Notes. Notes previously delivered to secure payment for such shares were canceled upon delivery of new Notes by such transferees.

In January 2000, the Board further provided that a participant in the MEP would have the right to prepay all or any portion of the indebtedness represented by a Note issued in connection with the purchase of shares, and that the amount so prepaid would be repaid to the participant as deferred compensation at such time as the amount would otherwise have been forgiven in accordance with the Release Program.

The Purchased Shares and options awarded pursuant to the MEP are presently held by Ira B. Lampert, Brian F. King, Keith L. Lampert and Arthur Zawodny. Harlan I. Press ceased to be a member of the MEP Group when he sold all of his Purchased Shares and Option Shares on August 28, 2003.

The following were the scheduled release dates, and the total amounts that were forgiven* on such dates, under the Release Program.

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

Releasee	Release Dates	Total Principal Indebtedness Forgiven
Brian F. King	May 1, 1999, and January 1st of 2000, 2001, 2002 and 2003	\$ 430,000*
Ira B. Lampert	May 1, 1999, and January 1st of 2000, 2001, 2002 and 2003	\$ 1,612,500*
Keith L. Lampert	May 1, 1999, and January 1st of 2000, 2001, 2002 and 2003	\$ 295,625*
Harlan I. Press	January 6, 2000, and January 1st of 2001, 2002 and 2003	\$ 10,750
Arthur Zawodny	May 1, 1999, and January 1st of 2000, 2001, 2002 and 2003	\$ 37,625*

* After the January 1, 2000 release date, the balance of these amounts were repaid in full. Ira B. Lampert, Brian F. King, Keith L. Lampert and Arthur Zawodny have each prepaid in full the balance of the debts represented by their Notes and, as a result of their continued employment with the Company, received deferred compensation in lieu of the amounts scheduled to be forgiven under the Release Program.

Employment of Christopher Lampert

Another son of Ira B. Lampert, Christopher Lampert, works for the Company in Hong Kong and the PRC as a project analyst and product operations manager. In Fiscal 2003, we paid a total of \$62,988 for his salary and his housing in Hong Kong. Housing is customarily provided to our employees stationed by the Company in Hong Kong and/or the PRC on foreign assignment.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS
(Proposal Two)

Ernst & Young LLP ("Ernst & Young"), independent certified accountants, was appointed by the Audit Committee to audit the Company's financial statements for Fiscal 2004. This firm has acted as independent auditor for the Company since 1996. A representative of Ernst & Young is expected to attend the Annual Meeting, will have an opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

Audit Fees

The aggregate fees billed by Ernst & Young for professional services rendered for the audit of the Company's annual financial statements for Fiscal 2003 and the reviews of the financial statements included in the Company's Forms 10-Q for Fiscal 2003 were approximately \$347,000.

All Other Fees

Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

The aggregate fees billed for all other services rendered by Ernst & Young to the Company for Fiscal 2003 were approximately \$66,000. No fees were billed for professional services described in paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X rendered by Ernst & Young to the Company for Fiscal 2003.

The Board is seeking shareholder approval of its selection of Ernst & Young since it is customary for a public company to obtain shareholder approval of its auditors. If shareholders do not approve the appointment of Ernst & Young as the auditors of the Company for Fiscal 2004 at the Annual Meeting, the Audit Committee may reconsider the selection.

The affirmative vote of a majority of the votes cast by the holders of shares present or represented and entitled to vote at the Annual Meeting is required for shareholder approval. The Board recommends a vote FOR the ratification of the appointment of Ernst & Young as independent auditors for the Company for Fiscal 2004.

As of the date of this proxy statement, the Board knows of no business to be presented at the Annual Meeting other than as set forth in this proxy statement. If other matters properly come before the Annual Meeting, or any of its adjournments, the persons named as proxies will vote on such matters in their discretion.

The Committee shall be directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The independent auditor shall report directly to the Committee.

6. Discuss with management the Company's earnings press releases, including the use of "pro forma" or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies. Such discussion may be done generally (consisting of discussing the types of information to be disclosed and the types of presentations to be made). The Committee, in its sole discretion, may delegate responsibility for these discussions to the Chairman of the Committee.
7. Discuss with management and the independent auditor the effect of regulatory and accounting initiatives as well as any off-balance sheet structures on the Company's financial statements.

15. Meet with the independent auditor and financial management of the Company prior to the audit to discuss the planning and staffing of the audit, the scope of the prospective audit and the audit procedures to be utilized, the estimated fees therefore and such other matters pertaining to the audit as the Committee may deem appropriate. IV. Meetings; Reports to the Board

The Committee shall meet as often as it deems necessary, but not less frequently than quarterly. The Committee shall meet periodically with the CFO, the internal auditors and the independent auditor in separate executive sessions. The purpose of the meetings in executive session is for the Committee to independently receive input on: (i) the adequacy of financial and operating controls; (ii) the capabilities of financial, accounting and auditing personnel, and the sufficiency of resources devoted by the Company in the financial and accounting areas; (iii) the appropriateness of accounting principles utilized by the Company; and (iv) the level of cooperation given to both the internal and independent auditors by the Company.
