PROXY STATEMENT
FOR
2003 ANNUAL MEETING OF STOCKHOLDERS
MAY 14, 2003

INTRODUCTION

This Proxy Statement is being furnished to stockholders by the Board of Directors of Total Entertainment Restaurant Corp., a Delaware corporation (the "Company"), in connection with the solicitation of the accompanying Proxy for use at the 2003 Annual Meeting of Stockholders of the Company (the "Meeting") to be held at Fox and Hound Smokehouse & Tavern, 12802 Gulf Freeway, Houston, Texas 77034 on May 14, 2003 at 11:00 a.m. local time, or at any adjournments thereof.

The principal executive offices of the Company are located 9300 East Central Avenue, Suite 100, Wichita, Kansas 67206. The approximate date on which this Proxy Statement and the accompanying Proxy will first be sent or given to stockholders is April 15, 2003.

RECORD DATE AND VOTING SECURITIES

Only stockholders of record at the close of business on April 1, 2003, the record date (the "Record Date") for the Meeting, will be entitled to notice of, and to vote at, the Meeting and any adjournments thereof. As of the close of business on the Record Date, there were outstanding 9,816,323 shares of the Company's common stock, \$.01 par value (the "Common Stock"). Each outstanding share of Common Stock is entitled to one vote. There was no other class of voting securities of the Company outstanding on the Record Date. A majority of the outstanding shares of Common Stock present in person or by proxy is required for a quorum.

ATTENDANCE AT THE ANNUAL MEETING

For admission to the Annual Meeting, stockholders who own shares of Common Stock in their own names should come to the stockholders check-in table, where their ownership will be verified. Those who have beneficial ownership of Common Stock that is held of record by a bank or broker (often referred to as "holding in street name") should also come to the stockholders check-in table; they must bring account statements or letters from their banks or brokers indicating that they owned the Company's Common Stock as of the Record Date.

VOTING OF PROXIES

Shares of Common Stock represented by Proxies, which are properly executed, duly returned and not revoked, will be voted in accordance with the instructions contained therein. If no specification is indicated on the Proxy, the shares of Common Stock represented thereby will be voted (i) for the election as Directors of the persons who have been nominated by the Board of Directors, (ii) for the ratification of the appointment of KPMG LLP as the Company's independent auditors for the fiscal year ending December 30, 2003, and (iii) for any other

Edgar Filing: TOTAL ENTERTAINMENT RESTAURANT CORP - Form DEF 14A

matter that may properly be brought before the Meeting in accordance with the judgment of the person or persons voting the Proxy. The execution of a Proxy will in no way affect a stockholder's right to attend the Meeting and vote in person. Any Proxy executed and returned by a stockholder may be revoked at any time thereafter if written notice of revocation is given to the Secretary of the Company prior to the vote to be taken at the Meeting, or by execution of a subsequent proxy which is presented to the Meeting, or if the stockholder attends the Meeting and votes by ballot, except as to any matter or matters upon which a vote shall have been cast pursuant to the authority conferred by such

Proxy prior to such revocation. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker "non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present but which have not been voted.

The cost of solicitation of the Proxies being solicited on behalf of the Board of Directors will be borne by the Company. In addition to the use of the mails, proxy solicitation may be made by telephone, telegraph and personal interview by officers, directors and employees of the Company. The Company will, upon request, reimburse brokerage houses and persons holding Common Stock in the names of their nominees for their reasonable expenses in sending soliciting material to their principals.

PROPOSAL I -- ELECTION OF DIRECTORS

Article Fifth, Paragraph A of the Certificate of Incorporation of the Company, and Article Two, Section 2.2 of its By-Laws provide for the organization of the Board of Directors into three classes. The number of Directors is established by the By-Laws pursuant to Board authorization. Currently, the By-Laws, as amended, provide for nine (9) Directors. All nominees for Director are currently directors of the Company. James K. Zielke, C. Wells Hall III and E. Gene Street, were all appointed to the Board of Directors in 2000. All Directors are chosen for a full three-year term to succeed those whose terms expire. It is therefore proposed that three (3) Directors be elected to serve until the Annual Meeting of Stockholders to be held in 2006 and until their successors are elected and shall have qualified.

Unless otherwise specified, all Proxies received will be voted in favor of the election of James K. Zielke, C. Wells Hall III and E. Gene Street, the three (3) nominees. Directors shall be elected by a plurality of the votes cast, in person or by proxy, at the Meeting. Abstentions from voting and broker non-votes on the election of Directors will have no effect since they will not represent votes cast at the Meeting for the purpose of electing Directors. The terms of the nominees expire at the Meeting and when their successors are duly elected and shall have qualified. Management has no reason to believe that any of the nominees will be unable or unwilling to serve as a Director, if elected. Should any of the nominees not remain a candidate for election at the date of the Meeting, the Proxies will be voted in favor of those nominees who remain candidates and may be voted for substitute nominees selected by the Board of Directors.

Eligible Directors are also entitled to receive grants of options under the Company's 1997 Directors Stock Option Plan (the "Directors Plan"). During Fiscal 2002, each Eligible Director received a grant of an option to purchase 10,000 shares of Common Stock. The exercise price for such shares was equal to the closing sale price of the Common Stock as reported on the Nasdaq on the date of grant. As of the record date, options to purchase 134,000 shares of Common Stock are outstanding under the Directors Plan at an exercise prices ranging from \$1.625 per share to \$9.00 per share.

EMPLOYMENT AGREEMENTS

The Company has entered into separate employment agreements, with each of Messrs. Johnson, Judd, Zielke and Syvarth, dated as of June 12, 2002, respectively, providing for the employment of such individuals as Chief Executive Officer, President, Chief Financial Officer and Chief Operating Officer, respectively. The agreements were amended as of March 22, 2002. Each employment agreement provides that the officer shall devote substantially all of his professional time to the business of the Company. As amended, the agreements provide for annual base salaries of \$246,750 for Mr. Johnson, \$194,250 for Mr. Judd, \$231,000 for Mr. Zielke, and \$150,000 for Mr. Syvarth, subject to increases as determined by the Board of Directors. Each agreement, as amended, terminates in June 2003 with an option by the Company to extend the term for an additional one-year period and contains non-competition and non-solicitation provisions. Messrs. Thompson and Hager have also entered into non-competition, confidentiality and non-solicitation agreements with the Company.

JOINT REPORT BY THE COMPENSATION COMMITTEE AND THE STOCK OPTION COMMITTEE ON EXECUTIVE COMPENSATION

GENERAL

The Compensation Committee determines the cash and other incentive compensation (with the exception of stock options which are granted by the Stock Option Committee), if any, to be paid to the Company's executive officers and key employees. Messrs. Thompson, Hartnett and Hall, independent Directors of the Company, serve as members of the Compensation Committee and Messrs. Thompson, Hartnett and Hager, non-employee directors of the Company, serve as members of the Stock Option Committee and are "non-employee directors" (within the meaning of Rule 16b-3 under the Act). During fiscal 2002, there was one meeting of the Compensation Committee, and one meeting of the Stock Option Committee.

COMPENSATION PHILOSOPHY

The Compensation Committee's executive compensation philosophy is to base management's pay, in part, on the achievement of the Company's annual and long-term performance goals, to provide competitive levels of compensation, to recognize individual initiative, achievement and length of service to the Company, and to assist the Company in attracting and retaining qualified

Edgar Filing: TOTAL ENTERTAINMENT RESTAURANT CORP - Form DEF 14A

management. It is the philosophy of the Compensation Committee in tandem with the Stock Option Committee to provide officers with the opportunity to realize potentially significant financial gains through the grants of stock options. The Compensation Committee also believes that the potential for equity ownership by management is beneficial in aligning management's and stockholders' interest in the enhancement of stockholder value. However, the decision to ultimately grant stock options is based primarily on the criteria set forth under "Stock Option Plan" below.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), prohibits a publicly held corporation, such as the Company, from claiming a deduction on its federal income tax return for compensation in excess of \$1 million paid for a given fiscal year to the chief executive officer (or person acting in that capacity) at the close of the corporation's fiscal year and the four most highly compensated officers of the corporation, other than the chief executive officer, at the end of the corporation's fiscal year. The \$1 million compensation deduction limitation does not apply to "performance-based compensation." The Company believes that any compensation received by executive officers in connection with the exercise of options granted under the Plan qualifies as "performance-based compensation." Accordingly, the Company has not established a policy with respect to Section 162(m) of the Code because the Company has not and does not currently anticipate paying compensation in excess of \$1 million per annum to any employee.

SALARIES

Base salaries for the Company's executive officers are determined initially by evaluating the responsibilities of the position held and the experience of the individual, food service and management experience, and by reference to the competitive marketplace for management talent, including a comparison of base salaries for comparable positions at comparable companies within the Company's industry, which includes companies which comprise the Company's Peer Group, as defined herein. Such companies are comparable in that they are fast-growth companies in the casual dining segment of the restaurant industry. The Company believes salaries for its officers are average as compared to the companies reviewed. Annual salary adjustments are determined in descending level of importance by (i) evaluating the financial results achieved by the Company, which includes revenues, earnings, unit growth and profit margins of the Company, (ii) the performance of the executive particularly with respect to the ability to manage growth and profitability of the Company, (iii) the length of the executive's service to the Company and (iv) any increased responsibilities assumed by the executive. There are no restrictions on salary adjustments of the Company. The Company has employment agreements with Messrs. Johnson, Judd, Zielke, and Syvarth which set the base salaries for such individuals. These base salaries are based on and are reviewed annually in accordance with the factors described in this paragraph and the terms of the employment agreements. See "Summary Compensation Table -- Employment Agreements."

ANNUAL BONUSES

The Company does not currently have a formal bonus plan for its executives. However, bonuses were paid to executives for the 2002 fiscal year as set forth on the Summary Compensation Table. The Company may in the future adopt an executive bonus plan. As indicated under "Stock Option Plan" below, the Company has granted options to the Named Executive Officers in part to reward their performance.

It is the philosophy of the Stock Option Committee to tie a significant portion of an executives' total opportunity for financial gain to increases in stockholder value, thereby aligning the long-term interests of the stockholders with the executives and to retain such key employees. All salaried employees, including executives and part-time employees, of the Company and its

Edgar Filing: TOTAL ENTERTAINMENT RESTAURANT CORP - Form DEF 14A

subsidiaries, are eligible for grants of stock options pursuant to the Plan.

9

CHIEF EXECUTIVE OFFICER

In setting fiscal 2002 salary and stock option award levels for Mr. Johnson, the Compensation Committee and the Stock Option Committee focused upon the policies described above. Based on a review of comparable companies, Mr. Johnson's salary was set at \$246,750. A bonus was paid to him for fiscal year 2002.

STOCK OPTION PLAN

Pursuant to the Plan, both incentive and non-qualified options may be granted to key employees of the Company, or with respect to incentive options, to any employees of, any subsidiary in which the Company owns more than 50% of the total combined voting power of all classes of stock, including part-time employees. As of the Record Date, options to purchase 953,717 shares of the Company's Common Stock were outstanding under the Plan and 582,840 shares remained available for the grant of options under the Plan. Approximately 3,400 employees are currently eligible to participate under the Plan since the Plan allows grants to full-time and part-time employees of the Company and its subsidiaries.

The Plan is administered by the Stock Option Committee, consisting of not less than three members of the Board of Directors of the Company who are not eligible to participate in the Plan. The members of the Stock Option Committee are appointed by the Board of Directors and serve at the pleasure of the Board of Directors. The Stock Option Committee selects the key employees who will be granted options under the Plan and, subject to the provisions of the Plan, determines the terms and conditions and number of shares of Common Stock subject to each option. The Stock Option Committee also makes any other determinations necessary or advisable for the administration of the Plan. Determinations by the Stock Option Committee are final and conclusive. Grants of options and other decisions of the Stock Option Committee are not required to be made on a uniform basis. The Plan will terminate on July 17, 2007, but may be terminated by the Board of Directors at any time before that date.

Upon the grant of an option to a key employee, the Stock Option Committee will fix the number of shares of Common Stock that the optionee may purchase upon exercise of the Option and the price at which the shares may be purchased. The option price for incentive stock options shall not be less than 100% of the "fair market value" of the shares of Common Stock at the time the option is granted; provided, however, that with respect to an incentive stock option in the case of an optionee, who, at the time such option is granted, owns more than 10% of the voting stock of the Company or its subsidiaries, the purchase price per share shall be at least 110% of the fair market value. The option price for non-qualified options shall not be less than 75% of the fair market value at the time the option is granted. To date, the Company has not granted an option to any individual at a purchase price below fair market value. "Fair market value" is deemed to be the closing sales price of Common Stock on such date as Nasdaq or, if the Common Stock is not listed on Nasdaq, in the principal market in which the Common Stock is traded.

PROPOSAL II -- RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors has appointed KPMG LLP as the Company's independent auditors for the fiscal year ending December 30, 2003. Although the selection of independent auditors does not require ratification, the Board of Directors has

Edgar Filing: TOTAL ENTERTAINMENT RESTAURANT CORP - Form DEF 14A

directed that the appointment of KPMG LLP be submitted to stockholders for ratification due to the significance of their appointment to the Company. If stockholders do not ratify the appointment of KPMG LLP as the Company's independent auditors, the Board of Directors will consider the appointment of other certified public accountants. A representative of KPMG LLP is expected to be present at the Meeting, will have an opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions. The approval of the proposal to ratify the appointment of KPMG LLP requires the affirmative vote of a majority of the votes cast by all shareholders represented and entitled to vote thereon. Broker "non-votes" are not included in the tabulation of the voting results and therefore, do not have the effect of votes in opposition in such tabulations. An abstention from voting on a matter or a Proxy instructing that a vote be withheld has the same effect as a vote against a matter since it is one less vote for approval.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 30, 2003.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

RESTAURANT LEASES

The Company leases two of its restaurant locations from limited partnerships controlled by Stephen P. Hartnett, a Co-Chairman of the Board of the Company. The total rent expense paid to the limited partnerships for the College Station, Texas location for the fiscal year ended December 31, 2002 was \$70,937. The annual rent expense paid to the limited partnerships for the Dallas (Midway), Texas location for the fiscal year ended December 31, 2002 was \$209,783.

The Company's restaurant in Littleton, Colorado, which opened during July 2002, is owned 51% by us and 24.5% each by Gary Judd and James Zielke, our officers and directors. This ownership structure was adopted in response to local liquor license regulations in Jefferson County, Colorado. Because of such arrangement and significant restrictions upon the transferability of the shares of the Littleton restaurant, the Company will have the financial benefits and risks of operating the restaurant, and Messrs. Judd and Zielke will be unable to derive any financial benefit from this agreement.

In February 2002, the Company purchased the assets of a seafood restaurant in Richmond, Virginia, from BMR Restaurants, LLC ("BMR"), which has been converted to a Bailey's restaurant. The Company's Co-Chairman, Dennis L. Thompson, is the manager of BMR. Mr. Thompson and his wife collectively own 82.6% of BMR, which had owned the restaurant assets for more than two years. The Company paid a total of \$300,000 for these assets, which included a real estate lease, leasehold improvements, furniture and equipment. The price was based on the parties' estimates of market rates for leasehold rents and equivalent property and is believed to be equivalent to the price that would have been paid in an arm's length transaction with an unaffiliated party.

In April 2000 and February 2001, the Company invested an aggregate of \$200,000 for limited partnership interests in limited partnerships formed to develop and operate Cool River Restaurants. John D. Harkey, Jr. and E. Gene Street, two members of the Company's board of directors, and Stephen P. Hartnett, Co-Chairman, are the majority owners of the managing general partner of these partnerships, Cracken, Harkey, Street & Hartnett, L.L.C. In June 2002, the Company was refunded \$100,000 of its original investment in exchange for rights to one of the related limited partnership interests.

STOCKHOLDER PROPOSALS

In order to be considered for inclusion in the proxy materials to be distributed in connection with the next Annual Meeting of Stockholders of the Company, stockholder proposals for such meeting must be submitted to the Company no later than December 19, 2003. Management of the Company is allowed to use its discretionary proxy voting authority in connection with any stockholder proposal received by the Company after February 26, 2004 intended for presentation from the floor at the next Annual Meeting of Stockholders.

OTHER MATTERS

So far as now known, there is no business other than that described above to be presented for action by the stockholders at the Meeting, but it is intended that the proxies will be voted upon any other matters and proposals that may legally come before the Meeting or any adjournment thereof, in accordance with the discretion of the persons named therein.
