Edgar Filing: CODORUS VALLEY BANCORP INC - Form DEF 14A

DESCRIPTION OF CODORUS VALLEY BANCORP, INC.

Codorus Valley Bancorp, Inc. was incorporated in October 1986 under Pennsylvania law; and, in March 1987, it became a one-bank holding company pursuant to the Bank Holding Company Act of 1956. PeoplesBank, A Codorus Valley Company and SYC Realty Company, Inc. are the corporation's wholly-owned subsidiaries. PeoplesBank is a Pennsylvania chartered banking institution with deposits insured by the FDIC. PeoplesBank wholly-owns SYC Settlement Services, Inc. and SYC Insurance Services, Inc.

Included with this proxy statement is a copy of the corporation's annual report to shareholders for the fiscal year ended December 31, 2002. You may obtain a copy of the corporation's annual report for the 2001 fiscal year, at no cost, by contacting the Treasurer, Codorus Valley Bancorp, Inc., Codorus Valley Corporate Center, 105 Leader Heights Road, P.O. 1

VOTING PROCEDURES

SOLICITATION AND VOTING OF PROXIES

The board of directors solicits this proxy for use at the corporation's 2003 Annual Meeting of Shareholders. The corporation's directors, officers and other employees may solicit proxies in person or by telephone, facsimile, telegraph or mail, but only for use at the annual meeting. The corporation will pay the cost of preparing, assembling, printing, mailing and soliciting proxies and any additional material that the corporation sends to its shareholders. Codorus Valley Bancorp, Inc. will make arrangements with brokerage firms and other custodians, nominees, and fiduciaries to forward proxy solicitation materials to the owners of stock held by these persons. The corporation will reimburse these persons for their reasonable forwarding expenses.

Only shareholders of record as of the close of business on Thursday, March 13, 2003, (the voting record date), may vote at the annual meeting. The corporation's records show that, as of the voting record date, 2,697,035 shares of the corporation's common stock were outstanding. On all matters to come before the annual meeting, shareholders may cast one vote for each share held. Cumulative voting rights do not exist with respect to the election of directors. See "Principal Shareholders" on pages 21 and 22 for a list of the persons known by the corporation to be the beneficial owner of 5% or more of the corporation's outstanding common stock as of the voting record date.

If you are also a participant in the Codorus Valley Bancorp, Inc. Dividend Reinvestment and Stock Purchase Plan, the enclosed proxy will NOT serve as a voting instruction card for your shares held in the plan. Instead, Wells Fargo Bank Minnesota, N.A., the plan administrator, will provide plan participants with a separate voting instruction card/proxy representing those shares held in the Dividend Reinvestment and Stock Purchase Plan. The separate voting instruction cards must be signed and returned to Wells Fargo or your shares held in the plan will not be voted.

Edgar Filing: CODORUS VALLEY BANCORP INC - Form DEF 14A

If your voting instruction card is signed but does not indicate your voting preferences, the plan administrator will vote your shares FOR the 3 nominees for Class A Director. Whole and fractional shares credited to your dividend reinvestment account as of March 13, 2003, are included on your voting instruction card.

By properly completing a proxy, the shareholder appoints Dallas L. Darr, Mildred L. Lackey and George E. McCullough as proxy holders to vote his or her shares as specified on the proxy. The proxy holders will vote any signed proxy not specifying to the contrary as follows:

FOR the election of the following individuals as Class A Directors for a term of 3 years expiring in 2006:

- o Rodney L. Krebs;
- o Dallas L. Smith; and
- o George A. Trout, D.D.S.

2

Codorus Valley Bancorp, Inc.'s board of directors proposes to mail this proxy statement to the corporation's shareholders on or about April 3, 2003.

QUORUM AND VOTE REQUIRED FOR APPROVAL

Codorus Valley Bancorp, Inc.'s Articles of Incorporation authorize the corporation to issue up to 10,000,000 shares of common stock, par value \$2.50 per share.

At the close of business on March 13, 2003, the corporation had 2,697,035 shares of common stock issued and outstanding. The corporation's common stock is the only issued and outstanding class of stock.

In order to hold the annual meeting, a "quorum" of shareholders must be present. Under Pennsylvania law and the corporation's bylaws, the presence, in person or by proxy, of the holders of a majority of the shares entitled to vote (meaning a majority of the number of shares outstanding on the voting record date) is required to constitute a quorum for the transaction of business at the meeting. The proxy holders will count votes withheld and abstentions when determining the presence of a quorum. However, the proxy holders will not count broker non-votes when determining the presence of a quorum for the particular matter as to which the broker withheld authority.

Assuming the presence of a quorum, the affirmative vote of a majority of the number of shares that constitutes a quorum for the transaction of business at the annual meeting is required to elect the director candidates. The proxy holders will not cast votes for or against any director candidates where the broker withheld authority. Cumulative voting rights do not exist for the election of directors. Each share of common stock is entitled to cast only one vote for each nominee. For example, if a shareholder owns 10 shares of common stock, he or she may cast up to 10 votes for each of the 3 Class A Director nominees.

REVOCABILITY OF PROXY

Shareholders who sign proxies may revoke them at any time before they are voted by:

- o delivering written notice of the revocation or delivering a properly executed later-dated proxy to Harry R. Swift,

Edgar Filing: CODORUS VALLEY BANCORP INC - Form DEF 14A

- o attending the meeting and voting in person after giving written notice to the Secretary of Codorus Valley Bancorp, Inc.

3

In 2002, the bank's non-employee directors were compensated for their services rendered as follows:

- o a monthly retainer of \$700; and

Edgar Filing: CODORUS VALLEY BANCORP INC - Form DEF 14A

- o directors' fees of \$425 for each regular or special meeting attended; and
- o committee meeting fees paid at the rate of \$125 per hour for attendance.

The bank's chairman of the board received a monthly retainer of \$800 in 2002. In addition, the bank paid life insurance premiums on behalf of the non-employee bank directors, which amounted to \$1,922 in 2002. In the aggregate, the bank paid \$148,772 to the board of directors in 2002.

INDEPENDENT DIRECTORS' DEFERRED COMPENSATION PLAN

The corporation maintains a deferred compensation plan for non-employee, or "independent" directors. Participants may elect to defer receipt of compensation in order to gain certain tax benefits under Internal Revenue Code Section 451. This plan is not funded by the corporation.

INDEPENDENT DIRECTORS' STOCK OPTION PLAN

The corporation maintains the Codorus Valley Bancorp, Inc. 1998 Independent Directors Stock Option Plan. The corporation's shareholders approved the plan at the 1998 annual meeting and the board of directors originally reserved 100,000 shares, or 121,550 shares as of December 31, 2002, as adjusted for stock dividends, for issuance under the plan. The purposes of the plan are to advance the corporation's and the bank's development, growth and financial condition by providing additional incentives to non-employee members of the corporation's board of directors by encouraging them to acquire stock ownership in the corporation and to secure, retain and motivate non-employee directors.

Directors who are not employees of the corporation or its subsidiaries are eligible to receive awards under the plan. Pursuant to the terms of the plan, each non-employee director who attended at least 75% of the total number of board of directors and committee meetings during the previous fiscal year is granted non-qualified stock options at each annual reorganization meeting of the corporation. The first award under the plan was made at the 1998 organization meeting. The purchase price of common stock subject to each stock option granted is the fair market value at the time of grant. The recipient may exercise these stock options for ten years from the grant date. As of December 31, 2002, the corporation had granted 101,756 qualified stock options

8

under this plan, as adjusted for applicable stock dividends and/or stock splits. This aggregate amount includes stock options that may have been cancelled and/or exercised prior to December 31, 2002.

AUDIT COMMITTEE REPORT

On June 12, 2001, the boards of directors of Codorus Valley Bancorp, Inc. and PeoplesBank, A Codorus Valley Company, the corporation's wholly-owned banking subsidiary, approved a resolution, based on the recommendations of the audit committees of Codorus Valley and the bank, to engage Beard Miller Company LLP as Codorus Valley's independent accountant. Beard Miller Company LLP replaced Ernst & Young LLP (Ernst & Young), the prior independent accountant.

Ernst & Young's report on Codorus Valley's consolidated financial

Edgar Filing: CODORUS VALLEY BANCORP INC - Form DEF 14A

statements for 2000 contained no adverse opinion or disclaimer of opinion or qualification as to uncertainty, audit scope or accounting principles.

During the fiscal year 2000 and subsequent interim periods, there were no disagreements or reportable events relating to any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which Ernst & Young would have referred to in connection with their report if the disagreement wasn't resolved to their satisfaction. Codorus Valley acknowledges that disagreements required to be reported in response to the preceding sentence include both those resolved to Ernst & Young's satisfaction and those not resolved to Ernst & Young's satisfaction. Codorus Valley further acknowledges that disagreements contemplated by this rule are those which occurred at the decision-making level; i.e., between Codorus Valley personnel responsible for the presentation of its financial statements and Ernst & Young personnel responsible for rendering its report. There have been no reportable events within the meaning of Item 304 of Regulation S-K.

On June 13, 2000, the board of directors adopted a written charter for the Audit Committee, a copy of which was attached to the 2001 proxy statement. As required by the charter, the Audit Committee, in fulfilling its oversight responsibilities regarding the audit process:

- o reviewed and discussed the fiscal year 2002 audited financial statements with management; and
- o discussed with the independent auditors, Beard Miller Company LLP, the matters required to be discussed by Statement on Accounting Standards No. 61, 89 and 90 (Codification of Statements on Auditing Standards, AU 380, as amended or supplemented); and
- o reviewed the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees, as modified or supplemented), and discussed with the independent auditors any relationships that may impact their objectivity and independence.

9

Based upon the review and discussions referred to above, the Audit Committee's review of management's representations, and the report of the independent accountants to the Audit Committee, the Audit Committee recommended to the board of directors that the audited financial statements for the year ended December 31, 2002, be included in the corporation's annual report on Form 10-K and filed with the Securities and Exchange Commission.

Fees pertaining to services rendered to the corporation and the bank by Beard Miller Company LLP, the independent accountants, during the year ended December 31, 2002, were as follows:

Audit Fees	\$49,253
Financial Information Systems Design and Implementation Fees	0
All Other Fees	\$11,370*

* "All Other Fees" include completion of 2001 tax return, tax planning/compliance, assistance with stock options, and assistance with an insurance company

acquisition.

The Audit Committee is comprised of 3 directors, all of whom are considered "independent," as defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards.

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the corporation specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

BOARD OF DIRECTORS REPORT ON
EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE REPORT

The corporation's board of directors governs the corporation and its subsidiaries. In fulfilling its fiduciary duties, the board of directors endeavors to act in the best long-term interests of the corporation's

10

shareholders, customers, and the communities served by the corporation and its subsidiaries. To accomplish the corporation's strategic goals and objectives, the board of directors engages competent persons, who undertake to accomplish these objectives with integrity and with cost-effectiveness. The board of directors fulfills part of its strategic mission through the compensation of these individuals. The bank, the corporation's wholly-owned financial subsidiary, provides compensation to the bank's directors and employees.

The corporation seeks to offer competitive compensation opportunities for all employees based on the individual's contribution and personal performance. The entire board of directors (comprised of the individuals named below) administers the compensation program. The board seeks to establish a fair compensation policy to govern the executive officers base salaries and incentive plans to attract and motivate competent, dedicated, and ambitious managers, whose efforts will enhance the corporation's products and services and will result in improved profitability, increased dividends to the shareholders, and subsequent appreciation in the market value of the corporation's shares.

The board reviews and annually approves the compensation of the corporation's and the bank's top executives, including the chief executive officer, executive vice presidents, senior vice presidents, and all other vice presidents. As a guideline in determining base salaries, the board uses information composed of a Pennsylvania bank peer group. This peer group of banks with assets of \$300 million to \$500 million is different than the peer group used for the performance graph. The peer group on the performance graph includes bank holding companies and banks listed on NASDAQ, which may not be located in Pennsylvania. The corporation uses Pennsylvania peer group banks

because of common industry issues and competition for the same executive talent group.

The board of directors does not deem Section 162(m) of the Internal Revenue Code (the IRC) to be applicable to the corporation at this time. The board of directors intends to monitor the future application of IRC Section 162(m) to the compensation paid to its executive officers; and, in the event that this section becomes applicable, the board of directors intends to amend the corporation's and the bank's compensation policies to preserve the deductibility of the compensation payable under the policies.

CHIEF EXECUTIVE OFFICER'S COMPENSATION

The board of directors determined that the chief executive officer's 2002 compensation be set at \$194,365, which was appropriate in light of the following 2002 Codorus Valley Bancorp, Inc. major accomplishments: the addition of a full service financial center, acquisition of Market Street Financial Services, Inc; and successful installation of the STeller System. Additionally, the chief executive officer was actively and effectively involved in numerous community activities and served in leadership positions as chairman of the York County Economic Development Corporation, vice-chairman of the William F. Goodling Regional Advanced Skills Center, vice president of the York-Adams Council of the Boy Scouts of America and on the Board of Directors of Better York, Inc. and the York Foundation. No direct correlation

11

exists between the chief executive officer's compensation, any change in the chief executive officer's compensation, and any of the above criteria, nor does the board give any weight to any of the above specific individual criteria. The board subjectively determines the chief executive officer's compensation based on a review of all relevant information.

EXECUTIVE OFFICERS' COMPENSATION

The board of directors increased the 2002 compensation of the corporation's and the bank's executive officers by approximately 4.75% over 2001 compensation. The board determined these increases based on its subjective analysis of the individual's contribution to the corporation's strategic goals and objectives. In determining whether the strategic goals have been achieved, the board considers numerous factors. Although the board measured the performance and increases in compensation in light of these factors, no direct correlation exists between any specific criteria and an employee's compensation, nor does the board, in its analysis, attribute specific weight to any such criteria. The board makes a subjective determination after review of all relevant information, including the above.

In addition to base salary, the corporation's and the bank's executive officers may participate in annual and long-term incentive plans, including the bank's 401(k) plan and the corporation's stock incentive plan. (See page 15 for more information.)

General labor market conditions, the individual's specific responsibilities and the individual's contributions to the corporation's success influence total compensation opportunities available to the corporation's and the bank's employees. The board reviews individuals annually on their anniversary date of hire and strives to offer compensation that is competitive with that offered by employers of comparable size in our industry. Through these compensation policies, the corporation strives to meet its strategic goals and objectives to its constituencies and provide compensation that is fair and meaningful to its executive officers.

STOCK INCENTIVE PLAN

On March 14, 2000, the board of directors adopted the Codorus Valley Bancorp, Inc. 2000 Stock Incentive Plan and the plan was adopted by the shareholders at the 2000 annual meeting. The corporation originally reserved 100,000 shares under the plan or 110,250 shares as of December 31, 2002, as adjusted for stock dividends, for issuance under the plan. The plan provides for awards of qualified stock options and non-qualified stock options to officers, and is administered by a disinterested committee of the corporation's board of directors. 401(K) PLAN

The bank maintains and sponsors a defined contribution 401(k) savings and investment plan. The 401(k) plan is administered by a committee which is appointed by the board of directors. EMPLOYMENT CONTRACT

In 1993, the corporation, the bank and Larry J. Miller, President and Chief Executive Officer of the corporation and the bank, entered into an employment agreement for a term of 3 years, which term renews automatically for an additional 12 months at the end of each calendar year unless the corporation and the bank provide written notice to Mr. Miller of non-renewal. The agreement specifies Mr. Miller's positions and duties, compensation and benefits, and indemnification and termination provisions. The agreement also contains a non-competition provision and a confidentiality provision.

Under the terms of his employment agreement, Mr. Miller serves as the President and Chief Executive Officer of the corporation and of the bank and as a member of the boards of directors of the corporation and of the bank. Pursuant to his employment agreement, Mr. Miller was entitled to an annual direct salary of \$195,000 in 2002. This salary may be increased in subsequent years as the board of directors deems appropriate. In addition, the boards of directors of the corporation and the bank have discretion to pay a periodic bonus to Mr. Miller. Mr. Miller is not entitled to receive director's fees or other compensation for serving on the corporation's or the bank's board of directors or their committees. Mr. Miller is also entitled to receive the employee benefits made available to bank employees and to use a vehicle provided by the bank.

As amended in October 1997, the agreement with Mr. Miller provides that if his employment is terminated by the corporation or the bank, due to death, disability or "for cause", then he is entitled to the full annual direct salary through the date of termination. If Mr. Miller's employment is terminated by the corporation or the bank other than pursuant to death, disability or "for cause", then he is entitled to his full annual direct salary from the date of termination through the last day of the term of the agreement, or an amount equal to his current annual direct salary, whichever is greater. If Mr. Miller terminates his employment for "good reason", then he is entitled to an amount equal to his direct annual salary. As amended in 1997, if Mr. Miller's employment is terminated as a result of a change in control, then he is entitled to receive a lump sum payment equal to 2.99 times his then current direct annual salary and will continue his eligibility to participate in all employee benefit plans and programs in which he was previously entitled to participate.

CHANGE OF CONTROL AGREEMENT

On October 1, 1997, the corporation, the bank and Harry R. Swift, Esquire, Secretary, General Counsel and Vice President of the corporation and General Counsel, Executive Vice President and Cashier of the bank, entered into a change of control agreement that provides certain benefits to Mr. Swift in the event of a change of control. Edgar Filing: CODORUS VALLEY BANCORP INC - Form DEF 14A

in control of the corporation or the bank or other specified event. The initial

16

term of the agreement is 39 months and each subsequent term consists of a 36 month period, which term automatically renews for an additional 12 months at the end of each calendar year unless the corporation and the bank provide written notice to Mr. Swift of non-renewal. The agreement specifies payments upon termination as of the date of the change of control at not less than 2 times Mr. Swift's then current annual direct salary.

SALARY CONTINUATION AGREEMENTS

On October 1, 1998, the bank entered into salary continuation agreements with Larry J. Miller and Harry R. Swift, Esquire. These agreements provide for certain payments to these named executives following the executive's normal retirement date and continuing for 239 months for Mr. Miller and 179 months for Mr. Swift. The agreements contain provisions for early retirement, disability benefits, death benefits and payments on specified changes of control. The agreements also contain non-competition provisions.

SUPPLEMENTAL RETIREMENT PLANS

In 1998, the bank provided group term life insurance replacement plans for specific executive officers. These plans are the funding vehicle for payments to the executives upon certain specified events. The specified events include a change of control and the executive's normal retirement. In addition, the bank provided a director approved group term life insurance replacement plan for the benefit of the corporation's directors. This plan provides for payments to accrue to the directors following termination of their service as a member of the board of directors. These supplemental retirement plans replaced, in part, other insurance coverages.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The corporation and the bank have not entered into any material transactions, proposed or consummated, with any director or executive officer of the corporation or the bank, or any associate of the foregoing persons, with the exception of that disclosed below. The bank made these loans in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not involve more than the normal risk of collection or present other unfavorable features. The largest aggregate amount of indebtedness outstanding at any time during fiscal year 2002 to officers and directors of the corporation and the

17

bank as a group was \$7,130,324. The aggregate amount of indebtedness outstanding as of the latest practicable date, March 17, 2003, to the above described group

ELECTION OF DIRECTORS

QUALIFICATION AND NOMINATION OF DIRECTORS

Section 10.2 of the corporation's bylaws authorizes the number of directors to be not less than 5 nor more than 25. The bylaws provide for three classes of directors with staggered 3 year terms of office. The board of directors may, from time to time, fix the number of directors and their respective classifications. All candidates for director must be at least 21 years of age. No director may continue to serve after he or she attains the age of 70 years. Each director must hold solely, in his or her name, at least 100 shares of common stock, which shares must be free of any liens or other encumbrances.

The board of directors nominated the 3 persons named below to serve as Class A Directors until the 2006 annual meeting of shareholders or until their earlier death, resignation, or removal from office. All of the nominees are presently members of the board of directors and all have consented to serve another term as a director if re-elected. If any of the nominees should be unavailable to serve for any reason, pursuant to Section 11.1 of the corporation's bylaws, a majority of the board of directors then in office may fill the vacancy until the expiration of the term of the class of directors to which he or she was appointed.

In accordance with Section 10.3 of the corporation's bylaws, the board of directors is divided into 3 classes whose terms expire at successive annual meetings. Therefore, the corporation maintains a classified board with staggered 3 year terms of office. Currently, Class A consists of 3 directors, Class B consists of 3 directors, and Class C consists of 3 directors. Shareholders will elect 3 Class A Directors at the annual meeting to serve for a 3 year term that expires at the corporation's 2006 annual meeting.

The proxy holders intend to vote all proxies for the election of each of the 3 nominees named below, unless you indicate that your vote should be withheld from any or all of them. Each nominee elected as a director will continue in office until his or her successor has been duly elected and qualified, or until his or her death, resignation or retirement.

The board of directors proposes the following nominees for election as Class A Directors at the annual meeting:

- o Rodney L. Krebs;
- o Dallas L. Smith; and
- o George A. Trout, D.D.S.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE PROPOSAL TO ELECT THE 3 NOMINEES LISTED ABOVE AS CLASS A DIRECTORS.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, requires that the corporation's officers and directors, and persons who own more than 10% of the registered class of the corporation's equity securities, file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish the corporation with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of Forms 3, 4 and 5 and amendments thereto received by it, or written representations from certain reporting persons that no Form 5 was required for that reporting person, the corporation believes that during the period from January 1, 2002 through December 31, 2002, its officers and directors were in compliance with all filing requirements applicable to them.

SHAREHOLDER PROPOSALS FOR 2004 ANNUAL MEETING

Any shareholder who, in accordance with and subject to the provisions of the proxy rules of the Securities and Exchange Commission, wishes to submit a proposal for inclusion in the corporation's proxy statement for its 2004 Annual Meeting of Shareholders must deliver the proposal in writing to the Secretary of Codorus Valley Bancorp, Inc. at its principal executive offices, Codorus Valley Corporate Center, 105 Leader Heights Road, P. O. Box 2887, York, Pennsylvania 17405-2887, not later than Friday, December 5, 2003. If a shareholder proposal is submitted to the corporation after December 5, 2003, it is considered untimely; and, although the proposal may be considered at the annual meeting, it may not be included in the corporation's 2004 proxy statement. Any proposals should be addressed to the Secretary. Section 10.1 of the corporation's bylaws requires a shareholder to deliver a notice of nomination for election to the board of directors to the Secretary no later than 90 days in advance of the anniversary date of the preceding shareholders meeting. See page 17 for more information on nomination procedures and requirements.

PERFORMANCE GRAPH

Set forth below is a line graph comparing the yearly change in the cumulative total shareholder return on the corporation's common stock against the cumulative total return of the S&P 500 Stock Index and the NASDAQ Bank Index for the period of 5 fiscal years commencing January 1, 1998 and ending December 31, 2002. The graph shows that the cumulative investment return to shareholders, based on the assumption that a \$100 investment was made on December 31, 1997, in each of the corporation's common stock, the S&P 500 Stock Index and the NASDAQ Bank Index, and that all dividends were reinvested in such securities over the past 5 years, the cumulative total return on such investment would be \$87.80, \$91.85, \$89.47, \$83.11 and \$100.89, respectively. The shareholder return shown on the graph below is not necessarily indicative of future performance.

nominee. The board of directors has no reason to believe the 3 nominees for Class A Director will be unable to serve if elected.

Cumulative voting rights do not exist with respect to the election of directors. The affirmative vote of a majority of the number of shares that constitutes a quorum for the transaction of business at the annual meeting is necessary to elect the director candidates.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF THE 3 NOMINEES AS CLASS A DIRECTORS.

ANNUAL REPORT

A copy of the corporation's annual report to shareholders for its fiscal year ended December 31, 2002 is enclosed with this proxy statement. A representative of Beard Miller Company LLP, the independent auditors who examined the financial statements in the annual report, will attend the meeting. The representative will have the opportunity to make a statement, if he desires to do so, and will be available to respond to any appropriate shareholder questions concerning the annual report.

OTHER MATTERS THAT MAY COME BEFORE THE ANNUAL MEETING

The board of directors knows of no business other than that referred to in the accompanying Notice of Annual Meeting of Shareholders that may be presented at the annual meeting. However, if any other matter should be properly presented for consideration and voting at the annual meeting or any adjournments of the meeting, the proxy holders will vote the proxies in what they determine to be the corporation's best interests.
