Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On February 7, 2007, Maxim Integrated Products, Inc. ("Maxim") received an additional Nasdaq Staff Determination notice indicating that Maxim is not in compliance with the filing requirements for continued listing as set forth in Marketplace Rule 4310(c)(14). As expected, the notice was issued in accordance with Nasdaq procedures due to the delayed filing of Maxim's Quarterly Report on Form 10-Q for the fiscal quarter ended December 23, 2006. This notice is routinely issued to all Nasdaq-listed companies when required periodic filings have not been made with the SEC on a timely basis.

As previously announced, the Nasdaq Listing Qualifications Panel has granted Maxim's request for an extension of time to file its delinquent periodic reports. Pursuant to the extension, Maxim's common stock will continue to be listed on Nasdaq subject to the timely provision to Nasdaq of certain information concerning the stock option review and filing of the delinquent periodic reports, and any required restatements by March 26, 2007. Maxim may seek an additional extension of time in the event Maxim is not able to meet the March 26, 2007 deadline.

Maxim issued a press release on February 13, 2007 disclosing its receipt of this additional Nasdaq Staff Determination notice. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits.

The following exhibit is filed herewith:

<u>Exhibit No.</u>	<u>Description</u>
