FORDING ANNOUNCES ANNUAL AND SPECIAL MEETING

Trust Reorganization and Unit Split Proposed

CALGARY, March 2, 2005 - Fording Canadian Coal Trust (TSX: FDG.UN, NYSE: FDG) today announced that its Annual and Special Meeting of Unitholders will be held on May 4, 2005 at 10:00 a.m. (MST) in the Alberta Room of the Fairmont Palliser Hotel in Calgary, Alberta. The close of business on March 28, 2005 has been fixed as the Record Date for the determination of those unitholders entitled to receive notice of and to vote at the meeting.

At the Annual and Special Meeting, unitholders will be asked to approve a three-for-one split of the Trust's units. It is anticipated that the unit split will result in a corresponding reduction in the market price per unit making them more affordable for the average investor.

Unitholders will also be asked to provide conditional approval of a two-step reorganization of the Trust and its subsidiaries. The first step would result in the creation of a flow-through structure which would effectively see distributions from Elk Valley Coal Partnership taxed at the unitholder level. The second step, if undertaken, would be a transaction whereby the Trust would acquire a direct interest in the Elk Valley Coal Partnership.

In addition to unitholder approval, completion of each step of the reorganization is subject to receipt of certain regulatory and third-party approvals. A more detailed description of the reorganization and the required approvals will be contained in the Notice of Meeting and Management Information Circular that will be mailed to unitholders in early April in advance of the Annual and Special Meeting.

About Fording

Fording Canadian Coal Trust is an open-ended mutual fund trust. Through investments in metallurgical coal and industrial minerals mining and processing operations, the Trust makes quarterly cash distributions to unitholders. The Trust, through its wholly-owned subsidiary, Fording Inc., holds a 60% interest in the Elk Valley Coal Partnership and is the world's largest producer of the industrial mineral wollastonite. Elk Valley Coal Partnership, comprised of Canada's senior metallurgical coal mining properties, is the world's second largest exporter of metallurgical coal, currently supplying approximately 25 million tonnes of high-quality coal products annually to the international steel industry. The Trust's shares are traded on the Toronto Stock Exchange under the ticker symbol FDG.UN and on the New York Stock Exchange under the symbol FDG.
