Proxy Statement
Annual Meeting of Shareholders
April 16, 2008

Solicitation

The proxy accompanying this statement is solicited by and on behalf of the board of directors of First Citizens Bancshares, Inc. (the "Company") for use at the annual meeting of shareholders to be held April 16, 2008 and any adjournment thereof. The time and place of the meeting is set forth in the accompanying notice of meeting.

We will pay the expense of preparing, assembling, printing and mailing the proxy statement and materials used in the solicitation of proxies for the meeting. We will solicit proxies principally through use of the mail, but our officers, directors and employees may solicit proxies personally or by telephone, without receiving special compensation therefor. Brokers, custodians, and similar parties will be requested to send proxy material to beneficial owners of stock and will be reimbursed for reasonable expenses. We anticipate mailing this proxy statement and accompanying proxy to shareholders on or about March 14, 2008.

We will vote all proxies in the accompanying form, which are properly executed and returned to management, in accordance with your directions. You may revoke any proxy you delivered to us at any time before it is exercised if you provide written notice to Judy Long, Secretary of the Company. If you are present at the meeting and wish to vote in person, you may advise the Chairman of your intention to vote in person. In this case, we will suspend powers of proxy holders with respect to your proxy.

If you return your proxy but do not specify how you wish your shares to be voted, we will vote the shares represented by your executed proxy "for" the nominees for election as directors and "for" the ratification of Alexander Thompson Arnold PLLC to serve as the Company's auditors for the year ending December 31, 2008. If any other business is properly presented at the meeting, we will vote your proxy in accordance with recommendations of our board of directors.

Voting Securities

At the close of business February 14, 2008, we had 3,717,593 shares of common stock outstanding and entitled to vote. You are entitled to one vote, in person or by proxy, for each share of common stock you owned as of February 14, 2008, our record date.

In connection with the election of directors, you may cumulate your shares if you are present at the meeting and give notice at the meeting prior to the voting for election of directors, of your intention to vote cumulatively. If you give this notice, then all shareholders eligible to vote will be entitled to cumulate their shares in voting for the election of directors. Cumulative voting allows you to cast a number of votes equal to the number of shares held in your name as of the record date, multiplied by the number of directors to be elected. You may cast votes for any one nominee, or you may distribute your votes among as many nominees as you wish. If cumulative voting is declared at the meeting, we will cumulate votes represented by proxies delivered pursuant to this proxy statement at the discretion of the proxy holder, in accordance with management's recommendation.

If cumulative voting is not declared at the meeting, director nominees will be elected by a plurality of the votes cast in person or by proxy at the meeting.

The ratification of Alexander Thompson Arnold PLLC to serve as the Company's auditors for the year ending December 31, 2008 will require the affirmative vote of a majority of the shares of common stock present or represented by proxy at the meeting.

The approval of all other matters submitted to the shareholders will require the affirmative vote of a majority of the shares of common stock present or represented by proxy at the meeting.

Corporate Governance

Director Independence

A majority of the company's directors are independent as defined below. Katie S. Winchester, Stallings Lipford, Jeffrey D. Agee and Christian E. Heckler are not considered independent directors, as all are executive officers. Also not considered independent are Mr. Ladd who retired as Executive Vice President and Chief Administrative Officer as of December 31, 2006 and Mr. Henson who became a part time employee as of December 31, 2006. Mr. Henson previously served as Chief Credit Officer of First Citizens National Bank. Although Mr. Larry White meets the criteria defined below for independence, the Corporate Governance Committee does not consider Mr. White to be independent because he serves as Managing Partner of First Citizens/White and Associates Insurance Company, LLC, which is a 50% owned subsidiary of the Bank. The Corporate Governance annually reviews relationships that exist between the Company and a director and his or her related interests for the purpose of determining whether the director is independent. The full board conducts this review on directors serving as members of the Corporate Governance Committee. A director is presumed to be independent unless the director (or their immediate family members)

- i. is/was a current/former employee/executive of the Company during the last 3 years;
- ii. is/was a current/former employee/partner of the Company's current or former independent auditors during the last 3 years;
- iii. is an owner, partner, employee, director of an entity with material relationships (makes payments to, or receives payments from the Company which exceed the greater of \$1 million, or 2% of the entity's gross revenues) with the Company, either as a vendor or customer, except in situations where revenues are generated as a result of a competitive bid process in which the board determines the business relationship is in the best interest of the Company; and
- iv. receives more than \$100,000 per year in direct compensation from the Company other than director and related fees.

Board and Committee Meetings

Our board of directors met 6 times in 2007, while the Bank's board of directors held 13 meetings. All directors attended a minimum of 75% of all meetings of the board and committees on which they served during the fiscal year. The Company's board of directors has no specific committees. However, the Bank's board of directors has an Audit Committee and a Corporate Governance/Nominating/Compensation Committee. On April 18, 2007, the board appointed members of the Audit Committee and the Corporate Governance/Nominating/Compensation Committee to serve for one year.

All members of the Audit Committee and the Corporate Governance/ Nominating/Compensation Committee are "independent" as defined in our Corporate Governance Guidelines and as described above in the section entitled "Director Independence." The Audit Committee charter requires members of the committee to be financially literate. No member of the committee would be considered a "financial expert" as defined by Securities and Exchange Commission guidelines.

The Audit Committee held 6 meetings in 2007. The committee's meetings included, whenever appropriate, sessions with independent auditors and the Company's senior internal auditor, in each case without the presence of management.

Directors serving as members of the Corporate Governance Committee also serve as the Nominating and Compensation Committees. The Corporate Governance/Nominating/Compensation Committee met 6 times during 2007.

The Audit Committee charter, the Corporate Governance/Nominating/Compensation Committee charter and the definition of "independence" can be found in the "Investor Relations" section of our website at www.firstcitizens-bank.com.

Although we have no specific policy with regard to attendance by directors of the annual meeting, all directors attended the annual meeting in 2007.

Nominations to the Board of Directors

The Corporate Governance/Nominating/Compensation Committee assists the board in identifying individuals qualified to become directors and recommending to the board nominees to be voted upon at the next annual meeting of shareholders.

Edgar Filing: FIRST CITIZENS BANCSHARES INC /TN/ - Form DEF 14A

The committee has responsibility for the selection and composition of the board. In fulfilling that commitment, the committee seeks members from diverse professional backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. The process for nominees to be proposed for election to the board other than those made by the existing board is discussed in detail in the section entitled "Proposals by Shareholders/Director Selection."

Audit Committee Report

Members of the Audit Committee listed below report as follows:

- ◆ The Audit Committee has reviewed and discussed the financial statements with management.
- ◆ The Audit Committee has discussed with independent auditors matters required to be discussed by the statement on Auditing Standards No. 61, as amended.
- ◆ The Audit Committee has received written disclosures and the letter from independent accountants required by Independence Standards Board Standard No. 1 and has discussed with independent accountants the independent accountants' independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Company's board of directors that the audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2007 and filed with the Securities and Exchange Commission.

No member of this committee is an officer of the Company, the Bank or any of its subsidiaries and all are considered independent based on guidelines described above. No member of the Compensation Committee serves on the compensation committee of any other publicly held company.

Compensation Discussion and Analysis

Our compensation programs are designed to align compensation with business objectives and performance, and to enable us to attract, retain and reward executive officers who contribute to success of the Company. In order to link pay to performance, we provide an executive compensation program that includes base pay, annual incentive bonuses and retirement benefits through contributions to our Employee Stock Ownership and 401(k) plans. In addition, all executive officers except for the Chief Financial Officer are provided life insurance during the term of their employment and in post-retirement periods. Life insurance benefits for the Chief Financial Officer are limited to the term of employment.

Base Salary

Subject to approval of the Compensation Committee, executive officer base salaries are set annually contingent upon job-related experience, individual performance and pay levels of similar positions at peer institutions. We compare peer salary levels for specific positions as published in annual salary surveys conducted by the American Bankers Association, Tennessee Bankers Association and Bank Administrative Institute of banks of similar asset size. We initially determine base salaries for new executive officers by evaluating responsibilities of the position, considering the experience of the individual and referring to the competitive marketplace for experienced executive talent in the financial services industry.

Incentive Compensation Plan

The Chief Executive Officer, Chief Financial Officer and other executive officers are eligible for cash bonuses. The incentive plan provides bonus cash compensation based on pre-determined corporate, business unit and individual performance goals. The level of incentive compensation for executive officers is based on return on equity with a minimum qualifying pre-bonus return on equity of 13.34%. Once an incentive level is determined, 25% of each individual's total incentive pay is based on the individual meeting specific personal business development goals.

Retirement Contributions

Percentage contributions to our Employee Stock Ownership and 401(k) plan are determined by the executive officer's base salary plus incentive compensation.

Executive Management Life Insurance Plans

Executive Management Life Insurance Death Benefit Only Salary Continuation Plans provided for in executive employment agreements for Ms. Winchester, Mr. Agee, Ms. Long, Mr. Ladd, and Mr. Henson were replaced in December 2007 with Endorsement Split Dollar Life Insurance Plans. Each of these participants also participates in the Bank's larger group bank owned life insurance plan which offered Endorsement Split Dollar Life Insurance Plans to officers in the position of Vice President and higher. The new agreements combine the benefits from both plans but do not change the total after-tax death benefit provided to each participant.

Imputed Income Tax Reimbursement Agreements also became effective January 1, 2008 and were entered into in order to keep the participants at the same after-tax benefit under the Amended and Restated Split Dollar Agreements. Thus, Imputed Income Tax Reimbursement Agreements provide for annual cash payments to the participants until death beginning in March 2009 for the 2008 tax year in amounts equal to the a portion of the amount of the federal and state income taxes attributable to the income imputed to the participant on the benefit under the Amended and Restated Split Dollar Agreement.

Executive Employment Contracts

Edgar Filing: FIRST CITIZENS BANCSHARES INC /TN/ - Form DEF 14A

Executive employment agreements are currently in effect for Mr. Agee, Ms. Long, Ms. Winchester, Mr. Lipford and Mr. Henson. Agreements for Mr. Agee and Ms. Long include severance provisions in the event the executive officer is terminated for cause or voluntarily leaves the employment of the Bank. Under these circumstances, the executive officer would be entitled to receive his base salary at the annual rate up to the termination date, a pro-rata portion of any bonus earned prior to the date of termination, plus any amounts due under any other benefit plans in effect at the date of termination.

Employment agreements for Mr. Agee and Ms. Long also include severance provisions in the event that he or she is terminated in connection with a change of control. In these circumstances the executive officer would receive severance pay in an amount equal to two times compensation paid in the preceding calendar year, or scheduled to be paid to the executive officer during the year of the notice of termination, whichever is greater, plus an additional amount sufficient to pay United States income tax on the salary amount so paid under the agreement. The following table represents amounts that would be due these executive officers in the event of a change in control based upon 2007 compensation and a tax rate of 35 percent:

Jeffrey D. Agee	\$	795,674
Judy Long	\$	664,902

The executive employment agreement for Ms. Winchester was amended and restated effective January 1, 2008 to provide for part-time employment. The term of employment under the new contract ends December 31, 2011 unless earlier terminated pursuant to the contract. The contract provides for annual base compensation of \$200,000 that includes payment of premiums on Executive's Long Term Care Insurance. Ms. Winchester will not participate in Incentive Compensation Plans that may be offered to other officers of the Company. Additional benefits include payment of premiums on health insurance, and a monthly allowance to cover automobile expenses for Bank related travel. Executive will be afforded participation in the ESOP and 401(k) contribution plans. In addition, Ms. Winchester will serve as a member of the board during the term of her employment for so long as shareholders continue to elect her.

The executive employment agreement in effect for Mr. Lipford provides for terms and conditions of part-time employment. Mr. Lipford's contract was amended effective January 1, 2008 to remove the severance provisions related to termination in connection with a change in control and to modify his annual compensation for 2008 to \$119,075 which consists of salary in the amount of \$115,461 and premiums for long-term care insurance in the amount of \$3,614. Mr. Lipford, on an annual basis and at the direction of the board, devotes such time to affairs of the Company as deemed appropriate in light of circumstances then existing. During 2007, Mr. Lipford continued to serve as chairman of our executive committee. In addition, Mr. Lipford will serve as a member of the board during the term of his employment for so long as shareholders continue to elect him.

An executive employment agreement is also in effect for Mr. Henson and provides for terms and conditions of part-time employment. Mr. Henson's duties include assisting the Chief Credit Officer in the management and timely elimination of material problem credits. In addition, he will manage the other real estate owned (OREO) properties and support the Chief Credit Officer in succession planning in this area. Mr. Henson will continue to serve as a member of the board during the term of his employment for so long as shareholders continue to elect him.

2007 Compensation for the Chief Executive Officer and Chief Financial Officer

The same philosophies used in determining compensation for executive officers are used in determining compensation for the Chief Executive Officer and Chief Financial Officer. The Compensation Committee establishes compensation of the Chief Executive Officer based on the achievement of specific financial and non-financial objectives. Compensation of the Chief Financial Officer is based on recommendation of the President and Chief Executive Officer subject to review and approval of the Compensation Committee. No specific weighting or formula is used to determine the level of compensation for the Chief Executive Officer or Chief Financial Officer. The committee considers compensation levels for chief executive officer, chief financial officer and other executive officer positions of peer financial institutions as published in annual salary surveys of the American Bankers Association, Tennessee Bankers Association and Bank Administration Institute.

Ms. Winchester served as Chief Executive Officer from 1996 until April 18, 2007. The Chief Executive Officer's base salary has been reviewed and set by the Compensation Committee since 1996. The committee increased Ms. Winchester's base salary to \$280,000 in 2007 from \$264,120 in 2006, which represents a 6% increase. This level of base salary is in line with that of other chief executive officers serving peer institutions having total assets between \$500 million and \$1 billion.

Mr. Agee was appointed Chief Executive Officer on April 18, 2007 and continues to serve as president. Mr. Agee was appointed as president in April 2006. Mr. Agee's base salary for 2007 was \$185,000 compared to \$165,000 in 2006. Mr. Agee's salary was recommended by Ms. Winchester as Chairman and approved by the Compensation Committee. This level of base salary is comparable with that of peer institutions in the State of Tennessee.

Laura Beth Butler has served as Chief Financial Officer since June 2004. The Chief Executive Officer makes recommendations for base salary of all executive officers (other than for Chief Executive Officer) subject to approval of the Compensation Committee. Base salary for the Chief Financial Officer for 2007 was \$100,000 compared to \$88,000 for 2006 which represents a 13.6% increase. This level of base salary is comparable with that of peer institutions in the State of Tennessee.

Edgar Filing: FIRST CITIZENS BANCSHARES INC /TN/ - Form DEF 14A

The annual bonuses of the Chief Executive Officer(s) and Chief Financial Officer are determined based on a pre-defined bonus plan approved by the Compensation Committee. The 2007 and 2006 annual bonuses as reported in this proxy statement were based on the achievement of corporate financial goals, personal business development goals and a pre-bonus return on equity of not less than 13.34%.

The following table discloses the compensation paid to each of the Chief Executive Officer, Chief Financial Officer and our three other most highly compensated executive officers. The following tabulation is for the periods ending December 31, 2007 and 2006:

Director Compensation

Director fees are established by the board on an annual basis. Directors who are executive officers of the Bank or any of its subsidiaries receive fees for service on the board, but do not receive additional compensation for service on a board committee. Fees paid to directors in 2007 for serving on the board were set at \$500 for each meeting attended by each director. In addition in 2007, we paid an annual retainer fee of \$4,000 per director for service on the board of the Company. In addition, annual fees were paid in the amount of \$3,000 to each of Ms. Winchester, Mr. Heckler and

Mr. Agee for service on our Southwest Region Advisory Board. This Advisory Board considers issues specific to customers in our southwest markets.

We pay additional amounts annually for service on various committees. Members of the Audit Committee and Corporate Governance/Nominating/Compensation Committee are each paid \$10,000 with an additional \$2,000 paid to each committee chairman. Outside directors serving on all other board committees are compensated at \$5,000 annually, except Executive Committee members who receive \$10,000 annually.

All director fees are paid in cash. Directors may choose to have their fees donated to a charitable organization qualifying under Section 501(c)(3) of the Internal Revenue Code. Fees designated and paid to such charities are included as "all other compensation" in the Director Compensation Table below, unless otherwise noted.

Certain Relationships and Related Transactions

We conduct certain transactions with executive officers, directors, principal shareholders and their affiliates (collectively referred to hereafter as "related parties" for the purposes of this discussion). Such transactions are conducted under the ordinary course of business and consist primarily of loan and deposit activities. Extensions of credit to related parties are governed by board-approved policies. Such policies are designed and implemented to comply with applicable regulations including but not limited to 12 CFR 215. The Company's board approved Code of Conduct provides guidance regarding transactions with related parties. Written policies and procedures as well as the Code of Conduct require related party transactions to be entered into under substantially the same terms as unrelated party transactions. All non-lending transactions with related parties of a material nature are approved by the board of directors.

Banking transactions in the ordinary course of business with directors, officers, principal shareholders, and their affiliates are on the same terms, including interest rates and collateral on loans, as those prevailing at the time for comparable transactions with others. An affiliate includes a corporation or other entity of which an officer or director of the Company is an officer, partner, or 10% shareholder; any trust or estate of which he is a trustee, executor or significant beneficiary; or any relative or spouse or spouse's relative who lives in his home. These loans do not represent unfavorable features or more than a normal risk of collectibility. These loans aggregated total \$17.2 million and represent approximately 23% of shareholders' equity as of December 31, 2007.

During 2007, the Bank paid approximately \$117,000 to Forcum-Lannom Contractors, LCC for leasehold improvements to facilities for the loan production offices in Jackson and Franklin, Tennessee. Director David R. Taylor owns 40 percent of the company and is president of the company. Forcum-Lannom, Inc., owns 27.5 percent of Forcum-Lannom Contractors, LLC. Director John M. Lannom holds the position of chairman and chief executive officer of Forcum-Lannom, Inc. The Bank seeks competitive bids for construction projects.

Section 16(a) Beneficial Ownership Reporting Compliance

Our officers and directors are subject to reporting requirements of Section 16(a) of the Securities and Exchange Act of 1934. Based solely on a review of relevant filings and representations made to us by these persons, all changes in beneficial ownership of securities by insiders were reported to the Securities and Exchange Commission in 2007 on a timely basis, except for two inadvertent late filings. One was for 740 shares inherited by Milton Magee on April 2, 2007 and the other was for 16,214 shares inherited by G. W. Smitheal III on December 13, 2007.
