PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

To Be Held on April 26, 2006

This Proxy Statement is furnished to the shareholders of Ames National Corporation, an Iowa corporation, (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board") for use at the Annual Meeting of Shareholders to be held on Wednesday, April 26, 2006, at 4:30 o'clock p.m., local time, at Reiman Gardens, 1407 Elwood Drive, Ames, Iowa, and at any adjournment or postponement thereof (the "Meeting"). This Proxy Statement and form of Proxy enclosed herewith are first being sent to the shareholders of the Company entitled thereto on or about March 17, 2006.

Only shareholders of record at the close of business on March 10, 2006 are entitled to notice of and to vote at the Meeting. There were 9,419,271 shares of the Company's common stock (the "Common Stock") outstanding at the close of business on that date, all of which will be entitled to vote at the Meeting. The presence, in person or by proxy, of the holders of a majority of such outstanding shares is necessary to constitute a quorum for the transaction of business at the Meeting. Holders of shares of Common Stock are entitled to one vote per share standing in their names on the record date on all matters to properly come before the Meeting. Shareholders do not have cumulative voting rights. If the holder of shares abstains from voting on any matter, or if shares are held by a broker which has indicated that it does not have discretionary authority to vote on a particular matter, those shares will be considered to be present for the purpose of determining whether a quorum is present, but will not be counted as votes cast with respect to any matter to come before the Meeting and will not affect the outcome of any matter. The Board has appointed an inspector of elections who will be responsible for tabulating the votes by Proxy, counting the votes cast in person at the Meeting and announcing the results of voting.

If the accompanying Proxy is properly signed and returned and is not revoked, the shares represented thereby will be voted in accordance with the instructions indicated thereon. If the manner of voting such shares is not indicated on the Proxy, the shares will be voted **FOR** the election of the nominees for directors named herein. Election of any nominee for director will require the affirmative vote of a plurality of those shares voting at the Meeting in person or by proxy.

The Company will bear the cost of solicitation of proxies. In addition to the use of the mails, proxies may be solicited by officers, directors and regular employees of the Company, without extra compensation, by telephone, e-mail, facsimile or personal contact. It will greatly assist the Company in limiting expense in connection with the Meeting if any shareholder who does not expect to attend the Meeting in person will return a signed Proxy promptly.

A shareholder may revoke his or her Proxy at any time prior to the exercise thereof by filing with the Secretary of the Company at the Company's principal office at P.O. Box 846, 405 Fifth Street, Ames, Iowa 50010, Attn: Secretary, either a written revocation of the Proxy or a duly executed Proxy bearing a later date. A shareholder may also revoke the Proxy by attending the Meeting and voting in person. Attendance at the Meeting without voting in person will not serve as the revocation of a Proxy.

INFORMATION CONCERNING NOMINEES FOR ELECTION AS DIRECTORS

The Board of the Company currently consists of nine members. The Board is divided into three classes for the purpose of electing and defining the terms of office of the directors. The directors shall each serve until their successor is elected and qualified, or until their earlier death, resignation or removal. The Board has no reason to believe that any nominee named in this Proxy Statement will be unable to serve as a director, if elected. INFORMATION CONCERNING THE BOARD OF DIRECTORS

The Board holds regular quarterly meetings and held four such meetings in 2005. During 2005, each director of the Company attended at least 75% of all meetings of the Board and meetings of committees to which such director was appointed.

The Board has established an Audit Committee, a Compensation Committee and a Nominating Committee as standing committees of the Board. Additional information concerning each of the committees and the directors serving thereon follows.

Audit Committee

The Audit Committee is responsible for review of the Company's auditing, accounting, financial reporting and internal control functions and for the appointment, compensation and oversight of the Company's independent accountants. In addition, the Audit Committee is responsible for monitoring the quality of the Company's accounting principles and financial reporting as well as the independence of the Company's independent accountants. The Audit Committee is also required to preapprove any audit or permissible non-audit services to be provided by the independent accountants. The Board has adopted a written charter for the Audit Committee, a copy of which may be accessed on the Company's website at www.amesnational.com. A report of the Audit Committee appears in this Proxy Statement.

During 2005, the Audit Committee consisted of Mr. Walter, who acted as chairman, Ms. Baudler Horras, Mr. Cramer and Mr. Madden, all of whom are independent directors (as determined in accordance with the definition of “independent director” established by the corporate governance rules of the NASDAQ stock market). The Audit Committee met on four occasions during 2005.

Compensation Committee

The Compensation Committee determines and makes recommendations to the Board on all elements of compensation for the Company’s executive officers. A report of the Compensation Committee appears in this Proxy Statement.

During 2005, the Compensation Committee consisted of Mr. Larson, who acted as chairman, Dr. Gustafson and Dr. Jons, all of whom are independent directors (as determined in accordance with the definition of “independent director” established by the corporate governance rules of the NASDAQ stock market). The Compensation Committee met on two occasions during 2005.

Nominating Committee

The Nominating Committee is responsible for evaluating and recommending to the Board the names of nominees for election as directors. The Nominating Committee also reviews and recommends to the Board the desired characteristics of the composition of the Board, including the number of directors, age, experience and other appropriate attributes. The Board has adopted a written charter for the Nominating Committee, a copy of which may be accessed on the Company’s website at www.amesnational.com.

During 2005, the Nominating Committee consisted of Dr. Gustafson, who acted as chairman, Dr. Jons, Mr. Samuelson and Mr. Walter, all of whom are independent directors (as determined in accordance with the definition of “independent director” established by the corporate governance rules of the NASDAQ stock market). The Committee met once during 2005.

Director Compensation

During 2005, each director of the Company was paid a fee of \$1,000 for each regular Board meeting attended (except for Mr. Krieger who received no additional compensation for his services as a director). Directors serving on the Audit Committee, the Compensation Committee, the Nominating Committee and on the Company’s Loan Committee were paid a fee of \$310, with the committee chairman receiving \$400, for each meeting of those committees that the director attended (except for Mr. Krieger who received no additional compensation for his service as a member of the Loan Committee). Directors of the Company (with the exception of Mr. Krieger) who also serve as directors of one or more of the Company’s affiliate banks (the “Banks”) received fees during 2005 for board and committee meetings attended at the Bank level.

Nomination of Directors

The Nominating Committee evaluates and recommends to the Board the names of nominees for election as directors. The Nominating Committee will consider, as part of its nomination process, any nominee submitted by a shareholder of the Company, provided such shareholder has complied with the procedure set forth in the Company's bylaws (the "Bylaws") for the submission of nominees. In order to submit the name of a nominee, a shareholder must provide written notice of such nominee, accompanied by other information concerning the nominee as specified in Section 3.1(c) of the Bylaws, to the Secretary of the Company no less than 120 days prior to the first anniversary of the date of the proxy statement distributed by the Company in connection with the prior year's annual meeting of shareholders. A nomination with respect to the election of directors at the annual meeting of shareholders to be held in 2007 would need to be submitted no later than November 16, 2006. A copy of the relevant provisions of the Bylaws pertaining to nominations may be obtained by contacting the Secretary of the Company or by accessing the Bylaws on the Company's website at www.amesnational.com. A shareholder who has complied with the procedure for submitting the name of a nominee may nominate such individual at an annual meeting notwithstanding that such individual has not been nominated for election by the Board.

On an annual basis, the Board compiles a list of candidates for submission to the Nominating Committee for its evaluation. As noted above, the list of candidates will include any person nominated by a shareholder in compliance with the nomination procedures set forth in the Bylaws. The Nominating Committee may also identify and evaluate any other person that may come to the attention of the Nominating Committee as a candidate for nomination. The Nominating Committee evaluates each candidate utilizing the minimum qualifications specified in the Nominating Committee Charter and taking into account any other information deemed by the Nominating Committee to be relevant to the evaluation process. The evaluation process for director and shareholder nominated-candidates is applied on a uniform basis. The Nominating Committee may, to the extent it deems appropriate, contact other directors not serving on the Nominating Committee, directors and officers of the Banks and any shareholder nominating an individual, to ensure the necessary information is obtained to properly evaluate the desirability of each candidate. Upon completion of the evaluation process, the Nominating Committee will make its recommendations to the Board based upon the desired composition of the Board, review of minimum qualifications and other information deemed by the Nominating Committee to be relevant and the readily ascertainable strengths and weaknesses of each candidate.

The Nominating Committee Charter identifies the following minimum qualifications under which a candidate will be evaluated: (i) the ability to understand financial affairs and complexities of business organizations; (ii) business experience and community involvement in the market areas in which the Banks conduct their business; (iii) although not required, the prior experience of a candidate as a director of one of the Banks; (iv) reputation for high moral and ethical business standards that will add to the stature of the Board; and (v) compliance with the requirements of the Company's age limitation policies. The age limitation policy provides that a newly-nominated director must be under age 65 (unless the nominee also serves as an executive officer of the Company or a Bank) and that a current director will be eligible for re-election only if such director will not be more than 75 years of age at the end of the term for which the director would be re-elected.

Each of the three nominees for election as directors at the Meeting, Mr. Cramer, Mr. Larson, and Mr. Madden, currently serve as directors of the Company and are standing for re-election.

Shareholder Communications

The Board has adopted a process whereby a shareholder may direct written communications to the Board. A shareholder desiring to communicate with the Board may send a written communication addressed to the Board and directed, if by e-mail, to info@amesnational.com with Attention: "Board of Directors" in the subject line or, if sent by regular mail, addressed to Ames National Corporation, P.O. Box 846, 405 Fifth Street, Ames, Iowa 50010, Attention: Board of Directors. Upon receipt of a written communication from a shareholder addressed to the Board in a manner described above, the communication will be reviewed by the Chairman of the Company and the Chairman of the Audit Committee for purposes of determining whether the communication raises an issue of appropriate concern to the Board. Communications raising issues of appropriate concern will be forwarded to each member of the Board for consideration by the Board as a whole. All written communications directed to the Board and submitted in the manner prescribed by the process will, regardless of whether such communication is ultimately submitted to the Board, receive a written response from the Chairman of the Company.

Board Member Attendance at Annual Meetings

The Board has adopted a policy providing that each member of the Board shall use his or her reasonable efforts to attend each annual meeting of shareholders of the Company, giving appropriate consideration to the business and travel schedule of the director. Each person who was serving as a director of the Company at the time of the annual meeting of shareholders in 2005 attended such meeting.

**REPORT OF THE COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

This report describes the current compensation policy and practices as endorsed by the Board of the Company and the boards of directors of the Banks and the process followed in arriving at 2005 compensation provided to Daniel Krieger, Chairman and President of the Company, and the executive officers of the Banks identified in the preceding Summary Compensation Table (collectively, the “executive officers”). Decisions regarding the compensation of Mr. Krieger are made by the Board of the Company upon recommendation of the Compensation Committee of the Board. Decisions regarding the compensation of the other executive officers are made by the board of directors of the particular Bank by which each of the executive officers is employed upon recommendation of the compensation committee of the particular board. Although compensation decisions are made at the Company and Bank levels, as applicable, the Company and the Banks all adhere to the same compensation policies and practices. Accordingly, the following description of the compensation policy and practices of the Compensation Committee of the Board of the Company is equally applicable to the policy and practices of the compensation committee of the particular Bank by which each of the executive officers of a Bank is employed.

Compensation Policy and Practices

The executive compensation program of the Company has been designed to provide a fair and competitive compensation package that will enable the Company to compete for and retain talented executives and encourage superior performance through the award of performance-based compensation. The executive compensation package consists of the following components:

- | | |
|---|--------------------|
| * | base salary |
| * | deferred salary |
| * | performance awards |
| * | benefits |

Executive compensation decisions made by the Compensation Committee are guided by the Management Incentive Compensation Plan (the “MIC Plan”) which provides for the allocation of total salary between base salary and deferred salary and establishes parameters for additional performance awards. Total salary (consisting of base salary and deferred salary) of the executive officer is established on an annual basis by the Compensation Committee. In establishing total salary, the Compensation Committee reviews individual performance, Company and Bank performance (primarily in terms of profitability ratios) as compared to peer groups on both a national and state basis and a compensation survey prepared by the Iowa Bankers Association providing state-wide peer group compensation data for similarly-sized institutions. No specific weight is accorded to the various factors considered, and the total salary established is ultimately a subjective decision on the part of the Compensation Committee. Once total salary has been established, the MIC Plan contains a formula whereby total salary is allocated between base salary (which is paid on a monthly basis and is not contingent on any performance standards) and deferred salary (which is paid only upon satisfaction of certain performance thresholds), as described below.

Under the MIC Plan, the Compensation Committee establishes on an annual basis an earnings threshold which is used to determine the payment of deferred salary and to define eligibility for earning additional performance awards over and above total salary. The earnings threshold is defined by selecting a return on assets target that the Compensation Committee views as representing sufficient performance to enable the executive officer to earn all deferred salary and to become eligible for additional performance awards in the event earnings exceed the threshold. In establishing the earnings threshold, the Compensation Committee reviews and relies primarily on national and state peer group return on asset ratios of financial institutions of similar size. Although the MIC Plan provides that the Company and Banks are generally expected to achieve results above the peer group ratio, the decision concerning the appropriate earnings threshold is ultimately a subjective decision of the Compensation Committee. The MIC Plan also requires the Compensation Committee to establish an earnings “floor” (below which no deferred salary will be earned) and a “ceiling” (which limits the amount of performance award compensation which may be paid during any year). The “floor” and “ceiling” earnings levels are also established on a subjective basis by the Compensation Committee.

Under the MIC Plan, the entitlement to deferred salary and additional performance awards are reviewed and determined on a semi-annual basis, comparing the actual earnings during the two prior calendar quarters against the earnings threshold established under the MIC Plan. If actual earnings are below the threshold, the executive officer will receive only a portion of the deferred salary (or no deferred salary at all if earnings are below the “floor”) and no performance award. If actual earnings exceed the threshold, the executive officer will receive all deferred salary to which he is entitled. In addition, the executive officer will receive his pre-determined percentage of the performance award pool established under the MIC Plan, with such pool being an amount equal to 10% of the amount by which the actual earnings exceed the threshold (subject to the ceiling established by the Compensation Committee).

Each executive officer also receives on an annual basis a contribution to the Ames National Corporation 401(k) Profit Sharing Plan (the “401(k) Plan”) which is a defined contribution plan. Under the 401(k) Plan, an executive officer, along with all other eligible employees of the Company and the Banks, may defer up to fifteen percent of total compensation on an annual basis and will receive a matching contribution from the Company or applicable Bank in an amount of up to two percent of total compensation. An additional contribution of five percent of total compensation (which is subject to a different vesting schedule than the two percent contribution) is made by the Company or applicable Bank to the account of each executive officer, as well as to the accounts of all other eligible employees of the Company and the Banks. In addition, the Board may make a discretionary contribution to the 401(k) Plan which historically has been based on the profitability of the Company and the Banks for the year. Such contribution, if made, is allocated among all eligible employees on a pro rata basis relative to total compensation. All contributions are subject to certain ceilings established by applicable law.

Compensation of Chairman and President

The Compensation Committee used the executive compensation practices described above to determine Mr. Krieger's compensation for 2005. His total salary for 2005 was established at \$298,407 based on a review by the Compensation Committee of his individual performance, Company and Bank performance and the Iowa Bankers Association Annual Salary Survey with respect to the salaries paid to chief executive officers of Iowa-based banks with deposits in excess of \$225 million. Under the MIC Plan, his total salary was allocated between base salary of \$198,240 and deferred salary of \$49,777. He earned all but \$2,049 of the deferred salary to which he was entitled during 2005, based on actual earnings exceeding the thresholds established by the Compensation Committee at the beginning of the year. Mr. Krieger received performance awards in the amount of \$50,390 during 2005, also on the basis of the aggregate earnings of the Banks exceeding the earnings threshold established by the Compensation Committee at the beginning of the year. He also received a contribution in the amount of \$22,491 to the 401(k) Plan, the contributions having been determined in the manner described above.

The undersigned members of the Compensation Committee have submitted this report.
