**PROXY STATEMENT
FOR SPECIAL MEETING OF STOCKHOLDERS**

To Be Held on August 7, 2006

This proxy statement contains information about a Special Meeting of Stockholders of Southwall Technologies Inc. The meeting will be held on Monday, August 7, 2006, beginning at 3:00 p.m., local time, at our principal executive offices at 3788 Fabian Way, Palo Alto, California.

This proxy statement is furnished in connection with the solicitation of proxies by our Board of Directors for use at the Special Meeting and at any adjournment of that meeting. All proxies will be voted in accordance with the instructions they contain. If no instruction is specified on a proxy, it will be voted in favor of Proposal 1 set forth in the notice of the meeting. A stockholder may revoke any proxy at any time before it is exercised by giving our corporate secretary written notice to that effect.

INFORMATION ABOUT THE SPECIAL MEETING AND VOTING

We have included the following discussion of the matter to be presented at the Special Meeting to provide summary answers to some of the questions that you might have about the Special Meeting and the proposal to be presented to our stockholders at the Special Meeting. You are encouraged to read the entire proxy statement. The information below is qualified in its entirety by the full text of this proxy statement.

What is the purpose of the Special Meeting?

At the Special Meeting, stockholders will consider and vote on a proposal to amend our Restated Certificate of Incorporation, as amended, to increase the total number of shares of our capital stock authorized for issuance from 55,000,000 to 115,000,000, and to increase the number of shares of our common stock authorized for issuance from 50,000,000 to 110,000,000.

Why are we asking for an increase in the authorized share amount?

As of June 12, 2006, we have 26,957,001 shares of our common stock outstanding and an additional 12,896,122 shares of our common stock reserved under existing stock plans and for issuance upon the conversion of our Series A 10% Cumulative Preferred Stock, or the Series A shares, leaving only 10,146,877 shares of our common stock remaining unissued or unreserved. The Board of Directors believes that an increase in the number of shares of authorized capital stock and common stock would benefit us and our stockholders by giving us needed flexibility in our corporate planning and in responding to developments in our business. In addition, we are presently considering the implementation of strategic growth plans in connection with which we anticipate the possible need for additional authorized shares for equity financing purposes. These strategic plans include the possible implementation of new technologies, as well as the expansion of our German manufacturing plant. As of the date of this proxy statement, we have not made any commitments for capital expenditures or otherwise entered into any agreements related to such plans. In addition, as of the date of this proxy statement, we have no agreements, understandings or commitments with respect to possible equity or other financing arrangements, and the Board of Directors does not have any definitive plans for issuing any of these shares of common stock.

Who may vote at the Special Meeting?

Only holders of our common stock at the close of business on the record date, July 7, 2006, are entitled to receive notice of, and to vote their shares at, the Special Meeting. As of the record date, there were issued and outstanding [] shares of common stock. Shares of our Series A shares are not entitled to vote on the matters to be presented at the meeting.

How many votes do I have?

At the Special Meeting, you will be entitled to one vote for each share of common stock you held on the record date.

Is my vote important?

Your vote is important regardless of how many shares you own. Please take time to vote. Take a moment to read the instructions below.

How do I vote?

You can vote your shares in four ways. You can vote by mail, over the Internet, by telephone, or in person at the meeting.

You may vote by mail. You may vote by completing and signing the proxy card that accompanies this proxy statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States. The shares you own will be voted according to the instructions on the proxy card you mail. If you return the proxy card but do not give any instructions on a particular matter described in this proxy statement, the shares you own will be voted in accordance with the recommendations of our Board of Directors. The Board of Directors recommends that you vote FOR Proposal 1.

You may vote over the Internet. If you have Internet access, you may vote your shares from any location in the world by following the "Vote by Internet" instructions set forth on the enclosed proxy card.

You may vote by telephone. You may vote your shares by following the "Vote by Phone" instructions set forth on the enclosed proxy card.

You may vote in person. If you attend the meeting, you may vote by delivering your completed proxy card in person or you can vote by completing a ballot. Ballots will be available at the meeting.

May I revoke my proxy?

Yes. Even if you complete and return a proxy, you may revoke it at any time before it is exercised by taking one of the following actions:

- send written *notice* that you wish to revoke your proxy to Sylvia Kamenski, our corporate Secretary, at our address set forth in the Notice of Special Meeting appearing before this proxy statement;

- send us *another* signed proxy with a later date; or

- attend the Special Meeting, notify Ms. Kamenski that you are present, and then vote in person.

If, however, you elect to vote in person at the Special Meeting and a broker or other nominee holds your shares, you must bring to the Special Meeting a legal proxy from the broker or other nominee authorizing you to vote the shares.

What if a broker holds my shares in “street name”?

If your shares are held in “street name” by a bank or other nominee, your bank or nominee, as the record holder of your shares, is required to vote your shares according to your instructions. You should instruct your broker or other nominee to vote your shares by following the procedure provided by your broker or other nominee. Even if you do not give your broker or other nominee instructions as to how to vote on the other proposals described in this proxy statement, your broker or other nominee may be entitled to use its discretion in voting your shares in accordance with industry practice and applicable law. You may also attend the Special Meeting and vote in person. If you elect to vote in person, however, you must bring to the Special Meeting a legal proxy from the broker or other nominee authorizing you to vote the shares.

How many shares must be present in person or by proxy to transact business at the Special Meeting?

Our by-laws require that shares representing a majority of the votes entitled to be cast by the holders of common stock outstanding on the record date be present in person or by proxy at the Special Meeting to constitute a quorum to transact business with regard to each of the proposals. Shares as to which holders abstain from voting as to a particular matter and broker non-votes will be counted in determining whether there is a quorum of stockholders present at the Special Meeting.

How many votes are required to approve the proposals?

The affirmative vote of a majority of the outstanding shares of common stock is required to approve the charter amendment to increase the number of authorized shares.

Abstentions and broker non-votes will not be counted as votes in favor of a proposal, and will also not be counted as votes cast or shares voting on such proposal. Accordingly, abstentions and broker non-votes will have the effect of negative votes with respect to Proposal 1 because this proposal requires the affirmative vote of the holders of a majority of all outstanding shares of common stock.

Who will count the votes?

The votes will be counted, tabulated and certified by our investor communication services firm, Automated Data Processing (“ADP”). A representative of ADP will serve as inspector of elections at the meeting.

What if additional proposals are presented at the Special Meeting?

If other proposals are properly presented at the Special Meeting for consideration, the persons named in the proxy card that accompanies this proxy statement will have the discretion to vote on those proposals for you. As of the date of the mailing of this proxy statement, we do not know of any other proposals to be presented at the Special Meeting.

Will any other business be conducted at the meeting or will other matters be voted on?

The Board of Directors does not know of any other matters that may come before the meeting. If any matter properly comes before the meeting, the persons named in the proxy card that accompanies this proxy statement will exercise their judgment in deciding how to vote, or otherwise act, at the meeting with respect to that matter or proposal.

Where can I find the voting results?

We will report the voting results in our quarterly report on Form 10-Q for the third quarter of 2006, which we expect to file with the Securities and Exchange Commission, or the SEC, on or before November 15, 2006.

How and when may I submit a stockholder proposal for the 2007 Annual Meeting?

If you are interested in submitting a proposal for inclusion in the proxy statement for the 2007 Annual Meeting, you need to follow the procedures outlined in Rule 14a-8 of the Securities Exchange Act of 1934. To be eligible for inclusion, your stockholder proposal intended for inclusion in the proxy statement for the 2007 Annual Meeting of the stockholders must be received by us at our principal corporate offices in Palo Alto, California as set forth below no later than January 5, 2007.

If a stockholder wishes to present a proposal before the 2007 Annual Meeting of stockholders, but does not wish to have the proposal considered for inclusion in the proxy statement and proxy card, the stockholder must also give written notice to us at the address written below. If a stockholder fails to provide timely notice of a proposal to be presented at the 2007 Annual Meeting of stockholders by no later than March 21, 2007, the proxies designated by our Board of Directors will have discretionary authority to vote on that proposal.

Any proposals or notices should be sent to:

Southwall Technologies Inc.

Palo Alto, California 94303
Attention: Secretary

Who will bear the costs of soliciting these proxies?

We will bear the costs of solicitation of proxies. We will reimburse banks and brokers for their reasonable out-of-pocket expense incurred in connection with the distribution of proxy materials.

PROPOSAL NO. 1
AMENDMENT TO CERTIFICATE OF INCORPORATION

The Board of Directors has adopted, subject to stockholder approval, an amendment to our Restated Certificate of Incorporation, as amended (the “Charter”), which amendment is described below.

The Board of Directors has approved, and recommends to the stockholders for adoption, an amendment to our Charter that would increase the total number of shares of our capital stock authorized for issuance from 55,000,000 to 115,000,000, and would increase the number of shares of our common stock authorized for issuance from 50,000,000 to 110,000,000. As of the record date, an aggregate of [_____] shares of common stock were authorized and outstanding and reserved under our stock plans for issuance upon the exercise of options and warrants or the conversion of preferred stock, leaving us with only [_____] shares of our common stock not outstanding or reserved.

The Board of Directors believes that an increase in the number of shares of authorized capital stock and common stock as contemplated by this Proposal would benefit us and our stockholders by giving us needed flexibility in our corporate planning and in responding to developments in the our business. At this time the Board of Directors does not have any definitive plans for issuing these shares of common stock.

Such flexibility might include, without limitation, the issuance and sale of common stock (i) in public or private offerings as a means of obtaining additional capital for our business, (ii) as consideration, in whole or in part, for capital expenditures or for the acquisition of businesses or other assets, (iii) in connection with the exercise of options or warrants or the conversion of convertible securities, (iv) pursuant to any stock option plan or other benefit plan or employment agreement, and (v) in connection with stock splits or dividends and other general corporate purposes. We anticipate that we will require additional funding to adequately finance the growth of our current operations in the U.S. and Germany and to fulfill our strategic objectives. We are presently considering the implementation of strategic growth plans in connection with which we anticipate the possible need for additional authorized shares for equity financing purposes. These strategic plans include the possible implementation of new technologies, as well as the expansion of our German manufacturing plant. As of the date of this proxy statement, we have not made any commitments for capital expenditures or otherwise entered into any agreements related to such plans. In addition, as of the date of this proxy statement, we have no agreements, understandings or commitments with respect to possible equity or other financing arrangements.

The increase in the number of shares authorized for issuance will not have any immediate effect on the rights of existing stockholders. The Board of Directors will, however, have the authority to issue the authorized shares without requiring future stockholders' approval of such issuances, except as may be required by applicable law or exchange regulations. To the extent that additional authorized shares are issued in the future, they will decrease the existing stockholders' percentage equity ownership and, depending upon the price at which they are issued, could be dilutive to the existing stockholders. The holders of common stock have no preemptive rights. The Board of Directors could use the additional shares of common stock to discourage an attempt to change control of our company. The Board of Directors, however, has no present intention of issuing any shares of common stock for such purposes and this Proposal is not being recommended in response to any specific effort of which we are aware to obtain control of our company.

Approval of Proposal No. 1 requires the affirmative vote of the holders of a majority of our outstanding shares of common stock.

The Board of Directors believes that the adoption of the amendment to the Charter is in the best interest of all stockholders and, accordingly, recommends a vote “FOR” Proposal No. 1.

OTHER BUSINESS

We know of no other business that may be presented for consideration at the Special Meeting. If any other matters are properly presented to the Special Meeting, however, it is the intention of the persons named in the accompanying proxy card to vote, or otherwise to act, in accordance with their best judgment on such matters.

The Board hopes that stockholders will attend the Special Meeting. **Whether or not you plan to attend, you are urged to complete, sign and return the enclosed proxy in the accompanying envelope, or vote by Internet or telephone.** A prompt response will greatly facilitate arrangements for the meeting, and your cooperation will be appreciated. Stockholders who attend the Special Meeting may vote their shares personally even though they have sent in their proxies.
