Item 1.01. Entry into a Material Definitive Agreement.

On June 24, 2010, Genco Shipping & Trading Limited (“Genco” or the “Company”) executed a Master Agreement with Bourbon SA (“Bourbon”) under which the Company is to purchase 16 drybulk vessels, including two newbuildings, for an aggregate price of \$545 million. The purchases are subject to the completion of customary additional documentation and closing conditions, and the transfer to the Company of time charters attached to certain of the vessels is subject to the charterers’ consent.

Genco intends to retain 13 of the 16 vessels, 12 of which are expected to be delivered to Genco in the third quarter of 2010, with the remaining vessel scheduled to be delivered in the first quarter of 2011. Genco has determined not to retain three of the 16 vessels, including one newbuilding. Therefore, upon delivery of these vessels, which is expected in the third and fourth quarters of 2010, Genco plans to immediately resell them at Genco’s aggregate purchase price of approximately \$105 million to Maritime Equity Partners LLC (“MEP”), a company controlled by Genco’s Chairman, Peter C. Georgiopoulos. The Company expects to enter into definitive agreements with MEP for this purpose. An independent committee of Genco’s board of directors reviewed and approved this transaction.

Genco plans to finance the acquisition of these vessels using bank debt for approximately 60% of the purchase price, cash on hand, and up to \$150 million of capital markets financing in the debt, equity-linked and equity markets, depending on which is more attractive at the time. Also, under the terms of the Master Agreement, Bourbon will use its best efforts to arrange for certain credit facilities used to finance the vessels to be transferred to Genco. If Genco does not obtain financing sufficient for the acquisition by July 13, 2010, Genco may cancel the acquisition, subject to payment of a \$5 million fee in accordance with the terms and conditions of the agreement. Genco entered into an escrow agreement with Bourbon and one of its affiliates on June 21, 2010 under which this \$5 million amount was placed into escrow.

Item 7.01. Regulation FD Disclosure.

Attached and incorporated herein by reference as Exhibit 99.1 is a copy of a press release of the Company reporting entry into the Master Agreement to acquire the 16 drybulk vessels as described above.

In addition, the Company today disclosed that its projected cash as of June 30, 2010 would be \$154.4 million, after giving effect to the payment of an aggregate of \$60.6 million in deposits for the Metrostar and Bourbon vessel acquisitions.

The information set forth under this Item 7.01, including Exhibit 99.1 to this Current Report on Form 8-K, shall not be deemed “filed” for purposes of Section 18 of the Securities Act of 1934, as amended, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.
