1. To elect three directors nominated by the Company’s Board of Directors to serve until the Company’s fiscal 2016 annual meeting of shareholders and until their successors are elected and qualified;
2. To ratify the appointment of Wipfli LLP as the Company’s independent auditors for the Company’s fiscal year ending July 31, 2013; and

Holders of a majority of the outstanding shares must be present in person or by proxy in order for the meeting to be held. Shareholders are urged to vote by completing and returning the accompanying proxy in the enclosed envelope, by a telephone vote or by voting electronically via the internet, whether or not they expect to attend the annual meeting in person. Instructions for telephonic and electronic voting are contained in the accompanying proxy. If you attend the meeting and wish to vote your shares personally, you may do so by revoking your proxy at any time prior to the voting thereof. PROXY STATEMENT

The Board of Directors of ARI Network Services, Inc. (the “Company”) submits the enclosed proxy for the annual meeting to be held on the date, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Each shareholder of record at the close of business on October 30, 2012 will be entitled to one vote for each share of Common Stock registered in such shareholder’s name. As of October 30, 2012, the Company had outstanding 8,160,550 shares of common stock, par value \$0.001 (the “Common Stock”). The presence, in person or by proxy, of a majority of the shares of Common Stock outstanding on the record date is required for a quorum at the meeting. This proxy statement and the accompanying proxy and Annual Report to Shareholders are being sent to the Company’s shareholders commencing on or about December 4, 2012.

Any shareholder executing and delivering the enclosed proxy may revoke the same at any time before it is voted by advising the Secretary of the Company in writing of such revocation (including executing a later-dated proxy) or by voting via the Internet or by telephone.

Unless otherwise directed, all proxies will be voted as follows:

- FOR the election of the three individuals nominated by the Company’s Board of Directors to serve as directors; and
- FOR the ratification of the appointment of Wipfli LLP as the Company’s independent auditors for the Company’s fiscal year ending July 31, 2013.

Under the Company’s Amended and Restated By-Laws, directors are elected by a plurality of votes cast at the meeting (assuming a quorum is present). In other words, the nominees receiving the largest number of votes will be elected. Any shares not voted, whether by withheld authority, broker non-vote or otherwise, will have no effect on the election of directors except to the extent that a failure to vote for an individual results in another individual receiving a larger number of votes. Any votes attempted to be cast “against” a candidate are not given legal effect and are not counted as votes cast in an election of directors. The other proposal will be approved if the affirmative votes exceed the votes cast against. Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present at the meeting but are not affirmative votes or votes against and, therefore, will have no effect on the outcome of the voting.

IMPORTANT NOTICE REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON JANUARY 8, 2013

The Company’s Annual Report to Shareholders, including this proxy statement, is available at www.proxyvote.com.

and as a member of the Audit, Compensation and Nominating Committees has provided him with a deep understanding of the business of the Company and makes him a valuable member of the Board of Directors.

CORPORATE GOVERNANCE

The Board of Directors held 17 meetings in fiscal 2012. Each director attended 75 percent or more of the combined number of meetings of the Board and of the committees on which such director served. While the Company has not adopted a formal policy requiring Board members to attend the annual meeting, all directors are encouraged to attend. All of the Company's directors who were members of the Board of Directors on the date of the annual meeting of shareholders held in December 2011 attended the meeting.

The positions of Chairman of the Board and Chief Executive Officer of the Company are currently separate, with Mr. Dearing serving as Chairman of the Board and Mr. Olivier serving as President and Chief Executive Officer. The Company believes this leadership structure is appropriate at this time because it allows the Company to fully benefit from the leadership ability, industry experience and history with the Company that each of these individuals possesses.

The Board of Directors currently does not have a formal process for shareholders to send communications to the Board of Directors. Nevertheless, efforts are made to ensure that the views of shareholders are heard by the Board of Directors or individual directors, as applicable, and that appropriate responses are provided to shareholders on a timely basis. The Board of Directors believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board of Directors. However, shareholders wishing to formally communicate with the Board of Directors may send communications directly to ARI Network Services, Inc., Attention: Chairman, 10850 West Park Place, Suite 1200, Milwaukee, Wisconsin 53224. The Chairman will review such communications and, if appropriate, forward such communications to other Board members.

The Company's Board of Directors has established an Audit Committee that currently is composed of Mr. Mortimore (chairman), Mr. Johnson and Mr. Poseidon. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which was attached as Appendix A to the proxy statement for the Company's annual meeting of shareholders held in December 2011. Information regarding the functions performed by the Audit Committee, its membership, and the number of meetings held during fiscal 2012 is provided in the "Report of the Audit Committee" included in this proxy statement. The members of the Audit Committee are independent under the listing standards of the NASDAQ Stock Market regarding the independence of directors, including Audit Committee members. The Board of Directors has determined that Mr. Mortimore is an "audit committee financial expert" and is "independent" as those terms are defined under the Securities and Exchange Commission ("SEC") regulations and the listing standards of the NASDAQ Stock Market.

The Company's Board of Directors has established a Compensation Committee that currently is composed of Mr. Bridge (Chairman), Mr. Poseidon and Mr. Luden, each of whom is "independent" as such term is defined under the listing standards of the NASDAQ Stock Market. Ted C. Feierstein, who resigned from the Board in June 2012, also served as a member of the Compensation Committee during fiscal 2012. The duties of the Compensation Committee are to approve all executive compensation, to administer the Company's 2000 Employee Stock Purchase Plan, the 1993 Director Stock Option Plan, the 2000 Stock Option Plan, the 2010 Equity Incentive Plan and the 2010 Employee Stock Purchase Plan, and to recommend director compensation for approval by the entire Board. The Compensation Committee does not have a written charter, and does not engage the services of a compensation consultant in determining or recommending the amount or form of executive or director compensation. However, the Compensation Committee does rely on several third party services for compensation information.

The Company's chief executive officer makes recommendations to the Compensation Committee regarding the numbers of options to be granted to the Company's executive officers and other employees based in part on input he receives from the Company's human resources personnel. The chief executive officer also makes recommendations to the Compensation Committee with respect to other executive compensation, though he recuses himself from portions

of Compensation Committee meetings during which his own compensation is discussed. The Company's chief financial officer has historically made recommendations to the Compensation Committee regarding director compensation. The Compensation Committee met five times during fiscal 2012.

The Company's Board of Directors has also established a Nominating Committee that is currently composed of Mr. Mortimore (Chairman), Mr. Bridge and Mr. Poseidon, each of whom is "independent" as such term is defined under the listing standards of the NASDAQ Stock Market. The Board of Directors has adopted a written charter for the Nominating Committee, a copy of which was attached as Appendix B to the proxy statement for the Company's annual meeting of shareholders held in December 2011. The duties of the Nominating Committee include, among others: developing guidelines for selecting candidates for election to the Board of Directors, and periodically reviewing such guidelines; recommending to the Board of Directors the nominees to stand for election to or to fill vacancies on the Board of Directors; identifying new candidates for Board membership; coordinating self-evaluations of the Board of Directors and its committees; developing corporate governance guidelines; and developing director and officer succession plans. The Nominating Committee met two times during fiscal 2012.

The Nominating Committee and the Board of Directors will consider candidates for director that are nominated by shareholders in accordance with the procedures set forth in the Company's by-laws. Under the by-laws, nominations, other than those made by the Board of Directors, must be made pursuant to timely notice in proper form to the secretary of the Company. To be timely, a shareholder's request to nominate a person for director, together with the written consent of such person to serve as a director, must be received by the secretary of the Company at the principal office not later than 90 days and not earlier than 150 days prior to the anniversary date of the annual meeting of shareholders in the immediately preceding year. To be in proper written form, the notice must contain certain information concerning the nominee and the shareholder submitting the nomination.

The Nominating Committee and the Board of Directors will also consider proposed nominees whose names are submitted to it by shareholders. However, it does not have a formal process for that consideration because it believes that the informal consideration process has been adequate given the historical lack of shareholder director nominations. The Nominating Committee and the Board of Directors intend to review periodically whether a formal policy should be adopted.

The Board of Directors has generally identified nominees based upon suggestions by non-management directors, management members and/or shareholders. Under the guidelines set forth in its charter, the Nominating Committee and other directors recognize that the contribution of the Board of Directors depends not only on the character and capacities of the directors taken individually but also on their collective strengths. It is the Nominating Committee's policy that the Board should be composed of directors who bring a variety of experience and backgrounds; who will form a central core of business executives with substantial senior management experience and financial expertise; who represent the balanced interests of the shareholders as a whole and the interests of the Company's stakeholders; a majority of whom are independent under the listing standards of the NASDAQ Stock Market; who reflect a diversity of experience, gender, race and age; and whose experience and backgrounds are relevant to the Company's business operations and strategy. The Board of Directors does not evaluate proposed nominees differently based on who made the proposal.

Code of Ethics

The Company has adopted a code of ethics that applies to all employees, including our principal executive officer, principal financial officer, principal accounting officer or controller and persons performing similar functions. The code of ethics is designed to promote honest and ethical conduct, including the ethical handling of conflicts of interest, compliance with applicable laws, and full, accurate, timely and understandable disclosure in reports we send to our shareholders or file with the SEC. Violations of the code of ethics are to be reported to the Audit Committee. A copy of the code of ethics may be obtained, without charge, by sending a request to ARI Network Services, Inc., Attention: Chief Financial Officer, 10850 West Park Place, Suite 1200, Milwaukee, Wisconsin 53224.

Board Oversight of Risk

The Audit Committee is responsible for assisting the Board of Directors with its oversight of the performance of the Company's risk management functions including periodically reviewing and discussing with management the Company's major financial risk exposures and the steps that management has taken to assess, monitor and control such exposures and periodically reporting to the Board of Directors on its activities in this oversight role.

Stock Option Grants. All of the Company's employee stock option grants qualify as incentive stock options up to the \$100,000 per year limitation and, with limited exceptions, vest 25% per year on July 31, provided the participant is an employee of the Company at such date. Options are exercisable up to ten years after the date of grant, one year from the date of a termination of employment upon death or disability of the participant, 90 days from the date of termination for any reason other than "cause" or immediately upon termination for "cause."

Annual Incentive Compensation. The annual component of the Company's Management Incentive Bonus Plan ("MIBP") provides for annual cash incentives for the participants, which, in fiscal 2012, included Mr. Olivier, Mr. Janecek and Mr. Lintvet, among others. The amount of the annual incentive opportunity was based on two management bonus objectives ("MBOs") for each of the four fiscal quarters agreed upon by the executive officer and the chief executive officer (or Compensation Committee for the CEO) at the beginning of fiscal 2012. Each employee's objectives are designed to align with the Company's core values.

Under the MIBP for fiscal 2012, participants were eligible for a payout of up to 100% of the quarterly incentives based on achievement of performance toward each of the established objectives. At the end of the fiscal year, participants employed by the Company became eligible for an additional payment (subject to a maximum of 150%) based on the Company's overall performance against its MBOs. The combined results for the fiscal year ended July 31, 2012 under the annual incentive arrangements described above resulted in payouts ranging from 0% to 75% of the participants' target incentive amounts for the fiscal year ended July 31, 2012, as follows: Mr. Olivier—63%; Mr. Janecek—63%; and Mr. Lintvet—25%.

Equity Performance Bonus Plan. In October 2011, the Compensation Committee adopted a new equity performance bonus plan pursuant to which participants are eligible to receive an award of restricted shares of Common Stock based on the per share market price of the Common Stock on a pre-determined date.

While the Compensation Committee intends to designate other executive officers as participants in the equity performance bonus plan for future fiscal years, Mr. Olivier was the only participant during fiscal 2012. Under the plan for fiscal 2012, Mr. Olivier was eligible to receive an award of restricted stock with a grant date fair value of \$150,000 if the closing price per share of Common Stock on July 31, 2012 was at least \$3.00. The closing price per share on July 31, 2012 was less than \$3.00 and, as a result, the condition was not met. The Compensation Committee had the ability, in its discretion, to grant Mr. Olivier a number of shares of restricted stock based on the Compensation Committee's subjective assessment of the Company's performance against key financial targets, investor relations program activity, peer group comparisons and other subjective factors as the Compensation Committee may deem appropriate in its discretion.

Agreements with Named Executive Officers

Mr. Olivier. Effective October 31, 2011, the Company entered into an amended and restated employment agreement with Mr. Olivier. The term of the amended and restated employment agreement is three years, subject to earlier termination in accordance with its terms. Following the three-year term, the amended and restated employment agreement will automatically be renewed for successive one-month periods unless terminated by Mr. Olivier or the Company's Board of Directors at least 30 days prior to the third year of the employment term or prior to the commencement of each renewal term.

The amended and restated employment agreement provides that Mr. Olivier will receive an annual salary of \$250,000, subject to annual review and adjustment by the Compensation Committee of the Company's Board. During the term of the amended and restated employment agreement, Mr. Olivier will continue to be eligible to participate in the MIBP and is eligible to participate in stock option plans and grants, if any, that are offered to senior executive/officer employees of the Company, and will be entitled to receive perquisites and benefits provided by the Company to its senior executives, subject to applicable eligibility criteria.

In the event that Mr. Olivier is terminated without "cause," by death or "disability" or for "good reason" (as such terms are defined in the amended and restated employment agreement), the amended and restated employment agreement provides that Mr. Olivier will have the right to receive any unpaid base salary and any earned but unpaid bonus due to him as of the effective date of the termination. In addition, in the event Mr. Olivier is terminated without "cause" and for "good reason," or if the Company does not renew the amended and restated employment agreement under such circumstances, he will have the right to receive (1) his base salary, at the rate in effect at the time of termination, for one year following the date of termination; (2) a bonus for the fiscal year in which the termination occurs, equal to the average of his annual bonus for the three fiscal years ending prior to the effective date of the termination; and (3) acceleration of all of his outstanding unvested options as of the date of the termination. If Mr. Olivier is terminated for "cause" or if he resigns from employment with the Company, or if the amended and restated employment agreement is not renewed by Mr. Olivier, he will have the right to receive any unpaid base salary and any earned but unpaid bonus due to him as of the effective date of the termination. If Mr. Olivier retires in accordance with any retirement plan or policy for senior executives adopted by the Company, he will have the right to receive any unpaid base salary and any earned but unpaid bonus due to him as of the effective date of the termination, and any additional benefits provided under the retirement plan or policy.

The amended and restated employment agreement also provides that the Board will nominate Mr. Olivier to serve as a director of the Company during the term of the amended and restated employment agreement, upon each expiration of Mr. Olivier's term as a director, and will use its best efforts to encourage the shareholders to elect him as a director of the Company. The amended and restated employment agreement contains customary confidentiality, non-competition and non-solicitation and other provisions.

Mr. Janecek. In connection with his appointment as the Company's Chief Financial Officer, on December 10, 2010, the Company entered into an employment agreement with Mr. Janecek. The term of Mr. Janecek's employment under the agreement is for an indefinite period and the agreement may be terminated by either party at any time and for any reason or for no reason upon written notice to the other party.

The employment agreement provides that Mr. Janecek will receive an annual salary of \$200,000, subject to annual review and adjustment by the Compensation Committee. Mr. Janecek is eligible to participate in the MIBP; and is entitled to receive perquisites and benefits provided by the Company to its senior executive employees, subject to applicable eligibility criteria. Also pursuant to his employment agreement, Mr. Janecek was, upon the approval of the Compensation Committee, granted an option to purchase 50,000 shares of the Company's common stock pursuant to the terms of an award agreement between Mr. Janecek and the Company.

In the event that Mr. Janecek is terminated without “cause” (as defined in the agreement) or in connection with Mr. Janecek’s death or disability, or if Mr. Janecek resigns his employment with the Company for “good reason” (as defined in the agreement), the agreement provides that Mr. Janecek will have the right to receive any unpaid base salary and any earned but unpaid bonus due to him as of the effective date of the termination. In addition, in the event of a termination without cause or for good reason, Mr. Janecek will be entitled (contingent upon his execution of a severance agreement) to receive his base salary as then in effect for nine months following the effective date of the termination and a pro rated bonus payment. If Mr. Janecek is terminated for “cause” or if he resigns his employment with the Company without good reason, he will have the right to receive any unpaid base salary with respect to the period prior to the date of termination and any earned but unpaid bonus due to him as of the effective date of termination.

Mr. Lintvet. On December 12, 2011, the Company entered into an employment agreement with Mr. Lintvet. The term of Mr. Lintvet's employment under the agreement is for an indefinite period and the agreement may be terminated by either party at any time and for any reason or for no reason upon written notice to the other party.

The employment agreement provides that Mr. Lintvet will receive an annual salary of \$165,000, subject to annual review by the Company's President and/or CEO as approved by the Company's Board. Mr. Lintvet is eligible to participate in the MIBP; and is entitled to receive perquisites and benefits provided by the Company to its senior executive employees, subject to applicable eligibility criteria. Mr. Lintvet will also be eligible during the term of his employment agreement to participate in stock option and equity plans and grants, if any, that are offered to senior executive officers of the Company, as determined by the Compensation Committee and approved by the Board from time to time.

In the event that Mr. Lintvet is terminated without "cause" (as defined in the agreement) or in connection with Mr. Lintvet's death or disability, or if Mr. Lintvet resigns his employment with the Company for "good reason" (as defined in the agreement), the agreement provides that Mr. Lintvet will have the right to receive any unpaid base salary and any earned but unpaid bonus due to him as of the effective date of the termination. In addition, in the event of a termination without cause or for good reason, Mr. Lintvet will be entitled (contingent upon his execution of a severance agreement) to receive his base salary as then in effect for nine months following the effective date of the termination and a pro rated bonus payment. If Mr. Lintvet is terminated for "cause" or if he resigns his employment with the Company without good reason, he will have the right to receive any unpaid base salary with respect to the period prior to the date of termination and any earned but unpaid bonus due to him as of the effective date of termination.

Change of Control Agreements. The Company has entered into Change of Control Agreements ("Change of Control Agreements") with each of its executive officers. The Change of Control Agreements are intended to reduce the incentive for officers not to support a transaction that is beneficial to shareholders for fear that their employment would be terminated, to retain the services of these officers and to provide for continuity of management in the event of any "Change of Control," as defined below. These Change of Control Agreements provide that each officer shall receive severance benefits equal to two times the sum of salary and targeted bonuses and medical and dental plan continuation for two years if, within two years following a "Change of Control," as defined below, the officer's employment is terminated without cause or by the executive for good reason. For this purpose, "good reason" is defined to include: (i) a material diminution of or interference with the officer's duties and responsibilities; (ii) a change in the principal workplace of the officer to a location outside of a 50-mile radius from Milwaukee, Wisconsin; (iii) a reduction or adverse change in the salary, bonus, perquisites, benefits, contingent benefits or vacation time previously provided to the officer; or (iv) an unreasonable increase in the workload of the officer. In addition, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. If the officer leaves ARI for any other reason, within two years following a Change of Control, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. The officer is under no obligation to mitigate amounts payable under the Change of Control Agreements. In addition, upon a Change of Control, all stock options and similar awards become immediately vested and all deferred compensation becomes payable.

For purposes of the Change of Control Agreements, a “Change of Control” means any of the following events: the acquisition (other than from the Company) by any individual, entity or group, subject to certain exceptions, of beneficial ownership, directly or indirectly, of 50% or more of the combined voting power of the Company’s then outstanding voting securities; (ii) a merger, consolidation, share exchange, or sale or disposition of substantially all of the assets of the Company; or (iii) approval by the Company’s shareholders of a complete liquidation or dissolution of the Company.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under standards of the Public Company Oversight Board (United States). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including matters in the written disclosures required by the Independence Standards Board and considered the compatibility of non-audit services with auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit.
