Human Resources and Compensation Committee

Mr. Ian Kaufthal, Chair

Mr. Wayne A. Hinman

Audit Committee

In addition, the Company's Board of Directors amended, effective as of August 31, 2016, the Company's Corporate Governance Guidelines governing the eligibility of persons to serve as Directors of the Company. The amended Corporate Governance Guidelines will prohibit a Director from sitting on the board of directors of more than five public companies; provided however, that any Director who is a chief executive officer of a public company may sit on the board of directors of no more than two public companies other than the company for which he or she serves as chief executive officer. A copy of the Company's revised Corporate Governance Guidelines will be available as of the effective date on the Company's website at <http://investor.tronox.com/corporate-governance.cfm>.

Furthermore, the Board authorized the retention of a compensation/governance consultant to review and recommend appropriate modifications to the Company's existing executive compensation program as well as the Company's Constitution and Management Equity Incentive Plan. The Company is committed to ensuring its executive compensation reflects an appropriate "pay for performance" relationship and is consistent with current trends and best practices. In addition, the retained third party expert will review the Company's Constitution and other governance documents and recommend appropriate modifications to bring the Company's governance closer to its shareholders' interests. As such, the Company intends to hold in the fourth quarter of 2016 a special meeting of shareholders for the primary purpose of amending certain provisions of its Constitution, including changing the voting requirement for electing directors at the annual shareholder meeting from plurality to majority voting. By holding such a special shareholder meeting, changes adopted by the shareholders will be applicable to the re-election of all directors at the next Annual General Meeting of Shareholders. In addition, shareholders will also be asked to approve amendments to certain provisions of the Company's Management Equity Incentive Plan, prohibiting the re-pricing and cash buy-outs of option awards without prior shareholder approval.
