INTRODUCTION

This proxy solicitation comes to you for one very important reason. Your fund, Real Estate Income Fund Inc., is asking you to approve a new Management Agreement which would take effect when the Fund’s investment manager, Citi Fund Management Inc. (“CFM” or the “Advisor”) becomes a subsidiary of Legg Mason, Inc. (“Legg Mason”) pursuant to a deal between Legg Mason, Inc. and Citigroup Inc. (“Citigroup”). In addition, RIT is asking you to approve a new Subadvisory Agreement with AEW Management & Advisors LP (“AEW”) which also would take effect upon consummation of the deal with Legg Mason. As stockholders of the Fund you have the opportunity NOW to make Fund management sit-up and pay attention!

1. **We advocate voting AGAINST approving a new Management Agreement.**
2. **We advocate voting AGAINST approving a new Subadvisory Agreement.**

The Fund is seeking your permission to approve a new Management Agreement and Subadvisory Agreement to take effect after the Advisor becomes a subsidiary of Legg Mason. The Advisor’s parent company, Citigroup, has made a deal with Legg Mason that benefits Citigroup. Karpus Investment Management believes that before the stockholders of the Fund approve a new Management Agreement and Subadvisory Agreement that is part of Citigroup’s deal, we are entitled to have our concerns about the Fund’s potential changes in management personnel and persistent trading discount to net asset value addressed. In short, we believe that shareholders of the Fund are also entitled to receive an economic benefit at this time, before the transaction would occur.

KIM believes that the shareholders of the Fund are not receiving the economic benefits that they should receive if the Fund is managed appropriately. KIM believes that current management has a general fiduciary duty to protect and enhance shareholder value. As part of protecting and enhancing shareholder value, management of the Fund should address the wide discount to net asset value currently being experienced by the Fund. The Board should address this loss of economic value prior to the approval of a new investment management and subadvisory contract.

We believe the Fund’s current portfolio management team has performed well. There is no assurance that personnel of the Advisor will not change or that other managers within Legg Mason will not influence or take over management of the Fund after the Advisor is sold to Legg Mason. What consideration are shareholders being offered to compensate for the risk of a change in investment management? Presumably, Citigroup benefits from this deal. How do we, as shareholders of the Fund, benefit from the proposed new Management Agreement and Subadvisory Agreement?

KIM believes the current Fund management and the Board of Directors of the Fund have not taken adequate measures to close the discount to net asset value that the Fund has historically maintained. We believe a duty of the Board is to enhance shareholder value and that the Board has failed to meet this duty by failing to take steps to mitigate the persistent trading discount.

The following table illustrates the historic discount of the Fund since the Fund’s inception. The source of the data is Bloomberg Inc.

Discount History Since Inception in 2002	
	RIT
IPO	+6.00%
6 Months After	+1.81%
	-5.22%

1 Year

Current
(07/31/05) -13.93%

UNLESS WE PREVENT THE APPROVAL OF A NEW MANAGEMENT AGREEMENT AND SUBADVISORY AGREEMENT, SHAREHOLDERS WHO HAVE NO CONFIDENCE IN THE PROPOSED TRANSACTION WILL HAVE NO BETTER OPTION THAN TO SELL THEIR SHARES.

If large shareholders believe they should sell their shares as a reaction to the new Management Agreement and Subadvisory Agreement, their sales could potentially depress the market price causing the discount to widen further. As can be seen from the table above, the investors that participated in the IPO of this Fund have experienced a tremendous loss of value due to the erosion of the Fund's premium and widening of the discount. The Fund was incepted in 2002 and now, a little more than three years later, it is being asked to migrate to Legg Mason. We believe that we need management that is concerned about narrowing the trading discount and we do not see anything in management's proxy materials that addresses this vital shareholder issue.

It is also the belief of KIM that any shareholder that has sold shares since the period ending six months after the initial price offering has been economically harmed because they sold their shares at a severe discount to the net asset value of the Fund. KIM believes that the Board of Directors has a duty to address and solve this problem now. It is time for action on this issue.

We are not being asked to elect a new Board of Directors at this time. The present Board that has failed to manage the discount of the Fund will remain with the Fund at this point.

AS OUTLINED BELOW, SHAREHOLDERS OF THE FUND HAVE LIMITED OPPORTUNITIES TO MAKE CHANGES IN THE BOARD OR EFFECT OTHER CHANGES IN CONTROL. OUR OPPORTUNITY TO ASSERT OURSELVES IS NOW.

The Fund has provisions in its articles of incorporation and bylaws which limit the ability of other entities or persons to acquire control of the portfolio or to modify its structure. They include the following:

Tiered Board Structure. The Board of Directors is classified into three classes, with terms of one, two, and three years initially and three years thereafter with only one class of Directors standing for election in any year. This prevents replacement of a majority of Directors for up to a two year period. In effect, this means that if KIM wanted to propose new "Independent" Directors to the Fund, it would take at least two years to install a majority of the Board.

Super-Majority Voting Requirements to Remove Directors. Directors can be removed only for cause and by a vote of 75% of the outstanding shares entitled to vote on the matter.

Super-Majority Voting Requirements to Take Certain Actions. The Fund cannot be converted from a closed-end to an open-end investment company without the approval of 75% of the Fund's Directors. In addition, unless 75% of the Fund's continuing Directors approve the transaction, the affirmative vote of the holders of at least 75% of the shares will be required to authorize the Fund's portfolio's conversion from a closed-end to an open-end investment company or generally to authorize any of the following transactions: (i) merge, consolidate or share exchange the Fund's portfolio with or into any other corporation; (ii) dissolve or liquidate the Fund's portfolio; (iii) sell, lease, exchange or otherwise dispose of all or substantially all of the assets of the Fund's portfolios; (iv) change the nature of the business of the Fund's portfolio so that it would cease to be an investment company registered under the 1940 Act; or (v) sell, lease or exchange the Fund's portfolio, in exchange for securities of the portfolio, with any assets of any entity or person (except assets having an aggregate fair market value of less than \$1,000,000). The affirmative vote of at least 75% of the shares will be required to amend the articles of incorporation or bylaws to change any of the foregoing provisions.

Due to the control provisions outlined above, it will be very hard for Shareholders to impose their will upon Fund management following approval of the proposed new Management Agreement and Subadvisory Agreement. This unique opportunity, where management must come to us, should not be allowed to pass. We urge all shareholders to vote against the new Management Agreement and Subadvisory Agreement proposals.

KIM BELIEVES THAT BY NOT APPROVING THE NEW MANAGEMENT AND SUBADVISORY CONTRACTS, STOCKHOLDERS OF THE FUNDS HAVE A UNIQUE OPPORTUNITY TO FORCE THE PRESENT BOARD OF DIRECTORS TO ADDRESS STOCKHOLDER EXPECTATIONS.

IT IS THE OPINION OF KIM THAT THIS MAY BE THE ONLY CHANCE FOR STOCKHOLDERS TO RECEIVE THE ECONOMIC BENEFIT THAT WILL RESULT FROM ACTIVE AND BETTER MANAGEMENT OF THE DISCOUNT! TO DATE, THE BOARD HAS FAILED TO ADDRESS THE SIGNIFICANT DISCOUNT TO NET ASSET VALUE.

Required vote

To become effective, the new Management Agreement and Subadvisory Agreement must be approved by a vote of a majority of the outstanding voting securities of the Fund. The "vote of a majority of the outstanding voting securities" is defined in the Investment Company Act of 1940, as amended, as the lesser of the vote of: (a) 67% or more of the voting power of the voting securities of the Fund that are present at the Meeting or represented by proxy if holders of shares representing more than 50% of the voting power of the outstanding voting securities of the Fund are present or represented by proxy or (b) more than 50% of the voting power of the outstanding voting securities of the Fund.

Other Matters

Other than the proposals described above, we are not aware of any other matters to be brought before the Meeting that affects our Fund. Should other matters be brought before the Meeting, the persons named as proxies in the enclosed GREEN proxy card will vote on such matters in their discretion.

VOTING PROCEDURES

Voting and Revocation of Proxies

For the proxy solicited hereby to be voted, the enclosed GREEN proxy card must be signed, dated and returned to:

Karpus Investment Management
c/o Regan & Associates, Inc.
505 Eight Avenue, Floor 12A
New York, New York 10018

in the enclosed envelope, in time to be voted at the Meeting. If you wish to vote in accordance with our recommendations, you must submit the enclosed GREEN proxy card and must NOT subsequently submit the Fund's proxy card. **IF YOU HAVE ALREADY RETURNED THE FUND'S PROXY CARD, YOU HAVE THE RIGHT TO REVOKE IT AND ALL MATTERS COVERED THEREBY AND MAY DO SO BY SUBSEQUENTLY SIGNING, DATING AND MAILING THE ENCLOSED GREEN PROXY CARD. ONLY YOUR LATEST DATED PROXY WILL COUNT AT THE MEETING.** Execution of a GREEN proxy card will not affect your right to attend the Meeting and to vote in person.

Any proxy may be revoked as to all matters covered thereby at any time prior to the time a vote is taken by: (i) submitting to the Fund or to us a later dated written revocation or duly executed proxy; or (ii) attending and voting at the Meeting in person (mere attendance at the Meeting will not in and of itself constitute a revocation).

Although a revocation of a proxy solicited by the Fund will be effective only if delivered to the Fund, we request that either the original or a copy of all revocations be mailed to Karpus Investment Management, c/o Regan & Associates, Inc., 505 Eight Avenue, Floor 12A, New York, New York 10018, so that we will be aware of all revocations and can more accurately determine if and when the requisite proxies have been received.

Shares of Common Stock represented by a valid unrevoked GREEN proxy card will be voted as specified. Shares represented by a GREEN proxy card where no specification has been made will be voted:

1. **AGAINST** approving a new Management Agreement.
2. **AGAINST** approving a new Subadvisory Agreement.

If any of your shares were held in the name of the brokerage firm, bank nominee, or other institution on the Record Date, only that institution can vote your shares and only upon receipt of your specific instructions. Accordingly, please promptly contact the person responsible for your account at such institution and instruct that person to execute and return the GREEN proxy card on your behalf. You should also promptly sign, date, and mail the voting instructions form (or GREEN proxy card) that your broker or banker sends you. Please do this for each account you maintain to ensure that all of your shares are voted. If any of your shares were held in the name of a brokerage firm, bank, bank nominee, or other institution on the Record Date, to revoke your proxy you will need to give appropriate instructions to such institution. **IF YOU DO NOT GIVE INSTRUCTIONS TO YOUR BROKER OR OTHER NOMINEE, YOUR SHARES WILL NOT BE VOTED.**

Only holders of record as of the close of business on the Record Date will be entitled to vote at the Meeting. If you were a stockholder of record on the Record Date, you will retain your voting rights for the Meeting even if you sell shares after the Record Date. Accordingly, it is important that you vote the shares you owned on the Record Date or grant a proxy to vote such shares, even if you sell some or all of your shares after the Record Date.

Based on publicly available information, the shares of Common and Preferred Stock are the only shares of capital stock of the Fund entitled to notice of, and to vote at, the Meeting. According to the Fund's Annual Report for the period ending December 31, 2004, there were 11,069,242 shares of Common Stock and 2,600 shares of Preferred Stock issued and outstanding. Every holder of shares is entitled to one (1) vote for each share of Common or Preferred Stock held.

Shareholder Approval.

In accordance with the Fund's Amended and Restated Bylaws, at the Meeting, the presence in person or by proxy of stockholders entitled to cast (without regard to class) a majority of all the votes entitled to be cast at such meeting on any matter shall constitute a quorum. Shares represented by proxies that reflect abstentions and Broker non-votes will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. "Broker non-votes" occur when a broker has not received voting instructions from the beneficial owner of the shares and either declines to exercise its discretionary voting authority or is barred from doing so because the proposal is contested. The Broker non-votes will be counted for purposes of determining whether a quorum is present at the Meeting but cannot be voted on matters submitted to a vote without direction of the beneficial owner.

SOLICITATION OF PROXIES

In connection with our solicitation of proxies for use at the Meeting, proxies may be solicited by mail, courier service, advertisement, telephone, telecopier, or other electronic means, and in person. Solicitations may be made in the manner set forth in the Proxy Statement, by certain of the officers or employees of KIM, none of whom will receive additional compensation for such solicitations. We may request banks, brokerage firms, and other custodians, nominees, and fiduciaries to forward all of the solicitation material to the beneficial owners of the shares of the Common and Preferred Stock (if applicable) that they hold of record.

We have retained Regan & Associates, Inc. for solicitation and advisory services in connection with the solicitation of proxies. KIM will pay a fee to be mutually agreed upon between KIM and Regan & Associates, Inc. based on the services provided.

All expenses associated with any solicitation of proxies by KIM in connection with the Meeting will be borne directly by KIM and clients of KIM. KIM intends to seek reimbursement from Citigroup, the Advisor and the Board of Directors, should the proposals be approved. We estimate that the costs incidental to our solicitation of proxies, including expenditures for advertising, printing, postage, legal and related expenses, will be approximately \$50,000. KIM estimates that its costs incurred to date are approximately \$8,000. KIM intends to deliver a proxy statement and form of proxy to holders of at least the percentage of the Fund's voting shares required under applicable law to defeat the proposal to approve the new management agreement.
