Item 4.01 Changes in Registrant’s Certifying Accountant.

On August 21, 2007, Idaho General Mines, Inc. (the “Company”) dismissed Williams & Webster, P.S. (“Williams & Webster”), the Company’s independent registered public accounting firm. The reports of Williams & Webster on the Company’s financial statements for the past two years contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principle. During the period of engagement through such dismissal, there were no disagreements with Williams & Webster on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Williams & Webster, would have caused it to make reference to the subject matter of the disagreements in connection with its reports. During the same period, there have been no reportable events, as that term is defined in Item 304(a) of Regulation S-B.

On August 21, 2007, the registrant engaged PricewaterhouseCoopers LLP (“PwC”), as its new independent registered public accounting firm. The decision to change accountants was approved by the audit committee of the board of directors of the registrant. During the two most recent fiscal years and through August 21, 2007, the Registrant has not consulted with PwC regarding any of the matters described in Item 304(a)(2)(i) or Item 304(a)(2)(ii) of Regulation S-B.

The Company has provided Williams & Webster with a copy of the disclosures it is making in response to Item 304(a) of Regulation S-B. A copy of the letter from Williams & Webster to the Securities and Exchange Commission, dated, August 22, 2007, is attached as Exhibit 16.1 to this report.

Item 9.01 Financial Statements and Exhibits

(d) *Exhibits*
