State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The delay in filing the Form 10-K for the year ended December 31, 2007 is due to a delay in completing the annual audit that could not be avoided without unreasonable effort or expense. The 2007 audit has taken longer than in previous periods due to the following:

- 1. a merger transaction that occurred on August 10, 2007 that resulted in a new combined company with different historical financial statements than those that were included in last year's 10-K (see the Form 8-K filed August 10, 2007 for a detailed description); and
- 2. a change in our fiscal year end from October 31 to December 31 which is that of the acquirer in the August merger transaction.

Edgar Filing: Neonode, Inc - Form NT 10-K

On August 10, 2007, our wholly-owned subsidiary, Cold Winter Acquisition Corporation (Cold Winter Acquisition Sub), consummated a merger and reorganization where Cold Winter Acquisition Sub was merged with and into Neonode, Inc. (Old Neonode) with Old Neonode continuing after the merger as the surviving corporation and our wholly-owned subsidiary (Merger). Our name was subsequently changed from SBE, Inc to "Neonode Inc." and Old Neonode's name was changed from Neonode Inc. to "Cold Winter, Inc." in connection with the completion of the Merger.

Following the closing of the Merger, the business and operations of Old Neonode prior to the Merger became the primary business and operations of our newly-combined company, Neonode, Inc.

For accounting purposes, the Merger was accounted for as a merger with Old Neonode as the accounting acquirer. Thus, the historical financial statements of Old Neonode have become our historical financial statements and the results of operations of our company (formally known as SBE, Inc.) prior to the Merger are not included in this Form 10-K. Thus the audited consolidated financial statements that will appear in our annual report on Form 10-K for the year ended December 31, 2007 (2007 10-K), which cover the fiscal year ended December 31, 2006 and our discussion of our financial condition and results of operations for the year ended December 31, 2006 will reflect Old Neonode's stand-alone consolidated operations. The audited consolidated financial statements and the discussion of our financial condition and results of operations for the year ended December 31, 2007 contained in our 2007 10-K include Old Neonode's results of operations for the twelve month period ended December 31, 2007 and do not reflect any of SBE, Inc's financial information prior to the Merger. Our consolidated financial statements contained in our 2007 10-K include Old Neonode's accounts, those of its wholly-owned subsidiary, Neonode AB, and, from August 10, 2007, our accounts and the accounts of our wholly-owned subsidiary Cold Winter, Inc.

In addition, the company changed its year end from October 31 (which was SBE Inc's fiscal year end) to December 31 (which is Old Neonode's year end) in conjunction with the culmination of the merger transaction.

As a result of the Merger and the accounting treatment being used as a result of the Merger as described above, there will be significant changes in the results of operations from the Form 10-K covering the fiscal year ended October 31, 2006 filed with the Securities and Exchange Commission last year.
