THEREUNDER**

GENESIS HOLDINGS, INC. IS NOT SOLICITING PROXIES IN CONNECTION WITH THE MATTERS DESCRIBED IN THIS INFORMATION STATEMENT. NO VOTE OR OTHER ACTION BY SHAREHOLDERS OF GENESIS HOLDINGS, INC. IS REQUIRED TO BE TAKEN IN CONNECTION WITH THIS INFORMATION STATEMENT.

This Information Statement is being mailed on or about May 13, 2008, to the holders of record at the close of business on April 25, 2008 of the outstanding shares of common stock, \$.001 par value, of Genesis Holdings, Inc., a Nevada corporation ("**we**," "**us**," "**our**," or the "**Company**"), in connection with the change of control and composition of our board of directors as contemplated by the Share Exchange Agreement dated February 18, 2008 ("**Exchange Agreement**"), by and among the Company, BioAuthorize, Inc., a Colorado corporation ("**BioAuthorize**") and the shareholders of BioAuthorize. In this Information Statement we refer to the transactions contemplated under the Exchange Agreement as, collectively, the "**Exchange Transaction**," and we refer to the consummation of Exchange Transaction, which took place on February 18, 2008, as the "**Closing**." This Information Statement is being provided solely for information purposes and not in connection with a vote of our shareholders.

Under the terms of the Exchange Agreement, we are required, following the Closing, to file this Information Statement with the Securities and Exchange Commission ("**SEC**") and to mail this Information Statement to each registered holder of our common stock. **The change of control and composition of our board of directors will not occur until not less than 10 calendar days following the filing of this Information Statement with the SEC and the transmission of this Information Statement to all holders of record of our Common Stock as of the Record Date of April 25, 2008.**

This Information Statement is being furnished pursuant to Section 14(f) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), and Rule 14f-1 promulgated thereunder. The information contained in this Information Statement concerning BioAuthorize, the directors to be appointed to our board of directors as contemplated by the Exchange Agreement and the individuals to be appointed as our executive officers has been furnished to us by BioAuthorize, and we assume no responsibility for the accuracy or completeness of any such information.

CHANGE IN CONTROL TRANSACTION

The Exchange Agreement provided that the shareholders of BioAuthorize would exchange all of the shares of BioAuthorize common stock they own, which represents all of the issued and outstanding shares of capital stock of BioAuthorize in exchange for, in the aggregate, 20,000,000 shares of our common stock. The 20,000,000 shares were distributed to the BioAuthorize shareholders at a ratio of 151.36035 shares of our common stock for every one (1) share of BioAuthorize capital stock, regardless of class or series, owned by the BioAuthorize shareholders. Upon completion of the transactions under the Exchange Agreement, BioAuthorize became our wholly-owned subsidiary. The issuance of our shares of common stock to the BioAuthorize shareholders was intended to be exempt from registration under the Securities Act of 1933, as amended (the "**Securities Act**"), pursuant to Section 4(2) thereof

and under applicable state securities laws.

Upon the Closing of the Exchange Agreement, there was a change of control of the Company. Immediately before the Closing, we had 21,780,226 shares of common stock outstanding. The Exchange Agreement also required the Company to transfer all interests in its wholly-owned real estate subsidiary, Genesis Land, Inc., to the Bankston Third Family Limited Partnership ("**Bankston**") in exchange for 16,780,226 shares of common stock of the Company owned by Bankston (the "**Genesis Land Transaction**"). Bankston delivered the 16,780,226 shares of common stock for the Genesis Land Transaction exchange at the Closing. Effective March 31, 2008, we closed the Genesis Land Transaction and transferred all of the Capital Stock of Genesis Land, Inc. to Bankston. Bankston now owns Genesis Land. Immediately following the Closing, we had 25,000,000 shares of common stock outstanding, of which the BioAuthorize shareholders, in the aggregate, owned 20,000,000 shares, or approximately 80% of our then outstanding common stock.

3

In addition, pursuant to provisions of the Exchange Agreement following the 10-day period after this Information Statement is filed with the SEC and mailed to our registered shareholders, two of our current directors, Larry Don Bankston and Lenny Amado, will resign and the remaining director, Yada Schneider, will appoint Gerald Van Wie and G. Neil Van Wie to our board of directors. Mr. Schneider was appointed as a director on February 18, 2008 pursuant to requirements of the Exchange Agreement. Our bylaws provide that the board of directors may appoint new members to fill any vacancies on the board of directors. As a result, the number of members of our board of directors will remain three, all of which were designated by BioAuthorize.

We plan to enter into indemnification agreements with each of our directors (and our executive officers) on terms which we believe are reasonable and customary and comparable to those entered into by other publicly-traded companies in the United States.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

On July 1, 2006, Genesis Holdings entered into a Merger Agreement with Genesis Land Development, LLC to acquire 100% of the ownership interests of Genesis Land Development, LLC as a wholly-owned subsidiary in exchange for the issuance to the Bankston Third Family Limited Partnership of 19,000,000 shares of Genesis Holdings common stock. Genesis Land Developments, LLC merged into AABB Acquisition Sub, Inc., a Nevada corporation that changed its name post-merger to Genesis Land, Inc.

Mr. Bankston controls the Bankston Third Family Limited Partnership, the sole equity holder in Genesis Land Development, LLC prior to the July 1, 2006 merger. Genesis Land Development, LLC was organized in Texas on September 8, 2003 for the purpose of developing a 55.509 acre tract of land within the Dallas, Texas metro area. The real estate was contributed to Genesis Land Development, LLC by Larry Don Bankston on September 30, 2003. Other than through beneficial ownership of that entity, there was no prior relationship between Mr. Bankston and the Company.

On January 1, 2006, Genesis Holdings entered into Consulting Agreements with William Lane, RD Bickerstaff, Laura Poulson, and Heritage West Capital, whereby William Lane, RD Bickerstaff, Laura Poulson, and Heritage West Capital agreed to provide consulting services to the Company for a one-year period. In exchange for entering into the agreement and performing the services required thereby, William Lane, RD Bickerstaff, Laura Poulson, and Heritage West Capital received an aggregate of 1,800,000 shares of common stock in the Company. The Company is not required to make any additional payments to William Lane, RD Bickerstaff, Laura Poulson, and Heritage West Capital, but is responsible for reimbursing certain expenses incurred to William Lane, RD Bickerstaff, Laura Poulson, and Heritage West Capital during the performance of their duties.

Genesis entered into seven notes payable dated from January 28, 2005 through April 29, 2005 payable to Larry Don Bankston. The loans bear interest at a rate of 7%. Principal is due on demand. The outstanding principal balance and accrued interest on these notes, in the total amount of \$266,622, was paid in full during the three month period ended September 30, 2007.

On February 18, 2008, we entered into a Share Exchange Agreement (the "Exchange Agreement") with BioAuthorize and all of BioAuthorize's shareholders, some of which are the individuals now or to be appointed to our board of directors under provisions of the Exchange Agreement. Yada Schneider was appointed to our board of directors on February 18, 2008. Following the 10-day period after this Information Statement is mailed to our registered shareholders, Mr. Bankston and Mr. Amado will resign from our board, and our remaining director, Yada Schneider, will appoint G. Neil Van Wie and Gerald B. Van Wie to our board of directors. Our bylaws provide that the board of directors may appoint new members to fill any vacancies on the board of directors.

Under the terms of the Exchange Agreement we acquired the business of BioAuthorize through an acquisition of all of its outstanding stock from its shareholders. In exchange we issued, in the aggregate, 20,000,000 shares of our common stock to the BioAuthorize shareholders. As a result, BioAuthorize became our wholly owned subsidiary and the BioAuthorize shareholders owned approximately 80% of our outstanding stock on a fully diluted basis. In connection with the Closing of the Exchange Agreement, we issued shares of our common stock to the individuals being appointed to our board of directors as discussed herein in exchange for their shares of BioAuthorize stock. Yada Schneider, G. Neil Van Wie and Gerald B. Van Wie own approximately 63.80% of the issued and outstanding shares of the Company's common stock on a fully diluted basis. See "*SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT*," above.

None of the Company's directors would be considered independent under the definition of independence used by any national securities exchange or any inter-dealer quotation system, other than Mr. Amado. Although the Company is not subject to any listing standards with respect to director independence, for purposes of this determination, the Company used the NASDAQ director independence standard for evaluating director independence.

Parent Companies

We do not have a parent company.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and beneficial owners of more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Directors, executive officers and greater than 10% beneficial owners are required by SEC regulations to furnish to us copies of all Section 16(a) reports they file. Based solely on the review of the copies of such reports that were furnished to us, we believe that all reporting requirements under Section 16(a) for the fiscal year ended December 31, 2007 were met in a timely manner by our directors, executive officers and greater than 10% beneficial owners except for the report on Form 3 filed on July 6, 2007 by Jason Pratte, the former President and CEO of the Company, and the Form 3 filed by Larry Don Bankston on July 26, 2007. Both of these report were filed late.
