Item 8.01 Other Events

In May 2006, the Company was advised that it was alleged to be in default of a settlement agreement entered into in January of 2005 by CNE, its predecessor company, related to the release of unrestricted, freely-tradable, non-legend shares of stock. In August 2006, the plaintiffs, alleging the default, obtained a judgment in the 17th Judicial Circuit Court Broward County, Florida for approximately \$1,000,000. On November 13, 2007, legal counsel engaged by Management commenced an action on the Company's behalf in the above Circuit Court seeking to vacate and set aside the 2006 judgment asserting claims under Rule 1.540(b) of the Florida Rules of Civil Procedure. On August 20, 2008, the Circuit Court dismissed the Company's action to have the 2006 judgment opened by the Court because Florida law provides very narrow grounds for opening a judgment once a year has passed from its entry. The company is currently evaluating its options. As of December 31, 2007, the Company has accrued \$1,053,385 related to this matter.
