-

Item 1.01. Entry into a Material Definitive Agreement.

On July 16, 2010, Golub Capital BDC, Inc. (the “Company”) completed a \$300 million term debt securitization. The notes offered in the collateralized loan obligation (the “Notes”) were issued by Golub Capital BDC 2010-1 LLC, a newly formed, indirect subsidiary of the Company (the “Issuer”), and are backed by a diversified portfolio of senior secured and second lien loans. The transaction was executed through a private placement of approximately \$174 million of Aaa/AAA Class A Notes which bear interest at the London Interbank Offered Rate, or LIBOR, plus 2.40%. Golub Capital BDC 2010-1 Holdings LLC (the “Depositor”), a direct subsidiary of the Company, retained all of the Class B and Subordinated Notes, which totaled approximately \$126 million. The Class B Notes bear interest at a rate of LIBOR plus 2.40%, and the Subordinated Notes do not bear interest. The Notes are scheduled to mature on July 20, 2021.

The proceeds of the private placement of the Notes, net of expenses, will be used to refinance the Company’s existing credit facility, as described below. As part of the transaction, the Company entered into a master loan and sale agreement with the Depositor and the Issuer under which the Company has agreed to sell or contribute certain senior secured and second lien loans to the Depositor, and the Depositor has agreed to sell or contribute such loans to the Issuer and to purchase or otherwise acquire Subordinated Notes issued by the Issuer. The Company has made customary representations, warranties and covenants in this master loan sale agreement.

In connection with the issuance and sale of the notes, the Company has made customary representations, warranties and covenants in the purchase agreement. The Notes are the secured obligations of the Issuer, and an indenture governing the Notes includes customary covenants and events of default. The Notes have not been, and will not be, registered under the Securities Act of 1933, as amended, or any state “blue sky” laws and may not be offered or sold in the United States absent registration with the Securities and Exchange Commission or an applicable exemption from registration.

GC Advisors LLC, the Company’s investment adviser, will serve as collateral manager to the Issuer under a collateral management agreement and will receive a fee for providing these services. As a result, the Company has amended and restated its investment advisory agreement with GC Advisors LLC to provide that the base management fee payable under such agreement is reduced by an amount equal to the total fees that are paid to GC Advisors by the Issuer for rendering such collateral management services.

The descriptions of the documentation related to the debt securitization and the amended and restated investment advisory agreement contained in this Current Report on Form 8-K do not purport to be complete and are qualified in their entirety by reference to the underlying agreements, attached hereto as Exhibits 10.1 through 10.5 and incorporated into this Current Report on Form 8-K by reference.

Item 1.02. Termination of a Material Definitive Agreement

In connection with the closing of the issuance and sale of the Notes, on July 16, 2010 the Company repaid its outstanding obligations under and terminated (i) the variable funding note indenture dated as of July 27, 2007, between Golub Capital Master Funding LLC, as issuer, and U.S. Bank National Association, as indenture trustee, and (ii) the sale and servicing agreement dated as of July 27, 2001, by and among Golub Capital Master Funding LLC, as issuer, Golub Capital Incorporated, as originator and servicer, and U.S. Bank National Association, as indenture trustee and collateral administrator (the “Existing Credit Facility”). Obligations under the Existing Credit Facility would have otherwise matured on December 29, 2010.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 is incorporated by reference into this Item 2.03.
