Item 4.01 Changes in Registrant's Certifying Accountant

On December 29, 2010 Registrant was informed by its independent Auditor, Chisholm, Bierwolf, Nilson & Morrill, LLC that some of its existing partners would no longer be able to service SEC reporting companies. However, since the inspection of the Auditor's firm, and subsequent investigation, were due to audit deficiencies for audits performed in 2006, and prior to Douglas Morrill joining the Auditor's firm, Douglas Morrill is not subject to the sanctions imposed by the Public Company Accounting Oversight Board (PCAOB). The Registrant retained the interim services of Douglas Morrill.

The auditor's registration with the PCAOB had been revoked based on a tri-annual inspection performed in 2007. The revocation was due to audit work performed on former reporting companies and did not relate to the Registrant.

These deficiencies are those of the Auditor and are totally unrelated to the Registrant. The Registrant will continue to require the services of a firm that is registered with the PCAOB. At this time the Registrant is not able to obtain an Exhibit 16 letter other than what is provided.

While these issues are totally unrelated to the Registrant, this sanction in addition to weather related issues contributed to additional delays in the Registrant's timely filing of its September 30, 2010 financial statement audits.

The Registrant, as of May 3, 2011 has engaged the services of Stowe & Degon LLC, 95A Turnpike Road, Westborough, MA, to act as the Registrant's independent auditor to perform the audit for fiscal year 9/30/2011.
