Supplement to Proxy Solicitation Statement

Explanatory Note

On April 29, 2011, we filed with the Securities and Exchange Commission (the “SEC”) our definitive proxy statement describing the matters to be voted upon at our annual meeting of shareholders to be held on May 26, 2011. This supplement to our definitive proxy statement adds to our definitive proxy statement and should be read in conjunction with it. The Trust is aware that Mr. Paul M. Dorsey, a shareholder holding 1,000 common shares of beneficial interest, no par value, filed a preliminary proxy statement on May 11, 2011, proposing to contest the election of the Trust’s nominees for the Board of Trustees of the Trust. You may access the Trust’s filings as well as Mr. Dorsey’s preliminary proxy statement through the website maintained by the SEC at <http://www.sec.gov/>.

Item 4. Persons Making the Solicitation

Section 4(b)

In light of Mr. Dorsey’s filing and his reported engagement of a proxy solicitation firm, the Trust is currently considering whether to engage a proxy solicitation firm to solicit votes on its behalf, and is evaluating the services of several proxy solicitation firms, but as of the filing date of this supplement has not hired, and may not hire, any such proxy solicitation firm. If the Trust decides to hire a proxy solicitation firm, the Trust estimates the total expense it would incur could be up to or greater than \$75,000, not including out-of-pocket expenses, such as postage, mailing and other related expenses. Going forward, the Trust will supplement the foregoing disclosure to the extent required under applicable rules.

Item 5. Interest of Certain Persons in Matters to Be Acted Upon

Section 5(b)

As disclosed in its definitive proxy statement, the Trust has nominated the following nominees to serve as trustees until the next annual shareholders meeting in 2012: David H. Lesser, Virgil E. Wenger, Patrick R. Haynes and William S. Susman (collectively, the “Nominees”). Biographies of the Nominees are included in our definitive proxy statement. The Nominees have the following interests in the outcome of the election of trustees:

- Each trustee receives a quarterly fee from the Trust of \$600.00. Each Nominee that is elected as a trustee would be entitled to receive the quarterly trustee fee.
- Other than the quarterly fee disclosed above, there is no other remuneration currently paid by the Trust to any of the Nominees in any capacity.
- There are no agreements or understandings between us and any Nominee or other person concerning any type of compensation relating to any disposition of the Trust or all or substantially all of the Trust’s assets.

- As of March 31, 2011, the Nominees as a group held 123,032 common shares or 7.58% of the outstanding common shares of the Trust and each Nominee has an economic interest to the extent of his holdings in the financial health and performance of the Trust. The beneficial and other ownership of each of the Nominees at March 31, 2011 was previously disclosed in the Trust's definitive proxy statement and is restated below:

None of the Nominees is, or was within the past year, a party to any contract, arrangements or understandings with any person with respect to any securities of the registrant, including, but not limited to joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profits, or the giving or withholding of proxies.

Written communications to any of the Nominees or their affiliates may be sent to such Nominee or affiliate, c/o Pittsburgh & West Virginia Railroad, 55 Edison Avenue, West Babylon, NY 11704.

The information in this supplement is intended to add to the information in, and to be read in conjunction with, our definitive proxy statement.
