The 8,500,000 shares of Common Stock owned directly by Hanover were acquired by Hanover pursuant to an order (the "Order") entered by the Supreme Court of the State of New York, County of New York (the "Court"), approving, among other things, the fairness of the terms and conditions of an exchange pursuant to Section 3(a)(10) of the Securities Act of 1933, as amended (the "Securities Act"), in accordance with a stipulation of settlement (the "Settlement")

Agreement”) between the Issuer and Hanover in the matter entitled Hanover Holdings I, LLC v. Intellicell Biosciences, Inc., Case No. 651709/2013 (the “Action”). Hanover commenced the Action against the Issuer on May 10, 2013 to recover an aggregate of \$706,765.38 of past-due accounts payable of the Issuer, which Hanover had purchased from certain vendors of the Issuer pursuant to the terms of separate receivable purchase agreements between Hanover and each of such vendors, plus fees and costs (the “Claim”). The Order provides for the full and final settlement of the Claim and the Action. The Settlement Agreement became effective and binding upon the Issuer and Hanover upon execution of the Order by the Court on May 21, 2013.

**SCHEDULE 13G****CUSIP No. 45825A105 Page 7 of 10 Pages**

Pursuant to the terms of the Settlement Agreement approved by the Order, on May 23, 2013, the Issuer issued and delivered to Hanover 8,500,000 shares of Common Stock (the "Settlement Shares"). For purposes of calculating the percentage of the class, the Reporting Persons have been informed by the Issuer that there were a total of 77,113,862 shares of Common Stock outstanding as of the close of business on May 20, 2013, the day immediately preceding the date of the Order. Accordingly, immediately subsequent to the issuance of the Common Stock to Hanover pursuant to the Order, the Settlement Shares represented approximately 9.93% of the total number of shares of Common Stock outstanding. The Settlement Agreement provides that the Settlement Shares will be subject to adjustment on the trading day immediately following the Calculation Period (as defined below) to reflect the intention of the parties that the total number of shares of Common Stock to be issued to Hanover pursuant to the Settlement Agreement be based upon a specified discount to the trading volume weighted average price (the "VWAP") of the Common Stock for a specified period of time subsequent to the Court's entry of the Order. Specifically, the total number of shares of Common Stock to be issued to Hanover pursuant to the Settlement Agreement shall be equal to the sum of: (i) the quotient obtained by dividing (A) \$706,765.38 (representing the total amount of the Claim) by (B) 55% of the average of the lowest 10 VWAPs of the Common Stock over the 80-consecutive trading day period immediately following the date of issuance of the initial Settlement Shares (or such shorter trading-day period as may be determined by Hanover in its sole discretion by delivery of written notice to the Issuer) (the "Calculation Period"); (ii) the quotient obtained by dividing (A) the total dollar amount of legal fees and expenses incurred in connection with the Action, which shall not exceed \$57,500 (less \$5,000 heretofore paid by the Issuer) by (B) the VWAP of the Common Stock over the Calculation Period; and (iii) the quotient obtained by dividing (A) agent fees of \$35,338.27 by (B) the VWAP of the Common Stock over the Calculation Period, rounded up to the nearest whole share (the "VWAP Shares"). As a result, the Issuer ultimately may be required to issue to Hanover substantially more shares of Common Stock than the number of Settlement Shares initially issued (subject to the limitations described below). The Settlement Agreement further provides that if, at any time and from time to time during the Calculation Period, Hanover reasonably believes that the total number of Settlement Shares previously issued to Hanover shall be less than the total number of VWAP Shares to be issued to Hanover or its designee in connection with the Settlement Agreement, Hanover may, in its sole discretion, deliver one or more written notices to the Issuer, at any time and from time to time during the Calculation Period, requesting that a specified number of additional shares of Common Stock promptly be issued and delivered to Hanover or its designee (subject to the limitations described below), and the Issuer will upon such request reserve and issue the number of additional shares of Common Stock requested to be so issued and delivered in the notice (all of which additional shares shall be considered "Settlement Shares" for purposes of the Settlement Agreement). At the end of the Calculation Period, (i) if the number of VWAP Shares exceeds the number of Settlement Shares issued, then the Issuer will issue to Hanover or its designee additional shares of Common Stock equal to the difference between the number of VWAP Shares and the number of Settlement Shares, and (ii) if the number of VWAP Shares is less than the number of Settlement Shares, then Hanover or its designee will return to the Issuer

**SCHEDULE 13G**

**CUSIP No. 45825A105 Page 8 of 10 Pages**

for cancellation that number of shares of Common Stock equal to the difference between the number of VWAP Shares and the number of Settlement Shares. Hanover may sell the shares of Common Stock issued to it or its designee in connection with the Settlement Agreement at any time without restriction, even during the Calculation Period.

The Settlement Agreement provides that in no event shall the number of shares of Common Stock issued to Hanover or its designee in connection with the Settlement Agreement, when aggregated with all other shares of Common Stock then beneficially owned by Hanover and its affiliates (as calculated pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations thereunder), result in the beneficial ownership by Hanover and its affiliates (as calculated pursuant to Section 13(d) of the Exchange Act and the rules and regulations thereunder) at any time of more than 9.99% of the Common Stock.

Furthermore, the Settlement Agreement provides that, for so long as Hanover or any of its affiliates hold any shares of Common Stock, Hanover and its affiliates are prohibited from, among other actions: (1) voting any shares of Common Stock owned or controlled by Hanover or its affiliates, or soliciting any proxies or seeking to advise or influence any person with respect to any voting securities of the Issuer; or (2) engaging or participating in any actions, plans or proposals that relate to or would result in, among other things, (a) acquiring additional securities of the Issuer, alone or together with any other person, which would result in Hanover and its affiliates collectively beneficially owning or controlling, or being deemed to beneficially own or control, more than 9.99% of the Common Stock or other voting securities of the Issuer (as calculated pursuant to Section 13(d) of the Exchange Act and the rules and regulations thereunder), (b) an extraordinary corporate transaction such as a merger, reorganization or liquidation of the Issuer or any of its subsidiaries, (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries, (d) changes in the present board of directors or management of the Issuer, (e) material changes in the capitalization or dividend policy of the Issuer, (f) any other material change in the Issuer's business or corporate structure, (g) changes in the Issuer's charter, bylaws or similar instruments or other actions which may impede the acquisition of control of the Issuer by any person or entity, (h) causing a class of securities of the Issuer to be delisted, or (i) causing a class of equity securities of the Issuer to become eligible for termination of registration under the Exchange Act; or (3) any actions similar to the foregoing. These prohibitions may not be modified or waived without further order of the Court.
