Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

(e) On June 28, 2013, our Board of Directors approved an amendment to the vesting schedule of the options granted to our directors and executive officers on December 5, 2012. Such options are described further in our Current Report on Form 8-K filed with the SEC on December 7, 2012. Given the anticipated final approval for the CE Mark certification for Neutrolin® during the first half of 2013, such options will now vest as follows: (a) fifty percent (50%) on the date of issuance of the CE Mark certification for Neutrolin in Europe, if the CE Mark approval is obtained on or before July 14, 2013 (as opposed to June 30, 2013 as previously provided by our Board), and (b) fifty percent (50%) on December 31, 2013.

Item 8.01. Other Events.

On June 28, 2013, CorMedix received notification from TÜV-SÜD, the European notified body managing the CE Mark application for our product candidate CRMD003, or Neutrolin, that the review of the CE Mark for Neutrolin is anticipated to be finalized on or around July 3, 2013, depending on the availability of the applicable agency personnel.
