The information contained under Item 2.02 in this Current Report on Form 8-K, including Exhibits 99.1 and 99.2, is being furnished and, as a result, such information shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

On November 7, 2013, Scientific Games Corporation (the “Company”) issued a press release announcing, among other things, results for the three months and nine months ended September 30, 2013. The Company’s press release and presentation, in addition to containing results that are determined in accordance with accounting principles generally accepted in the United States of America (“GAAP”), contain certain “non-GAAP financial measures” as that term is defined by the rules of the Securities and Exchange Commission (the “SEC”). The non-GAAP financial measures used in the press release and presentation should not be considered in isolation of, as a substitute for, or superior to, the financial information prepared in accordance with GAAP. The non-GAAP financial measures as defined in the press release and presentation may differ from similarly titled measures presented by other companies. The non-GAAP financial measures, as well as other information in the press release and presentation, should be read in conjunction with the Company’s financial statements filed with the SEC.
