As previously disclosed, on June 18, 2014, Measurement Specialties, Inc. (the “Company”), TE Connectivity Ltd (“TE”) and Wolverine-Mars Acquisition, Inc., an indirect wholly-owned subsidiary of TE (“Merger Sub”), entered into an Agreement and Plan of Merger (the “Merger Agreement”). Upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into the Company, with the Company continuing as the surviving corporation and an indirect wholly-owned subsidiary of TE.

On July 24, 2014, the Company filed a definitive proxy statement (the “Proxy Statement”) under cover of a Schedule 14A with the Securities and Exchange Commission.

The following disclosure supplements the discussion in the section of the Proxy Statement captioned “CFIUS Clearance” by amending and restating the fourth paragraph on page 53:

“TE and the Company have decided that it is in their mutual best interest to submit a joint voluntary notice to the CFIUS and obtain CFIUS clearance for the transaction. TE and the Company “pre-filed” a draft notice with the CFIUS staff on July 1, 2014, and filed the notice with CFIUS staff on July 18, 2014. On August 19, 2014, the CFIUS notified the Company and TE that it will conduct a second-phase, 45-day investigation of the merger and that such review will be completed on or before October 3, 2014. TE and the Company do not believe that the transactions contemplated by the merger present national security considerations requiring mitigation. Nevertheless, the Company cannot provide assurances that there will not be an issue in the CFIUS process or that the CFIUS will clear the transaction without mitigation or conditions.”

This supplemental information should be read in conjunction with the Proxy Statement, which should be read in its entirety. Defined terms used but not defined herein have the meanings set forth in the Proxy Statement.
