These forward-looking statements are not based on historical facts but instead reflect Progressive Waste's or Waste Connections' respective management's expectations, estimates or projections concerning future results or events. These forward-looking statements are often identified by the words “may,” “might,” “believes,” “thinks,” “anticipates,” “plans,” “expects,” “intends” or similar expressions and include statements regarding (1) expectations regarding whether the transaction, including the merger, the issuance of the merger consideration and the proposed share consolidation of Progressive Waste, will be consummated, including whether conditions to the consummation of the transaction will be satisfied, or the timing for completing the transaction, (2) expectations for the effects of the transaction or the ability of the combined company to successfully achieve business objectives, including integrating the companies or the effects of unexpected costs, liabilities or delays, (3) the potential benefits and synergies of the transaction, including expected cost savings and tax benefits and (4) expectations for other economic, business, and/or competitive factors. Neither Waste Connections nor Progressive Waste undertakes any obligation to update forward-looking statements to reflect events or circumstances after the date hereof, except as may be specifically required by applicable securities laws.
