Annual Meeting of Shareholders

May 16, 2016

PROXY STATEMENT

This proxy statement and the accompanying form of proxy are being furnished to the holders of common stock of First Internet Bancorp (the “Company,” “First Internet,” “we,” “our,” or “us”) in connection with the solicitation of proxies by the Board of Directors (the “Board”) for the 2016 Annual Meeting of Shareholders to be held at 1:00 p.m. EDT on Monday, May 16, 2016, in the Rockefeller Conference Room located at 11201 USA Parkway, Fishers, Indiana 46037, and at any adjournments thereof. This proxy statement and the accompanying form of proxy, or a notice of internet availability, are being mailed to our shareholders on or about April 4, 2016.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to be Held May 16, 2016

Copies of the notice of annual meeting of shareholders, this proxy statement and the annual report for the year ended December 31, 2015 are each available at www.firstinternetbancorp.com.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Why did shareholders receive a Notice of Internet Availability of Proxy Materials?

All of our shareholders will receive a Notice of Internet Availability of Proxy Materials (“Notice”) containing information on the availability of our proxy materials on the Internet, unless they previously requested a printed copy of the proxy materials. Shareholders will not receive a printed copy of our proxy materials unless they request the materials in the manner described in the Notice. The Notice explains how to access and review this proxy statement and our 2015 Annual Report to Shareholders, and how you may vote by proxy.

What is a proxy?

A proxy is your legal designation of another person to vote on your behalf. By voting over the Internet, by telephone or, if you receive a printed copy of the proxy materials, by completing and returning a proxy card, you are giving the persons named, David B. Becker and Kenneth J. Lovik, the authority to vote your shares in the manner you indicate.

Who is qualified to vote?

Shareholders of record as of the close of business on March 22, 2016 are entitled to vote at the annual meeting or any adjournments thereof. As of that date, we had 4,491,024 shares of our common stock outstanding, each of which is entitled to one vote for each director nominee and one vote on each other item of business properly brought before the meeting.

How many shares must be present to hold the meeting?

The presence in person or by proxy of the holders of a majority of the outstanding shares entitled to vote at the annual meeting, or 2,245,513 shares, is necessary to constitute a quorum for the transaction of business.

What is the difference between a “shareholder of record” and a “street name” holder?

These terms describe how your shares are held. You are a “shareholder of record” if your shares are registered directly in your name with our transfer agent, Computershare. You are a “street name” holder if your shares are held in the name of a brokerage, bank, trust or other nominee as a custodian.

How do I vote my shares?

If you are a “shareholder of record,” you have several choices. You can vote your shares by proxy:

- over the Internet;
- by telephone; or
- if you receive a printed copy of the proxy card, by marking, signing, dating and mailing your proxy card.

You will need to have the Notice or, if you received a printed copy of the proxy materials, your proxy card, available when voting over the Internet or by telephone. Please refer to the specific instructions set forth on the Notice or proxy card. For security reasons, our electronic voting system has been designed to authenticate your identity as a shareholder. If you vote over the Internet or by telephone, you do not need to return a proxy card.

If you hold your shares in “street name,” your broker, bank, trustee or other nominee will provide you with materials and instructions for voting your shares.

Can I vote in person at the meeting?

If you are a “shareholder of record,” you may vote your shares in person at the meeting. *If you hold your shares in “street name,”* you must obtain a legal proxy from your broker, bank, trustee or other nominee, giving you the right to vote your shares at the meeting.

What do I need to do to attend the meeting and how do I vote my shares in person?

Proof of stock ownership and some form of government-issued photo identification (such as a valid driver’s license or passport) will be required for admission to the meeting. **Only shareholders who owned our common stock as of the close of business on March 22, 2016 are entitled to attend the meeting.**

If you are a “shareholder of record” as of March 22, 2016, you must bring some form of government-issued photo identification to be admitted to the meeting. You may vote your shares in person at the meeting by completing a ballot at the meeting.

If your shares are held in “street name,” you must bring some form of government-issued photo identification and must request a written legal proxy from your broker, bank, trustee or other nominee that holds your shares in order to vote your shares at the meeting. If you do not obtain a written legal proxy from your broker, bank, trustee or other nominee and bring it to the meeting, then you will not be entitled to vote your shares at the meeting, but you can still attend the meeting if you bring a recent bank or brokerage statement showing that you owned shares of common stock on March 22, 2016 and provide some form of government-issued photo identification.

Even if you currently plan to attend the meeting, we recommend that you vote by proxy, either via the Internet, by telephone or by mail, so that your vote will be counted if you later decide not to attend the meeting.

What matters will be voted on at the meeting?

There are three matters to be voted on at the meeting, as follows:

- The election of seven directors to serve until the next annual meeting of shareholders;
- An advisory vote to approve the compensation paid to our named executive officers, also referred to as a “say-on-pay” vote; and
- The ratification of the appointment of BKD, LLP as our independent registered public accounting firm for 2016.

What are broker non-votes?

A broker non-vote occurs when a nominee, such as a broker, holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary authority to vote for that particular proposal and has not received instructions from the beneficial owner as to how to vote its shares. Proposals 1 and 2 each fall into this category. If you do not provide your broker with voting instructions, none of your shares held by the broker will be voted on either of those proposals.

What vote is required for each of the proposals to be approved?

For Proposal 1, the directors receiving a plurality of the votes cast **FOR** will be elected. Neither abstentions nor broker non-votes will affect the outcome of this proposal.

Proposals 2 and 3 will be approved if more shares are voted **FOR** the proposal than **AGAINST**. Neither abstentions nor broker non-votes will affect the outcome of either proposal.

What can I do if I change my mind after I submit my proxy?

Edgar Filing: First Internet Bancorp - Form DEF 14A

If you are a shareholder of record, you may revoke your proxy at any time before it is voted at the meeting by: (1) sending a written notice of the revocation to our Secretary at 11201 USA Parkway, Fishers, Indiana 46037 that is received prior to the meeting, (2) submitting a later-dated proxy via the Internet, by telephone or by mail, or (3) by attending the meeting and voting your shares in person. If your shares are held in street name, you may submit new voting instructions by contacting your broker, bank, trustee or other nominee holder. You may also vote in person at the annual meeting if you obtain a written legal proxy as described above.

What are the Board's recommendations on how I should vote my shares?

The Board recommends that you vote your shares as follows:

FOR the election of the seven director nominees.

FOR the "say-on-pay" vote.

FOR the ratification of the appointment of BKD, LLP as our independent registered public accounting firm for 2016.

How would my shares be voted if I do not specify how they should be voted?

If you submit a proxy without indicating how you want your shares to be voted, the persons named as proxies will vote your shares in accordance with the Board's recommendations.

What is the effect of the "say-on-pay" vote?

This proposal is advisory and not binding on the Company, the Board or the Compensation Committee of the Board. We could, if the Board or the Compensation Committee concluded it was in our best interests to do so, choose not to follow or implement the outcome of this advisory vote.

Why did I receive more than one Notice or proxy card?

You may receive multiple Notices or proxy cards if you hold your shares of record in different ways (*e.g.*, joint tenancy, trusts, and custodial accounts) or in multiple accounts. If your shares are held in street name by a broker, bank, trustee or other nominee, you will receive voting instructions from your broker, bank, trustee or other nominee and you will return your voting instructions to your broker, bank, trustee or other nominee. You should vote on and sign each proxy card and/or voting instruction form you receive.

What is householding?

Under a procedure approved by the SEC called “householding,” certain shareholders who have the same address and last name and do not participate in electronic delivery of proxy materials may receive only one copy of our annual report and proxy statement, unless one or more of those shareholders provides notice that they would like to continue to receive individual copies. Shareholders who participate in householding will continue to receive separate proxy cards. Householding does not in any way affect the payment of dividends.

If you and other shareholders with whom you share an address currently receive multiple copies of our annual report and/or proxy statement, or if you hold stock in more than one account, and in either case, you would like to receive only a single copy of the annual report or proxy statement for your household, please contact our Secretary at First Internet Bancorp, 11201 USA Parkway, Fishers, Indiana 46037 or by calling (317) 532-7900.

If you participate in householding and would like to receive a separate copy of our annual report or this proxy statement, please contact us in the manner described in the immediately preceding paragraph. The requested documents will be delivered to you promptly upon receipt of your request.

What happens if additional matters are presented at the annual meeting?

We know of no other matters other than the items of business described in this proxy statement that will be presented at the meeting. If you grant a proxy, the persons named as proxy holders will have discretion to vote your shares on any additional matters properly presented for a vote at the meeting in accordance with Indiana law and our Amended and Restated Bylaws.

Can I review the list of shareholders entitled to vote at the meeting?

A list of shareholders entitled to vote at the meeting will be available at the meeting and for five days prior to the meeting, between the hours of 9:00 a.m. and 4:30 p.m., at our offices at 11201 USA Parkway, Fishers, Indiana 46037.

Who pays for the cost of proxy preparation and solicitation?

We will pay the cost of preparing, assembling and mailing the proxy materials. We will also request banks, brokers and other holders of record to send the proxy materials to, and obtain proxies from, beneficial owners and we will reimburse them for their reasonable expenses in doing so.

Is this proxy statement the only way that proxies are being solicited?

Our directors, officers and other employees may also solicit proxies personally by telephone, facsimile, electronic mail, personal contact or otherwise. They will not be specifically compensated for doing so.

CORPORATE GOVERNANCE

This section of the proxy statement includes Proposal 1, the election of seven persons to serve as directors of the Company until the 2017 Annual Meeting of Shareholders. It also includes information on the business experiences and skills of the nominees, our corporate and governance structure, our governance policies and the committees of the Board.

Proposal 1: Election of Directors

The Board, acting on the recommendation of its Nominating and Corporate Governance Committee, has nominated the seven incumbent directors for election as directors. Each nominee who is elected will serve for a term of one year, which expires at our next annual meeting of shareholders or such later date as his or her successor has been elected and qualifies.

No fees were paid to any third parties to identify or evaluate potential nominees. Unless authority is specifically withheld, the shares voting by proxy will be voted in favor of these nominees.

If any of these nominees becomes unable to serve, we expect that the persons named as proxies will exercise their voting power in favor of other such person or persons as the Board may recommend. All of the nominees have consented to being named in this proxy statement and to serve if elected. The Board knows of no reason why any of the nominees would be unable to serve.

The names of the persons who are nominees for election, their current positions and offices with First Internet Bancorp and their experience and qualifications are set forth below. There are no family relationships among any of our directors or executive officers. Except for Mr. Becker's employment agreement, which provides that he will be employed as Chairman, President and Chief Executive Officer of our Company, there is no arrangement or understanding pursuant to which a director or executive officer has been selected as a director or nominee for election or as an executive officer.

Policies on Corporate Governance. Our Board believes that good corporate governance is important to ensure that the Company is managed for the long-term benefit of its shareholders. The Board or one of its committees periodically reviews our Corporate Governance Principles, the written charters for each of the standing committees of the Board and our Code of Business Conduct and Ethics and amends them as appropriate to reflect new policies or practices.

Board Leadership Structure. Our Board is currently led by Mr. Becker who is the Chairman of the Board, President and Chief Executive Officer. Mr. Becker has held all of these positions since 2007 and has experience in leading the Company through a range of cycles in various business environments. The Board believes that it is most efficient and effective for a single individual to fulfill these two leadership roles at this time. Combining the Chairman and Chief Executive Officer roles facilitates clear leadership responsibility and accountability, effective decision-making and a cohesive corporate strategy.

Our Board possesses considerable experience and knowledge of the challenges and opportunities that we face as a company. We feel they are well qualified to evaluate our current and future needs and to judge how the capabilities of our senior management can be most effectively organized to meet those needs. Our Board currently has six independent directors. We have three standing committees whose membership is limited to independent directors. The Board evaluates the appropriateness of its leadership structure on an ongoing basis and may change it in the future as circumstances warrant.

Board Role in Risk Oversight. Our Board regularly receives reports from our Chief Executive Officer and other members of our senior management team regarding areas of significant risk to us, including strategic, credit, operational, financial, technology, legal, regulatory and reputational risks. However, management is responsible for assessing and managing our various risk exposures on a day-to-day basis. In this regard, management, with the assistance, where appropriate, of its counsel, has established functions that focus on particular risks, such as legal matters, regulatory compliance, interest rate sensitivity, liquidity management, asset quality and information

security, and has developed a systemic and integrated approach to overall risk management, which includes the identification of risks and mitigation plans in the strategic planning process.

Our Board's role is primarily one of oversight. Our Board oversees our risk management processes to determine whether those processes are functioning as intended and are consistent with our business and strategy. Our Board conducts this oversight primarily through the Audit Committee, although some aspects of risk oversight are performed by the full Board or another committee. The Audit Committee is assigned with, among other things, oversight of our risks relating to accounting matters, financial reporting and legal and regulatory compliance. The Audit Committee meets regularly with our Chief Financial Officer, external auditors and management to discuss our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. The Audit Committee also receives regular reports regarding issues such as the status and findings of audits being conducted by our independent auditors, the status of material litigation and material accounting changes or proposed audit adjustments that could affect our financial statements. Our Audit Committee has standing items on its quarterly meeting agendas relating to these responsibilities. The Audit Committee members, as well as each of the other directors, have access to our Chief Financial Officer and any other member of our management for discussions between meetings as warranted. The Audit Committee provides reports to the full Board on risk-related items.

The activities of the Compensation Committee with respect to risks relating to our compensation policies and procedures are discussed below in the Executive Compensation section of this proxy statement.

Director Independence and Board Meetings. The Board has determined that all of our directors other than Mr. Becker are "independent directors" as defined by the listing standards of The Nasdaq Stock Market ("Nasdaq"), which is the market in which our common stock trades, and the director independence rules of the Securities and Exchange Commission ("SEC"). The Board has affirmatively determined that none of our independent directors have any relationship with us that would impair their independence.

Directors are expected to attend Board meetings, meetings of committees on which they serve and our annual meeting of shareholders, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. During 2015, the Board held ten meetings. No member of the board attended fewer than 91% of the aggregate number of meetings of the Board and the committees on which they served during 2015.

Each director is expected to be present at the annual meeting of shareholders, absent exigent circumstances that prevents their attendance. If a director is unable to attend an annual meeting in person but is able to do so by electronic conferencing, then the Company will arrange for the director's participation by means where the director can hear, and be heard, by those present at the meeting. All seven directors attended the annual meeting of shareholders held on May 18, 2015.

Committees of the Board

The Board has three standing committees which facilitate the oversight responsibilities of the Board in three key areas – audit, compensation and nominating and governance. All committees are composed entirely of independent directors. The members of the committees, as of the date of this proxy statement, are identified in the following table.

Name of Independent Director	Audit Committee	Compensation Committee	Nominating and Corporate Governance Committee
John K. Keach, Jr.	–	û	û
David R. Lovejoy	û	–	Chair
Ann D. Murtlow	–	–	û
Ralph R. Whitney, Jr.	û	û	–
Jerry Williams	–	Chair	–
Jean L. Wojtowicz	Chair	–	–

Audit Committee. The Audit Committee oversees our accounting and financial reporting activities. It appoints and evaluates our independent registered public accounting firm and meets with that firm and our Chief Financial Officer to review the scope, cost and results of our annual audit and to review our internal control over financial reporting, disclosure controls, policies and procedures. The Report of the Audit Committee appears in the Audit-Related Matters section of this proxy statement.

All members of the Audit Committee are “independent directors” as such term is defined under the Nasdaq rules and meet the additional independence criteria for audit committee members set forth in the Nasdaq rules and SEC Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Board has determined that Ms. Wojtowicz qualifies as an “audit committee financial expert,” as defined in Item 407(d)(5)(ii) of Regulation S-K of the Exchange Act. Shareholders should understand that this designation is an SEC disclosure requirement related to this director’s experience and understanding with respect to certain accounting and auditing matters. The designation does not impose any duties, obligations or liabilities that are greater than are generally imposed upon such director as a member of the Audit Committee and the Board.

The Audit Committee held four meetings during 2015.

The Audit Committee operates under a written charter, a copy of which is available on our website at www.firstinternetbancorp.com.

Compensation Committee. The Compensation Committee is responsible for reviewing and approving the compensation of our executive officers and directors and overseeing the Company’s overall compensation plans and benefits programs. The Compensation Committee also oversees the administration of our equity plans, including granting awards to employees and directors under such plans, subject to appropriate delegation. In determining the compensation of the executive officers other than our Chief Executive Officer, the Compensation Committee considers the recommendations of the Chief Executive Officer. The Report of the Compensation Committee appears in the Executive Compensation section of this proxy statement.

All members of the Compensation Committee are “independent directors” as such term is defined in the Nasdaq rules; “non-employee directors” as such term is defined in Rule 16b-3 of the Exchange Act; and “outside directors” as such term is defined in Section 162(m) of the Internal Revenue Code. All of the members also meet the additional independence criteria for compensation committee members set forth in the Nasdaq rules and SEC Rule 10C-1 promulgated under the Exchange Act.

The Compensation Committee held five meetings during 2015.

The Compensation Committee operates under a written charter, a copy of which is available on our website at www.firstinternetbancorp.com.

Compensation Committee Interlocks and Insider Participation. During the year ended December 31, 2015, no person who served as a member of our Compensation Committee was, during such period, an officer or employee of the Company, or has ever been one of our officers, and no such person had any transaction with us required to be disclosed in “Transactions with Related Persons” below. In addition, during the year ended December 31, 2015, (1) none of our executive officers served as a member of the compensation committee of another entity, one of whose executive officers served on our Compensation Committee; (2) none of our executive officers served as a director of another entity, one of whose executive officers served on our Compensation Committee; and (3) none of our executive officers served as a member of the compensation committee of another entity, one of whose executive officers served as one of our directors.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee assists the Board by identifying individuals qualified to become Board members, maintains our Corporate Governance Principles and Code of Business Conduct and Ethics, leads the Board in its periodic self-evaluations, recommends members and chairs for each standing committee, and determines and evaluates succession plans for our Chief Executive Officer.

All members of the Nominating and Corporate Governance Committee are independent directors as defined by Nasdaq rules.

The Nominating and Corporate Governance Committee held two meetings during 2015.

The Nominating and Corporate Governance Committee is responsible for identifying potential Board members. In identifying, evaluating and recommending nominees for the Board, the Committee examines, among other things, the following qualifications and skills of director candidates: their character; their business or professional experience and length of service; their areas of expertise; their independence; their integrity and judgment; their records of public service; their ability to devote sufficient time to the affairs of the Company; the diversity of backgrounds and experience they will bring to the Board; the current size and composition of the Board and its need for certain skills or experiences; and their understanding of our business. The Nominating and Corporate Governance Committee also believes that all nominees should be individuals of substantial accomplishment with demonstrated leadership capabilities.

Although the Nominating and Corporate Governance Committee does not assign any particular weighting or priority to any of the factors it considers in evaluating director candidates, the Committee has established the following minimum qualifications which each nominee to the Board must possess: the highest personal and professional ethics and integrity; proven achievement and competence in the nominee's field and the ability to exercise sound business judgment; skills that are complementary to those of the existing Board; and the ability to assist and support management and make significant contributions to the Company's success.

The Nominating and Corporate Governance Committee will consider candidates for director who are recommended by shareholders in the same manner as other candidates identified by the Committee. A shareholder who wishes to recommend a director candidate for consideration by the Committee should send such recommendation to our Chief Financial Officer at 11201 USA Parkway, Fishers, Indiana 46037, who will forward it to the Committee. Any such recommendation must include the candidate's name, home and business contact information, detailed biographical data, relevant qualifications, a signed letter from the candidate confirming willingness to serve, information regarding any relationships between the candidate and the Company and evidence of the recommending shareholder's ownership of Company stock. Such recommendations must also include a statement from the recommending shareholder in support of the candidate, particularly within the context of the criteria for Board membership, including issues of character, integrity, judgment, diversity, independence, area(s) of expertise, experience, length of service, potential conflicts of interest, other commitments and the like and personal references.

A shareholder who wishes to nominate an individual as a candidate for director without the recommendation of the Nominating and Corporate Governance Committee must comply with the advance notice and informational requirements set forth in our Amended and Restated Bylaws, which are more fully explained later in this proxy statement under "Shareholder Proposals for 2017 Annual Meeting."

The Nominating and Corporate Governance Committee operates under a written charter, a copy of which is available on our website at www.firstinternetbancorp.com.

Shareholder Communications

The Board has implemented a process whereby shareholders may send communications to its attention. The process for communicating with the Board is set forth in our Corporate Governance Principles, which are available on our website at www.firstinternetbancorp.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of our common stock, to file reports of ownership with the SEC. Such persons are also required to furnish us with copies of all Section 16(a) forms they file. Based upon review of reports and written representations

furnished to the Company, we believe that during 2015 all filings with the SEC required pursuant to Section 16(a) were complied with. However, Mr. Keach recently amended a report from an earlier period to correct his initial ownership of our common stock.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics, which applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer and principal accounting officer. A copy of the Code of Business Conduct and Ethics is available on our website at www.firstinternetbancorp.com. We will disclose on our website any amendments or updates to our Code of Business Conduct and Ethics, or any grant of a waiver from a provision of our Code of Business Conduct and Ethics.

Transactions with Related Persons

Policy for Approval of Related Person Transactions

We maintain a written policy for reviewing, approving and monitoring transactions involving the Company and related persons. The Audit Committee must approve any related person transaction in which the Company is a participant before commencement of the transaction, provided, however, that if a related person transaction is identified after it commences, it will be brought to the Audit Committee for review and possible ratification. The Audit Committee will approve or ratify a transaction only if it determines that the transaction is beneficial to the Company and that the terms of the transaction are fair to the Company.

For these purposes, a “related person” includes our directors, nominees for director, executive officers, any holder of more than 5% of our common stock, and any immediate family member of any of the foregoing persons. A “related person transaction” means any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which the Company (including any of its subsidiaries) is a participant and in which a related person has a direct or indirect interest, other than the following:

- payment of compensation by us to a related person for service as a director or executive officer;
- transactions available to all employees or all shareholders on the same terms; and

transactions that, when aggregated with the amount of all other transactions between the related person and us, involve \$120,000 or less in a fiscal year.

In determining whether to approve a related person transaction, the Audit Committee will analyze factors such as whether the transaction is material to the Company, the role the related person has played in arranging the transaction, the structure of the transaction and the interests of all related persons in the transaction.

The Audit Committee may, in its sole discretion, approve or disapprove any related person transaction. Approval of a related person transaction may be conditioned upon the Company and the related person following certain procedures designated by the Audit Committee. With regard to any transaction for which ratification is sought, the Audit Committee may require amendment or termination of the transaction.

Banking Transactions with Related Persons

The Bank offers loans and banking services to directors, executive officers and employees in the ordinary course of business on substantially the same terms, including interest rate and collateral, as those prevailing at the time for comparable transactions with others not related to the Company, and which do not involve more than the normal risk of collectability or present other unfavorable features. Federal banking regulations permit executive officers and directors to participate, subject to certain limits, in loan programs that are available to other employees, so long as the director or executive officer is not given preferential treatment compared to other participating employees.

Although the Sarbanes-Oxley Act of 2002 (the “Sarbanes-Oxley Act”) generally prohibits a public company from extending credit, arranging for the extension of credit or renewing an extension of credit in the form of a personal loan to an executive officer or director, there are several exceptions to this general prohibition, including loans made by an FDIC-insured depository institution that is subject to the insider lending restrictions of the Federal Reserve Act. All loans to directors and executive officers comply with the Federal Reserve Act and the Federal Reserve’s Regulation O. Therefore, the Company is not subject to the prohibitions on loans to executive officers and directors under the Sarbanes-Oxley Act.

During 2015, the Bank engaged in transactions in the ordinary course of business with some of our executive officers, directors and entities with which they are associated. These transactions involved loans and other banking services that were in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with others not related to the Company and did not involve more than the normal risk of collectability or present other unfavorable features. All such loan transactions were performing in accordance with their terms as of the date of this proxy statement.

EXECUTIVE COMPENSATION

This section of the proxy includes Proposal 2, the advisory vote to approve the compensation paid to our named executive officers for 2015. It also includes the Compensation Discussion and Analysis, the Report of the Compensation Committee (referred to as the “Committee” in this section) and the accompanying tables, which provide information regarding our compensation program and practices as they relate to our Chief Executive Officer, Chief Financial Officer and the three other executive officers identified in the Summary Compensation Table below, who are referred to as the “named executive officers” in this section. We currently do not have any executive officers who are not also named executive officers.

Proposal 2: Advisory Vote to Approve Executive Compensation

The second proposal to be considered at the annual meeting is an advisory vote to approve the compensation paid to our named executive officers as disclosed in this proxy statement pursuant to the SEC’s compensation disclosure rules (which disclosure includes the compensation tables and the narrative discussion following the compensation tables). This proposal, commonly known as the “say-on-pay” vote, gives our shareholders the opportunity to express their views on our executive compensation. This vote is not intended to address any specific item of compensation but rather the overall compensation paid to our named executive officers for the preceding year and the philosophy, policies and practices described in this proxy statement.

Our executive compensation program is designed to attract, motivate and retain highly qualified and effective leaders who drive our success. When designing our program, the Committee works to foster an environment in which executives are motivated to achieve financial performance goals and individual objectives that will drive the success of our business and, in turn, increase shareholder value on a long-term, sustainable basis. Our compensation program is intended to motivate and retain qualified executive personnel in a way that establishes an appropriate relationship between executive pay and the creation of shareholder value. We believe that our executive compensation program accomplishes this goal.

Our executive compensation program received substantial shareholder support and was approved, on an advisory basis, by approximately 96.1% of the votes cast at the annual meeting of shareholders held on May 18, 2015. The Committee and the other members of our Board believe that this vote reflected our shareholders' strong support of the compensation decisions made by the Committee for our named executive officers for 2014. Based on these results, the Committee concluded that our executive compensation program achieved the goals of our compensation philosophy and, therefore, reaffirmed elements of our executive compensation for 2015 but also added a performance-based equity award as discussed further below.

For 2015, the Committee approved increases to the annual base salaries of the named executive officers. The Committee also established the 2015 Senior Executive Cash Incentive Plan, which provided senior management,

including named executive officers, an opportunity to earn a performance-based cash bonus for 2015. The Company's Chief Executive Officer was also awarded a discretionary cash bonus by the Committee in recognition of his contributions to the Company. In January 2015, the Committee made awards of restricted stock to the named executive officers that vest in three substantially equal installments on March 31, 2015, 2016 and 2017. In addition, as discussed in more detail below in the Compensation Discussion and Analysis included in this section of the proxy statement, the Committee made awards of restricted stock units ("RSUs") in 2015 to the named executive officers as part of a restructuring of our long-term incentive program to more directly link equity award opportunities to the achievement of goals for our operational performance for a year. As discussed below, the named executive officers earned these awards based on the Committee's determination in 2016 that the Company had achieved the net income and cash dividend performance goals established for the 2015 performance period. The earned RSUs, which settle in shares of our common stock upon vesting, are subject to time-based vesting in three substantially equal installments on March 31, 2016, 2017 and 2018. The compensation paid to the named executive officers for 2015 is discussed in more detail below in the Compensation Discussion and Analysis. The Compensation Discussion and Analysis also describes the compensation decisions the Committee has made for 2016.

The following resolution will be voted on at the annual meeting:

Resolved, that the Company's shareholders approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the Company's proxy statement for the 2016 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and the narrative discussion.

As an advisory vote, this proposal is not binding upon the Company, the Board or the Committee and will not be construed as overruling a decision by the Company, the Board or the Committee or creating or implying any additional fiduciary duty for the Company, the Board or the Committee. However, the Committee and the Board value the opinions expressed by shareholders in their vote on this proposal and will consider the outcome of the advisory vote when making future executive compensation decisions.

The Board of Directors recommends a vote "FOR" the advisory proposal to approve the compensation of our named executive officers as disclosed in this proxy statement.

Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides information about the Company's compensation philosophy and 2015 compensation arrangements for the named executive officers. The named executive officers for 2015 were David B. Becker, Kenneth J. Lovik, C. Charles Perfetti, Nicole S. Lorch and Edward A. Roebuck. Because Mr. Roebuck

resigned from all positions with the Company in October 2015, certain of the compensation information and discussions contained in this section are not applicable to Mr. Roebuck.

Philosophy. The goals of our executive compensation program are to foster the creation of shareholder value while motivating and retaining executives. Our executive compensation program has been designed to hold executives accountable for the financial and operational performance of the Company. Our compensation program includes the use of awards under our shareholder approved equity incentive plan and stock ownership guidelines that serve to align the interests of our executives with the interests of our shareholders. Our compensation program is designed to reward executives at levels comparable to similar financial institutions to promote fairness and success in attracting and retaining executives. Our executive compensation philosophy and objectives have always included the goal of aligning executive compensation with our performance. We believe that our compensation program does not promote excessive risk taking and that various elements of our policies serve to mitigate excessive risk, such as capped incentive opportunities, stock ownership guidelines, and recoupment of cash incentive payments.

2015 Financial Highlights. 2015 was another year of strong growth for the Company. We continued to expand our loan origination capabilities while maintaining strong asset quality. Our asset generation capabilities

combined with disciplined expense management resulted in strong earnings growth and significantly improved profitability. Highlights from 2015 include:

- Net income of \$8.9 million during 2015, an increase of 106.5% over 2014 results.
- Diluted earnings per share of \$1.96 for 2015, an increase of 104.2% over 2014.

One-year total shareholder return of 73.1% for 2015, significantly exceeding the total return of 11.2% for the SNL Micro Cap U.S. Bank index.

- Added \$54.3 million in market capitalization, a 73.0% increase from December 31, 2014.
- Total assets were \$1.3 billion at December 31, 2015, up 30.8% from December 31, 2014.
- Total loans receivable were \$953.9 million at December 31, 2015, a 30.2% increase from December 31, 2014.
- Total deposits increased to \$956.1 million at December 31, 2015, or 26.0%, compared to December 31, 2014.
- Net interest income increased 38.0% in 2015 compared to 2014.
- Net interest margin increased from 2.65% in 2014 to 2.85% in 2015.

- Return on average assets improved to 0.81% for 2015 compared to 0.50% for 2014.
- Return on average shareholders' equity improved to 8.89% in 2015 compared to 4.61% in 2014.

Consideration of 2015 Advisory Vote on Compensation. At our 2015 annual meeting of shareholders, approximately 96.1% of the votes cast were voted to approve the annual advisory vote. Based on the strong level of shareholder support for the past three years, the Committee made no significant changes in the executive compensation program for 2015 other than to award performance-based RSUs to a group of our senior managers and named executive officers, as discussed in more detail below, as part of a restructuring of our long-term incentive program to more

directly link equity award opportunities to the achievement of goals for our operational performance for a particular year.

Role of Committee and Input from Management. The responsibilities of the Committee include administering our compensation programs and approving or ratifying all compensation related decisions for the named executive officers. The Committee is responsible for determining our executive compensation philosophy, objectives, policies and programs and approves all compensation-related decisions for the named executive officers. When making executive compensation decisions, the Committee considers any input from its independent compensation consultant and, for all executives other than our Chief Executive Officer, the recommendation of our Chief Executive Officer. Our Chief Executive Officer recommends salary levels, short-term incentive compensation awards, equity-based compensation awards and perquisites for our other named executive officers. Our Chief Executive Officer's compensation is determined solely by the Committee with the assistance of the Committee's independent compensation consultant. The Committee applies the same principles for executive compensation in determining our Chief Executive Officer's compensation that it applies in determining the compensation of our other named executive officers.

Role of Compensation Consultant. The Committee engaged McLagan as its independent compensation consultant to advise and assist the Committee with compensation matters for 2015. McLagan was retained directly by the Committee, reported directly to the Committee and participated in a portion of the Committee meetings. In this regard, McLagan advises and assists the Committee in determining annual base salary compensation and designing short- and long-term incentive compensation to fairly reward individuals who are responsible for prudent growth, profitability, and long-term stability of the Company. McLagan additionally advises the Committee on identifying comparable companies and compensation surveys for the Committee to use

to benchmark the appropriateness and competitiveness of our executive compensation program and on matters of director compensation.

McLagan may, from time to time, contact our named executive officers for information necessary to fulfill its assignment and may make reports and presentations to and on behalf of the Committee that our named executive officers also receive.

McLagan and its affiliates did not provide any other services to us or our affiliates during 2015. In addition, the Committee has determined that the work of McLagan and its employees has not raised any conflict of interest.

Recoupment Policies. In addition, the Committee is monitoring SEC and Nasdaq actions with respect to requiring compensation recoupment policies and expects to recommend appropriate policies to the Board in light of ongoing SEC and Nasdaq rulemaking and interpretive guidance.

Elements of Compensation. The compensation package of our named executive officers consists primarily of an annual base salary, short-term incentive compensation and long-term incentive compensation.

Annual Base Salaries. We believe that offering competitive annual base salaries is a key factor in attracting and retaining talent. When deciding on the appropriate annual base salary for each named executive officer, the Committee takes into consideration the results of the competitive market assessment, as well as the individual's performance, his or her roles and responsibilities and related experience in the role.

Short-Term Incentive Compensation. For 2015, the Committee established the 2015 Senior Executive Cash Incentive Plan (the "2015 Bonus Plan") that provided annual cash bonus opportunities tied to the achievement of targets for our net income, net interest income, one-year asset growth rate, ratio of nonperforming assets to total assets (excluding troubled debt restructurings, or "TDRs") and other conditions. The 2015 Bonus Plan provided for awards to be earned under each plan criterion, independent of the other criteria. For each metric, the Committee determined a threshold, target and maximum level of achievement based on the Company's operating plan for 2015. The specific threshold, target and maximum opportunity for each named executive officer is expressed as a percentage of annual base salary, reflective of the named executive's role and competitive market practice. Awards are interpolated to the next whole percent between the threshold, target and maximum goals. In January 2016, the Committee reviewed the Company's 2015 performance in accordance with the 2015 Bonus Plan and determined that the corporate performance goals were achieved on a weighted combined basis at 111% of the targeted opportunities. For 2015, net income, one-year asset growth rate and nonperforming assets to total assets exceeded target performance, while net interest income was in-line with target performance.

During 2015, the Committee awarded a discretionary cash bonus to Mr. Becker that was separate from his bonus opportunity under the 2015 Bonus Plan. The bonus was awarded in recognition of his contributions toward increasing the Company's franchise value, including increases in total shareholder value since the beginning of fiscal 2014.

Long-Term Incentive Compensation. The First Internet Bancorp 2013 Equity Incentive Plan (the "2013 Equity Plan") is a shareholder-approved plan that permits the Committee to provide executives with long-term incentive compensation opportunities. The Committee believes that equity-based awards that include multi-year vesting requirements provide our executives with an ownership stake in the Company and promote executive retention. The Committee also believes that grants of restricted shares and stock units are an effective means to align the interests of executives more closely with those of our shareholders and that grants of performance-based equity awards directly link executive compensation with performance. In January 2015, the Committee made awards for a total of 26,000 restricted shares to the named executive officers under the 2013 Equity Plan. These awards vest in three installments on March 31, 2015, 2016 and 2017, subject to continued employment. In March 2015, the Committee made awards of RSUs to the named executive officers under the 2013 Equity Plan which could be earned by each executive depending on the Company's achievement of goals set by the Committee for net income reported and cash dividends declared for 2015. In January 2016, the Committee determined that the

- 16 -

named executive officers (other than Mr. Roebuck) earned the full amount of RSUs granted as a result of the Company's achievement of the net income and cash dividend performance goals established by the Committee for the 2015 performance period. The earned RSUs, which settle in shares of our common stock upon vesting, are scheduled to vest in thirds on each of March 31, 2016, 2017 and 2018.

In January 2016, the Committee made awards of RSUs to the named executive officers (other than Mr. Roebuck) under the 2013 Equity Plan which could be earned by each executive depending on the Company's achievement of goals set by the Committee for net income reported and cash dividends declared for 2016.

Stock Ownership Guidelines and Hedging Prohibitions. The Board of Directors has approved stock ownership guidelines for the named executive officers and non-employee directors (the "Covered Individuals"). The guidelines expect that the Covered Individuals will own at least a specified value of the Company's common stock by September 15, 2019, or within five years after the person becomes a Covered Individual. The securities that count toward satisfaction of the guidelines are shares of common stock, owned directly or indirectly through a specified entity, vested shares of restricted stock or stock units, and deferred stock rights.

The current recommended minimum values are four times annual base salary for Mr. Becker, two times annual base salary for the other named executive officers, and \$100,000 for each non-employee director. As of December 31, 2015, all non-employee directors were in compliance with their recommended minimum values. As of December 31, 2015, all named executive officers were either in compliance with their respective recommended minimum values or had made progress toward compliance.

Our Stock Trading Policy prohibits executive officers and non-employee directors from holding Company shares in a margin account or otherwise pledging Company shares as collateral for a loan unless that person can clearly demonstrate the financial capacity to repay the loan without resort to the pledged securities. The policy also prohibits executive officers and non-employee directors from entering into hedging, monetization or similar transactions involving Company shares that are intended to realize the value of, or limit the risks and rewards of owning, Company shares.

Medical, Disability and Life Insurance. All full-time employees, including the named executive officers, participate in insurance benefits coverage to help manage the financial impact of ill health, disability and death. The named executive officers are also eligible to participate in increased life insurance coverage at their election.

Retirement Benefits. We sponsor a 401(k) plan in which all full-time employees are eligible to participate. The purpose of the plan is to provide an incentive for employees to save for their retirement income needs and to assist in the attraction and retention of employees. Our named executive officers participate in the 401(k) plan on the same basis as other eligible employees. We currently match 100% of the first one percent of a participant's annual earnings that he or she contributes and then 50% on deferrals over 1% up to a

maximum of 6% of an individual's total eligible salary as defined by the 401(k) plan, up to the maximum permitted by law.

Perquisites. The Committee believes that perquisites are an integral component in establishing the competitiveness of our overall compensation program. Perquisites offered to the named executive officers are identified in the footnotes to the Summary Compensation Table.

Employee Stock Purchase Plan. In March 2016, we established an employee stock purchase plan (the "ESPP"), in which all of our employees are eligible to participate. The ESPP permits employees to acquire shares of our common stock through periodic payroll deductions. There is no discount or employer contribution feature in the ESPP.

Compensation Decisions for 2015

Details of the compensation payable to the named executive officers for 2015 are disclosed in the tables and related discussion that follow this Compensation Discussion and Analysis.

2015 Base Salaries. The following table sets forth the annual base salary of each of the named executive officers for 2014 and the annual base salary established by the Committee for each of those officers for 2015, as well as the percentage increase between the two years:

Name	Annual Base Salary		Increase	
	2014	2015		
David B. Becker	\$400,000	\$450,000	12.5	%
Kenneth J. Lovik	\$250,000 ⁽¹⁾	\$260,000	4.0	%
C. Charles Perfetti	\$190,000	\$200,000	5.3	%
Nicole S. Lorch	\$155,000	\$175,000	12.9	%
Edward A. Roebuck ⁽²⁾	\$155,000	\$165,000	6.5	%

(1) Represents an annualized amount. Mr. Lovik joined the Company in August 2014.

(2) Mr. Roebuck's employment with the Company ended in October 2015.

2015 Short-Term Incentive Compensation. Effective as of January 1, 2015, the Committee established the 2015 Bonus Plan for senior management, including all of our named executive officers. The 2015 Bonus Plan provided an opportunity for each participant to earn an annual cash bonus based on the Company's achievement for 2015 (at threshold, target and maximum levels) of budgeted goals for net income, net interest income, one-year asset growth rate and ratio of nonperforming assets to total assets (excluding TDRs). The 2015 Bonus Plan also required that the following conditions be met:

(1) The executive must achieve a satisfactory individual 2015 performance rating.

(2) The Company must report positive net income for 2015 (taking into account the expense of paying all incentive compensation).

(3)The Company must declare in 2015 and pay not later than January 31, 2016 a specified amount of cash dividends.

If the financial goals and conditions were met, then each named executive officer would be eligible to receive a bonus that would range from the following minimum and maximum percentages of the officer’s annual base salary:

Named Executive Officer	Percentage of Annual Base Salary				
	Threshold	Budget		Maximum	
	(90%)	(100%)		(115%)	
David B. Becker	8%	30%		60%	%
Kenneth J. Lovik	5%	25%		50%	%
C. Charles Perfetti	5%	25%		50%	%
Nicole S. Lorch	3%	15%		23%	%
Edward A. Roebuck	3%	15%		23%	%

In addition, Ms. Lorch and Mr. Roebuck were also eligible to receive a cash bonus of up to 25% of salary based on the Chief Executive Officer’s assessment of their individual and departmental performance for 2015. Mr. Roebuck resigned in October 2015 and was no longer eligible to receive any payments under the 2015 Bonus Plan.

If, after the payment of any bonus under the 2015 Bonus Plan, the Company restates its financial statements for the year ending December 31, 2015, then the Committee will determine the amount of bonus that should have been paid to the officers who received them based on the restated financial statements (the “Restated Bonus Amount”). If the Restated Bonus Amount is greater than the bonus that is paid (if any), then the Company will pay such difference. If the Restated Bonus Amount is less than the bonus that is paid (if any), then the employee

(or his or her designated beneficiary or estate) will repay such difference. The right to receive and the obligation to repay any Restated Bonus Amount applies regardless of whether the employee is then currently employed with the Company.

In January 2016, the Company's 2015 performance was reviewed by the Committee in accordance with the 2015 Bonus Plan and the Committee determined that the following levels of performance were achieved:

Performance Goal (Relative Weight)	Corporate Performance Level				2015 Actual Performance	Performance Level Achieved	Weighted Payout Percentage
	Threshold (90%)	Target (100%)	Maximum (115%)				
Net Income (25%)	\$6,460,200	\$7,178,000	\$8,254,700		\$8,929,000	115%	29%
Net Interest Income (25%)	\$27,784,800	\$30,872,000	\$35,502,800		\$30,753,000	100%	25%
One-Year Asset Growth Rate (30%)	24%	27%	31%	31%	114%	34%	
Nonperforming Assets ⁽¹⁾ (20%)	1.10	1.00	0.85	0.37	115%	23%	
Total Weighted Percentage Earned							111%

(1) Expressed as a percentage of total assets (excluding TDRs).

For 2015, net income, one-year asset growth rate and nonperforming assets to total assets exceeded target performance while net interest income was in-line with target performance. The Committee also determined that the conditions in the 2015 Bonus Plan had been satisfied.

Based on the Company's performance and the individual performance rating of each named executive officer (other than Mr. Roebuck), the Compensation Committee approved the following cash bonus awards under our 2015 Bonus Plan:

Named Executive Officer	Annual Cash Bonus Earned	Percentage of Annual Base Salary
David B. Becker	\$ 234,000	52.0%
Kenneth J. Lovik	\$ 112,667	43.3%
C. Charles Perfetti	\$ 86,667	43.3%
Nicole S. Lorch	\$ 80,267 (1)	45.9%

Based on her individual and departmental performance for 2015, the Committee awarded Ms. Lorch a (1) supplemental \$43,750 cash bonus under the discretionary bonus provision of the 2015 Bonus Plan, which is included in the amount presented.

On October 19, 2015, the Committee also awarded a discretionary cash bonus of \$100,000 to Mr. Becker. The bonus was paid to Mr. Becker in December 2015. The bonus was awarded in recognition of Mr. Becker's contributions toward increasing the Company's franchise value, including increases in total shareholder value since the beginning of fiscal 2014.

2015 Long-Term Incentive Compensation. In January 2015, the Committee granted restricted stock awards to a group of officers, including the named executive officers. Mr. Becker received a grant of 8,000 shares of restricted stock (representing a grant date fair market value of \$133,520), Mr. Lovik and Mr. Perfetti each received a grant of 5,000 shares of restricted stock (representing a grant date fair market value of \$83,450), and Ms. Lorch and Mr. Roebuck each received a grant of 4,000 shares of restricted stock (representing a grant date fair market value of \$66,760). These awards vest in three installments on March 31, 2015, 2016 and 2017, subject to continued employment on the applicable vesting date. At the time of Mr. Roebuck's resignation in October 2015, one-third of his 2015 restricted stock grant had already vested, and the remaining two-thirds was forfeited.

During 2014 and 2015, the Committee discussed taking a new approach to provide long-term incentive compensation opportunities to our senior management that are directly linked to the achievement of goals for our operational performance for a year. The new approach would also retain time-based vesting to encourage retention.

To implement the new approach for the 2015 performance year, on March 25, 2015, the Committee made awards to a group of officers, including the named executive officers. The awards were granted in the form of RSUs

under the 2013 Equity Plan. Mr. Becker received an award of 7,547 RSUs; Mr. Lovik received an award of 4,360 RSUs; Mr. Perfetti received an award of 3,354 RSUs; Ms. Lorch received an award of 2,935 RSUs; and Mr. Roebuck received an award of 2,767 RSUs. The number of RSUs awarded to each executive was determined by dividing 30% of the executive's then-current annual base salary by the value of a share of common stock on the date the Committee awarded the RSUs.

In January 2016, the Committee determined that the Company both (a) achieved positive net income for 2015 and (b) declared 2015 dividends per share at least equal to the amount declared per share for 2014. As a result, the full number of RSUs were earned by the named executive officers, except for Mr. Roebuck who forfeited the award due to his resignation. The earned RSUs are scheduled to vest, and settle in shares of common stock, in three substantially equal installments on March 31, 2016, 2017 and 2018. For each of those years, vesting will be conditioned on maintenance of continued employment through the vesting date or termination of executive's employment because of death, disability, or retirement. If the executive's employment terminates for any other reason, the unvested portion of the earned RSUs will be forfeited.

The RSUs have dividend equivalent rights that will result in the accrual of additional RSUs representing the value of cash dividends that would have been paid if each outstanding RSU had been a share of common stock on the dividend payment date. Any additional RSUs that accrue under the dividend equivalent right are subject to vesting and settlement in whole shares of common stock at the same time and on the same conditions as the underlying RSUs.

Compensation Decisions for 2016

The Committee made the following decisions with respect to the compensation payable to the named executive officers for 2016.

2016 Base Salaries. The following table sets forth the annual base salary of each of the named executive officers (other than Mr. Roebuck whose employment ended during 2015) for 2015 and the annual base salary established by the Committee for each of those officers for 2016, as well as the percentage increase between the two years:

Name	Annual Base Salary		Increase	
	2015	2016		
David B. Becker	\$450,000	\$500,000	11.1	%
Kenneth J. Lovik	\$260,000	\$270,000	3.8	%
C. Charles Perfetti	\$200,000	\$207,500	3.8	%
Nicole S. Lorch	\$175,000	\$195,000	11.4	%

2016 Short-Term Incentive Compensation. Effective as of January 1, 2016, the Committee established the 2016 Senior Executive Cash Incentive Plan (the “2016 Bonus Plan”) for senior management, including all of our named executive officers. The 2016 Bonus Plan is based on corporate and departmental performance goals for 2016 but is otherwise functionally similar to the 2015 Bonus Plan.

2016 Long-Term Incentive Compensation.

On January 22, 2016, the Committee granted equity awards to our senior executives, including the named executive officers, in the form of performance-based RSUs. The number of RSUs awarded to each executive was determined by dividing 30% of the executive’s current annual base salary by the value of a share of common stock on the date of grant. The RSUs may be earned by the executive depending on the Company’s achievement of performance goals established by the Committee for net income reported and cash dividends declared for the year. If earned, the RSUs will then become subject to time-based vesting in three substantially equal installments on March 31, 2017, 2018 and 2019. In January 2016, Mr. Becker received an award of 9,751 RSUs; Mr. Lovik received an award of 4,213 RSUs; Mr. Perfetti received an award of 3,238 RSUs; and Ms. Lorch received an award of 2,282 RSUs.

Taxes and Accounting Considerations

Section 162(m) of the Internal Revenue Code contains special rules regarding the federal income tax deductibility of compensation paid to certain executive officers. It also limits the federal income tax deductibility of compensation paid to the Company's chief executive officer and to each of the three other most highly compensated executive officers required to be named in the proxy statement (other than the chief financial officer). Compensation paid to any of these specified executive officers will be deductible by the Company only to the extent that it does not exceed \$1,000,000 for a taxable year or qualifies as "performance-based" compensation under Code Section 162(m). The deductibility of some types of compensation payments can depend upon the timing of the vesting or an executive's exercise of previously granted equity awards. Interpretations of and changes to applicable tax laws and regulations as well as other factors beyond our control also can affect deductibility of compensation. The Committee considers the anticipated tax treatment to the Company when determining executive compensation and seeks to preserve the deductibility of compensation payments and benefits to the extent reasonably practicable, consistent with our compensation policies and what we believe is in the best interests of our shareholders. However, for the above reasons, and in order to maintain the flexibility to be able to compensate our named executive officers in a manner designed to promote varying corporate goals, the Committee has determined to not adopt a strict policy that all executive compensation must be deductible under Section 162(m) of the Internal Revenue Code.

Our 2013 Equity Plan contains performance-based conditions and has been approved by our shareholders, such that certain awards under the plan can qualify as performance-based compensation under Section 162(m).

Section 409A of the Internal Revenue Code affects the payments of certain types of deferred compensation to key employees and includes requirements relating to when payments under such arrangements can be made, acceleration of benefits, and timing of elections under such arrangements. Failure to satisfy these requirements will generally lead to an acceleration of the timing for including deferred compensation in an employee's income, as well as certain penalties and interest. We believe that our nonqualified deferred compensation arrangements meet the effective requirements of Section 409A as required by law or regulation.

Report of the Compensation Committee

The Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis with management. Based on that review and those discussions, the Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement on Schedule 14A and incorporated by reference in the Company's 2015 Annual Report on Form 10-K.

(1) Represents vested portion of grants of restricted stock issued under the 2013 Equity Plan.

(2) Value calculated using the closing price of our common stock as of the date of the respective vesting as reported by Nasdaq.

2013 Equity Plan

Our 2013 Equity Plan was approved by the Board and our shareholders in 2013. The 2013 Equity Plan authorizes the issuance of 750,000 shares of our common stock. Under the terms of the 2013 Equity Plan, the pool of shares available for issuance may be used for all types of equity awards available under the 2013 Equity Plan, which include stock options, stock appreciation rights (“SARs”), restricted stock awards, stock unit awards and other stock-based awards.

All employees, consultants and advisors of the Company or any subsidiary, as well as all non-employee directors of the Company, are eligible to receive awards under the 2013 Equity Plan. As of December 31, 2015, there were approximately 152 persons employed by the Company and its subsidiaries and six non-employee members of its Board, all of whom were eligible to receive awards under the 2013 Equity Plan.

The 2013 Equity Plan is administered by the Committee, which may in turn delegate its duties, power and authority under the 2013 Equity Plan to any of its members, to officers of the Company with respect to awards to participants who are not directors or executive officers of the Company or, in connection with non-discretionary administrative duties, to one or more agents or advisors.

The Committee has the authority to determine the persons to whom awards will be granted, the timing, type and number of shares or amount of cash covered by each award, and the terms and conditions of the awards. The Committee may also establish and modify rules to administer the 2013 Equity Plan, interpret the 2013 Equity Plan and any related award agreement, cancel or suspend an award or the exercisability of an award, or modify the terms of outstanding awards to the extent permitted under the 2013 Equity Plan. Unless an amendment to the terms of an award is necessary to comply with applicable laws or stock exchange rules, a participant who would be adversely affected by such an amendment must consent to it.

Employment Agreement

We do not have any employment agreements with any executive officers other than Mr. Becker.

Mr. Becker’s employment agreement provides for an annual base salary and an annual bonus, if any, as determined from time to time by the Committee. The annual bonus is to be determined with reference to the achievement of annual performance objectives established by the Committee for Mr. Becker and other senior officers. The agreement also provides that Mr. Becker may be awarded additional compensation, benefits or consideration as the Committee

may determine. The term of the agreement was set to expire on December 31, 2015, but automatically renewed for a successive one year term, through December 31, 2016.

The agreement provides that if Mr. Becker's employment is terminated by us for "cause," or by him without "good reason," then he will be paid only the amounts then due for his services through the date of termination. If his employment is terminated without cause or he resigns for good reason, then he will be paid, in twelve equal monthly payments beginning the month following termination, an amount equal to the sum of (x) two times his then-current annual base salary plus (y) two times the amount of the annual bonus he was paid for the calendar year preceding the termination. If his employment is terminated due to his death, then his estate will be paid an amount equal to 120% of the annual bonus he was paid for the calendar year preceding the termination. If his employment is terminated due to disability, then he will be paid an amount equal to sum of (x) his then-current annual base salary plus (y) 120% of the annual bonus he was paid for the calendar year preceding the termination. If his employment terminates or the agreement is not renewed or if he resigns for any reason within twelve months following a change in control, then he will be paid, in twelve equal monthly payments beginning the month following the end of his employment, an amount equal to sum of (x) three times his then-current annual base salary plus (y) two times the 120% of the amount of the annual bonus he was paid for the calendar year preceding the termination; provided, however, the total payments relating to a change in control will be limited to the maximum amount that could be paid to him without imposing excise tax under the Internal Revenue Code. Unless Mr. Becker's employment is terminated by us for "cause," terminated by him without "good reason," or

terminated pursuant to a non-renewal of his agreement, then, to the fullest extent permitted by law, all restrictions on any outstanding incentive awards, including equity awards, will lapse and become 100% vested.

Potential Payments upon Termination or Change-in-Control

The table below reflects the estimated amount of compensation payable to each of the named executive officers in the event of his or her termination of employment under various scenarios, assuming that such termination occurred as of December 31, 2015. Other than our employment agreement with Mr. Becker, we have not entered into employment agreements, change in control agreements or severance agreements with any of our named executive officers. The table excludes certain amounts payable pursuant to plans that do not discriminate in favor of executive officers and that are available generally to all salaried employees. The amounts shown are only estimates of the amounts that would be payable to the named executive officers upon termination of employment and do not reflect tax positions we may take or the accounting treatment of such payments. Actual amounts to be paid can only be determined at the time of separation.

- (1) Represents severance payments due under Mr. Becker’s employment agreement under the scenarios presented. For additional information, see “Employment Agreement.”
- (2) Represents “double-trigger” severance payment only payable upon termination or nonrenewal of employment or resignation within 12 months following any change in control.
- (3) For additional information regarding the terms of the 2015 Bonus Plan, see “Compensation Decisions for 2015 - 2015 Short-Term Incentive Compensation.”
 Amounts represent the value of unvested shares of restricted stock held by the named executive officer that would vest as a result of the specified termination event. Value is calculated by multiplying the number of unvested restricted shares that would vest by \$28.69, the closing price of our common stock on December 31, 2015 as reported by Nasdaq. With respect to a change in control that involves a corporate transaction, such accelerated vesting would occur only if the Committee does not provide for the continuation, assumption, replacement or cancellation in exchange for payment with respect to such awards. Other changes in control not involving a corporate transaction would not trigger acceleration under the 2013 Equity Plan or applicable award agreements.
- (4) Amounts represent the value of unvested RSUs held by the named executive officer that would vest as a result of the specified termination event. Value is calculated by multiplying the number of unvested RSUs that would vest by \$28.69, the closing price of our common stock on December 31, 2015 as reported by Nasdaq.
- (5) Amount represents the estimated reimbursement cost of premiums for insurance if the executive was paying the premiums for such coverage at the time of termination.
- (6) Mr. Roebuck resigned from all positions with the Company in October 2015. In connection with his resignation, he received an extra month’s salary in one lump sum payment.

(1) Value calculated using the closing price of our common stock on the date of grant as reported by Nasdaq.

We compensate our non-employee directors for their services in the form of an annual retainer paid in equity awards granted under the 2013 Equity Plan, as well as cash payments for Board and committee meeting attendance, service as a committee chair and service on the Audit Committee.

Annual Retainer. For 2015, we paid non-employee directors an annual retainer in the form of shares of restricted stock or deferred stock units granted under the 2013 Equity Plan. Each of our non-employee directors received an award of restricted stock or deferred stock units having a grant date fair value of \$25,000, which represented the non-cash component of the compensation payable for the directors' service during 2015.

The number of shares of restricted stock or deferred stock units was determined by dividing the annual retainer of \$25,000 by the closing price of our common stock on January 2, 2015, which was the next trading date after January 1, 2015, and rounded up to the next whole share. All directors elected to receive restricted stock, which shares vested monthly over 2015. Cash dividends were paid on unvested shares of restricted stock.

Board and Committee Meeting Attendance Fees. During 2015, we paid each committee member a \$750 cash fee for each Board and committee meeting attended.

Committee Chair Annual Fees. During 2015, we paid each committee chair additional annual cash fees as follows: Audit Committee - \$10,000, Compensation Committee - \$4,500 and Nominating and Corporate Governance Committee - \$4,500.

Other Audit Committee Members. During 2015, we paid each member of the Audit Committee, excluding the Chair, an annual cash fee of \$3,000.

Reimbursement of Meeting Expenses. We reimburse our non-employee directors for their reasonable expenses incurred in attending regular, special and board committee meetings.

AUDIT-RELATED MATTERS

This section of the proxy statement includes Proposal 3, the ratification of the appointment of the Company's independent registered public accounting firm for 2016. It also includes information regarding audit-related matters, including the Report of the Audit Committee and fees paid to the independent registered public accounting firm for 2015 and 2014.

Proposal 3: Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee has already appointed BKD, LLP as our independent registered public accounting firm for 2016. The Board is submitting the appointment of BKD, LLP for ratification in order to permit shareholders to express their approval or disapproval. In the event of a negative vote, the Audit Committee may reconsider this appointment. Representatives of BKD, LLP will be present at the meeting and will be given an opportunity to respond to questions and make a statement, if they desire.

The Board of Directors recommends a vote "FOR" the ratification of the appointment of BKD, LLP as our independent registered public accounting firm for 2016.

Report of the Audit Committee

The Audit Committee is composed of the three directors named below. The Board and the Audit Committee have determined that the Audit Committee's current composition satisfies the Nasdaq listing requirements, including the requirement that all Audit Committee members be "independent directors" as defined by Nasdaq rules. The Board annually reviews the independence of the Audit Committee members under both Nasdaq rules and the SEC's definition of independence for Audit Committee members and the independence requirements in our Corporate Governance Principles. The Board has determined that Ms. Wojtowicz meets the SEC's definition of an "audit committee financial expert."

The primary function of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities by reviewing the financial information that will be provided to shareholders and others, the system of internal controls that management has established, and the audit process. In doing so, it is the responsibility of the Audit Committee to provide an open avenue of communication between the Board, management and the independent registered public accounting firm.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the year ended December 31, 2015, with the Company's management. The Audit Committee has discussed with BKD, LLP, the matters required to be discussed by the applicable rules of the Public Company Accounting Oversight Board ("PCAOB") including the quality, not just the acceptability of the accounting principles, but also the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. The Audit Committee has also received the written disclosures and the letter from BKD, LLP required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with BKD, LLP the independence of that firm.

The members of the Audit Committee have also confirmed that there have been no new circumstances or developments since their appointment to the Audit Committee that would impair any member's ability to act independently.

Based on the reviews and discussions referenced above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015, for filing with the SEC.

Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.
