Item 1.01 Entry into a Material Definitive Agreement.

On September 27, 2016, Bacterin International, Inc. (“Bacterin”), a Nevada corporation and wholly-owned subsidiary of Xtant Medical Holdings, Inc., ROS Acquisition Offshore LP, and OrbiMed Royalty Opportunities II, LP, entered into the Sixth Amendment to Amended and Restated Credit Agreement (the “Amendment”), which amended its existing Amended and Restated Credit Agreement (the “Facility”).

Under the Facility, Bacterin is required to pay a fee for any amounts prepaid or paid, whether voluntarily, involuntarily or on the Maturity Date under the Facility. The Amendment modifies the Facility by increasing this fee from 7.50% to 9.00%. Under the Amendment, regular interest will not accrue during the period from July 1, 2016 to September 30, 2016; however, during such period, additional interest (“PIK Interest”) will accrue at a rate per annum equal to 9.00%, and such PIK Interest will be added to the outstanding principal amount of the loans at September 30, 2016. The Amendment also modifies the negative covenants of the Facility by increasing the amount of purchase money indebtedness and capitalized lease liabilities allowed to be incurred by Bacterin and lowering the minimum revenue base for the quarters ending September 30, 2016 and December 31, 2016.

The foregoing descriptions of the Amendment does not purport to be complete and are qualified in their entirety by reference to the Amendment, which is attached hereto as Exhibit 10.1 and is incorporated by reference herein.

Item 2.03 Creation of Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.
