Effective as of October 1, 1994, the Issuer was established as a wholly-owned subsidiary of Jilin Chemical Group Corporation (Jilin Group). Effective November 5, 1999, as part of a reorganization of CNPC, Jilin Group transferred to PetroChina all of its ownership interest in the Issuer as represented by the State Shares.

PetroChina was established on November 5, 1999 with CNPC as its sole promoter. As of October 30, 2005, CNPC owned 157,922,077,818 state-owned shares of PetroChina, representing approximately 88.2% of the outstanding share capital of PetroChina.

Item 3. Source and Amount of Funds or Other Consideration.

The disclosure previously contained in Item 3 is hereby replaced in its entirety with the following:

On October 31, 2005, PetroChina announced its intention (subject to the satisfaction or, if permissible, waiver of the pre-conditions described below) to make a voluntary conditional offer, which is intended to be made by Citigroup Global Markets Asia Limited on behalf of PetroChina, to acquire all of the outstanding H Shares, including all of the outstanding ADSs (the H Share Offer). Subject to the H Share Offer becoming unconditional in all respects, PetroChina intends to make a voluntary conditional offer in the PRC to acquire all of the outstanding A Shares (the A Share Offer and, together with the H Share Offer, the Offer). Pursuant to the A Share Offer, each holder of A Shares will be entitled to receive RMB5.25 in cash for each A Share tendered in the A Share Offer. Pursuant to the H Share Offer, (i) each holder of H Shares will be entitled to receive, for each H Share tendered in the H

Share Offer, HK\$2.80 in cash, and (ii) each holder of ADSs will be entitled to receive, for the H Shares underlying each ADS tendered in the H Share Offer, HK\$280.00 in cash.

The making of the Offer is subject to the pre-conditions (the Pre-Conditions), namely, the receipt of (i) the requisite approvals of the China Securities Regulatory Commission (CSRC) of the Offer under the PRC Securities Law and the Administrative Measures on Acquisitions of Listed Companies administered by the CSRC, and of the Hong Kong Securities and Futures Commission (SFC) in respect of the H Share Offer under the Hong Kong Code on Takeovers and Mergers; (ii) all regulatory relief or exemptions from the CSRC, the SFC and the United States Securities Exchange Commission necessary for the Offer to be made in compliance with the regulatory regimes of Mainland China, Hong Kong and the United States; and (iii) all other requisite authorisations and approvals from other governmental entities on terms satisfactory to PetroChina (other than such authorisations and approvals that, if not obtained, would not have a material adverse effect on the business of Jilin Chemical or on the ability of PetroChina to proceed with or consummate the Offer).

The H Share Offer is subject to the following conditions: (i) the passing of a resolution approving the voluntary withdrawal of the listing of H Shares from the Hong Kong Stock Exchange at a special general meeting of the shareholders of the Issuer to be convened for this purpose by the holders of H Shares (H Shareholders), other than PetroChina and persons acting in concert with PetroChina, subject to (A) approval by at least 75 per cent. of the votes attaching to the H Shares held by persons other than PetroChina and persons acting in concert with PetroChina (the Disinterested Shares) that are cast either in person or by proxy and (B) the number of votes cast against the resolution being not more than 10 per cent. of the votes attaching to all Disinterested Shares, and (ii) minimum valid acceptances of the H Share Offer being received (and not, where permitted, withdrawn) in respect of not less than 66 2/3 per cent. in nominal value of the H Shares, including the H Shares represented by the ADSs, carrying voting rights then exercisable at a general meeting of H Shareholders. The A Share Offer is subject to the H Share Offer becoming unconditional in all respects.

Following the satisfaction of the Pre-conditions and the conditions of the H Share Offer, the H Share Offer will become unconditional in all respects and the listings of the H Shares and the ADSs on the Hong Kong Stock Exchange and the New York Stock Exchange, respectively, will be withdrawn. The condition of the A Share Offer will be satisfied once the H Share Offer becomes unconditional in all respects, and trading in the A Shares on the Shenzhen Stock Exchange will cease.

If the Pre-Conditions are satisfied (or, if permissible, waived) on or before December 31, 2005 or such later date as PetroChina, with the consent of the Executive Director of the Corporate Finance Division of the SFC and the CSRC may agree (the First Long Stop Date), PetroChina will issue a press announcement as soon as practicable thereafter. If the Pre-Conditions are not satisfied by the First Long Stop Date, the Offer will not be made (unless PetroChina waives the Pre-Conditions or extends the First Long Stop Date, in each case with the consent of the regulatory authorities) and the Jilin shareholders will be notified in accordance with the applicable laws, regulations and rules in Hong Kong, Mainland China and the United States as soon as practicable thereafter.

Table of Contents

The consideration payable to holders of A Shares, H Shares and ADSs in the Offer will be paid using readily available funds of PetroChina. On the basis of the cash consideration of RMB5.25 per A Share, the total amount of funds required by PetroChina to purchase all of the A Shares is approximately RMB1,050 million. On the basis of the cash consideration of HK\$2.80 per H Share (or HK\$280.00 per ADS), the total amount of funds required by PetroChina to purchase all of the H Shares (including the H Shares represented by the ADSs) is approximately HK\$2,701 million.

The foregoing summary of the Offer and all related matters is qualified in its entirety by reference to the full text of the joint announcement, dated October 28, 2005, by PetroChina and the Issuer regarding the Offer, a copy of which is included as Exhibit 1 to this Amendment No. 1 and is incorporated herein by reference.

Item 4. Purpose of Transaction.

The disclosure previously contained in Item 4 is hereby replaced in its entirety with the following:

The purpose of the Offer is to acquire all of the Ordinary Shares not already owned by PetroChina. Upon completion of the Offer and subject to obtaining the necessary levels of acceptances to the Offer, it is the intention of PetroChina that Jilin Chemical will be privatized and delisted from the Hong Kong Stock Exchange, the Shenzhen Stock Exchange and the New York Stock Exchange. PetroChina expects that the Offer and the privatization of Jilin Chemical will result in the H Shares becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act.

The foregoing summary of the Offer and the delisting of the Issuer and all related matters is qualified in its entirety by reference to the full text of the joint announcement, dated October 28, 2005, by PetroChina and the Issuer regarding the Offer, a copy of which is included as Exhibit 1 to this Amendment No. 1 and is incorporated herein by reference.
