Samsung Delaware District Court Proceedings

-----

(i) On September 14, 2007, Samsung Electronics, Co., Ltd. ("Samsung") filed a First Amended Complaint ("Amended Complaint") in its proceeding in the United

Edgar Filing: InterDigital, Inc. - Form 8-K

States District Court for the District of Delaware ("Delaware District Court") against InterDigital Communications Corporation (now InterDigital Communications, LLC) and affiliates InterDigital Technology Corporation and Tantivy Communications, Inc. (collectively, "InterDigital"). The Amended Complaint removes all of Samsung's Declaratory Judgment claims that nine of InterDigital's patents are invalid and/or not infringed. Samsung has continued with its originally-pled claims concerning InterDigital's alleged behavior with standards bodies and licensing practices. In addition, the Amended Complaint was filed only on behalf of the Korean parent Samsung and, unlike the original Complaint, does not identify Samsung Telecommunications America LLP as a co-plaintiff.

In June 2007, at the request of the parties, the Delaware District Court entered a Stipulated Order to stay Samsung's Delaware District Court proceeding until September 14, 2007. The stay has expired.

InterDigital is reviewing the allegations set forth in the Amended Complaint and will file its response in the Delaware District Court at the appropriate time. Samsung's filing of the Amended Complaint has no effect on the date of the hearing scheduled to commence January 30, 2008 relating to the United States International Trade Commission's ("ITC") investigation of certain of Samsung's 3G WCDMA handsets and components thereof.

(ii) InterDigital's Delaware District Court proceeding against Samsung and certain of its affiliates will continue to be stayed until the ITC's determination in the investigation of certain of Samsung's 3G WCDMA handsets and components thereof becomes final.

Samsung 3rd Arbitration Proceeding  
-----

In October 2006, Samsung filed a request for a new International Chamber of Commerce arbitration proceeding ("Samsung 3rd Arbitration") relating to the ongoing patent royalty dispute between Samsung and InterDigital Communications Corporation (now InterDigital Communications, LLC) and InterDigital Technology Corporation. An arbitral tribunal has been fully constituted in the Samsung 3rd Arbitration. A hearing on the merits of this matter has not been scheduled.

Samsung Award Confirmation Proceeding  
-----

In September 2006, InterDigital filed a petition in the U.S. District Court for the Southern District of New York, seeking judicial confirmation of the August 2006 Samsung arbitration award. All petitions pending in this proceeding have been fully briefed. This case has been reassigned from the Honorable Kenneth M. Karas to the Honorable Richard J. Sullivan, and the parties are awaiting a hearing or decision from the court.
