### Item 1.01 Entry Into Material Definitive Agreement

On August 19, 2010, VCA Antech, Inc. (the “**Company**”) refinanced its senior credit facility pursuant to the Credit and Guaranty Agreement, by and among Vicar Operating, Inc., the Company, certain subsidiaries of Vicar Operating, Inc., as guarantors, various lenders from time to time party thereto, Wells Fargo Bank, National Association, as administrative agent, collateral agent, issuing bank and swing line lender, Bank of America, N.A., as syndication agent, and JP Morgan Chase Bank, N.A., U.S. Bank, N.A., and Union Bank, N.A., as co-documentation agents. In this report we refer to the Credit and Guaranty Agreement as the Credit Agreement. The new senior credit facility provides for \$500.0 million in senior term loans and a \$100.0 million revolving facility.

Pursuant to the Credit Agreement, the \$505.4 million of total outstanding senior term notes was repaid with borrowings under the Credit Agreement.

In general, borrowings under the Credit Agreement (including swing line borrowings) bear interest on the basis of either a base rate plus the applicable margin (0.75% to 1.75% depending on the leverage ratio of the Company) or the average one-, two-, three- or six months LIBOR plus the applicable margin (1.75% to 2.75% depending on the leverage ratio of the Company). The base rate is equal to the higher of (a) Wells Fargo Bank, N.A.'s prime rate, (b) the Federal funds rate plus 0.50%, or (c) the one month LIBOR plus 1.0%. Initial borrowings under the Credit Agreement, at our current leverage ratio, will be LIBOR plus 225 basis points.

The revolving credit facility under the Credit Agreement matures on August 19, 2015. The term loans issued under the Credit Agreement mature on August 19, 2015, with principal payments of \$6,250,000 due on the last day of each calendar quarter from December 31, 2010 to and including September 30, 2012, of \$9,375,000 due on the last day of each calendar quarter from December 31, 2012 to and including September 30, 2014 and of \$12,500,000 due on the last day of each calendar quarter thereafter with a final payment of the lesser of \$337,500,000 and the outstanding principal balance due on August 18, 2015. Principal payments under the revolving credit facility portion are made at our discretion with the entire unpaid amount due at maturity.

All outstanding indebtedness under the Credit Agreement may be voluntarily prepaid in whole or in part without premium or penalty, other than customary breakage costs. We and each of our wholly owned subsidiaries guarantee outstanding indebtedness under the Credit Agreement. Any borrowings, along with the guarantees of the subsidiaries, are further secured by a pledge of substantially all of our consolidated assets. In addition these borrowings are secured by a pledge of substantially all of the capital stock, or similar equity interest, of our wholly owned subsidiaries.

The Credit Agreement includes certain financial covenants, including the obligation to maintain a fixed charge coverage ratio not less than 1.20:1.00 and a leverage ratio not greater than 3.00:1.00. In addition, the Credit Agreement restricts acquisitions of entities outside the United States and payments of cash dividends on all classes of stock, and indirectly restricts capital expenditures through the inclusion of capital expenditures in the denominator of the fixed charge coverage ratio.

The Credit Agreement contains certain customary events of default, including, without limitation, failure to make payments, a cross-default to certain other debt, breaches of covenants, breaches of representations and warranties, and change of control.

The above summary of the Credit Agreement is not complete and is qualified in its entirety by reference to the complete text of the Credit Agreement, a copy of which will be attached as an exhibit to the Company's quarterly report on Form 10-Q for the quarter ended September 30, 2010. A copy of the press release announcing the refinancing is filed as Exhibit 99.1 to this Current Report on Form 8-K.
