Item 1.01 Entry into a Material Definitive Agreement.

On May 29, 2018, Polaris Industries Inc., a Delaware corporation (“Parent”) and wholly owned subsidiary of Polaris Industries Inc., a Minnesota corporation (“Polaris”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) by and among Parent, Polaris Sales Inc., a Minnesota corporation and wholly owned subsidiary of Parent (“Buyer”), Beam Merger Sub, LLC, a Delaware limited liability company and wholly owned subsidiary of Buyer (“Merger Sub”), Boat Holdings, LLC, a Delaware limited liability company (the “Company”), and the holder representative thereunder, pursuant to which, on the terms and subject to the conditions therein, among other things, Merger Sub will merge with and into the Company, with the Company continuing as the surviving limited liability company in the merger and a wholly owned subsidiary of Buyer (the “Merger”), for aggregate consideration of \$825 million, subject to customary adjustments based on, among other things, the amount of cash, debt and working capital in the business of the Company at the closing date, with a portion of such aggregate consideration equal to \$100 million to be paid in the form of a series of deferred annual payments over 12 years following the closing date.

The completion of the Merger is subject to the receipt of customary closing conditions, including, among others, expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the absence of any law, regulation, or order issued by a court or other governmental authority restraining or making illegal the consummation of the Merger.

The Merger Agreement contains customary representations, warranties and covenants from both the Company and Parent, Buyer and Merger Sub. The Merger Agreement may be terminated under certain circumstances, including by Parent or the Company if the Merger has not been completed by September 28, 2018. Polaris currently anticipates that the Merger will be completed in the third quarter of 2018. Polaris expects to fund the consideration for the Merger with a combination of bank debt and private placement debt financing. The Company has agreed, subject to certain exceptions and limitations, to indemnify Parent for certain breaches of representations, warranties, covenants and other specified matters, and Parent has obtained a commitment for “representation and warranty” insurance which will provide coverage for certain breaches of representations and warranties of the Company contained in the Merger Agreement, subject to certain deductibles, exclusions, policy limits and certain other terms and conditions.

The foregoing description of the Merger Agreement and the Merger does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Merger Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K.

The Merger Agreement and the above description have been included to provide investors with information regarding the terms of the Merger. They are not intended to provide any other factual information about the Company or any parties to the Merger Agreement or their respective affiliates or equityholders. The representations, warranties and covenants contained in the Merger Agreement were made only for the purpose of the Merger Agreement and as of specific dates, were solely for the benefit of the parties thereto, may have been used for purposes of allocating risk between each party rather than establishing matters of fact, may be subject to a contractual standard of materiality different from that generally applicable to investors and may be subject to qualifications or limitations agreed upon by the parties in connection with the negotiated terms of the Merger, including being qualified by schedules and other disclosures made by each party. Accordingly, investors should not rely on the representations, warranties and covenants in the Merger Agreement as statements of factual information.

This Current Report on Form 8-K contains forward-looking statements. Statements that are not historical or current facts, including statements about beliefs and expectations, are forward-looking statements. These forward-looking statements cover, among other things, the timing of closing of the Merger, the expected sources of funds to be used for the consideration to be paid in the Merger, and the nature of the closing conditions for the Merger. Forward-looking statements involve inherent risks and uncertainties, and important factors could cause actual results to differ materially from those anticipated, including the following: (1) the Merger may not be completed, or completed within the

expected timeframe; (2) costs relating to the Merger (including in respect of the financing of the Merger) may be greater than expected; (3) a governmental entity may prohibit, delay or refuse to grant a necessary regulatory approval in connection with the Merger; (4) other closing conditions may not be met on a timely basis or at all which may delay or prevent the Merger or require a waiver of such conditions; and (5) other factors identified under “Risk Factors” in Part I, Item 1A of Polaris’ Annual Report on Form 10-K for the fiscal year ended December 31, 2017, and updated in Polaris’ subsequent reports filed with the Securities and Exchange Commission (“SEC”). Forward-looking statements speak only as of the date they are made, and Polaris undertakes no obligation to update them in light of new information or future events.
