Item 2.01. Completion of Acquisition or Disposition of Assets.

comScore, Inc., a Delaware corporation (“comScore”) and certain of its subsidiaries (collectively, the “Company”), entered into an asset purchase agreement dated November 5, 2015 (the “Agreement”) with Adobe Systems Incorporated, (a Delaware corporation) and certain of its subsidiaries (collectively, “Buyer”). Pursuant to the Agreement, the Company agreed (upon the terms and subject to the conditions set forth in the Agreement) to sell or exclusively license certain assets, rights and properties primarily or exclusively used in or necessary for, or which primarily or exclusively relate to, the Company’s Digital Analytix business (the “Business” or “DAX”), including certain exclusively Business-related agreements with customers and certain intellectual property (the “Purchased Assets”). The Company will continue to employ the personnel needed to operate the Purchased Assets and will provide support to Buyer pursuant to a transition service agreement for a three-year term.

The Agreement contains various representations, warranties, pre-closing and post-closing covenants, closing conditions, termination rights, indemnification obligations and other provisions, including those customary for a transaction of this nature, including, among others, the Company’s covenant not to compete with the Business, which is subject to certain limitations.

On January 21, 2016, the sale of the Business was completed pursuant to the Agreement (the “Disposition”), and in consideration for the Purchased Assets, Buyer paid \$45 million cash to the Company, which amount is subject to adjustments for claims for indemnification by Buyer pursuant to the terms of the Agreement.

The foregoing description of the Agreement and the transactions consummated pursuant to the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement, which was filed as Exhibit 2.1 to comScore’s Current Report on Form 8-K filed with the SEC on November 6, 2015 and is incorporated herein by reference.

The Agreement is incorporated by reference as an exhibit to this Current Report on Form 8-K in order to provide investors and security holders with information regarding its terms. It is not intended to provide any other information (including any factual information) about the parties thereto or their respective subsidiaries and affiliates. The representations, warranties and covenants contained in the Agreement were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties thereto, may be subject to limitations agreed upon by such parties, including being qualified by documents filed with the Securities and Exchange Commission (the “SEC”) or by confidential disclosures made for the purposes of allocating contractual risk between the parties thereto instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors and security holders. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties or any of their subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may have changed after the date of the Agreement, which subsequent information may or may not be fully reflected in comScore’s public disclosures. The Agreement should not be read alone, but should instead be read in conjunction with the other information regarding comScore that is or will be contained in, or incorporated by reference into, the Forms 10-K, Forms 10-Q, Forms 8-K, proxy statements and other documents that comScore have filed, or will file, with the SEC.
