INFORMATION TO BE INCLUDED IN THE REPORT

Item 5.03 Amendments to Articles or Incorporation or Bylaws; Change in Fiscal Year.

On August 6, 2008, the Board of Directors of Advance Auto Parts, Inc. (the “Company”), upon recommendation of the Nominating and Corporate Governance Committee, approved an amendment to Article II, Section 2.08 of the Company’s By-Laws to adopt a majority vote standard for the election of directors in uncontested elections. The new majority vote standard provides that to be elected, in an uncontested election, a director nominee must receive a majority of the votes cast such that the number of shares voted “for” the nominee must exceed 50% of the votes cast with respect to that director. In contested elections where the number of nominees exceeds the number of directors to be elected, the vote standard will continue to be a plurality of votes cast. Broker non-votes and abstentions will not be considered as votes cast for purposes of determining the number of votes cast. If the failure of a nominee to be elected at the annual meeting results in a vacancy on the Board, the Board may either fill the vacancy or reduce the size of the Board.

Section 3.03 of the Company’s By-Laws was amended to permit a director to tender his or her resignation to be effective at a specified future time or at the discretion of the Board. In addition, the revised By-Laws were amended to provide specifically that vacancies created by a contingent resignation may be filled by a majority of the current directors.

In a related action, the Company’s Guidelines on Significant Governance Issues were amended by the Board, effective August 6, 2008, to provide that if a director nominee who already serves as a director is not elected, the incumbent director is expected to tender his or her resignation to the Board of Directors. The Nominating and Corporate Governance Committee will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the Committee’s recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results. The director who tenders his or her resignation will not participate in the recommendation of the Nominating and Corporate Governance Committee or in the Board’s decision. The amended Guidelines on Significant Governance Issues will be posted on the Company’s website at [www.advanceautoparts.com](http://www.advanceautoparts.com).

The amendment to the By-Laws became effective on August 6, 2008, and the amended By-Laws are attached as Exhibit 3.2 to this Current Report on Form 8-K.
