E AND S HOLDINGS, INC.
(A Development Stage Company)
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 30, 2005

NOTE A - BASIS OF PRESENTATION

The accompanying unaudited financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and with the instructions to Form 10-QSB and item 310(b) of Regulation S-B. Accordingly, they do not include all the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. For further information, refer to the financial statements and footnotes thereto included in the E and S Holdings, Inc. Form 10-KSB filing for the year ended May 31, 2005.

NOTE B - DEVELOPMENT STAGE COMPANY

E and S Holdings, Inc. (a Nevada corporation) has been in the development stage since its formation on June 20, 2001. It is primarily engaged in the development and marketing of new products on which it holds the patent. Realization of a major portion of its assets is dependent upon the Company's ability to successfully develop and market the patent, meet its future financing

requirements, and the success of future operations. These factors raise substantial doubt about the Company's ability to continue as a going concern.

5

ITEM 2 - MANAGEMENTS DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

E & S Holdings (E & S) is a developmental stage company that has received revenues of approximately \$259 during the three-month period ending November 30, 2005. E & S has received no significant revenues since its inception.

As of November 30, 2005, E & S has cash assets of \$1,144. However, it also had accounts receivable of \$238 and inventory of \$23,140. Because the liquid assets of the company are low, management is contemplating increasing needed capital through a private offering of additional shares, although no definite plans have been formulated at this time. E & S continues to receive small orders for its Portable Pipe Vise. In order to promote additional sales, management has continued to do direct mailing as funds permit. E & S has previously secured the services of seven independent sales representatives in various parts of the United States to promote the sale of its Portable Pipe Vise. Unfortunately, management efforts to obtain dealers/representatives have not produced any substantial sales. Management has notified its representatives that unless the representatives commence producing orders for E & S, their contracts will not be renewed. Management has altered its marketing strategy and now is emphasizing direct sales to large retail outlets and direct sales through its WEBSITE, WWW.PORTABLEPIPEVISE.COM. These moves have been initiated to reduce costs of sales. The Portable Pipe Vise is currently placed in the catalog of a nationally recognized tool retailer and in the Black Book of Tools catalog. Recently, E & S has sent samples of its product to established national marketing representatives in an effort to secure a national account in a major retail chain. In addition, in an effort to expand exposure of its product, E & S has secured a booth for the 2006 National Hardware Show in Las Vegas, Nevada that runs between May 9th and May 11th.

Management is attempting to focus on specific industries in which the Portable Pipe Vise would be most useful. Therefore, its first marketing effort is focused toward the welding equipment suppliers. Its second round of direct marketing will focus on plumbing suppliers and retailers of heating, ventilating and air conditioning supplies. Management intends to increase its marketing efforts at such time as additional funds are made available through sales of the product.

E & S has succeeded in its efforts to list the shares of E & S on the OTC Bulletin Board. The shares were listed effective December 16, 2005 under the symbol ESHI.

Over the last three months, E & S has sustained operating losses in the amount of \$6,661. Of this amount, \$3,561 involves costs for legal and accounting fees incurred during the last quarter. As of November 31, 2005, E & S has total liabilities of \$84,841.

There are no off balance sheet arrangements involving E & S at this time.

ITEM 3 - CONTROLS AND PROCEDURES

The management of E & S recognize its responsibility for establishing and maintaining adequate internal controls over financial reporting for E & S. Due to the small size of E & S, the company's Chief Executive Officer and Chief Operating Officer is aware of all matters pertaining to the operations of E & S Holdings, Inc and has reviewed all aspects of the financial information included in the company's financial reporting. At the present time, management is of the opinion that the company's internal controls over financial reporting for the

past fiscal year is adequate. However, management has identified a material weakness in its procedures in that the small size of management causes a lack of segregation of duties and limits management's ability to recognize potential inadequacies of the internal controls over the financial reporting.

6
