US Oncology is the nation's largest health-care services network devoted exclusively to cancer treatment and research, and a pioneer in community-based cancer care since 1993. The tenant leases approximately 19,000 square feet in the building. The annual base rent payable under the US Oncology’s lease is \$17.50 per rentable square foot. The lease has rent escalations and expires on December 31, 2008.

The current aggregate annual base rent for all tenants in Amberton Tower is approximately \$3,012,959.
