Both grants will become effective on the third business day following the Corporation's release of its fourth quarter earnings.

## Edgar Filing: TREDEGAR CORP - Form 8-K

The stock options will have an option price equal to the closing price of shares of the Corporation's common stock as reported on the New York Stock Exchange composite tape on the third business day following the Corporation's fourth quarter earnings release and have a term of seven years. The vesting period is two years. The grants of options were made pursuant to the terms of the Plan and are subject to the terms of the Notice of Nonstatutory Stock Option Grant and Nonstatutory Stock Option Terms and Conditions (together, the "Agreement"), substantially in the form filed as Exhibit 10.21 to the Corporation's Current Report on Form 8-K filed March 9, 2006, and incorporated herein by reference.

The Compensation Committee established 2009 financial performance targets for the performance stock unit awards. The named executive officers are eligible to receive one-half of the performance stock units if the economic profit added from manufacturing operations for the Corporation for calendar year 2009 meets the threshold approved by the Compensation Committee. The named executive officers are eligible to receive one-half of the performance stock units if the earnings per share from operations for calendar year 2009 meets the threshold approved by the Compensation Committee. The performance stock unit awards were made pursuant to the terms of the Plan and are subject to the terms of the Notice of Stock Unit Award and Stock Unit Award Terms and Conditions, substantially in the form filed as Exhibit 10.22 to the Corporation's Current Report on Form 8-K filed June 26, 2007, and incorporated herein by reference.

### **2007 Incentive Plan for Executive Officers**

The Compensation Committee had previously approved the 2007 Incentive Plan for Executive Officers. Incentives were to be paid out under the Plan only if financial performance targets were met and individual objectives were achieved. The financial performance targets for the executive officers, other than Nancy M. Taylor, were based upon economic profit added for the Corporation. Because of Ms. Taylor's responsibilities as the president of the Corporation's Film Products division, the financial performance target for Ms. Taylor was based upon economic profit added for Film Products. The Corporation did not meet the financial targets in the 2007 Incentive Plan for Executive Officers, so no incentives were paid to the named executive officers other than Ms. Taylor from the 2007 Incentive Plan. As the Film Products division met its financial targets, Ms. Taylor received a payout in the amount of \$82,142 under the 2007 Incentive Plan.

### **Discretionary Bonuses**

The Compensation Committee approved the following discretionary bonuses to each of its named executive officers, other than its President and Chief Executive Officer, whose discretionary bonus is set forth under "Chief Executive Officer Compensation" below:

<b><u>Name</u></b>	<b><u>Bonus Amount</u></b>
D. Andrew Edwards	\$95,000
McAlister C. Marshall, II	\$80,000
Larry J. Scott	\$50,000
Nancy M. Taylor	\$30,000

### **Chief Executive Officer Compensation**

Edgar Filing: TREDEGAR CORP - Form 8-K

The Compensation Committee approved an annual base salary increase for John D. Gottwald in the amount of \$180,000, bringing Mr. Gottwald's base salary to \$540,000, effective March 1, 2008. This increase in Mr. Gottwald's base salary is in recognition of the significant contributions made and expected to be made, as well as the next step in a deliberate process of increasing Mr. Gottwald's base salary to be more in line with market pay levels. The Compensation Committee also approved a discretionary bonus to Mr. Gottwald in the amount of \$100,000.
