BROOKMOUNT EXPLORATIONS INC.  
(A Pre-exploration Stage Company)  
NOTES TO THE INTERIM FINANCIAL STATEMENTS

## Edgar Filing: BROOKMOUNT EXPLORATIONS INC - Form 10QSB

August 31, 2003  
(Stated in US Dollars)  
(Unaudited)  
-----

### Note 1 Interim Reporting

-----

While the information presented in the accompanying interim nine months financial statement is unaudited, it includes all adjustments which are, in the opinion of management, necessary to present fairly the financial position, results of operations and cash flows for the interim periods presented. All adjustments are of a normal recurring nature. It is suggested that these financial statements be read in conjunction with the company's November 30, 2002 annual financial statements.

### Note 2 Continuance of Operations

-----

The financial statements have been prepared using generally accepted accounting principles in the United States of America applicable for a going concern which assumes that the Company will realize its assets and discharge its liabilities in the ordinary course of business. At August 31, 2003, the Company had a working capital deficiency of \$12,584, which is not sufficient to meet its planned business objectives or to fund mineral property expenditures and ongoing operations for the next twelve months. The Company has accumulated losses of \$110,293 since its commencement. Its ability to continue as a going concern is dependent upon the ability of the Company to obtain the necessary financing to meet its obligations and pay its liabilities arising from normal business operations when they come due.

### Note 3 Resource Property

-----

The Company has a 100% interest in five mineral claims located in Chazel Township, Abitibi West County, Quebec. These claims total approximately 500 acres. Assessment work with a minimum value of \$6,000 must be submitted to the Ministry of Mines for the Province of Quebec before November 14, 2004.

### Note 4 Share Capital

-----

Pursuant to an offering memorandum dated July 23, 2003, the Company undertook to sell a minimum of 1,000,000 common shares at \$0.50. At August 31, 2003, the Company had sold 10,000 common shares for proceeds of \$5,000. This amount has been included in share capital at August 31, 2003. The proceeds of this offering are to be used for resource property acquisitions and general working capital purposes.

Subsequent to August 31, 2003, the Company received \$85,500 pursuant to this offering memorandum.

## Item 2. Management's Discussion and Analysis or Plan of Operation

### FORWARD LOOKING STATEMENTS

## Edgar Filing: BROOKMOUNT EXPLORATIONS INC - Form 10QSB

This quarterly report contains forward-looking statements that involve risks and uncertainties. We use words such as anticipate, believe, plan, expect, future, intend and similar expressions to identify such forward-looking statements. You should not place too much reliance on these forward-looking statements. Our actual results are likely to differ materially from those anticipated in these forward-looking statements for many reasons, including the risks faced by us described in this Risk Factors section and elsewhere in this annual report.

### Plan of Operation

Our plan of operations for the twelve months following the date of this report is to complete the recommended phase one exploration programs on the our Mercedes 100 Property and the Brookmount Property. We anticipate that these programs will cost \$220,000 and \$10,000 respectively.

In addition, we anticipate spending \$17,200 on professional fees, \$99,000 on salaries and wages, \$10,000 on travel costs, \$15,000 on promotional expenses and \$50,000 on other administrative expenses.

Total expenditures over the next 12 months are therefore expected to be \$421,200. We will not be able to proceed with either exploration program, or meet our administrative expense requirements, without additional financing.

### Results Of Operations for Nine-Month Period Ended August 31, 2003

We incurred operating expenses in the amount of \$43,940 for the nine-month period ended August 31, 2003, as compared to \$12,229 in the same period in 2002. At quarter end, we had cash on hand of \$532. Our liabilities at the same date totalled \$13,116 and consisted of accounts payable of \$10,565 and \$2,551 due to related parties.
